

DOCUMENT RESUME

ED 053 336

VT 013 803

**TITLE** Abstracts of Instructional Materials in Vocational and Technical Education (AIM), Summer 1971.

**INSTITUTION** Ohio State Univ., Columbus. Center for Vocational and Technical Education.

**SPONS AGENCY** Office of Education (DHEW), Washington, D.C.

**PUB DATE** 71

**NOTE** 154p.

**AVAILABLE FROM** ERIC Clearinghouse for Vocational and Technical Education, The Ohio State University, 1900 Kenny Road, Columbus, Ohio 43210 (Quarterly, \$11.00 per year, two years \$18.00)

**EDRS PRICE** EDRS Price MF-\$0.65 HC-\$6.58

**DESCRIPTORS** Agricultural Education, \*Annotated Bibliographies, Business Education, Clearinghouses, Distributive Education, Health Occupations Education, Home Economics Education, Indexes (Locators), Industrial Arts, \*Instructional Materials, \*Technical Education, Trade and Industrial Education, \*Vocational Education

**ABSTRACT**

This quarterly publication announces the availability of instructional materials acquired and processed by the Educational Resources Information Center (ERIC) Clearinghouse on Vocational and Technical Education. It should be of particular interest to teachers, curriculum specialists, supervisors, and administrators involved in curriculum development or the use of instructional materials in the teaching-learning setting. Each abstract, a condensation of the report in about 200 words, usually includes the means used to develop the material, the setting for use of the material, and source of available copies. Abstracts are included under the following sections: Agricultural, Business and Office, Distributive, Health Occupations, Home Economics, Industrial Arts, Trade and Industrial, and General Vocational and Technical Education. An author index, document number index, and subject indexes are provided. Most of the documents which have not been announced in "Research in Education," are available as a separate microfiche set from the ERIC Documents Reproduction Service (VT 013 855). Others are available from the source identified in the abstract. (CD)

CLEARINGHOUSE ON  
VOCATIONAL AND  
TECHNICAL EDUCATION

VT013803

The Center for Vocational and Technical Education, an independent unit on The Ohio State University campus, operates under a grant from the National Center for Educational Research and Development, U.S. Office of Education. It serves a catalytic role in establishing consortia to focus on relevant problems in vocational and technical education. The Center is comprehensive in its commitment and responsibility, multidisciplinary in its approach and interinstitutional in its program.

The Center's mission is to strengthen the capacity of state educational systems to provide effective occupational education programs consistent with individual needs and manpower requirements by:

- Conducting research and development to fill voids in existing knowledge and to develop methods for applying knowledge.
- Programmatic focus on state leadership development, vocational teacher education, curriculum, vocational choice and adjustment.
- Stimulating and strengthening the capacity of other agencies and institutions to create durable solutions to significant problems.
- PROVIDING A NATIONAL INFORMATION STORAGE, RETRIEVAL AND DISSEMINATION SYSTEM FOR VOCATIONAL AND TECHNICAL EDUCATION THROUGH THE AFFILIATED ERIC CLEARINGHOUSE.

Abstracts of Instructional Materials in Vocational and Technical Education is a quarterly publication (Fall, Winter, Spring, Summer) published by the ERIC Clearinghouse on Vocational and Technical Education. Subscriptions are \$11.00, one year; \$18.00, two years; and \$27.00, three years. Send order to ERIC Clearinghouse, The Center for Vocational and Technical Education, The Ohio State University, 1900 Kenny Road, Columbus, Ohio 43210. Contents of this publication may be reprinted freely without requesting permission, providing appropriate credit is given to the Clearinghouse.

## PREFACE

Abstracts of Instructional Materials in Vocational and Technical Education (AIM) and the companion publication Abstracts of Research and Related Materials in Vocational and Technical Education (ARM) announce the availability of documents acquired and processed by the ERIC Clearinghouse on Vocational and Technical Education. AIM includes abstracts of materials typically designed for teacher use or student use in the classroom, and annotations of bibliographies or lists of instructional materials. It will be of particular interest to teachers, curriculum specialists, supervisors and administrators involved in the use of instructional materials in the teaching-learning setting, or in curriculum development. ARM incorporates abstracts of research and other materials which are useful to a wide audience of users such as researchers, supervisors, teacher educators, education specialists, administrators, teachers and others who have an interest in vocational and technical education. These publications prepared by the ERIC Clearinghouse on Vocational and Technical Education are published quarterly beginning with the Fall 1967 issue.

The ERIC Clearinghouse on Vocational and Technical Education is a division of the Center for Research and Leadership Development in Vocational and Technical Education located at The Ohio State University and is one of the clearinghouses of the Educational Resources Information Center (ERIC-USOE). With the growth of vocational and technical education programs, there is an increasing need for accessible information that can be used in developing logical chains of reasoning for research activities, for improving school practices and for shortening the theory-practice gap. This Clearinghouse is striving to provide a useful and vital function in dissemination of information on vocational and technical education. ARM and AIM give visibility to a document-based information system which constitutes an on-going data bank of research and resource materials in vocational and technical education. Following are some of the benefits derived from this data base:

- \* A central source of information to be reviewed and synthesized into state-of-the-art papers, critical reviews, interpretive papers, etc.
- \* A resource which includes different kinds of materials, e.g., instructional materials, descriptive reports, survey reports, dissertations, conference proceedings, program plans or procedures, research reports.
- \* Provision for availability of primary source materials through the ERIC Document Reproduction Service (EDRS) and/or other distribution agencies.
- \* A source of bibliographies and a resource for development of bibliographies.
- \* A source of materials for different user groups (i.e., administrators, supervisors, teacher educators, teachers, legislative and advisory bodies) with information needs in such diverse areas as teaching and learning, manpower needs and requirements, research design and methodology, evaluation.

Since this Clearinghouse is a component of a larger information system, ERIC, it is logical that certain similarities among publications exist. In this regard the format of ARM and AIM is similar to that of Research in Education (RIE)<sup>1</sup>, the primary publication of the Educational Resources Information Center (ERIC). RIE

---

<sup>1</sup>Research in Education is published 12 times a year. The first issue was no. 1, November 1966. Subscription: Domestic \$21.00 a year; foreign \$5.25 additional. Single copy: Domestic, \$1.75. Send check or money order (no stamps) to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402

includes abstracts from all ERIC Clearinghouses. The abstracts of materials reported in AIM relate specifically to the educational field of vocational and technical education and constitute a segment of ERIC, the national information system for American education.

In addition to the two quarterly publications, Abstracts of Research and Related Materials in Vocational and Technical Education (ARM), and Abstracts of Instructional Materials in Vocational and Technical Education (AIM), other publications will be issued from time to time. These will typically concern themselves with reviewing and synthesizing information in specific areas of vocational and technical education, e.g., Review and Synthesis of Research in Technical Education; Agricultural Education; Home Economics, etc., and with reviewing and synthesizing information related to topical areas such as the economics of vocational and technical education.

We are indebted to our colleagues within the profession for their cooperation in forwarding materials to the clearinghouse and for their suggestions and comments which have materially assisted in the development of this program. We anticipate further refinement and improved procedures with the continued assistance of our advisory committee.

Robert E. Taylor  
Director

## INTRODUCTION

### Organization of ABSTRACTS OF INSTRUCTIONAL MATERIALS IN VOCATIONAL AND TECHNICAL EDUCATION

Abstracts of Instructional Materials in Vocational and Technical Education relies upon two basic formats--resumes and indexes--to serve the browser and those seeking specific information. The resumes are organized according to vocational service groupings in the first section of the document. Under each grouping, the resumes are arranged by Vocational Technical (VT) number which is an identification number assigned to reports as they are processed. Resumes contain an abstract which indicates the contents of a document in two hundred words or less. Documents which have been pulled from RIE resume tapes will appear in uppercase letters only. Additional components of a resume are explained in a diagram on page x.

Several indexes are located after the resume section to provide specific approaches to documents reported in the resume section. These indexes are:

Subject and Identifier Index  
Personal and Institutional Author Index  
Document Number Index  
Conversion of Document Number (VT to ED or MP, ED or MP to VT)

All of the indexes refer to page numbers in this publication to enable the reader to quickly locate any resume of interest.

#### Availability of AIM

AIM is published quarterly (Fall, Winter, Spring, Summer). The first issue began Fall 1967. At this time the four issues for the period Fall 1967 - Summer 1968 and the AIM-ARM Annual Indexes are available only on microfiche or facsimile copy. Annual subscriptions are available beginning with Fall 1968. Microfiche or facsimile copy for all previous issues may be ordered from ERIC Document Reproduction Service, (EDRS), P.O. Drawer O, Bethesda, Maryland 20014. Please write to EDRS for order forms.

ED 013 337	Fall 1967 AIM	MF - \$ .65	or	HC - \$ 6.58
ED 015 336	Winter 1967 AIM	MF - \$ .65	or	HC - \$ 6.58

The Center for Vocational and Technical Education  
1900 Kenny Road  
Columbus, Ohio 43210

### Availability of Materials Reported in AIM

A basic concept of the ERIC system is to make known the availability of the full text of materials abstracted. Most of the materials processed into the ERIC system with an ERIC Document (ED) number will be available from the ERIC Document Reproduction Service (EDRS) in the form of microfiche or facsimile copy. There is an EDRS availability line with each abstract which indicates if a document may be obtained from EDRS. Microfiche or facsimile copy must be ordered by ED (ERIC Document) number since EDRS is not set up to respond to requests for materials by subject, author, or title. If a document is not available from EDRS, the agency and address from which the document may be obtained is in the resume. AIM and ARM indexes can be used to determine ED numbers which relate to problem areas. Always check the most current issue of RIE in the section, How to Order ERIC Document Reproductions for the latest price schedules and ordering procedure for microfiche (MF) and facsimile copy, called hard copy (HC).

Materials with ED numbers are announced in Research in Education (RIE) as well as AIM or ARM. These are available as individual documents through EDRS or another source. Documents with VT numbers only are not announced in RIE but are included in AIM and ARM. They are not available as individual documents from EDRS but as part of a VT-ERIC set. Microfiche for an individual document in one of these sets is obtainable only through purchase of the set or from agencies that have this set and have the capability of reproducing microfiche. Reports in these sets are identified in the resume by the phrase MF AVAILABLE IN VT-ERIC SET. The documents are grouped in VT number sequence in the microfiche set for each issue of AIM or ARM. Each set is announced in RIE under a single (ED) number. The Fall 1967 - Summer 1968 Microfiche Collections contain documents with VT numbers only and ED documents. Beginning with Fall 1968, the microfiche set contains the documents which have only VT numbers. Thus the microfiche collection for a particular issue of AIM now contains the items in that issue of AIM which have the statement, MF AVAILABLE IN VT-ERIC SET, in the resume. These sets may be ordered from EDRS. Information to be used in ordering the sets for AIM follows:

#### AIM Microfiche Collections

<u>AIM</u>	<u>ED Number</u>	<u>Microfiche</u>	<u>AIM</u>	<u>ED Number</u>	<u>Microfiche</u>
Fall 1967	ED 013 339	\$17.38	Summer 1969	ED 032 434	\$75.46
Winter 1967	ED 015 349	\$36.08	Fall 1969	ED 034 074	\$62.04
Spring 1968	ED 017 746	\$48.84	Winter 1969	ED 037 585	\$51.26
Summer 1968	ED 020 442	\$47.08	Spring 1970	ED 041 177	\$42.02
Fall 1968	ED 022 971	\$34.10	Summer 1970	ED 042 931	\$46.20
Winter 1968	ED 028 305	\$36.74	Fall 1970	ED 045 856	\$41.80
Spring 1969	ED 030 770	\$49.94	Winter 1970	ED 049 382	\$34.54

The prices quoted above reflect a new price schedule in effect for VT-ERIC microfiche collections as of June 1971.

It should be noted that organizations which have standing orders with EDRS for the total microfiche collections in RIE will automatically receive the ARM and AIM microfiche collections. If an organization wishes to order only the materials abstracted by VT-ERIC which are announced in RIE and are on microfiche, a standing order may be initiated with EDRS for a VT-ERIC package. This package will automatically include the ARM and AIM microfiche collections. Contact EDRS for information about cost of current or retrospective VT-ERIC packages.

Availability Key for Materials Reported in AIM

<u>Accession Number</u>	<u>Availability on Microfiche</u>
ED number supplied	ERIC Document Reproduction Service (EDRS) provided that the information is shown on EDRS price line.
ED appears with reference to an RIE issue (e.g., ED (See Aug. '69 RIE)	If a price is given for microfiche, the fiche is unavailable from EDRS (at time of printing) until an ED number is assigned and published in RIE. The issue of RIE in which the abstract is scheduled to appear follows the ED prefix. After assignment of numbers has been made by Central ERIC, the Conversion of Document Number Index in each succeeding issue of AIM will include numbers for documents listed with an ED and RIE date in the previous issue.
VT number only supplied	Available on microfiche in VT-ERIC set from EDRS as indicated.
Items not available through EDRS or in a VT-ERIC set will usually have a source of availability cited on the availability line in the abstract.	

ERIC Document Reproduction Service (EDRS)

The ERIC Document Reproduction Service (EDRS) is operated by Leasco Information Products, Inc. (LIPCO). Request order forms from:

ERIC Document Reproduction Service (EDRS)  
P. O. Drawer O  
Bethesda, Maryland 20014

Prices for microfiche and/or hard copy undergo occasional changes which become effective when announced in Research in Education. EDRS prices cited in AIM and ARM reflect the prices in effect at the time of publication. Retrospective use of AIM and ARM requires attention to the most recent price schedules and ordering information which is available in a current issue of RIE.

Scope of the Clearinghouse

The Clearinghouse on Vocational and Technical Education is responsible for acquiring, processing, and disseminating through the ERIC system, research reports, instructional materials, information analysis products and other resource materials related to vocational and technical education. In addition to this general area, coverage includes the specific occupational fields of agricultural education, business and office occupations education, distributive education, health occupations education, home economics education, technical education, trade and industrial education, and new sub-professional fields. The clearinghouse scope also encompasses the related fields of industrial arts education, manpower economics, occupational

psychology, and occupational sociology. The following subject categories when specifically oriented to vocational-technical education and its related fields are included in the scope of the clearinghouse: administration and supervision, curriculum, employment and occupations, evaluation and measurements, facilities and equipment, historical studies, individuals with special needs, instructional materials and devices, philosophy and objectives, research design and development, occupational guidance and other student personnel services, students, teachers, teacher education, teaching and learning.

#### Acquisitions

The adequacy of information in this publication, as well as other services of this Clearinghouse, is directly related to the extensiveness of the information acquired and processed into the system. This Clearinghouse has assumed the initiative in obtaining as much of the available information as possible. However, it is impossible for any organization to achieve complete and comprehensive coverage of a field as vast as vocational education without the cooperation and assistance of the profession. The growth and ultimate effectiveness of the system require supplemental efforts of its users. Any person in the vocational or technical field is invited to forward to the Clearinghouse two copies of items relating to vocational-technical education for possible inclusion in the system. Questions relating to this endeavor should be directed to the Acquisitions Specialist at the Clearinghouse.

#### Abbreviations

AIM	<u>Abstracts of Instructional Materials in Vocational and Technical Education</u>
ARM	<u>Abstracts of Research and Related Materials in Vocational and Technical Education</u>
ED	ERIC Document
EDRS	ERIC Document Reproduction Service
ERIC	Educational Resources Information Center
HC	Hard copy
MF	Microfiche
MP	Manpower
RIE	<u>Research in Education</u>
VT	Vocational-Technical

SAMPLE RESUME

Accession Number-- an identification number sequentially assigned to reports as they are processed

Author(s)--the individual(s) who prepared the report

EDRS Price--price of the document through the ERIC Document Reproduction Service. "MF" means microfiche; "HC" means hardcopy.

Report Number

If item cited appeared originally in a journal, a journal citation would appear here

Publication Date

Total number of printed pages in the report, including cover and appendices.

