PART 1
CHAPTER 1

Sec. 11. (1) One or more contiguous counties, excepting any portion previously included in an existing community college district, may join to form a community college district by a majority vote of the electors thereof. Such portion shall not be included in the area of the proposed community college district nor shall persons residing in such areas be eligible to vote at the organizational election or at any succeeding community college district elections.

Sec. 12. (2) When approval of a proposed community college district is filed with the appropriate county clerks more than 6 months prior to the holding of the next general state election, each county clerk shall call a special election for the purpose of submitting to the electors the propositions relating to the establishment of the community college district.

Sec. 13. At the organizational election there shall be submitted the following issues:

(a) Proposition to establish the community college district. The ballots shall read substantially as follows:

Shall a community college district comprised of
County (or counties) be established in accordance with Act No. of the Public Acts of 1966?

(b) Proposition to establish the maximum annual tax rate.

(c) Election of the first board of trustees.

Sec. 14. (1) The community college district shall be directed and governed by a board of trustees, consisting of 7 members, elected at large in the proposed community college district on a nonpartisan basis. At the organizational election there shall be elected 3 members for 6-year terms, 2 for 4-year terms and 2 for 2-year terms. Thereafter, at the next regular community college election immediately preceding the expiration of their terms of office, their successors shall be elected for terms of 6 years. Any community college district which on the effective date of this act has 6 board members, shall elect an additional trustee for a 6-year term at the next regular election held in the district. In a community college district which is comprised of 3 counties and is in operation on the effective date of this act, the board of trustees shall continue to consist of 9 members elected for 6-year terms, 3 of such members being elected from each of the 3 counties.

(2) When the organizational election is held at the same time as the general state election, the term of office of each member elected shall commence on January 1 following the organizational election.

(3) When the organizational election is held on a date other than the date of the general state election, each board member shall take office on the fifteenth day following the date of the organizational election. Regular terms of office shall commence on January 1 following the next general state election, however, the period of time from the date of the organizational election until January 1 following the next general state election shall be in addition to the regular terms to which each member was elected.

Sec. 15. (1) A community college district shall be established if:

(a) A majority of the electors of each of the counties included in the proposed community college district voting thereon approve the organization of the district.

(b) A combined majority of the electors of the counties voting thereon approve the establishment of the maximum annual tax rate.

(c) A board of trustees in the required number is elected by each county voting thereon.

(2) If either of the 2 propositions fail of proper majorities, or if a board of trustees in the proper number is not elected then no community college district shall be established.

Sec. 16. The general election laws, including the voting of absent voters, and all laws of the state relating to the hours for the opening and closing of the polls at elections and for preserving the purity of elections and for preventing fraud and corruption shall govern all elections under this act so far as the same are applicable and not inconsistent with the provisions of this act. All county and local election officials shall perform their election duties for all regular and special elections held in accordance with the provisions of this chapter, including the proper giving of notices of registration and election.

Sec. 17. (1) The final results of the organizational election and succeeding elections of the community college district shall be canvassed by the county board of canvassers established by law.

(2) Where the election area involves more than 1 county the canvass shall be made by the county board of canvassers of the county containing the highest valuation of the community college district or proposed community college district.

Sec. 18. Regular elections of the community college district shall be held on the same date as the general state elections. At regular elections, in addition to the election of

trustees, special propositions may be submitted to the vote of the electors when authorized by the board of trustees.

Sec. 19. (1) Special elections of the community college district may be called by the board of trustees. The secretary of the board shall file a copy of the resolution of the board calling the election with the county clerks at least 60 days prior to the date of the election. The resolution of the board shall contain a statement of the propositions to be submitted to the electors.

(2) Upon receipt of the resolution each county clerk shall notify the county and local election officials of the calling of the special election. The election officials shall perform their regular election duties.

Sec. 20. Expenses of elections of the community college district shall be paid by the board of trustees to the county and the several cities and townships upon presentation of statements therefor which shall not include charges for use of equipment or services of regular personnel of the counties, cities and townships unless otherwise agreed upon between the board of the community college district and the boards of the counties, cities and townships.

Sec. 21. (1) The board of trustees of a community college district comprised of a county or counties by resolution may annex to the community college district in the manner provided in this act any contiguous county or any contiguous township not already included within the area of a community college district.

(2) Prior to the annexation election, the board of trustees shall obtain approval of the proposed annexation from the state board of education. Upon receipt of the approval, the secretary of the board of trustees shall file certified copies of the annexation resolution and the approval with the clerk of the county or township to be annexed. When the resolution and approval are filed more than 9 months from the date of the next general state election, the county board of supervisors, or the township board, shall call a special election for the purpose of voting on the question of annexation to the community college district and of approving the maximum tax rate existing in the community college district.

(3) If the resolution and approval are filed less than 9 months but more than 50 days prior to the next general state election, then the propositions shall be presented at such election. Annexation becomes effective on the date of the election if both propositions receive majority approval of the electors voting thereon. Final results of the annexation election shall be canvassed as provided in section 17, except in the case of annexation of a township where the results shall be canvassed by the township board of canvassers established by law.

(4) By virtue of annexation, any territory heretofore or hereafter annexed to a community college district shall be subject to taxes levied for principal and interest of outstanding bonded indebtedness of the community college district.

(5) If any portion of the county or township to be annexed lies within a community college district at the time of the annexation election, then the electors residing in such territory shall not be eligible to vote on the propositions and such territory shall not become a part of the community college district.