Identifier, if any--acronyms, geographical areas, conferences, organizations, tests (e.g. Binet), etc. Only the major identifiers preceded by an asterisk are printed in the index.

Abstract--a condensation of the report in about 200 words. When applicable, it includes the purpose, means of development, subject-matter content, teacher competency, student requirements, and description of supplementary materials if available.

VT 002 079 ED 017 657

Karnes, James B.

Medical Record Technology, A Course of Study Designed for Cooperative Part-Time Students Employed in Medical Record Libraries.

Missouri State Dept. of Education, Jefferson City. Industrial Education Section  
Missouri Univ., Columbia. Dept. of Industrial Education

EDRS PRICE MF-\$0.75 HC NOT AVAILABLE FROM EDRS.

Industrial Education, 103 Industrial Education Building, University of Missouri, Columbia, Missouri 65201 (\$1.50).

Pub Date - Aug64 136p.

Descriptors - \*STUDY GUIDES; \*HEALTH OCCUPATIONS EDUCATION; GRADE 11; POST SECONDARY EDUCATION; ASSIGNMENTS; \*COOPERATIVE EDUCATION; STUOENT RECORDS; \*MEDICAL RECORD TECHNICIANS

Abstract - Designed for use by eleventh grade cooperative part-time students employed in medical record libraries, this guide may also be used in area vocational or post-high school settings. It was developed by a consultant committee, teacher educators, and research assistants at the state level and revised after use in the field.....An analysis of medical record technology and progress records to be completed by the employer, teacher, and student are included. The material should be used with related instruction for individual students by a qualified coordinator or competent health occupations teacher. (JK)

If ED is followed by numbers, item has been announced in Research in Education. If ED is not followed by numbers, the issue of RIE in which the abstract is scheduled to appear follows the ED prefix.

Title of report.

Institutional source--the organization responsible for the report.

Sponsoring Agency--would appear here if different than Institutional Source.

Grant Number and Program Area Number would also appear on this line.

Commercial, institutional, and other sources of availability if known at time of printing. Cost is included.

Descriptors--the subject terms assigned by an indexer to characterize the contents of a report. Only the major terms, those preceded by an asterisk, are printed in the index.

Abstractor's Initials.

Availability Key for Materials Reported in AIM

Accession Number:	Availability on Microfiche
ED number supplied	ERIC Document Reproduction Service (EDRS) provided the information is shown on EDRS price line.
ED appears with reference to an RIE issue (See Nov. '69 RIE)	If a price is given for microfiche, the fiche is unavailable from EDRS (at time of printing) until an ED number is assigned and published in RIE. The issue of RIE in which the abstract is scheduled to appear follows the ED prefix. After assignment of numbers has been made by Central ERIC, the Conversion of Document Number Index in each succeeding issue of AIM will include numbers for documents listed with an ED and RIE date in the previous issue.
VT number only supplied	Available on microfiche in VT-ERIC set from EDRS as indicated.
Items not available through EDRS or in a VT-ERIC set will usually have a source of availability cited on the availability line in the resume.	

#### ERRATA

1. VT 012 812 was omitted from the Conversion of Document Number Index in this issue. The corresponding ED number is ED 048 493.
2. The ED number for VT 012 946 (Microfiche Collection of Clearinghouse Documents Reported in Abstracts of Instructional Materials in Vocational and Technical Education (AIM), Winter 1970) did not become available in time to be included in the Conversion of Document Number Index in this issue. The corresponding ED number is ED 049 382.

Ohio Vocational Agriculture, Instructional Materials Service, The Ohio State  
University, 2120 Pyffe Road, Columbus, Ohio 43210 (\$1.85).

PUB DATE - 70 153p.

DESCRIPTORS - \*STUDY GUIDES; \*VOCATIONAL AGRICULTURE; \*ORNAMENTAL HORTICULTURE;  
\*ORNAMENTAL HORTICULTURE OCCUPATION; \*GREENHOUSES; GRADE 11; GRADE 12

ABSTRACT - Prepared by a professor of horticulture, this manual is for use as a reference or study guide by 11th or 12th grade vocational horticulture students during cooperative work experience in greenhouses. Contents cover: (1) Commercial Greenhouses, (2) Greenhouse Construction, (3) How Does the Plant Function, (4) Greenhouse Plants, (5) Greenhouse Operations, and (6) Planting, with each unit providing technical information, instructions as to how manipulative operations should be performed, and exercises to give practical experience to the student. The guide is illustrated with numerous photographs, drawings, and diagrams. Related documents are VT 012 480 and VT 012 482, both in this issue. (AW)

Bibliography of Agricultural Education Documents as Listed in Abstracts of  
Instructional Materials in Vocational and Technical Education (AIM), Fall, 1967 to  
Fall, 1969.

North Dakota Univ., Grand Forks. Vocational Education Research Information Center.  
EDRS PRICE MF-\$0.65 HC-\$3.29  
PUB DATE - Jul70 64p.

DESCRIPTORS - \*BIBLIOGRAPHIES; \*AGRICULTURAL EDUCATION; \*INSTRUCTIONAL MATERIALS;  
\*RESOURCE MATERIALS; \*EDUCATIONAL RESEARCH; CURRICULUM PLANNING; PROGRAM PLANNING;  
PROGRAM DEVELOPMENT

ABSTRACT - This bibliography presents approximately 530 citations of instructional materials pertaining to areas of agricultural education which were drawn from "Abstracts of Instructional Materials" (AIM), Fall 1967 to Fall 1969. AIM is the quarterly publication of the Ohio State University which announces the availability of instructional materials acquired and processed by the Educational Resources Information Center (ERIC) Clearinghouse on Vocational and Technical Education. Individual entries in the bibliographies include title, author, date, number of pages, availability information, and the issue of AIM in which a brief abstract appears. Ordering instructions are included for the listed documents. (GB)

## Electrical Applications for Greenhouses.

Texas A and M Univ., College Station. Agricultural Education Teaching Materials Center.  
MF AVAILABLE IN VT-ERIC SET.

Agricultural Education Teaching Materials Center, Texas Agricultural and Mechanical  
University, College Station, Texas 77843 (\$1.35).

PUB DATE - ND 64p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*VOCATIONAL AGRICULTURE; \*GREENHOUSES; \*CONTROLLED  
ENVIRONMENT; PLANT GROWTH; \*ELECTRICITY

ABSTRACT - For use in Texas vocational agriculture classes, this manual is intended to aid in preparing students for greenhouse management and related occupations through the use of instructional greenhouses as facilities for studying the principles of plant growth and ecology. Nine lessons covering the application of electrical equipment in the operation of greenhouses include: (1) Potential Applications of Electricity, (2) Space Heating in the Greenhouse, (3) Heating Benches or Hotbeds for Propagation, (4) Cooling the Greenhouse, (5) Ventilation and Air Movement, (6) Soil Sterilization (Pasteurization), (7) Pumping and Humidity Requirements, (8) Light in Greenhouses, and (9) Planning and Installing the Wiring System. The manual is illustrated with temperature maps, diagrams, and tables. A bibliography, a listing of addresses of the state extension services, and suggested references are also provided. (AW)

PUB DATE - ND 103p.

DESCRIPTORS - \*AGRICULTURAL EDUCATION; \*SUPPLEMENTARY TEXTBOOKS; \*ANIMAL SCIENCE; \*AGRICULTURAL PRODUCTION; \*LIVESTOCK; ILLUSTRATIONS; MARKETING; FEED INDUSTRY; HIGH SCHOOLS

ABSTRACT - Intended for use in teaching animal science students in high schools and institutions of higher learning or for utilization of interested cattle feeders, this document is the result of 3 years of the author's personal research into the cattle feeding business in the southwestern states. In cooperation with the Texas Education Agency and Texas A and M University, the author utilized the resources of feedlot operators, feeder associations, feed companies, and feeders. Contents are: (1) Growth of Cattle Feeding in the Southwestern United States, (2) Source and Types of Feeder Cattle, (3) Receiving and Processing Feeders at the Feedlot, (4) Feedlot Construction Methods, (5) Feeds and Feeding in the Southwestern Feedlots, and (6) Feedlot Performance and Marketing. Numerous illustrations and pictures are included to complement the text. (GR)

Nix, Phillip S.

Nitrate Accumulation in Forages and Its Effect on Grazing Animals. Pasture Management Guidelines.

Texas A and M Univ., College Station.

Texas Education Agency, Austin.

MF AVAILABLE IN VT-ERIC SET.

Agricultural Education Teaching Materials Center, Texas Agricultural and Mechanical University, College Station, Texas 77843 (\$.55).

PUB DATE - ND 28p.

DESCRIPTORS - \*TEACHING GUIDES; \*AGRICULTURAL EDUCATION; \*AGRICULTURAL PRODUCTION; VOCATIONAL AGRICULTURE; \*FERTILIZERS; VOCATIONAL AGRICULTURAL TEACHERS; AGRONOMY; COURSE CONTENT; PLANT SCIENCE; SOIL SCIENCE; SLIDES; BIBLIOGRAPHIC CITATIONS; ILLUSTRATIONS

ABSTRACT - Part of a series developed for use by vocational agriculture teachers in teaching pasture management, this document was individually authored in cooperation with the Texas Education Agency and Texas A and M University. This booklet deals primarily with the problem of nitrate accumulation in forages and the effect on grazing animals. Contents are: (1) Nitrate Accumulation in Forages and Its Effect on Animals, (2) Enzymes, (3) Factors within Plants, (4) Sources of Nitrate, (5) Sources of Injury, (6) Susceptibility of Animals, (7) Diagnosis, Treatment and Control of Nitrate Poisoning, and (8) Measures of Prevention. Illustrations and tables are presented as well as an appended bibliography. A slide set and script entitled "Nitrate Accumulation in Forages, and Its Effect on Grazing Animals" are available for use with material in this booklet from the source of availability listed above. Producing Quality Hay. Pasture Management Guidelines.

Texas A and M Univ., College Station.

Texas Education Agency, Austin.

MF AVAILABLE IN VT-ERIC SET.

Agricultural Education Teaching Materials Center, Texas Agricultural and Mechanical University, College Station, Texas 77843 (\$.95).

PUB DATE - ND 47p.

DESCRIPTORS - \*AGRICULTURAL EDUCATION; \*TEACHING GUIDES; \*AGRICULTURAL EDUCATION; \*VOCATIONAL AGRICULTURE; VOCATIONAL AGRICULTURE TEACHERS; AGRONOMY; PLANT SCIENCE; PLANT GROWTH; BIBLIOGRAPHIC CITATIONS; SLIDES; HARVESTING; ILLUSTRATIONS

**ABSTRACT** - Part of a series developed for vocational agriculture teachers in teaching pasture management, this document deals primarily with the production of quality hay. Individually authored with the cooperation of the Texas Education Agency and Texas A and M University, the content includes factors related to the production of quality hay and results of experiments to support the discussion. Sections are also devoted to comparing relative advantages of baling and stacking hay. A slide set and script entitled "Producing Quality Hay" are available for use with this material from the source of availability listed above. (GB)

Resource Unit on Construction and Maintenance Skills for Core Curriculum. Resource Unit Number Eleven.

Arizona Univ., Tucson. Dept. of Agricultural Education.  
Arizona State Dept. of Vocational Education, Phoenix. Agricultural Education Section.  
MF AVAILABLE IN VT-ERIC SET.  
PUB DATE - Jul70 225p.

**DESCRIPTORS** - \*AGRICULTURAL EDUCATION; \*RESOURCE UNITS; \*CORE CURRICULUM; \*VOCATIONAL AGRICULTURE; \*AGRICULTURAL SKILLS; CONSTRUCTION (PROCESS); MAINTENANCE; UNITS OF STUDY (SUBJECT FIELDS); AGRICULTURAL ENGINEERING; COURSE DESCRIPTIONS

**ABSTRACT** - Intended for vocational agriculture instruction in agricultural mechanization, this resource unit on construction and maintenance skills was developed by the Arizona Department of Vocational Education and the Agricultural Education Department of the University of Arizona. Activities have been selected to provide students an opportunity to attain some skill before progressing to a project that would require the application of various skills. Skill areas are: (1) Labor Management, (2) Working Drawings, (3) Construction and Fabrication with Wood, (4) Construction and Fabrication with Metal (Cold Metal, Arc Welding, Oxyacetylene Welding, Pipe and Tubing), (5) Maintenance of Wood and Metal Cutting Tools, and (6) Surveying. The suggested length of instruction is 125 hours. (Not recommended for hard copy reproduction due to marginal legibility of original.) (GB)

Selected Weeds of the United States. Agriculture Handbook No. 366.

Agricultural Research Service (DOA), Washington, D.C.  
MF AVAILABLE IN VT-ERIC SET.  
Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
(A1.76:366, \$4.00).  
PUB DATE - Mar70 467p.

**DESCRIPTORS** - \*AGRICULTURAL EDUCATION; \*MANUALS; \*WEEDS; \*CLASSIFICATION; \*ILLUSTRATIONS; BOTANY; PLANT SCIENCE; INSTRUCTIONAL MATERIALS

**ABSTRACT** - Prepared by the Agricultural Research Service, Department of Agriculture, this handbook illustrates and describes 224 important weeds in the United States and indicates their geographical distribution in this country. These selected weeds are some of the prevalent ones in croplands, grazing lands, noncroplands, and aquatic sites. The scientific and common names are those generally used by the Weed Science Society of America. Drawings of the weeds have been made to scale, and include magnified drawings of leaves, stems, flowers, fruits and seeds. (GB)

Foster, Albert B.; Fox, Adrian C.  
Teaching Soil and Water Conservation. A Classroom and Field Guide.

Soil Conservation Service (DOA), Washington, D.C.  
MF AVAILABLE IN VT-ERIC SET.  
PA-341  
PUB DATE - Aug70 32p.

**DESCRIPTORS** - \*AGRICULTURAL EDUCATION; \*CONSERVATION EDUCATION; SOIL CONSERVATION; \*NATURAL RESOURCES; \*TEACHING GUIDES; INSTRUCTIONAL MATERIALS; \*ECOLOGY; WATER RESOURCES; FIELD INSTRUCTION; SOIL SCIENCE; ENVIRONMENTAL EDUCATION; FERTILIZERS

ABSTRACT - Designed to help teachers in soil and water conservation instruction, this publication gives some practical suggestions to help in carrying out activities and observations in the classroom and out-of-doors. Prepared by the Soil Conservation Service, the document presents 22 activities and projects which can be used or modified by the teacher. Each activity is presented in two parts: (1) a how-to-do-it part, and (2) an interpretation. The how-to-do-it part is written in a language and style for presentation to students. The interpretation is addressed to teachers to give readily available background information. Numerous illustrations and pictures are presented to assist in instruction. (GB)

A Guide for Planning Occupational Programs in Farm Production and Management.

New York State Education Dept., Albany. Bureau of Secondary Curriculum Development.

MF AVAILABLE IN VT-ERIC SET.

The Publications Distribution Unit, State Education Department, Albany, New York 12224  
(single copies available).

PUB DATE - 70 47p.

DESCRIPTORS - \*AGRICULTURAL EDUCATION; \*CURRICULUM GUIDES; CURRICULUM PLANNING; VOCATIONAL AGRICULTURE; COURSE CONTENT; UNITS OF STUDY (SUBJECT FIELDS); COURSE ORGANIZATION; \*FARM OCCUPATIONS; \*FARM MANAGEMENT; \*WORK EXPERIENCE PROGRAMS; FIELD EXPERIENCE PROGRAMS; INSTRUCTIONAL AIDS; BIBLIOGRAPHIC CITATIONS

ABSTRACT - This guide for planning and organizing occupational programs in farm production and management is intended to aid school administrators, directors of occupational education, instructors, and others in establishing and conducting such programs at the secondary level. Developed by the New York State Education Department with assistance of an advisory committee, the material in the guide is based upon the experience of schools offering the course for many years and the judgment of successful farmers and agricultural leaders. Chapters are: (1) Planning Programs in Farm Production and Management, (2) Developing the Course of Study, (3) Suggestions for Planning Facilities for Farm Production and Management Programs, (4) Suggestions for Selecting Needed Equipment and Supplies, and (5) Selecting Instructional Materials. Many references and instructional aids are listed in Chapter 5. (GB)

Ingvallson, Brian

Tractor Hydraulics. Student Workbook for Vocational Agriculture.

Minnesota Univ., St. Paul.

Minnesota Research Coordinating Unit in Occupational Education, Minneapolis

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 27p.

DESCRIPTORS - \*AGRICULTURAL EDUCATION; \*VOCATIONAL AGRICULTURE; \*WORKBOOKS; \*HYDRAULICS; \*TRACTORS; AGRICULTURAL MACHINERY; AGRICULTURAL ENGINEERING; HIGH SCHOOL STUDENTS

ABSTRACT - To provide a better understanding of the how and why of hydraulic principles, this student workbook for high school vocational agriculture classes includes eight lessons that follow the "Tractor Hydraulics" book by the American Association for Vocational Instructional Materials. Lessons, developed by a vocational agriculture instructor, are: (1) Introduction to Hydraulics and Hydraulic Theory, (2) Hydraulic Pumps, (3) Hydraulic Control Valves, (4) Hydraulic Cylinders, (5) Hydraulic Seals, Packing, Lines, Fittings, and Accessories, (6) Internal Hydraulic Design Problems, (7) Hydraulic Control Systems, and (8) Hydraulic System Maintenance and Trouble Shooting. A related document available in this issue is VT 012 513. (GB)

Ingvallson, Brian

Resource Unit, Tractor Hydraulics for Vocational Agriculture.

Minnesota Univ., St. Paul.  
 Minnesota Research Coordinating Unit in Occupational Education, Minneapolis.  
 MF AVAILABLE IN VT-ERIC SET.  
 PUB DATE - ND 17p.

DESCRIPTORS - \*AGRICULTURAL EDUCATION; \*VOCATIONAL AGRICULTURE; \*RESOURCE UNITS;  
 \*HYDRAULICS; \*TRACTORS; EDUCATIONAL OBJECTIVES; INSTRUCTIONAL AIDS; BIBLIOGRAPHIC  
 CITATIONS; AGRICULTURAL MACHINERY; AGRICULTURAL ENGINEERING; UNITS OF STUDY (SUBJECT  
 FIELDS); RESOURCE GUIDES

ABSTRACT - This resource unit on tractor hydraulics for vocational agriculture was prepared by a vocational agriculture instructor in cooperation with the Minnesota Research Coordinating Unit and staff members at the University of Minnesota. The topics are: (1) Introduction, (2) Suggestions to the Instructor, (3) Unit Objectives, (4) References and Visual Aids, and (5) Answers to Lessons in the student workbook. Slides, films, and charts can be obtained to introduce the topic, explain basic principles, and depict applications of fluid power. "Tractor Hydraulics" by the American Association for Vocational Instructional Materials is a required text, and a student workbook for use with this unit is available in this issue as VT 012 512. (GB)

Curriculum Guide for Constructing Courses in Vocational Agriculture for Florida Schools.

Florida Univ., Gainesville. Dept. of Agricultural and Extension Education.  
 Florida State Dept. of Education, Tallahassee. Div. of Vocational, Technical, and Adult Education.  
 MF AVAILABLE IN VT-ERIC SET.  
 Agriculture and Extension Education Dept., 186 Norman Hall, University of Florida, Gainesville, Florida 32601 (single copies to head state supervisors only).  
 PUB DATE - Jul66 170p.

DESCRIPTORS - \*STATE CURRICULUM GUIDES; \*AGRICULTURAL EDUCATION; \*PROGRAM PLANNING; SECONDARY GRADES; BIBLIOGRAPHIC CITATIONS; \*COURSE CONTENT; ANIMAL SCIENCE; PLANT SCIENCE; SOIL SCIENCE; AGRICULTURAL ENGINEERING; LEADERSHIP; OCCUPATIONAL CLUSTERS; \*VOCATIONAL AGRICULTURE

ABSTRACT - This curriculum guide for constructing courses in vocational agriculture was developed by a group of Florida teachers of vocational agriculture working with Agricultural and Extension Education Department of the University of Florida and the Florida State Department of Education. The curriculum content is divided into Agriculture I and II and Advanced Agriculture. Contents for Agriculture I and II are: (1) Orientation to Agriculture, (2) Agricultural Management, (3) Animal Science, (4) Plant Science, (5) Soil Science, (6) Agricultural Mechanics, and (7) Leadership. Contents for Advanced Agriculture include: (1) Individual modules for all students, (2) Individual modules for Advanced Agriculture, and (3) Occupational Clusters and Supporting Modules. Also included are program objectives, course objectives, references by units, and a possible teaching calendar. (GB)

Instructional Materials for Vocational Agriculture II.

Texas A and M Univ., College Station. Dept. of Agricultural Education Teaching Materials Center.

MF AVAILABLE IN VT-ERIC SET.

Agricultural Education Teaching Materials Center, Texas Agricultural and Mechanical University, College Station, Texas 77843.

PUB DATE - ND 592p.

DESCRIPTORS - \*AGRICULTURAL EDUCATION; \*VOCATIONAL AGRICULTURE; INSTRUCTIONAL MATERIALS; \*TEACHING GUIDES; \*TRANSPARENCIES; ANIMAL SCIENCE; PLANT SCIENCE; AGRICULTURAL ENGINEERING; SECONDARY GRADES; SOIL SCIENCE

ABSTRACT - Using the "Basic Curriculum Guide for Production Agriculture" as an outline, these instructional materials for vocational agriculture II were developed by vocational agricultural teachers working at the Agricultural Education Teaching Materials Center of Texas A and M University. Areas are: (1) Animal Science, (2) Soil Science, (3) Plant Science, and (4) Agricultural Mechanics. References are listed in many of the topics for student and teacher use. The illustrations or transparency masters may be used to prepare transparencies or student copies of illustrations. However, some 200 color transparencies are available by subject matter areas from the Teaching Materials Center at a cost of 20¢ per color transparency. Bibliographies are appended. A related document previously processed is available as VT 010 459 (AIM Spring 1971). (GB)

Bibliography of Business and Office Education Documents as Listed in Abstracts of Instructional Materials in Vocational and Technical Education (AIM) Fall 1967 to Fall 1969.

North Dakota Univ., Grand Forks. Vocational Education Research Information Center.

EDRS PRICE MF-\$0.65 HC-\$3.29

PUB DATE - ND 22p.

DESCRIPTORS - \*BUSINESS EDUCATION; \*BIBLIOGRAPHIES; \*RESOURCE MATERIALS; \*INSTRUCTIONAL MATERIALS; \*EDUCATIONAL RESEARCH; CURRICULUM PLANNING; PROGRAM PLANNING; PROGRAM DEVELOPMENT

ABSTRACT - This bibliography presents approximately 125 citations pertaining to business and office education which were drawn from "Abstracts of Instructional Materials" (AIM), Fall 1967 to Fall 1969. AIM is the quarterly publication of The Ohio State University which announces the availability of instructional materials acquired and processed by the Educational Resources Information Center (ERIC) Clearinghouse on Vocational and Technical Education. Arranged in numerical order by accession number, the entries in the bibliography include author, title, date, number of pages, availability information, and the issue of AIM in which a brief abstract appears. Business educators should find this bibliography helpful in planning, developing, and improving programs of instruction. (JS)

ABSTRACT - San Mateo Union High School District staff members participated in a workshop for the purpose of identifying the minimum Terminal Performance Objectives for selected programs. The objectives were written in detail to indicate (1) the student performance expected, (2) the conditions under which the student will perform, and (3) the extent to which the student will perform. Performance objectives are included for courses in (1) Accounting I, II, III, and IV, (2) Office Machines and Office Procedures, (3) Distributive Education Programs, (4) Work Experience Programs, and (5) Career Guidance. These objectives are intended to be the first step toward individualizing the above instructional programs. Additional work remains to be completed in the areas of testing, evaluation and revision of objectives, and in the construction of learning activities. (Author/JS)

Terminal Performance Objectives for a Phased Shorthand Program in Business Education.

San Mateo Union High School District, Calif. Educational Services Center.

EDRS PRICE MF-\$0.65 HC-\$6.58

PUB DATE - Aug70 139p.

DESCRIPTORS - \*BUSINESS EDUCATION; \*STENOGRAPHY; OFFICE OCCUPATIONS EDUCATION; EDUCATIONAL OBJECTIVES; COURSE CONTENT; \*INDIVIDUALIZED INSTRUCTION; ENTRY WORKERS; STUDENT EVALUATION; PROGRAM DESIGN; \*CURRICULUM GUIDES; INSTRUCTIONAL MATERIALS; RESOURCE MATERIALS; \*BEHAVIORAL OBJECTIVES

ABSTRACT - This Phased Shorthand Program is designed to allow each student to move as rapidly toward achieving the goal of vocational competence as his motivation, ability, and time permit. Successful completion of the program is based upon the student's ability to meet the minimum Terminal Performance Objectives. Students completing this program are certified by the San Mateo Union High School District as having attained at least the entry level requirements for employment in stenographic, secretarial, and related occupations. Included in the four phases of this program are suggestions concerning (1) grade placement, (2) prerequisites, (3) rationale, (4) general objectives, (5) instructional content, (6) evaluation, and the related terminal performance objectives. Since the program is intended to be a performance based curriculum, the student may complete the four phases in a short period of time or extend them over several semesters, depending on his skill achievement. This document is a revision of ED 043 727. (JS)

DESCRIPTORS - \*BUSINESS EDUCATION; CURRICULUM ENRICHMENT; \*ECONOMICS; \*CONCEPT TEACHING; \*INTEGRATED CURRICULUM; RESOURCE MATERIALS; \*MANUALS; SECONDARY SCHOOLS; CONSUMER ECONOMICS; COMMUNITY COLLEGES

ABSTRACT - In an effort to promote a better understanding of economic concepts, the National Business Education Association and the Joint Council of Economic Education formed a partnership in education some 20 years ago. This publication reviews the major accomplishments of this venture in the hope that it will assist business teachers in integrating economic concepts into their classes. Topics discussed in the review are

(1) "Twenty-Year Report: Joint Council on Economic Education and Business Education" by M.L. Frankel, (2) "Twenty-Year Report: National Business Education Association and Economic Education" by R.G. Price, (3) "Economic Concepts for Understanding Everyday Business Activities" by E.S. Wallace, (4) "Economic Education in the High School Business Education Curriculum" by A.S. Daughtrey, (5) "Teaching Economic Concepts in Secondary Schools" ... in general business by T.B. Duff, in consumer economics by T.J. Boduch, in advanced basic business by Eugene Jones, in business law by R.D. Brown, in accounting by R.B. Wooschlagar, in economics by M. Kourilsky, (6) "The World of Work: New Thrust in Economic Education" by R.L. Darcy, (7) "Teaching Economics in the Community College" by R.G. Clery, and (8) "Business Teacher Education and Economics" by C. Millington. (JS)

DESCRIPTORS - \*BUSINESS EDUCATION; ECONOMIC; SECONDARY EDUCATION; \*TEACHING TECHNIQUES; \*RESOURCE MATERIALS; PLANNING; \*COURSE CONTENT; EDUCATIONAL OBJECTIVES; \*TEACHING GUIDES

ABSTRACT - Developed by business educators, this teacher's guide was prepared to aid in planning and conducting a high school general business class. As a ninth-grade offering, general business becomes an ideal introduction to the business education program. The primary objective of this course is to help students understand the workings of the free enterprise system as well as their role in the system. Material is arranged in sections on administrative consideration, general teaching suggestions, and outline of content accompanied by suggested teaching procedures and activities. Also included is information concerning free classroom materials and a bibliography. (JS)

PUB DATE - 70 97p.

DESCRIPTORS - \*STATE CURRICULUM GUIDES; \*CURRICULUM GUIDES; \*HEALTH OCCUPATIONS EDUCATION; CURRICULUM PLANNING; \*PRACTICAL NURSES; \*PRACTICAL NURSING; MEDICAL SERVICES; PARAMEDICAL OCCUPATIONS; HEALTH OCCUPATIONS; ADULT VOCATIONAL EDUCATION IDENTIFIERS - OKLAHOMA

ABSTRACT - Developed jointly by the Oklahoma State Department of Vocational and Technical Education and the faculties of practical nursing programs in the State to provide guidelines for development of standardized practical nursing curriculums in Oklahoma, this manual is designed to increase instructor effectiveness in curriculum planning both in existing schools and in new programs. Introductory information on curriculum design and philosophy and objectives of the program is followed by three major sections: (1) foundations of practical nursing, dealing with personal and vocational relationships, body structure and function, and basic nursing principles and skills, (2) nursing interventions, concerned with care of patients with conditions of the reproductive system and problems of nutrition, elimination and metabolism, and (3) nursing interventions three, which includes nursing care of patients with motor and sensory disturbances, problems of oxygenation, and patients in complex situations. Each section includes general descriptive information, objectives, subject matter outline, and approximate hours recommended for covering the material. A bibliography, various excerpts from nursing regulations, qualifications of licensed practical nurses, information on continuing education, film list and sources, and related catalogs are appended. (AW)

Erickson, Marion J.

A Program to Prepare Disadvantaged High School Students for Employment as Preschool and Kindergarten Aids. Teacher's Guide.

Ypsilanti Public Schools, Mich.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 66 113p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*OCCUPATIONAL HOME ECONOMICS; \*CHILD CARE WORKERS; TEACHER AIDES; \*DISADVANTAGED YOUTH; CHILD DEVELOPMENT; SECONDARY GRADES; \*PARAPROFESSIONAL SCHOOL PERSONNEL

ABSTRACT - In addition to providing occupational training, the program proposes to: (1) improve student's attitudes, personal skills, and self-image, (2) provide practical experiences which are transferable to home and school situations, (3) reduce high school dropouts, (4) provide individual attention to young children, and (5) increase the effectiveness of the classroom teacher by providing trained assistance. Introductory materials contain employment opportunities for aides, qualifications of participants, and the role and profile of the trainee. The literature review concerns use of the aides, learning problems of culturally disadvantaged children, child behavior, teaching methods, and developing communication and cognitive skills. The research information translates educational practices into suggested curriculum materials for the units: (1) Vocational Orientation, (2) Understanding Child Behavior and Discipline, (3) Methods of Helping Children, (4) Developing Communication Skills, (5) Developing Cognitive Skills, and (6) The Use of Dramatic Play in Preschool and Kindergarten. References are included. Materials for teacher use were developed by professional staff of public schools, special education teachers, and a school social worker. They were tested at the high school level. A correlated student text is available as VT 002 805 (AIM Winter 1970). (FP)

PUB DATE - 70 92p.

DESCRIPTORS - \*OCCUPATIONAL HOME ECONOMICS; \*PROGRAM GUIDES; \*MAIDS; \*SERVICE OCCUPATIONS; JOB SKILLS; EMPLOYMENT OPPORTUNITIES

ABSTRACT - Developed by State supervisory staff and home economics teachers, this program guide is for a 2-year training program (900 hours) to prepare students for employment in housekeeping and related service occupations, performed under supervision, in households, institutions, and businesses. Section I contains procedures to follow in implementing the program and an explanation of terms used in the bulletin. Section II gives a brief description of the course organization and guides for adapting it to local and area situations. Section III outlines the course of study in two parts, Orientation to the World of Work (120 hours) and Development of Competencies for Workers in Housekeeping Service Occupations (780 hours). Subject matter is outlined according to job responsibilities and includes behavioral outcomes, essential learnings, and learning experiences for three clusters of housekeeping services occupations. A selected list of resources, sources of bulletins and audiovisual aids, and a list of coded housekeeping services occupations are included. Training guides for other service occupations are available as ED 042 883 or VT 010 396 (ARM Summer 1970), VT 010 442 (AIM Summer 1970), and VT 011 225 (AIM Winter 1970). (SB)

Consumer Education Curriculum Guide for Ohio, Grades K-12.