CHAPTER 2

Sec. 31. (1) Two or more contiguous school districts which operate grades kindergarten through 12 may join to form a community college district. When resolutions of the boards of education of contiguous school districts requesting the organization of the community college district are filed with the secretary of the board of education of the intermediate school district having the highest valuation in the proposed community college district area, he shall refer the questions of organizing the community college district and the proposed annual tax rate to the state board of education for approval.

(2) For the purposes of this chapter, a school district operating grades kindergarten through 12 shall be eligible for the formation of a community college district even though a part of the district is within an existing community college district. Such part shall not be included in the area of the community college district nor shall persons residing in such

part be eligible to vote at the organizational election or at any community college district election.

Sec. 32. (1) The secretary of the board of education of the intermediate school district shall file a copy of the approval specified in section 31 with the secretary of the board of education of each component school district. When the filing is made at least 50 days but not more than 6 months prior to the next annual school election, the secretaries shall include the necessary community college propositions in the proceedings for the annual election.

(2) When the approval is filed with the secretaries of the component school districts more than 6 months prior to the date of the annual school election, each board of education shall call a special election to be held on a date designated by the secretary of the intermediate board of education of the school district having the highest valuation within the proposed community college district, for the purpose of submitting the propositions relating to the establishment of a community college district.

The terms of office of members elected at large at the first regular community college election shall be arranged so that 2/3 of the members shall be elected for 6-year terms and 1/3 shall be elected for 4-year terms. If the total number of members to be elected from individual schools districts is 3, 2 members shall be elected for 2-year terms and 1 member shall be elected for a term of 4 years. If the total number of individual districts is 4, 3 members shall be elected for 2-year terms and 1 member shall be elected for a term of 4 years. If the number of constituent districts exceeds 4 and is an even number, 1/2 of the members shall be elected for 2-year terms and 1/2 shall be elected for 4-year term. If the number of districts in excess of 4 is an odd number, the majority of the members shall be elected for 2-year terms and the remaining members shall be elected for 4-year terms. The board of trustees of the community college district shall establish, by drawing lots, which constituent school districts shall elect a trustee for the respective 2 and 4-year terms. (c) A board of trustees in the required number is elected by a majority of the electors of the school districts voting thereon or by the combined majority of electors of the component school districts.

(2) If either of the 2 propositions fail of proper majorities, or if a board of trustees in the proper number and area representation is not elected, then no community college district shall be established.

Sec. 36. (1) The provisions of sections 531 to 540 of Act No. 269 of the Public Acts of 1955, as amended, being sections 340.531 to 340.540 of the Compiled Laws of 1948, shall govern the conduct and procedures of the community college election conducted by local school boards under this chapter.

(2) Where part of a local school district is in another community college district, only those electors residing in the remainder of the school district shall be eligible to vote in the organizational election or in subsequent community college elections.

Sec. 37. The results of any election in the school districts shall be canvassed within 3 days of the election by the boards of canvassers of the districts. The final canvass of the results of the organizational election shall be made by the board of canvassers appointed by the secretaries of the boards of the component school districts meeting jointly. The final canvass of the results of any community college district election, except the organizational election, shall be made by the board of canvassers appointed by the board of trustees of the community college district.

Sec. 38. (1) The regular community college election shall be held at the same time as the annual school elections of the constituent school districts held in the odd numbered years on the date prescribed for annual school elections in sections 34, 72 and 108 of Act No. 269 of the Public Acts of 1955, as amended. If any component school district holds its annual school election on a different date, the board of such district shall call a special election to be held on the same day as that above prescribed. The election shall be conducted in the same manner provided by sections 531 to 540 of Act No. 269 of the Public Acts of 1955, as amended.

(2) At the regular elections separate propositions may be submitted to the electors in addition to the election of trustees of the community college district when authorized by the board of trustees.

Sec. 39. (1) Special elections of the community college district may be called by the board of trustees. The secretary of the board shall file a copy of the resolution of the board calling the election with the secretaries of the component school districts at least 60 days prior to the date of the election. Sec. 41. (1) The board of trustees by resolution may annex to the community college district any contiguous school district not already included within a community college district.

(2) The board of trustees shall obtain the approval of the proposed annexation from the state board of education. Upon receipt of the approval, the secretary of the board of trustees shall file certified copies of the annexation resolution and the approval with the secretary of the board of education of the school district to be annexed.

(3) If a school district which operates grades kindergarten through 12 is annexed to a community college district, the school district shall be entitled to elect a member to the board of trustees of the community college district for a term of 6 years. The first member shall be elected at the regular community college election next succeeding the annexation election.

Sec. 42. (1) If the resolution and approval are filed with the secretary more than 90 days before the date of the annual election of the district to be annexed, the board of education of the district shall call a special election for voting on the annexation on a date specified by the secretary of the board of trustees of the community college district.

(2) If the resolution and approval are filed more than 20 days but less than 90 days prior to the date of the annual election of the district to be annexed, the annexation proposition shall be submitted to the electors at the annual election.

Sec. 43. (1) At the annexation election the electors shall vote on the propositions of annexation to the community college district and the adoption of the maximum annual tax rate of the community college district. Annexation will become effective on the date of the election if both propositions receive majority approval of the electors voting thereon. By virtue of annexation, a school district heretofore or hereafter annexed shall be subject to taxes levied within the maximum annual tax rate and to taxes levied for principal and interest of outstanding bonded indebtedness of the community college district.

(2) If any portion of a school district to be annexed lies within a community college district at the time of the annexation election, the electors residing in such territory shall not be eligible to vote on the propositions and such territory shall not become a part of the community college district.