Ohio State Dept. of Education, Columbus. Home Economics Section.

MF AVAILABLE IN VT-ERIC SET.

Ohio Trade and Industrial Education Service, Instructional Materials Laboratory, The Ohio State University, 1885 Neil Avenue, Columbus, Ohio 43210.

PUB DATE - 70 146p.

**DESCRIPTORS** - \*CONSUMER ECONOMICS; \*CONSUMER EDUCATION; \*HOMEMAKING EDUCATION; \*CURRICULUM GUIDES; SECONDARY GRADES; INTERMEDIATE GRADES; EDUCABLE MENTALLY HANDICAPPED; ECONOMIC DISADVANTAGEMENT; MONEY MANAGEMENT; ELEMENTARY GRADES

**ABSTRACT** - Developed by a task force of home economists and other interested professionals, this curriculum guide is designed to assist teachers in organizing consumer education concepts for an integrated program for Grades K-12. The resource material has been developed around the basic concepts of the economic system, income procurement, consumer behavior determinants, consumer alternatives, community resources, and roles, rights, and responsibilities. Each concept is presented through a pictorial diagram, descriptive overview, list of instructional objectives, content outline, suggested learning and evaluation experiences, generalizations, and a few specific resources applicable to the concept. The main part of the guide consists of learning and evaluation experiences for junior and senior high levels, while supplementary material have been included for adapting the concepts to elementary grades, educable mentally retarded, and economically disadvantaged. A bibliography is also included. A related document containing learning experiences developed for use with this guide is available as VT 012 357, also in this issue. (SB)

Food Services Training Guide, Tentative Edition. Home Economics Occupational Education.

New York State Education Dept., Albany. Bureau of Secondary Curriculum Development.  
MF AVAILABLE IN VT-ERIC SET.  
The Publications Distribution Unit, State Education Department, Albany, New York 12224.  
PUB DATE - 67 72p.

DESCRIPTORS - \*OCCUPATIONAL HOME ECONOMICS; \*PROGRAM GUIDES; \*FOOD SERVICE OCCUPATIONS; JOB SKILLS; FOOD INSTRUCTION; ENTRY WORKERS; PROGRAM PLANNING; ADVISORY COMMITTEES; UNIT PLAN; LEARNING ACTIVITIES; BEHAVIORAL OBJECTIVES; ADMISSION CRITERIA; INSTRUCTIONAL STAFF; EDUCATIONAL FACILITIES

ABSTRACT - Developed by the Chief of the New York Bureau of Home Economics Education and assisted by university and high school home economics teachers, this experimental program guide is designed to prepare individuals for entry employment in occupations performed under supervision in the preparation and service of food. The guide is currently being tested by teachers in occupational training centers and will be revised on the basis of evaluation at a later date. Section I, Establishing the Training Program in Food Services, discusses the selection of an advisory committee, identification of job responsibilities, selection of trainees and instructional staff, provisions for facilities and equipment, and structure of the training plan. Section II, Developing the Course of Study, provides an overview of the program and describes the six units of the two-part course of study and includes behavioral objectives, content, and learning experiences for each unit. A selected resource list and glossary of terms are also included. (SB)

DESCRIPTORS - \*OCCUPATIONAL HOME ECONOMICS; POST SECONDARY EDUCATION; \*FOOD SERVICE WORKERS; FOOD SERVICE INDUSTRY; \*TEACHING GUIDES; JOB SKILLS; JOB TRAINING; FOODS INSTRUCTION; NUTRITION INSTRUCTION; LEARNING ACTIVITIES; BEHAVIORAL OBJECTIVES; INSTRUCTIONAL AIDS; RESOURCE MATERIALS; BIBLIOGRAPHIES

ABSTRACT - Developed by a home economics specialist of an instructional materials laboratory, this teaching guide is for use in planning postsecondary food service training programs. Behavioral objectives, broad and supporting generalizations, teaching-evaluating strategies, resources, and a bibliography of resource materials are provided for these major concepts: (1) Orientation to Food Service as a Career, (2) Personal Characteristics Desired in Food Service Employees, (3) Nutrition and Menu Planning, (4) Safety, Sanitation, Health, and Hygiene, (5) Identification, Use, and Care of Food Service Equipment, and (6) Techniques and Procedures. An introductory section provides definitions of terms, basic objectives, course outline, and sample weekly and daily plans. (SB)

Hayes, Anne C.  
Money-Go-Round. Resource Materials for Teaching Disadvantaged Adults Certain Aspects of Consumer Education.

Kentucky Univ., Lexington. Instructional Materials Lab.  
MF AVAILABLE IN VT-ERIC SET.  
Instructional Materials Laboratory, Room 151, Taylor Education Building, University of Kentucky, Lexington, Kentucky 40506 (single copies to State Directors of Home Economics and Head Teacher Educators of Home Economics).  
PUB DATE - 69 19p.

DESCRIPTORS - \*CONSUMER EDUCATION; \*ADULT EDUCATION; \*DISADVANTAGED GROUPS; \*TEACHING GUIDES; MONEY MANAGEMENT; BEHAVIORAL OBJECTIVES; INSTRUCTIONAL AIDS; BIBLIOGRAPHIES; LEARNING ACTIVITIES; EDUCATIONAL RESOURCES; COMMUNITY AGENCIES (PUBLIC); COMMUNITY RESOURCES.

ABSTRACT - This resource unit was developed by a home economics specialist of an instructional materials laboratory to provide suggestions for teaching six consumer education lessons to disadvantaged adults. Lessons consisting of behavioral objectives, broad and supporting generalizations, teaching-evaluating strategies, and resources are: (1) Money, Where Are You? (2) Let's Plan to Spend Our Money, (3) Getting the Best for the Least, (4) Charge It! (5) I Need to Borrow Money, and (6) Keep Records Safe. An introductory section provides some characteristics of the disadvantaged adult, suggestions for teaching the disadvantaged, guidelines for working with community agencies, a listing of suggested agencies and organizations, subject matter outline, and additional teaching suggestions. A bibliography of teaching resources is also included. (SB)

Bibliography of Industrial Arts Education Documents as Listed in Abstracts of Instructional Materials in Vocational and Technical Education (AIM) Fall, 1967 To Fall, 1969.

North Dakota Univ., Grand Forks. Vocational Education Research Information Center.

EDRS PRICE MF-\$0.65 HC-\$3.29

PUB DATE - Sep70 16p.

DESCRIPTORS - \*INDUSTRIAL ARTS; \*EDUCATIONAL RESEARCH; \*BIBLIOGRAPHIES; \*INSTRUCTIONAL MATERIALS; \*RESOURCE MATERIALS; CURRICULUM PLANNING; PROGRAM PLANNING; PROGRAM DEVELOPMENT

ABSTRACT - This bibliography presents approximately 80 citations of instructional materials pertaining to industrial arts. The entries were compiled from "Abstracts of Instructional Materials" (AIM) from Fall 1967 to Fall 1969. AIM is the quarterly publication of the Ohio State University which announces the availability of instructional materials acquired and processed by the Educational Resources Information Center (ERIC) Clearinghouse on Vocational and Technical Education. Arranged in numerical order by accession number, entries include title, name of author or organization, date, number of pages, availability information, and the issue of AIM in which a brief abstract appears. Ordering instructions are included. (GR)

Electricity--Electronics; Curriculum Guide for An Introductory Course.

Michigan State Dept. of Education, Lansing.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 68 32p.

DESCRIPTORS - \*CURRICULUM GUIDES; TRADE AND INDUSTRIAL EDUCATION; \*INDUSTRIAL ARTS; VOCATIONAL EDUCATION; \*ELECTRICITY; \*ELECTRONICS; \*TEACHING GUIDES; ELECTRICIANS; SAFETY; ELECTRIC CIRCUITS; PROGRAM GUIDES

ABSTRACT - This curriculum guide was developed by a committee, with assistance from the State Curriculum Committee for Industrial Arts, for the Michigan Department of Education. It is for teacher use in developing introductory electricity-electronics programs for junior and senior high school students. The bulletin is designed for use in courses with different time allotments, and for exploratory, prevocational, vocational, and science oriented courses. The contents include basic questions about a program, an outline of the history of the subject, a unit on safety, and 27 units on electricity/electronics theory with objectives and suggested activities presented in each unit. A list of tools, supplies, and equipment is appended. (GEB)

Industrial Arts Programing for Junior and Senior High Schools.

Michigan State Dept. of Education, Lansing.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - Jul68 20p.

DESCRIPTORS - \*INDUSTRIAL ARTS; \*PROGRAM DEVELOPMENT; PROGRAM PLANNING; \*SECONDARY SCHOOLS; \*GUIDELINES; SCHOOL ACTIVITIES; \*SCHOOL SHOPS; EDUCATIONAL OBJECTIVES; LABORATORY SAFETY; ORGANIZATION

ABSTRACT - To help schools keep youth abreast of current technological developments, this bulletin was prepared for use by school administrators and teachers when developing comprehensive industrial arts programs. Aimed at the secondary schools, the bulletin makes no attempt to itemize subject matter but rather identifies those items that should be considered in developing programs of instruction. This information includes: (1) general suggestions for industrial arts programs, (2) suggestions regarding the basic subject matter areas for laboratory activities on the junior high level, (3) suggestions concerning the senior high program, and (4) general principles of shop planning, shop safety, student directed organization, and college entrance requirements. Mechanical Drawing 1-4. A Guide for Industrial Arts Teachers.

Milwaukee Public Schools, Wis. Dept. of Secondary Curriculum and Instruction.  
MF AVAILABLE IN VT-ERIC SET.  
PUB DATE - 66 51p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*INDUSTRIAL ARTS; \*DRAFTING; \*TEACHING GUIDES; ORTHOGONAL PROJECTION; BIBLIOGRAPHIES; SECONDARY GRADES

ABSTRACT - This curriculum guide is for instructor use in teaching the fundamentals of mechanical drawing in secondary school industrial arts, and was developed by the Division of Curriculum and Instruction of the Milwaukee Public Schools. The objectives are designed to acquaint the student with the drafting language of industry and to develop some basic skills in using that language. The material, to be used over a 2-year period, is presented in a seven-column format and includes textbook assignments. A list of supplementary aids, a sample measuring test, and a bibliography are included. (GEB)

Industrial Mechanics, Curriculum Guide.

Oregon State Board of Education, Salem. Div. of Community Colleges and Career Education.

DOCUMENT NOT AVAILABLE FROM EDRS.

The Oregon State Board of Education, 942 Lancaster Drive, N.E., Salem, Oregon 97310 (\$2.50).

PUB DATE - Sep69 186p.

DESCRIPTORS - \*STATE CURRICULUM GUIDES; \*TRADE AND INDUSTRIAL EDUCATION; SECONDARY GRADES; \*TEACHING GUIDES; MECHANICAL SKILLS; MECHANICAL EQUIPMENT; MAINTENANCE; INSPECTION; \*SAFETY EDUCATION; EDUCATIONAL FACILITIES; \*MECHANICS (PROCESS); ACCIDENT PREVENTION; BEHAVIORAL OBJECTIVES; LEARNING ACTIVITIES

ABSTRACT - This curriculum guide, developed by the Division of Community Colleges and Career Education of the Oregon Board of Education as a cooperative effort of industry and education, is for teacher use in preparing Grade 11 and 12 students to enter one of a broad group of occupations in the industrial mechanics field. From a total of 1,023 occupations analyzed, five key occupations were chosen as representative of knowing and doing skills: (1) Automobile mechanic, (2) Construction equipment mechanic, (3) Diesel mechanic, (4) Garage foreman, and (5) Office machine serviceman. To acquaint individuals with systems as they apply to mechanics, to give background instruction on mechanical equipment and power supplies, and instruct in diagnostic techniques and procedures are some objectives of the course. The content is divided into four occupational specialty courses: (1) Systems Technology, (2) Inspection and Testing, (3) Techniques of Mechanical Maintenance, and (4) Communications Technology--Individualized Instruction. The first three specialty courses listed above are intended for 18 weeks, 10 hours per week. An accident prevention program for school shops and laboratories, and a suggested equipment and facilities list are appended. (GEB)

Suggested Curriculum for Maintenance Men.

Gila River Career Center, Ariz.

Central Arizona Coll.

Arizona State Dept. of Vocational Education, Phoenix.

Four Corners Regional Commission, Ariz.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 30p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*TRADE AND INDUSTRIAL EDUCATION; VOCATIONAL EDUCATION; \*MAINTENANCE; BUILDINGS; EQUIPMENT MAINTENANCE; \*REPAIR; \*TEACHING GUIDES; ENTRY WORKERS

ABSTRACT - This guide, adapted from material previously developed by the Gila River Career Center in cooperation with Central Arizona College, the Arizona State Department of Vocational Education, and the Four Corners Regional Commission, is intended for instructor use in a building maintenance man program. The program is designed to satisfy the following needs: (1) student transfer to training for different job classifications, (2) student transfer to Central Arizona College, (3) rapid feedback, (4) maximum individualized instruction, and (5) administrative control. Objectives include the development of an awareness of building maintenance work and a job-centered approach to generally accepted work habits, attitudes, and human relations. The course consists of nine units, each containing an outline, suggested supplemental teaching aids, and time required. (GEB)

VT 011 918

Suggested Curriculum in Automotive Occupations.

Gila River Career Center, Ariz.

Central Arizona Coll.

Arizona State Dept. of Vocational Education, Phoenix.

Four Corners Regional Commission, Ariz.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 62p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*TRADE AND INDUSTRIAL EDUCATION; ATTENDANTS; \*ATTENDANT TRAINING; \*AUTO MECHANICS (OCCUPATION); AUTO MECHANICS; \*TEACHING GUIDES; CAREER OPPORTUNITIES; VOCATIONAL EDUCATION; ENTRY WORKERS

ABSTRACT - Adapted from material previously developed by the Gila River Career Center in cooperation with Central Arizona College, the Arizona State Department of Vocational Education, and the Four Corners Regional Commission, this curriculum guide was developed for instructor use in preparing students to qualify for entry level jobs as service mechanics or service station attendants. The program is designed to satisfy six basic needs: (1) student termination before completion, (2) student transfer to the more complex job classification, (3) student transfer to Central Arizona College, (4) rapid feedback, (5) maximum of individualized instruction, and (6) administrative control. Included in the course for automotive service station attendants are nine basic units, and in the course for automobile service mechanics there are 19 basic units. Each unit contains an outline, suggested supplemental teaching aids, and the required training time for the unit. (GEB)

Auto Mechanics; Workbook, Part 3.

California State Dept. of Education, Sacramento. Bureau of Industrial Education.

MF AVAILABLE IN VT-ERIC SET.

California State Department of Education, Fiscal Office, 721 Capitol Mall, Sacramento, California 95814 (\$2.50).

PUB DATE - 70 96p.

DESCRIPTORS - \*WORKBOOKS; \*TRADE AND INDUSTRIAL EDUCATION; \*AUTO MECHANICS; \*ENGINES; LUBRICANTS; HIGH SCHOOLS; BIBLIOGRAPHIC CITATIONS; DIESEL ENGINES; MOTOR VEHICLES; \*AUTO MECHANICS (OCCUPATION)

ABSTRACT - Intended for high school students, this workbook for auto mechanics was prepared by an auto mechanics instructor for the California State Department of Education under the direction of an advisory committee representing employers and employees. Units are: (1) Engine Construction and Operation, (2) Cleaning and Measuring, (3) Cylinders, (4) Crankshafts and Flywheels, (5) Connecting Rods, (6) Pistons, Pins, and Rings, (7) Valve Mechanisms, (8) Engine Lubrication, (9) Engine Cooling, and (10) Diesel Engines. Topics under each unit present objectives, a study assignment in one or more of the six reading materials, and a study guide of approximately 25 questions. A list of the instructional materials is appended. Related workbooks are available as VT 002 761 and VT 002 990 in AIM Summer 1968. (GB)

Asbestos Workers; Instructor's Manual.

Ohio State Dept. of Education, Columbus. Trade and Industrial Education Service.  
MF AVAILABLE IN VT-ERIC SET.

Ohio Trade and Industrial Education Service, Instructional Materials Laboratory, The Ohio State University, 1885 Neil Avenue, Columbus, Ohio 43210 (\$5.25 plus 25¢ postage and handling for each copy).

PUB DATE - 70 404p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*APPRENTICESHIPS; \*TRADE AND INDUSTRIAL EDUCATION;  
VOCATIONAL EDUCATION  
IDENTIFIERS - \*ASBESTOS WORKERS

ABSTRACT - Developed as an aid to apprenticeship training for asbestos workers, this manual includes 68 lessons under eight main headings, with lessons providing content, purpose of assignment, instructional materials required, references, teaching suggestions, and in some cases questions and answers or problems. Areas covered are: (1) Orientation (five lessons), (2) Safety (seven lessons), (3) Applied Math (12 lessons), (4) Applied Science (nine lessons), (5) Blueprint Reading (four lessons), (6) Sheet Metal Layout and Fabrication (eight lessons), (7) Typical Piping Layouts of a Refrigeration Processing Plant (one lesson), and (8) Materials and Methods (22 lessons). The manual is illustrated with numerous drawings, diagrams, photographs, and sample layouts. A glossary, lists of symbols, tables of weights, pressure conversions, tap and drill sizes, temperature conversions, mathematical formulas, and fraction and decimal equivalents are appended. A related learner's manual is available in this issue as VT 012 583. (AW)

VT 012 112

Basic Helicopter Handbook.

Federal Aviation Administration (DOT), Washington, D.C. Flight Standards Service.  
MF AVAILABLE IN VT-ERIC SET.

AC 61-13

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
(AC 61-13, \$1.00).

PUB DATE - 65 105p.

DESCRIPTORS - \*AIRCRAFT PILOTS; \*AVIATION TECHNOLOGY; \*MANUALS; TECHNICAL EDUCATION;  
AVIATION VOCABULARY; AEROSPACE TECHNOLOGY; \*FLIGHT TRAINING; \*STUDY GUIDES  
IDENTIFIERS - \*HELICOPTER FLIGHT TRAINING

ABSTRACT - This handbook was prepared by Flight Standards Service as a technical manual for applicants preparing for private, commercial, and flight instructor pilot certificates with a helicopter rating. Currently certified helicopter flight instructors will also find it valuable as an aid in training students, since it gives detailed coverage of helicopter aerodynamics, performance, and flight maneuvers. It does repeat information covered in "Private Pilots Handbook of Aeronautical Knowledge" (VT 012 166, also in this issue). References for additional study and a glossary are given. This handbook is profusely illustrated with line drawings and photographs. (Author/GR)

VT 012 132

Student Pilot Guide.

Federal Aviation Administration (DOT), Washington, D.C. Flight Standards Service.  
MF AVAILABLE IN VT-ERIC SET.

AC 61-12 C

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
(AC 61-12C, \$.20).

PUB DATE - 68 35p.

DESCRIPTORS - \*AIRCRAFT PILOTS; \*TECHNICAL EDUCATION; \*QUESTION ANSWER INTERVIEWS;  
\*FLIGHT TRAINING; AVIATION TECHNOLOGY

ABSTRACT - This booklet, prepared by the Federal Aviation Administration of the Department of Transportation, is designed to encourage the development of civil aviation by providing guidance to prospective student pilots and those already engaged in their primary flight training. The booklet contains questions and answers on how to get pilot training, how to prepare for the private pilot written test and flight test. A sample test on general and visual flight rules, additional study materials, and directions on how to obtain study materials are given, along with a list of general aviation district offices. (GR)

VT 012 136

Maintenance Tips for Custodians.

Washington State Div. of Vocational Education, Olympia.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 35p.

DESCRIPTORS - \*STUDY GUIDES; INSTRUCTIONAL MATERIALS; \*RESOURCE MATERIALS; \*TRADE AND INDUSTRIAL EDUCATION; ADULT VOCATIONAL EDUCATION; \*CUSTODIAN TRAINING; \*SCHOOL MAINTENANCE

ABSTRACT - Developed cooperatively by the Puget Sound Maintenance and Operations Association and the Office of the Washington State Superintendent of Public Instruction, this manual is designed to aid in the training of public school custodial and operational personnel. Contents provide general information for five maintenance areas, including: (1) electrical, (2) glazing, (3) grounds care, (4) hardware, and (5) plumbing, with each section broken down into specific jobs such as electrical wiring or repair of faucets. (AW)

VT 012 314

Automobile Body Repair, Workbook.

California State Dept. of Education, Sacramento. Bureau of Industrial Education.

MF AVAILABLE IN VT-ERIC SET.

Bureau of Industrial Education, State Department of Education, 721 Capitol Mall, Sacramento, California 95814 (\$2.75).

PUB DATE - 70 177p.

DESCRIPTORS - \*WORKBOOKS; \*TRADE AND INDUSTRIAL EDUCATION; \*AUTO MECHANICS; \*AUTO BODY REPAIRMEN; \*APPRENTICESHIPS; MOTOR VEHICLES; REPAIR; SKILLED OCCUPATIONS; AUTO MECHANICS (OCCUPATION); BIBLIOGRAPHIC CITATIONS

ABSTRACT - Intended to meet classroom needs in apprenticeship programs, this training manual workbook on automobile body repair was developed for the California State Department of Education under the direction of an advisory committee representing employers and employees. Contents are: (1) The Apprentice and His Trade, (2) Materials, (3) Tools and Equipment, (4) Basic Automobile Construction, (5) Basic Metalworking Operations, (6) Major Body Repairs, (7) Body Unit Repairs, (8) Frame and Front-End Work, (9) Special Body-Shop Jobs, (10) Painting, and (11) Estimating. Topics under each major unit include objectives, related materials, a study guide, and when appropriate, a study assignment in one or more of the four instructional texts. Appended are a glossary of trade terms and a list of additional instructional materials. (GB)

Gailey, David S.

Vocational Electronics; An Integrated Secondary--Post Secondary Curriculum Guide (Tentative).

Utah State Board of Education, Salt Lake City. Office of Vocational Education.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - Aug70 55p.

DESCRIPTORS - \*INDUSTRIAL EDUCATION; \*STATE CURRICULUM GUIDES; \*ELECTRONICS; ELECTRICAL SYSTEMS; ELECTRIC CIRCUITS; COURSE CONTENT; \*SECONDARY EDUCATION; HIGH SCHOOLS; \*POST SECONDARY EDUCATION; ARTICULATION (PROGRAM); PROGRAM COORDINATION; ELECTRICITY

ABSTRACT - To provide curriculum articulation between secondary and postsecondary schools offering vocational electronics, this curriculum guide was developed by a workshop committee in cooperation with the Utah State Board of Education. Included are units to be covered, purposes of each unit, subunits needed to cover the unit, and objectives, written in student behavioral terms as related to each subunit. Topics are: (1) Basic Mathematics, (2) Related Physics, (3) Basic Electrical Terms and Units, (4) Measuring Instruments, (5) Resistance, Ohm's Law, Watt's Law, Kirchhoff's Law and Circuits, (6) DC Circuit Analysis, (7) Principles of Magnetism, (8) Meter Movements and Circuits, (9) Inductance and Capacitance in DC Circuits, (10) Introduction to Alternating Current, (11) Vectors and Phase in AC Circuits, (12) Inductive and Capacitive Reactance and Impedance, (13) Series and Parallel Combinations of Resistance, Inductance and Capacitance, (14) AC Circuit Analysis, and (15) The Transformer as a Coupling Circuit. An Instructor's Guide for a Program in Brake Services. Trade and Technical Education.

New York State Education Dept., Albany.

MF AVAILABLE IN VT-ERIC SET.

The Publications Distribution Unit, State Education Department, Albany, New York 12224 (single copies available).

PUB DATE - 70 51p.

DESCRIPTORS - \*TRADE AND INDUSTRIAL EDUCATION; \*TEACHING GUIDES; \*AUTO MECHANICS; \*MECHANICS (PROCESS); \*INSTRUCTIONAL MATERIALS; MECHANICAL SKILLS; AUDIOVISUAL AIDS; TRANSPARENCIES; GLOSSARIES; BIBLIOGRAPHIC CITATIONS; COURSE CONTENT; TECHNICAL EDUCATION

ABSTRACT - To present an understanding of the automotive hydraulic brake system and to help individuals develop new skills for employment in a specialized field of automotive service, this teaching guide was developed by the New York State Education Department, Bureau of Secondary Curriculum Development. Intended for use in secondary schools or adult programs, for training new workers or upgrading existing personnel, topics cover: (1) Introduction, (2) The Brake System, (3) Types of Brakes, and (4) Diagnosis and Correction of Brake Problems. Other sections cover use of audiovisual materials, preparation and use of transparencies, a glossary, bibliography, and a suggested final examination. The material is presented as an outline on the left side of the pages with related information and teaching techniques, methods, and tips on the right side of the pages. (GB)

VT 012 432

A Planning Guide for Trade and Industrial Education Programs in Virginia's Public Schools.

Virginia State Dept. of Education, Richmond. Trade and Industrial Education Service.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - Aug70 42p.

DESCRIPTORS - \*TRADE AND INDUSTRIAL EDUCATION; \*STATE CURRICULUM GUIDES; SECONDARY EDUCATION; ADULT VOCATIONAL EDUCATION; POST SECONDARY EDUCATION; DISADVANTAGED GROUPS; EDUCATIONAL PLANNING; \*EDUCATIONAL PROGRAMS

ABSTRACT - This guide summarizes the recommended curriculums for trade and industrial education programs in Virginia. All public programs are considered, including postsecondary and adult education offerings. A 5 year sequential program is outlined, with 2 years of orientation followed by 3 years of in-depth training in a specific field. In addition to the three phases of the 5 year program for Grades 7 through 12, the recommended comprehensive program includes as a fourth phase the postsecondary and adult education component. In addition to its usefulness to administrators as a planning aid, the guide can help counselors, teachers, and others to understand such programs. (BH)

Asbestos Workers; Learner's Manual.

Ohio State Dept. of Education, Columbus. Trade and Industrial Education Service.  
MF AVAILABLE IN VT-ERIC SET.  
Ohio Trade and Industrial Education Service, Instructional Materials Laboratory, The  
Ohio State University, 1885 Neil Avenue, Columbus, Ohio 43210.  
PUB DATE - 70 367p.

DESCRIPTORS - \*WORKBOOKS; \*TRADE AND INDUSTRIAL EDUCATION; \*APPRENTICESHIPS;  
\*INDUSTRIAL TRAINING; REFRIGERATION MECHANICS; \*SHEET METAL WORK; GLOSSARIES;  
ILLUSTRATIONS; BLUEPRINTS; SAFETY

ABSTRACT - Intended as an aid to apprenticeship training for asbestos workers, this learner's workbook was developed by the Ohio Trade and Industrial Education Services. Topics are: (1) Orientation, (2) Safety, (3) Applied Math, (4) Applied Science, (5) Blueprint Reading, (6) Sheet Metal Layout and Fabrication, (7) Typical Piping Layouts of a Refrigeration Processing Plant, and (8) Materials and Methods. Exercises and illustrations are presented in the lessons. A glossary and numerous tables are appended. A related document previously processed is VT 012 104, Asbestos Workers--Instructor's Manual (also in this issue). (GB)

VT 012 609  
Bibliography of Training Aids. 2nd Edition.

Air Conditioning and Refrigeration Inst., Arlington, Va.  
EDRS PRICE MF-\$0.65 HC-\$6.58  
Director of Manpower Development, Air-Conditioning and Refrigeration Institute, 1815 N.  
Fort Myer Drive, Arlington, Virginia 22209 (\$1.00).  
PUB DATE - Sep70 112p.

DESCRIPTORS - \*ANNOTATED BIBLIOGRAPHIES; \*INSTRUCTIONAL AIDS; \*AUDIOVISUAL AIDS; \*AIR  
CONDITIONING; \*REFRIGERATION; HIGH SCHCOLS; POST SECONDARY EDUCATION

ABSTRACT - A revision of ED 018 650 this annotated bibliography prepared by the Air-conditioning and Refrigeration Institute lists training materials, films, and ancillary visual aids available from 34 member companies for use in air-conditioning and refrigeration training programs. Over 160 visual training aids are listed, arranged under the following categories: (1) booklets, catalogues, and manuals, (2) technical articles and bulletins, (3) charts and tables, (4) reference guides, (5) films, (6) strip film sets, (7) slide sets, and (8) teaching models and trainers. Eighteen audiovisual aids listed include strip film and record/cassette sets, slide record sets, and sound motion films. A field service training-mobile laboratory, two guest lecturer programs, and a listing of service training materials for transport refrigeration mechanics are also given. Listings provide an identification code, title of the item, brief description, appropriate educational level, price, availability source, and additional information necessary for ordering the material. Wisconsin School Bus Driver In-Service Program--First Year.

Wisconsin State Dept. of Public Instruction, Madison.  
MF AVAILABLE IN VT-ERIC SET.  
DE 70-002  
PUB DATE - ND 65p.

DESCRIPTORS - \*REFRESHER COURSES; SCHOOL BUSES; \*INSERVICE COURSES; \*TRADE AND INDUSTRIAL EDUCATION; STUDENT TRANSPORTATION; BUS TRANSPORTATION; DRIVER EDUCATION; \*TRAFFIC SAFETY; ADULT VOCATIONAL EDUCATION; \*STATE PROGRAMS; INSTRUCTIONAL MATERIALS  
IDENTIFIERS - \*SCHOOL BUS DRIVERS

ABSTRACT - Sponsored jointly by the Department of Public Instruction and the State of Wisconsin Vocational, Technical and Adult Education system, this refresher course for Wisconsin school bus drivers is designed to provide training beyond the minimal techniques and knowledge required of the holder of a school bus driver's license. An introductory section establishing responsibility for in-service growth is followed by

units on: (1) Growth and Development of Bus Rider, covering physical, social, intellectual, and emotional differences of bus passengers, (2) Growth and Development of Bus Drivers, (3) Discipline and Behavior Problems, concerning the nature of discipline, factors that cause problems, and punishment, (4) Non-Personal Factors Influencing Transportation Problems, such as public relations, school and community policies, school-community cooperation, and effective news media, and (5) Emergency Procedures for Bus Drivers, including first aid, bad weather precautions, and emergency evacuation procedures. A table of psycho-physical traits which influence driving ability is also given. (AW)

Computerized Speed Detection, VASCAR. Course Outline.

North Carolina State Dept. of Community Colleges, Raleigh. Law Enforcement Training.  
MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 11p.

DESCRIPTORS - \*VOCATIONAL EDUCATION; \*TRAFFIC CONTROL; TRAFFIC SAFETY; COURSE CONTENT; INSTRUCTIONAL MATERIALS; SHORT COURSES; \*COMMUNITY COLLEGES; \*COURSE DESCRIPTIONS; \*COMPUTER ASSISTED INSTRUCTION; WORK SHEETS

ABSTRACT - This document outlines a course designed to develop the technical skills essential for the operation of the Vascar Computer. The course includes 4 hours of classroom instruction, a field demonstration of equipment, and a 30-day practice period. Completion of these requirements and passing grades on the examinations entitles the student to a Certificate of Competence in the operation of this speed detection and traffic control computer. Course content includes (1) Historical View of the Traffic Problem, (2) Mathematical Formula for Speed, (3) Measurement of Time and Distance, (4) Method of Operation, (5) Configurations, and (6) Calibration. Attached to the course outline is a student note guide and work sheets. (JS)

Johnson, William H.  
Fundamentals of Welding.

Milwaukee Public Schools, Wis. Dept. of Secondary Curriculum and Instruction.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 65 192p.

DESCRIPTORS - \*WELDING; \*CURRICULUM GUIDES; \*TRADE AND INDUSTRIAL EDUCATION; SECONDARY SCHOOLS; GRADE 12; METAL WORKING OCCUPATIONS; METALS; INDUSTRIAL ARTS; TEACHING GUIDES; BIBLIOGRAPHIES; GLOSSARIES; REFERENCE MATERIALS; \*WELDERS

ABSTRACT - This curriculum guide, developed by the Division of Curriculum and Instruction of the Milwaukee Public Schools working with instructors and representatives of local industrial firms, was prepared for teacher and student use in teaching the vocational and trade aspects of welding in Grade 12 of the secondary schools. The history, importance, and opportunities of the installation and maintenance of welders are some objectives that combine to provide a base for developing a sense of responsibility and acquiring the skills and knowledge necessary to secure a job. Four major divisions include: (1) Basic Arc Welding, (2) Basic Oxyacetylene Welding, (3) Tungsten Inert Gas Welding, and (4) Gas-Shielded Consumable Electrode Arc Welding. Seventy-one job sheets, illustrated by diagrams, provide objectives, references, equipment and material, procedure, and questions to be used in the recommended 180 class periods. A glossary, safety plan, safety tests, reference material, and a bibliography are included. (GEB)

PUB DATE - 66 238p.

DESCRIPTORS - \*TEACHING GUIDES; \*CURRICULUM GUIDES; \*WELDING; \*WELDERS; \*TRADE AND INDUSTRIAL EDUCATION; VOCATIONAL EDUCATION; SECONDARY SCHOOLS; METALS; BIBLIOGRAPHIES; GLOSSARIES; SAFETY; METAL WORKING OCCUPATIONS

ABSTRACT - This teaching guide is for teacher and student use in teaching the trade and industrial aspects of welding in the secondary schools. It was developed by the Division of Curriculum and Instruction of the Milwaukee Public Schools with the help of

an advisory committee of instructors and local industry representatives. The material is to be used for six public school semesters with one of the following units to be covered each semester: (1) Oxyacetylene Welding, (2) Arc Welding, (3) Advanced Oxyacetylene Welding, (4) Advanced Arc Welding, (5) Specialized Arc Welding, and (6) Gas Tungsten Arc Welding and Gas Metal-Arc Welding. A basic understanding of the installation, operation, and maintenance of welders, and an awareness of the importance of technology in the field of industry and welding are two important course objectives. Seventy-eight job sheets, many containing questions and illustrated by diagrams, present individual job objectives, references, equipment and materials, and procedure. A glossary, safety rules and tests, references, and a bibliography are included. (GEB)

VT 012 743

Industrial Drafting 1-4.

Milwaukee Public Schools, Wis. Dept. of Secondary Curriculum and Instruction.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 65 29p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*TRADE AND INDUSTRIAL EDUCATION; \*DRAFTING; \*DRAFTSMEN; \*TEACHING GUIDES; ENGINEERING DRAWING; SECONDARY GRADES; INDUSTRIAL ARTS

ABSTRACT - Developed by the Division of Curriculum and Instruction of the Milwaukee Public Schools, this curriculum guide is for instructor use in teaching industrial drafting in the secondary schools to students who intend to pursue drafting as a vocation. Objectives include providing experience in making working drawings and the development of an ability to understand, organize, and plan work in the drafting industry. The content, designed for use over four semesters, is presented in a five-column format and includes references and suggested problems. Word problems, a list of supplementary aids, and a bibliography are included. (GEB)

Graphic Arts 1-4.

Milwaukee Public Schools, Wis. Dept. of Secondary Curriculum and Instruction.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 66 101p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*TRADE AND INDUSTRIAL EDUCATION; \*GRAPHIC ARTS; \*TEACHING GUIDES; VOCATIONAL EDUCATION; PRINTING; PHOTOGRAPHY; SECONDARY SCHOOLS; INDUSTRIAL ARTS; BIBLIOGRAPHIES; SAFETY

ABSTRACT - Developed by the Division of Curriculum and Instruction of the Milwaukee Public Schools, this curriculum guide is for teacher use in teaching four semesters of vocational graphic arts in the secondary schools. Skill development and a knowledge of the graphic arts industry are two objectives of the program, with emphasis placed on total education and helping the student become a better citizen. The first section of the guide is an outline of the information to be covered each semester, including a time schedule. The second portion is a detailed outline of each unit with aids, references, and project suggestions included. The third portion, the appendix, includes a list of slides, films, and filmstrips, a reference material list, an abbreviation code, safety program, and a bibliography of texts and periodicals. (GEB)

PUB DATE - Jun69 103p.

DESCRIPTORS - \*ANNOTATED BIBLIOGRAPHIES; \*TEACHING GUIDES; \*INSTRUCTIONAL MATERIALS; \*REFERENCE MATERIALS; VOCATIONAL EDUCATION; \*STEEL INDUSTRY; ORIENTATION MATERIALS; INSTRUCTIONAL FILMS

ABSTRACT - A revision of VT 004 684 (AIM Fall 1969), this annotated bibliography was developed by the American Iron and Steel Institute and reviewed by a committee of educators, for teacher use in selecting resource materials for courses dealing with the iron and steel industry. Over 450 pamphlets, books, charts, kits, films, and filmstrips, arranged alphabetically by title under each of these categories, are listed for the subject areas of: (1) History and Development, (2) Visits to the Mills, (3) Reports of Progress, (4) Job Opportunities, (5) Technical Information, (6) Products in Use, and (7) Production. Brief annotations are provided for each entry, as well as the grade level and subject matter areas to which the aid may be most adaptable. Also included are a title index, company index, and listing of sources and addresses from which materials described in the bulletin may be obtained. (AW)

Training Recommendations.

Air Transport and Travel Industry Training Board, Staines, Middlesex (England).

DOCUMENT NOT AVAILABLE FROM EDRS.

Air Transport and Travel Industry Training Board, Staines House 158-162 High Street, Staines, Middlesex (UK).

PUB DATE - Mar70 257p.

DESCRIPTORS - \*AEROSPACE INDUSTRY; \*TECHNICAL EDUCATION; \*PROGRAM GUIDES; \*JOB ANALYSIS; FLIGHT TRAINING; \*JOB TRAINING; AIRCRAFT PILOTS; AVIATION MECHANICS; TRANSPORTATION; SUBPROFESSIONALS; PROFESSIONAL PERSONNEL; TRAINEES; TRAINERS; FOREIGN COUNTRIES; PROGRAM CONTENT; PERSONNEL SELECTIONS  
IDENTIFIERS - \*AIR TRANSPORT INDUSTRY; ENGLAND

ABSTRACT - This package contains training program recommendations for 17 air transport and travel occupations from the British Air Transport and Travel Industry Training Board. The recommendations, prepared by experts from the air transport industry and from appropriate educational and professional bodies, outline a systematic approach to meeting training needs and prescribe the content of appropriate training courses. The Board divides the industry into six major occupational groups: (1) Management, (2) Air Technology, (3) Ground Technology, (4) Marketing, (5) Logistics, and (6) Administration. The training recommendations are intended to apply generally to all phases of each occupational category. Each recommendation includes: (1) description of

the occupation, (2) personnel selection, (3) the training program design, and (4) implementation of the training program. Additional information including examples, terminology, and personnel listings are given. (GR)

Terms and Definitions.

American Welding Society, Inc., New York, N.Y.  
DOCUMENT NOT AVAILABLE FROM EDRS.  
AWS A3.0-69  
American Welding Society, 345 East 47th Street, New York, New York 10017 (\$4.50).  
PUB DATE - 69 97p.

DESCRIPTORS - \*DEFINITIONS; \*REFERENCE MATERIALS; REFERENCE BOOKS; \*WELDING;  
\*VOCABULARY; \*TECHNICAL EDUCATION

ABSTRACT - Prepared by the American Welding Society's Committee on Definitions and Symbols, this publication provides an up-to-date listing of terms and definitions for welding processes, methods, techniques, and applications currently applied in the industry. Arranged alphabetically, the definitions fall into five categories, including: (1) terms in current industrial use, (2) terms frequently used in the industry, but for which a preferred term is defined, (3) terms used erroneously to indicate a specific operation or process, (4) terms no longer significant in the industry, and (5) obsolete terms. The latter four categories are distinguished from those of current usage (category 1) by use of a different typeface, and explanatory information is supplied for them. A section comprised of figures illustrating more than one term, or relating to comparable terms and pointing out their similarities, differences and interrelationships, is included, as well as various tables and charts of welding and allied processes. An appendix describes the criteria and reasoning employed by the Committee in formulating the definitions. (AW)

Ford Foundation, New York, N.Y.  
MF AVAILABLE IN VT-ERIC SET.  
PUB DATE - 67 43p.

DESCRIPTORS - \*ELECTRICITY; \*ELECTRONICS; \*TEACHING GUIDES; PROBLEM SOLVING; INTEGRATED ACTIVITIES; \*INTEGRATED CURRICULUM; \*INDUSTRIAL EDUCATION; ENGLISH; MATHEMATICS; VOCABULARY; SCIENCES; VOCATIONAL EDUCATION; ARTICULATION (PROGRAM); COURSE CONTENT IDENTIFIERS - \*PARTNERSHIP VOCATIONAL EDUCATION PROJECT

ABSTRACT - Developed as one phase of the Partnership Vocational Education Project, this guide on Electricity and Electronics is designed to correlate the disciplines of English, industrial education, mathematics, and science into a flexible one-semester course which may be expanded into a one-year course. The course work has been set up on the basis of problem studies involving the above disciplines. These arrangements are tentative, and intended to be used only as guides in presenting the correlated approach. Teachers are advised to study this subject area and revise as necessary. The

outline plan is divided into two sections: problem study and problem related study which covers cells, generator, magnetism, RC circuits, alternating current, introduction to electronics, and introduction to computers. The problems are written to be given directly to the students, but may be added to or changed before presentation to the students. A film list, reference list, and a subject area vocabulary are given. Related documents are available as VT 012 024, VT 012 036, and VT 012 037, all in this issue, and ED 012 313 (VT 000 453, ARM Fall 1967). (GR)

The course work has been set up on the basis of problem studies involving the correlation of the above disciplines. These arrangements are tentative, and intended only as guides in presenting the correlated approach. Teachers are advised to study this subject area and revise as necessary. The outline plan is divided into two sections: problem study and problem related study, which covers casting, melting point thermocouple, moving and removing materials (lathe and milling), welding, sheet metal and soldering, forging, alloys, corrosion, physical and chemical properties, and rigid structure. The problems are written to be given directly to the students, but may be added to or changed before presentation to the students. A film list, reference list, and subject area vocabulary are given. Related documents are available as VT 012 023, VT 012 036, and VT 012 037, all in this issue, and ED 012 313 (VT 000 453, ARM Fall 1967). (GR)

A Series of Horizontally Articulated Problems on Power and Energy Presented to the Partnership High Schools. Correlated Problems Approach to Integrated Knowledge.

Central Michigan Univ., Mount Pleasant.  
Ford Foundation, New York, N.Y.  
MF AVAILABLE IN VT-ERIC SET.  
PUB DATE - 67 35p.

DESCRIPTORS - \*TEACHING GUIDES; COURSE CONTENT; ARTICULATION (PROGRAM); \*POWER MECHANICS; PROBLEM SOLVING; \*INTEGRATED CURRICULUM; ENERGY; VOCATIONAL EDUCATION; TEACHING TECHNIQUES; \*INDUSTRIAL EDUCATION; ENGLISH; SCIENCES; MATHEMATICS; VOCABULARY  
IDENTIFIERS - \*PARTNERSHIP VOCATIONAL EDUCATION PROJECT

ABSTRACT - Developed as one phase of the Partnership Vocational Education Project, this guide on Power and Energy is designed to correlate the disciplines of English, industrial education, mathematics, and science into a flexible one-semester course which may be expanded into a one-year course. The course work is set up on the basis of problem studies involving the correlation of the above disciplines. These arrangements are tentative, and intended to be used only as guides in presenting the correlated approach. Teachers are advised to study this subject area and revise as necessary. The outline plan is divided into two sections: problem study and problem related study, which covers electrical power sources, electric generator, internal combustion engine, combustion power, and nuclear energy. The problems are written to be given directly to the students, but may be added to or changed before presentation to the students. A film list, reference list, and a subject area vocabulary are given. Related documents are available as VT 012 023, VT 012 024, and VT 012 037, all in this issue, and ED 012 313 (VT 000 453, ARM Fall 1967). (GR)

A Guide for Driver and Traffic Safety Education in New Jersey High Schools.

New Jersey State Dept. of Education, Trenton. Div. of Curriculum and Instruction.  
 MF AVAILABLE IN VT-ERIC SET.  
 Curriculum and Instruction Division Administration, Supervision and Curriculum Services, New Jersey State Department of Education, 225 West State Street, P.O. Box 2019, Trenton, New Jersey 08625.  
 PUB DATE - 70 113p.

DESCRIPTORS - \*CURRICULUM GUIDES; \*DRIVER EDUCATION; \*TRAFFIC SAFETY; SECONDARY GRADES;  
 \*UNITS OF STUDY (SUBJECT FIELDS); \*PROGRAM GUIDES

ABSTRACT - This guide provides an outline of major topics, suggesting progression, techniques, references and materials intended to aid New Jersey teachers and administrators in developing effective high school driver and traffic safety education programs. Contents include sections on: (1) Organization and Administration, covering designation of responsibility and general information on the course, teachers, and students, (2) Classroom--Course Content and Presentation, including teaching and evaluation techniques and 10 classroom instructional units, (3) Practice Driving and Observation, including eight units of behind-the-wheel instruction, (4) Special Teaching Aids, such as off-street parking areas, multiple-car driving ranges, driving simulators, and special testing devices, and (5) Visual Aids and Reference Materials. Samples of correspondence with parents, time allotment and scheduling guidelines, various forms and records, equipment sources, and special instructional materials are appended. (AW)

Merchandising Your Community, Tourist Courtesy and Information; Instructor's Guide.

Louisiana State Dept. of Education, Baton Rouge.  
 MF AVAILABLE IN VT-ERIC SET.  
 Distributive Education Section, Louisiana State Department of Education, P.O. Box 44064-Capitol Station, Baton Rouge, Louisiana 70804 (\$2.00).  
 PUB DATE - 68 48p.

DESCRIPTORS - \*TEACHING GUIDES; \*VOCATIONAL EDUCATION; \*SERVICE OCCUPATIONS; \*TOURISM;  
 BIBLIOGRAPHIES; RECREATIONAL FACILITIES; RECREATIONAL ACTIVITIES; VACATION PROGRAMS  
 IDENTIFIERS - LOUISIANA

ABSTRACT - Prepared by the Louisiana State Department of Education, this teaching guide is for use in conducting a 10-hour clinic designed to help tourist-service personnel become aware of the tourist opportunities in their area and the need for better reception and care of tourists. Units are: (1) Introduction, (2) What Our Area Offers, (3) How Good Is Our Community, (4) What Other Places in Louisiana Offer, and (5) Courtesy and Its Rewards. Objectives, materials, teaching aids, instructional outlines, and teaching suggestions accompany the units. Sample handout sheets are appended, and a

bibliography is included. (SB)

Flight Instructor's Handbook.

Federal Aviation Administration (DOT), Washington, D.C. Flight Standards Service.  
MF AVAILABLE IN VT-ERIC SET.

AC 61-16A

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
(AC 61-16A, \$1.25).

PUB DATE - 69 109p.

DESCRIPTORS - \*STUDY GUIDES; \*RESOURCE MATERIALS; TEACHING GUIDES; \*TECHNICAL EDUCATION; \*AIRCRAFT PILOTS; \*FLIGHT TRAINING; ADULT VOCATIONAL EDUCATION

ABSTRACT - Prepared by the Flight Standards Service of the Federal Aviation Administration, this guide is for use both by pilots preparing to apply for flight instructor certificates, and as a reference by certificated flight instructors. Contents cover: (1) basic concepts of teaching and learning, (2) teaching methods, (3) basic aerodynamics useful for flight instruction, including various illustrations, (4) aeromedical information needed by flight instructors, (5) integrated flight instruction, on teaching the performance of flight maneuvers both by outside visual references and solely by reference to flight instruments from the first time each maneuver is introduced, (6) flight training syllabus, (7) responsibilities of flight instructors, and (8) analyses of flight training maneuvers and procedures, for use in preparing pilot training courses and lesson plans. The manual should be used in conjunction with the (pending) Federal Aviation Agency "Flight Training Manual" and the "Private Pilot (Airplane) Flight Training Guide" available as VT 012 212 (also in this issue). (AW)

PUB DATE - 64 27p.

DESCRIPTORS - \*CURRICULUM GUIDES; TEACHING GUIDES; \*TECHNICAL EDUCATION; \*FLIGHT TRAINING; \*AIRCRAFT PILOTS; ADULT VOCATIONAL EDUCATION; \*REFRESHER COURSES

ABSTRACT - Prepared by the Flight Standards Service of the Federal Aviation Agency, this guide is for use in planning and conducting refresher courses for both private and commercial pilots wishing to improve or upgrade their piloting skills. Contents include a general pilot refresher course and an instrument pilot refresher course, with each providing both ground and flight instruction. Flight instructor's endorsements including sample logbook entries and graduation certificates are also given. The courses should be taught by certificated instructors. (AW)

VT 012 108

Pilot Transition Courses for Complex Single-Engine and Light Twin-Engine Airplanes.

Federal Aviation Administration, Washington, D.C. Flight Standards Service.  
MF AVAILABLE IN VT-ERIC SET.

AC 61-9

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
(AC 61-9, \$.20).

PUB DATE - May64 17p.

DESCRIPTORS - \*STUDY GUIDES; TRADE AND INDUSTRIAL EDUCATION; \*AIRCRAFT PILOTS; \*FLIGHT TRAINING; ADULT VOCATIONAL EDUCATION; \*TECHNICAL EDUCATION

ABSTRACT - Prepared by the Flight Standards Services of the Federal Aviation Agency, this guide is intended for use by certificated airplane pilots wishing to make the transition to more complex or more modern light twin-engine airplane. Contents consists of: (1) training for checkouts of complex single-engine and light twin-engine airplanes, (2) checkout procedures and standards, including preflight examination, flight maneuvers and procedures, use of radio and special equipment, and emergencies, and (3) flight instructors' endorsements and recommendations, including logbook endorsements, multiengine rating recommendations, and sample graduation certificate.

MF AVAILABLE IN VT-ERIC SET.

AC 61-21  
 Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
 (AC 61-21, \$1.25).  
 PUB DATE - 65 143p.

DESCRIPTORS - \*AIRCRAFT PILOTS; \*TECHNICAL EDUCATION; \*MANUALS; AEROSPACE TECHNOLOGY;  
 AVIATION TECHNOLOGY; \*STUDY GUIDES; INSTRUCTIONAL MEDIA; \*FLIGHT TRAINING

ABSTRACT - This Flight Training Handbook, prepared by the Federal Aviation Agency, has been revised to bring it into line with changes in general aviation operations and aircraft which have occurred progressively since its original publication. The guide was prepared for the use of (1) student pilots who are learning to fly, (2) pilots improving their qualifications or preparing for additional ratings, and (3) flight instructors in the conduct of instruction for students and certified pilots. It provides information and direction in the introduction and performance of training maneuvers. A glossary of aeronautical terms is given. (GR)

VT 012 150

Airframe and Powerplant Mechanics Certification Guide.

Federal Aviation Administration, Washington, D.C.  
 MF AVAILABLE IN VT-ERIC SET.  
 AC 65-2A  
 Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
 (AC 65-2A, \$.65).  
 PUB DATE - 68 65p.

 AEROSPACE TECHNOLOGY; AVIATION TECHNOLOGY; INSTRUCTIONAL MEDIA; AVIATION VOCABULARY  
 IDENTIFIERS - AIRFRAME MECHANICS; POWERPLANT MECHANICS

ABSTRACT - This guide, prepared by the Flight Standards Service of the Federal Aviation Administration (FAA) provides information to prospective airframe and powerplant mechanics and other persons interested in the certification of mechanics. It contains information about the certificate requirements, application procedures, and the mechanic written, oral, and practical tests. Federal Aviation Regulations, FAA regional map, and a listing of FAA Regional Offices and Flight Standards District Offices are given. (GR)

VT 012 152

Instrument Flying Handbook.

Federal Aviation Administration, Washington, D.C.  
 MF AVAILABLE IN VT-ERIC SET.  
 AC 61-27A  
 Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
 (AC 61-27A, \$2.50).  
 PUB DATE - 68 260p.

DESCRIPTORS - \*AIRCRAFT PILOTS; \*FLIGHT TRAINING; \*TECHNICAL EDUCATION; \*MANUALS;  
 INSTRUCTIONAL MEDIA; AEROSPACE TECHNOLOGY; AVIATION TECHNOLOGY; AVIATION VOCABULARY;  
 \*INSTRUMENTATION  
 IDENTIFIERS - \*INSTRUMENT FLYING

ABSTRACT - The Instrument Flying Handbook, prepared by the Flight Standards Service of the Federal Aviation Administration (FAA), was developed in response to the increased flight activity and continuing requests from individuals and training organizations for an FAA handbook oriented to civilian instrument flying. This handbook, together with Aviation Weather (GPO publication AC 00-6) or an equivalent text on meteorology, will provide the student with the basic information needed to acquire an FAA instrument rating. The book is designed for the reader who holds at least a private pilot certificate and who is knowledgeable in all areas discussed in the "Private Pilots Handbook of Aeronautical Knowledge" (VT 012 166, also in this issue). The book is profusely illustrated with line drawings and photographs. (GR)

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
 (AC-61-34, \$.50).

PUB DATE - 67 39p.

DESCRIPTORS - \*AEROSPACE TECHNOLOGY; \*TESTS; \*AIRCRAFT PILOTS; \*FLIGHT TRAINING; TECHNICAL EDUCATION; AVIATION TECHNOLOGY

ABSTRACT - This guide is prepared by the Federal Aviation Administration to assist both military and civilian pilots on Federal Aviation Regulations as they pertain to certification. It outlines the scope of the basic knowledge required of civilian pilots who are studying regulations for certification of private and commercial pilots. The guide includes references recommended for use in any study program aimed at acquiring complete information in the applicable regulatory areas, and provides sample test items. It also gives the answers to these test items, their explanations, and the appropriate regulation to which both may be referenced. Additional test items without answers are included. (GR)

MF AVAILABLE IN VT-ERIC SET.

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402  
 (AC 61-23, \$2.75).

PUB DATE - 65 182p.

DESCRIPTORS - \*MANUALS; \*FLIGHT TRAINING; \*TECHNICAL EDUCATION; \*AVIATION TECHNOLOGY; CHARTS; WRITING EXERCISES; INDUSTRIAL TECHNOLOGY; \*AIRCRAFT PILOTS

ABSTRACT - Responding to requests from applicants for private pilot certification, flight instructors, and flying school staffs, the Federal Aviation Agency (FAA) developed this private pilot handbook. This handbook tells the private pilot how to use the Airman's Information Manual, data in FAA-approved Airplane Flight Manuals, and basic instruments required for airplane attitude control. The 10 subject areas in which an applicant for private pilot certification may be tested are covered in this handbook including (1) Principles of Flight, (2) Weather, (3) Navigation, (4) Aircraft and Engine Operation, (5) Flight Instruments, and (6) Flight Planning. Also included are numerous illustrations, selected exam-o-grams, and answers to the exercises. A related document is available as VT 012 167 (also in this issue). (Author/JS)

PUB DATE - 67 112p.

DESCRIPTORS - \*STUDY GUIDES; \*TESTS; \*AIRCRAFT PILOTS; \*TECHNICAL EDUCATION; \*FLIGHT TRAINING; AVIATION TECHNOLOGY; CHARTS; WRITING EXERCISES; INDUSTRIAL EDUCATION

ABSTRACT - Prepared to supplement the Private Pilot's Handbook of Aeronautical Knowledge this study guide should be of interest to those planning to take the private pilot's examination. Developed by the Federal Aviation Administration the guide includes 71 exercises and answers, covering material in each section of the handbook as well as a sample examination. Among the sections included in the review are (1) Principles of Flight, (2) Weather, (3) Navigation, (4) Aircraft and Engine Operation, (5) Flight Planning, and (6) Flight Instruments. This guide is to be used with the Dallas Sectional Aeronautical Chart, which has not been filmed but is available commercially or included with the guide when ordered from the source of availability listed above. The Private Pilot's Handbook is available as VT 012 166 (also in this issue). (JS)

Instructor's Guide for Basic Electricity and Basic Electronics, Third Edition.

Voorhees Technical Inst., New York, N.Y.

Electronic Industries Association, Washington, D.C.

DOCUMENT NOT AVAILABLE FROM EDRS.

Electronic Industries Association, Consumer Electronics Group, 2001 Eye Street, Washington, D.C. 20006.

PUB DATE - 67 48p.

DESCRIPTORS - \*ELECTRICITY; \*ELECTRONIC TECHNICIANS; \*ELECTRONICS; \*LABORATORY MANUALS; TEACHING GUIDES; \*INDUSTRIAL EDUCATION; TECHNICAL EDUCATION; COURSE CONTENT

ABSTRACT - This instructor's guide, part of a series of instructional manuals written under the guidance of an industry advisory committee of representatives of Electronics Industries Association member companies, contains 49 experiments in Basic Electricity and 48 experiments in Basic Electronics. It is intended for use in vocational-technical schools, academic high schools, technical institutes, community colleges, and industrial training and Armed Forces training programs. It provides a complete and tested laboratory program in electric circuits, D-C and A-C, and in semiconductor (solid-state) and vacuum tube devices and circuits, closely integrated with a recommended outline for classroom instruction. The introductory information contains basic discussions of circuits and of testing and measurement techniques. Solutions and sample problems are included, as are sample graphs and interpretations of these graphs. Other documents in this series are available as VT 012 197-VT 012 199, also in this issue. (GR)

DOCUMENT NOT AVAILABLE FROM EDRS.

Electronic Industries Association, Consumer Electronics Group, 2001 Eye Street,  
Washington, D.C. 20006.

PUB DATE - 58 61p.

DESCRIPTORS - \*TEACHING GUIDES; \*INDUSTRIAL EDUCATION; COURSE CONTENT; \*TELEVISION REPAIRMEN; \*ELECTRONIC EQUIPMENT; TECHNICAL EDUCATION; SERVICE OCCUPATIONS; RADIO; TELEVISION; SUBPROFESSIONALS

ABSTRACT - This instructor's guide, part of a series of manuals prepared by the Electronic Industries Association for use in vocational, trade, and technical schools, was developed primarily for the training of radio and television technicians. It should also provide a firm basis for specialized training in any field of electronics. This manual correlates laboratory experiments and work projects with classroom instruction. It deals with the current products, practices, and techniques of the industry. Included are: (1) objectives, limitations, and texts for the course, (2) television laboratory and classroom needs, (3) test-instrument requirements, (4) component parts description, (5) tool requirements, (6) television-receiver requirements and modifications, (7) parts requirements, (8) description of special connectors and jigs, (9) list of defects for trouble-shooting jobs, (10) list of demonstrations and visual aids, and (11) a course outline and course schedule. Other documents in this series are available as VT 012 189 and VT 012 197-VT 012 198, all in this issue. (GR)

Private Pilot (Airplane) Flight Training Guide.

Federal Aviation Agency, Washington, D.C. Flight Standards Service.

MF AVAILABLE IN VT-ERIC SET.

AC 61-2A

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402

(AC 61-2A, \$1.00)

PUB DATE - 64 92p.

DESCRIPTORS - \*AIRCRAFT PILOT; \*TECHNICAL EDUCATION; \*AVIATION TECHNOLOGY; \*INSTRUCTIONAL MATERIALS; \*FLIGHT TRAINING; AEROSPACE TECHNOLOGY  
IDENTIFIERS - \*PRIVATE PILOT TRAINING

ABSTRACT - This guide, prepared by the Flight Standards Service of the Federal Aviation Agency, is intended to assist flight instructors in planning the flight training of primary students. It contains a syllabus useful to an instructor in providing instruction in all of the fundamentals, procedures, and flight maneuvers necessary for proficient and safe flying. The syllabus is divided into lessons, each representing a unit of training important to a pilot course. (GR)

Build Our American Communities; A Community Development Program for High School and Young Adult Groups.

Farmers Home Administration (DOA), Washington, D.C.

EDRS PRICE MF-0.65 HC-\$6.58

PUB DATE - Jan70 127p.

DESCRIPTORS - \*VOCATIONAL EDUCATION; \*PROGRAM GUIDES; ORGANIZATIONS (GROUPS); \*COMMUNITY DEVELOPMENT; \*COMMUNITY PROGRAMS; \*COMMUNITY ACTION; RURAL AREAS; URBAN AREAS; OBJECTIVES; PROBLEMS; BIBLIOGRAPHIC CITATIONS

ABSTRACT - Intended for organizations and groups for use as a basis for action in building a program of community development, this program guide was developed by a task force appointed by the Farmers Home Administration and the Future Farmers of America. Emphasis in the program is on group learning and action which will result in individual attitudes, concepts, and interest necessary for future progress in community development. Topics are: (1) Why Community Development, (2) Characteristics of a Viable Community, (3) Analyzing a Community's Resources, (4) Community Development Projects, and (5) Telling What Has Been Learned and Accomplished. The first three units contain objectives, introduction, interest approach, discussion, problems, assignments, references, and unit tests. Units 4 and 5 are divided into numbered study sections, each dealing with a major area of community development or public relations. (GB)

Laboratory Manual for Waterworks Operators.

Missouri Div. of Health, Jefferson City.

MF AVAILABLE IN VT-ERIC SET.

The Division of Health of Missouri of the Department of Public Health and Welfare, Jefferson City, Missouri 65101 (no charge).

PUB DATE - Jan70 41p.

DESCRIPTORS - \*VOCATIONAL EDUCATION; \*TECHNICAL EDUCATION; \*WATER RESOURCES; UTILITIES; \*LABORATORY MANUALS; CHEMISTRY; INSTRUCTIONAL MATERIALS; CHEMICAL ANALYSIS; \*HEALTH PERSONNEL; LABORATORIES

ABSTRACT - Compiled by the Division of Health of Missouri to aid nontechnical waterworks personnel in operation of public water supplies, this manual contains some theoretical aspects of water chemistry and laboratory procedures. Contents are: (1) Alkalinity, (2) Turbidity, (3) Hardness, (4) Hydrogen-ion Concentration--pH, and (5) Stability. The document is intended as a link between the theoretical and practical application of chemistry to water treatment and as an aid in the interpretation of the routine analyses performed in the laboratory. The operator should have some background training in the science of pure chemistry to benefit from the manual. (GB)

Real Estate Appraising; A Suggested Adult Education Course.

New York State Education Dept., Albany. Bureau of Continuing Education Curriculum Development.

MF AVAILABLE IN VT-ERIC SET.

The Publications Distribution Unit, State Education Department, Albany, New York 12224 (single copies available).

PUB DATE - 70 54p.

DESCRIPTORS - \*CURRICULUM GUIDES; TEACHING GUIDES; \*ADULT VOCATIONAL EDUCATION; \*PROPERTY APPRAISAL; REAL ESTATE OCCUPATIONS; \*REAL ESTATE

ABSTRACT - Designed to assist teachers in conducting adult classes in real estate appraisal, this guide presents basic introductory material on methods of appraising. Twelve lessons, each providing objectives, content outline, and teaching suggestions, are presented, covering: (1) Appraisal of Real Estate, (2) Real Property and Value, (3) Basic Principles of Real Property Value, (4) The Appraisal Process, (5) Area, City, and Neighborhood Data and Their Analysis, (6) Site Analysis and Site Valuation, (7) The Cost Approach, (8) Depreciation, (9) Market Approach, (10) Income Approach, (11) Final Estimate of Value, and (12) The Appraisal Report. A bibliography is also included. The course should be taught by a qualified real estate appraiser, and although set up to be covered in 15 2-hour sessions, may be adapted to meet local needs. (AW)

Guidelines for Coordinators of Cooperative Education Programs.

Mohave County Union High School District, Ariz.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 90p.

DESCRIPTORS - \*COOPERATIVE EDUCATION; GUIDELINES; \*INSTRUCTOR COORDINATORS; \*PROGRAM COORDINATION; ADMISSION CRITERIA; \*PROGRAM PLANNING; JOB TRAINING; STUDENT EVALUATION; ADULT EDUCATION; TEACHER ROLE; \*PROGRAM GUIDES

ABSTRACT - This coordinator's handbook was prepared to assist coordinators in this Arizona school system in organizing, maintaining, and expanding vocational cooperative education programs. The handbook presents a philosophy of cooperative education, discusses the importance of planning in relation to a cooperative program, and presents a general overview and the advantages of cooperative education. Also included are resource materials and suggested guidelines regarding (1) training situations, (2) student selection, (3) coordination, (4) the instructional program, (5) classroom management, (6) reports and records, (7) evaluation of trainees, (8) forms useful to the coordinator, and (9) adult education. Christensen, Thomas E., Ed.; Moosey, Eleanor R., Ed.  
A Guidance and Curriculum Guide for Junior High School Grade Nine General Occupations Program.

Worcester Public Schools, Mass.

Massachusetts State Dept. of Education, Boston. Div. of Vocational Education

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 66 150p.

DESCRIPTORS - \*CURRICULUM GUIDES; GUIDANCE COUNSELING; \*JUNIOR HIGH SCHOOLS; \*VOCATIONAL EDUCATION; \*PROGRAM PLANNING; HANDICAPPED CHILDREN; \*OCCUPATIONAL GUIDANCE; OCCUPATIONAL HOME ECONOMICS; SHOP CURRICULUM; MATHEMATICS CURRICULUM; LANGUAGE ARTS; PILOT PROJECTS

ABSTRACT - Based on a ninth grade General Occupations Pilot Program Project, this guidance and curriculum guide was prepared to assist principals, counselors, and teachers in developing related junior high school programs. The guide represents a special attempt to plan a set of school experiences that will satisfy the basic educational needs of certain young people and prepare them to meet the requirements for further vocational training. To render the guide useful as a resource for planning projects, sections cover: (1) Vocational Home Economics, (2) Vocational Shop, (3) Language Arts, (4) Mathematics, and (5) Orientation. The appendixes include information on the General Aptitude Test Battery, procedures for field trips, and the overhead transparency projector. (JS)

Tenant Services Personnel. 48 Job Descriptions from Large Housing Authorities.

National Association of Housing and Redevelopment Officials, Washington, D.C.

MF AVAILABLE IN VT-ERIC SET.

NAHRO Publication No. N543.

NAHRO, 2600 Virginia Avenue, N.W., Washington, D.C. 20037 (\$2.50)

PUB DATE - Jun70 50p.

DESCRIPTORS - VOCATIONAL EDUCATION; \*OCCUPATIONAL INFORMATION; CAREER PLANNING; \*OCCUPATIONAL GUIDANCE; \*JOBS; COMMUNITY SERVICES; \*SOCIAL SERVICES; HOME MANAGEMENT; COORDINATORS; \*BULLETINS; EMPLOYMENT OPPORTUNITIES; SALARIES; EMPLOYEE RESPONSIBILITY;

## GEOGRAPHIC DISTRIBUTION; HOME ECONOMICS

ABSTRACT - This booklet of 48 job descriptions provides information on the establishment, staffing and modification of tenant services programs, and on the requirements and performance expectations for personnel related to these services. Intended for local housing authorities, it should also be informative for counselors and vocational teachers. Job descriptions are provided for positions such as (1) social service aid, (2) coordinator of training programs, (3) home economics assistant, (4) home visitor, (5) management aid, (6) tenant relations worker, and (7) director of community organization and social services. The job listings represent a geographic cross-section of authorities and are based on data collected through a 1968 Questionnaire survey. Job descriptions provide information concerning salary, training and experience, needed knowledges and skills, and duties of position. The salary ranges may have to be updated since these were drawn from the 1968 survey. (JS)

REHAB: Simulated Case Flow.

Cooperative School-Rehabilitation Centers, Minnetonka, Minn.

MF AVAILABLE IN VT-ERIC SET.

Cooperative School-Rehabilitation Centers, 6025 Eden Prairie Road, Minnetonka, Minnesota 55343 (punched paper tape and manual, \$5.00, checks payable to CSRC).

PUB DATE - ND 10p.

DESCRIPTORS - \*COMPUTER ASSISTED INSTRUCTION; \*REHABILITATION COUNSELING; \*VOCATIONAL REHABILITATION; \*AUTOINSTRUCTIONAL AIDS; SIMULATION; \*DECISION MAKING; GAME THEORY

**ABSTRACT** - Designed to teach beginning rehabilitation counselors the general kinds of vocational services which may be needed in difficult cases, this computer-simulated program allows the user to play a rehabilitation game with a computer. The user, who must be able to type with at least one finger, makes decisions as questions are asked about a case, and the computer presents the questions and reports the consequences of the decision. In order to use the program, the computer must be one which is accessed by keyboard, reads punched paper 8-track tape, and can be programmed in the language BASIC. Program input time is 15 minutes. (SB)

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20401  
(PR36.8:C76/ED8, \$.65).

PUB DATE - Nov70 62p.

**DESCRIPTORS** - \*PROGRAM GUIDES; GUIDELINES; \*CONSUMER EDUCATION; \*PROGRAM DEVELOPMENT; PROGRAM PLANNING; ARTICULATION (PROGRAM); CONSUMER ECONOMICS; EDUCATIONAL OBJECTIVES; \*STUDENT NEEDS; \*CURRICULUM DEVELOPMENT; PROGRAM CONTENT; TEACHING METHODS; RESOURCE MATERIALS; STUDENT ROLE; TEACHER ROLE; PARENTS ROLE

**ABSTRACT** - Designed to assist the implementation of consumer education programs for grades K-12, these guidelines should be useful to teachers and other educators in planning and developing individual school programs. In formulating these guidelines, special attention has been given to the educational needs of students in the inner-city, rural, and suburban settings as well as to students with ethnic and geographical differences. These guidelines were developed with the assistance of educators and personnel representing several universities, the school district of Philadelphia, the Office of Education, the Council for Family Financial Education, the Chief State School Officers of the States, the President's Consumer Advisory Council, and the President's Committee on Consumer Interests. The guide is divided into the following sections: (1) Consumer Education: An Imperative Need, (2) Methods of Implementation, (3) The Instructional Program, (4) Roles in Consumer Education, and (5) Instructional Resources for Consumer Education. TEACHING TECHNIQUES; \*SOCIAL STUDIES; SOCIAL PROBLEMS; \*PROBLEM SOLVING; INDIVIDUALIZED INSTRUCTION; EDUCATIONAL OBJECTIVES; INSTRUCTIONAL MATERIALS; HIGH SCHOOL CURRICULUM IDENTIFIERS - \*PROJECT ABLE

ABSTRACT - A 3-year Project ABLE social studies curriculum for vocational students was developed by high school teachers around general vocational, citizenship, knowledge, and self-fulfillment objectives and emphasized problem solving ability, use of new instructional materials, different teaching strategies, and individualized instruction. Structured at three levels of learning, course content at the 10th grade consists of general concepts and treatment of political, social, and cultural problems in diverse societies, while the 11th grade limits the study of concept and treatment to a specific society and the 12th grade to the individual's role in that society. During the first year (1968-69) of implementation, several problems hampered the introduction of the instructional materials which necessitated revisions in subsequent materials. It was also found that in order to objectively evaluate the materials, special criterion measures or appraisal techniques were needed. Other recommendations were that materials should be evaluated against stated learning objectives, student population should be altered to a size permitting validation of the materials, and the format of the units should be changed to provide more variety of instructional media. Several project materials are appended. (SB)

PUB DATE - Sep70 81p.

DESCRIPTORS - \*CURRICULUM DESIGN; \*CURRICULUM DEVELOPMENT; \*EXPERIMENTAL CURRICULUM; HIGH SCHOOL CURRICULUM; \*SCIENCE CURRICULUM; SCIENCE EDUCATION IDENTIFIERS - \*PROJECT ABLE

ABSTRACT - Activities concerning the development of the science curriculum of Project ABLE are summarized. The science curriculum attempts to relate science content to vocational areas where applicable, but emphasizes generalizations which the student will apply in his specific vocational field. Intended for 10th, 11th, and 12th grade students, the curriculum consists of units in behavioral science, biological science, sex education, chemistry, and physics. Twenty students were chosen to participate in the implementation of the science material which began with a perceptual unit. Due to a number of difficulties, the science program has achieved only initial stages of its plan. Tasks remaining are the analysis of student and teacher evaluations and the implementation of the remaining part of the prepared curriculum and its revision. Several project materials are appended. (Not available in hard copy due to marginal legibility of original document.) (SB)

DESCRIPTORS - \*VOCATIONAL EDUCATION; \*MANUALS; \*INSTRUCTIONAL AIDS; TEACHER AIDS; \*OVERHEAD PROJECTORS; RESOURCE MATERIALS; \*TRANSPARENCIES; PLANNING; EDUCATIONAL EQUIPMENT

ABSTRACT - Developed by a media center as an aid for teachers, this manual discusses the merits and potential of one material that can be used in the production of overhead transparencies. This material, a polystyrene film, is economical, versatile, very transparent and available in a pre-cut size that is very useful for teaching purposes. The disadvantages of using this material are also presented along with information concerning: (1) the use of the overhead projector, (2) planning and developing the transparency, (3) sources of Trycite--the trade name for this material, and (4) uses of Trycite for overhead transparencies. Line drawings illustrate the publication. (JS)

ABSTRACT - This quarterly publication announces the availability of instructional  
 materials acquired and processed by the Educational Resources Information Center (ERIC)  
 Clearinghouse on Vocational and Technical Education. It should be of particular  
 interest to teachers, curriculum specialists, supervisors, and administrators involved  
 in curriculum development or the use of instructional materials in the teaching-  
 learning setting. Each abstract, a condensation of the report in about 200 words,  
 usually includes the means used to develop the material, the setting for use of the  
 material, and source of available copies. Abstracts are included under the following  
 sections: Agricultural, Business and Office, Distributive, Health Occupations, Home  
 Economics, Industrial Arts, Occupational Psychology, Trade and Industrial, and General  
 Vocational and Technical Education. An author index, document number index, and subject  
 indexes are provided. Most of the documents which have not been announced in "Research  
 in Education" are available as a separate microfiche set from the ERIC Document  
 Reproduction Service (VT 012.946). Others are available from the source identified in  
 the abstract. (CD)

THE CENTER FOR VOCATIONAL AND TECHNICAL EDUCATION

RESEARCH AND DEVELOPMENT SERIES (RD)

Series No.	Publication Title (RD)	Center*	Availability	
			EDRS**	
1	A National Survey of Vocational Education Programs for Students with Special Needs, by Ramsey M. Groves, May, 1966	--	ED 011 041	MF-\$ .50, HC-\$5.10
2	The Demand for and Selected Sources of Teachers in Vocational and Technical Education, State Director Survey, by James W. Hensel, January, 1967	--	ED 012 331	MF-\$ .50, HC-\$4.25
3	Research and Development Priorities in Technical Education, A Report of a National Research Planning Conference in Technical Education, by Aaron J. Miller, May, 1967	--	ED 013 888	MF-\$ .25, HC-\$2.05
4	The Emerging Role of State Education Departments with Specific Implications for Divisions of Vocational-Technical Education, Report of a National Conference on State Department Leadership in Vocational Education, by Dick C. Rice and Powell E. Toth, 1967	--	ED 016 870	MF-\$1.50, HC-\$20.35
5	A Taxonomy of Office Activities for Business and Office Education, by Harry Huffman and others, July, 1968	--	ED 021 140	MF-\$ .75, HC-\$8.30
6	Enlisted Men Separating from the Military Service as a Potential Source of Teachers for Vocational and Technical Schools, by James W. Hensel and others, October, 1967	--	ED 016 131	MF-\$ .25, HC-\$2.90
7	BOOST--Business and Office Education Student Training, Preliminary Report, by Harry Huffman, 1967	\$3.00	ED 018 663	MF-\$1.25, HC-\$13.60
8	Professional Personnel in State Divisions of Vocational Education: Policies, Practices, Requirements, by Dick C. Rice, November, 1968	\$3.25	ED 023 92 <sup>P</sup>	MF-\$ .50, HC-\$5.10
9	Trade and Industrial Teacher Education and Certification: Report of a National Invitational Research Development Seminar, by Robert M. Reese, November, 1968	--	ED 025 644	MF-\$ .50, HC-\$3.20
10	Research Priorities in Technical Teacher Education, A Planning Model, by Aaron J. Miller, October, 1967	--	ED 016 815	MF-\$ .25, HC-\$2.90
11	Implications of Women's Work Patterns for Program Development in Vocational and Technical Education, by Sylvia L. Lee and others, October, 1967	\$2.00	ED 016 812	MF-\$ .50, HC-\$4.10
12	Problems in the Transition from High School to Work as Perceived by Vocational Educators, by A. F. Garbin and others, October, 1967	--	ED 016 811	MF-\$ .50, HC-\$4.20
13	An Evaluation of the Off-Farm Agricultural Occupations Materials, by James W. Hensel and Cecil H. Johnson, Jr., October, 1967	--	ED 016 853	MF-\$ .50, HC-\$4.35
14	Vocational Guidance in Secondary Education, Results of a National Survey, by Robert F. Campbell and others, December, 1968	--	ED 026 534	MF-\$ .75, HC-\$9.10
15	A Guide to Systematic Planning for Vocational and Technical Schools, by Richard F. Meckley and others, December, 1968	\$2.00	ED 026 537	MF-\$ .25, HC-\$1.75
16	A General Guide for Planning Facilities for Occupational Preparation Programs, by Richard F. Meckley, June, 1969	\$2.00	ED 030 771	MF-\$ .50, HC-\$4.45
17	A Guide for Planning Facilities for Home Economics Occupational Preparation Programs, by Richard F. Meckley and others, July, 1968	\$2.00	ED 022 924	MF-\$ .50, HC-\$4.40
18	A Guide for Planning Facilities for Occupational Preparation Programs in the Machine Trades, by Milton E. Larson, September, 1968	\$2.00	ED 023 926	MF-\$ .50, HC-\$3.80
19	A Guide for Planning Facilities for Occupational Preparation Programs in Data Processing, by William A. McIntosh, November, 1968	\$2.00	ED 023 927	MF-\$ .50, HC-\$3.45
20	A Guide for Planning Facilities for Occupational Preparation Programs in Business and Office Occupations, by William Selden, November, 1968	\$2.00	ED 027 401	MF-\$ .50, HC-\$4.65
21	A Guide for Planning Facilities for Occupational Preparation Programs in Laboratory Animal Science Technology, by Walter E. Collins and Wilbur M. Farnsworth, January, 1969	\$2.00	ED 027 434	MF-\$ .50, HC-\$6.30
22	A Guide for Planning Facilities for Occupational Preparation Programs in Metallurgy Technology, by Carl German, Jr., March, 1968	\$2.00	ED 027 420	MF-\$ .50, HC-\$5.65
23	A Guide for Planning Facilities for Occupational Preparation Programs in Automotive Service, by Jon P. Adams, April, 1969	\$2.00	ED 028 280	MF-\$ .50, HC-\$4.55
24	A Guide for Planning Facilities for Occupational Preparation Programs in Electrical Technology, by L. J. Sitterlee, April, 1969	\$2.00	ED 028 278	MF-\$ .50, HC-\$5.70
