TITLE Abstracts of Instructional Materials in Vocational and Technical Education (AIM), Fall 1971.

INSTITUTION Ohio State Univ., Columbus. Center for Vocational and Technical Education.

SPONS AGENCY Office of Education (DHEW), Washington, D.C.

PUB DATE 71

NOTE 123p.

AVAILABLE FROM The Center for Vocational and Technical Education, The Ohio State University, 1900 Kenny Road, Columbus, Ohio 43210 (quarterly-one year \$11.00, two years \$18.00)

EDRS PRICE MF-\$0.65 HC-\$6.58

DESCRIPTORS *Abstracts; Agricultural Education; Business Education; Distributive Education; Health Occupations Education; Home Economics Education; *Indexes (Locaters); Industrial Arts; *Instructional Materials; *Technical Education; Trade and Industrial Education; *Vocational Education

ABSTRACT

This quarterly publication announces the availability of instructional materials acquired and processed by the Educational Resources Information Center (ERIC) Clearinghouse on Vocational and Technical Education. It should be of particular interest to teachers, curriculum specialists, supervisors, and administrators involved in curriculum development or the use of instructional materials in the teaching-learning setting. Each abstract, a condensation of the report in about 200 words, usually includes the means used to develop the material, the setting for use of the material, and source of available copies. Author, subject, and document number indexes provide entry to the abstracts. Most of the documents which have not been announced in "Research in Education," are available as a separate microfiche set from the ERIC Documents Reproduction Service (VT 014 237). Others are available from the source identified in the abstract. (CD)

CLEARINGHOUSE ON
VOCATIONAL AND
TECHNICAL EDUCATION

VT014129

The Center for Vocational and Technical Education, an independent unit on The Ohio State University campus, operates under a grant from the National Center for Educational Research and Development, U.S. Office of Education. It serves a catalytic role in establishing consortia to focus on relevant problems in vocational and technical education. The Center is comprehensive in its commitment and responsibility, multidisciplinary in its approach and interinstitutional in its program.

The Center's mission is to strengthen the capacity of state educational systems to provide effective occupational education programs consistent with individual needs and manpower requirements by:

- Conducting research and development to fill voids in existing knowledge and to develop methods for applying knowledge.
- Programmatic focus on state leadership development, vocational teacher education, curriculum, vocational choice and adjustment.
- Stimulating and strengthening the capacity of other agencies and institutions to create durable solutions to significant problems.
- PROVIDING A NATIONAL INFORMATION STORAGE, RETRIEVAL AND DISSEMINATION SYSTEM FOR VOCATIONAL AND TECHNICAL EDUCATION THROUGH THE AFFILIATED ERIC CLEARINGHOUSE.

Abstracts of Instructional Materials in Vocational and Technical Education is a quarterly publication (Fall, Winter, Spring, Summer) published by the ERIC Clearinghouse on Vocational and Technical Education. Subscriptions are \$11.00, one year; \$18.00, two years; and \$27.00, three years. Send order to ERIC Clearinghouse, The Center for Vocational and Technical Education, The Ohio State University, 1900 Kenny Road, Columbus, Ohio 43210. Contents of this publication may be reprinted freely without requesting permission, providing appropriate credit is given to the Clearinghouse.

PREFACE

Abstracts of Instructional Materials in Vocational and Technical Education (AIM) and the companion publication Abstracts of Research and Related Materials in Vocational and Technical Education (ARM) announce the availability of documents acquired and processed by the ERIC Clearinghouse on Vocational and Technical Education. AIM includes abstracts of materials typically designed for teacher use or student use in the classroom, and annotations of bibliographies or lists of instructional materials. It will be of particular interest to teachers, curriculum specialists, supervisors and administrators involved in the use of instructional materials in the teaching-learning setting, or in curriculum development. ARM incorporates abstracts of research and other materials which are useful to a wide audience of users such as researchers, supervisors, teacher educators, education specialists, administrators, teachers and others who have an interest in vocational and technical education. These publications prepared by the ERIC Clearinghouse on Vocational and Technical Education are published quarterly beginning with the Fall 1967 issue.

The ERIC Clearinghouse on Vocational and Technical Education is a division of the Center for Research and Leadership Development in Vocational and Technical Education located at The Ohio State University and is one of the clearinghouses of the Educational Resources Information Center (ERIC-USOE). With the growth of vocational and technical education programs, there is an increasing need for accessible information that can be used in developing logical chains of reasoning for research activities, for improving school practices and for shortening the theory-practice gap. This Clearinghouse is striving to provide a useful and vital function in dissemination of information on vocational and technical education. ARM and AIM give visibility to a document-based information system which constitutes an on-going data bank of research and resource materials in vocational and technical education. Following are some of the benefits derived from this data base:

- * A central source of information to be reviewed and synthesized into state-of-the-art papers, critical reviews, interpretive papers, etc.
- * A resource includes different kinds of materials, e.g., instructional materials, descriptive reports, survey reports, dissertations, conference proceedings, program plans or procedures, research reports.
- * Provision for availability of primary source materials through the ERIC Document Reproduction Service (EDRS) and/or other distribution agencies.
- * A source of bibliographies and a resource for development of bibliographies.
- * A source of materials for different user groups (i.e., administrators, supervisors, teacher educators, teachers, legislative and advisory bodies) with information needs in such diverse areas as teaching and learning, manpower needs and requirements, research design and methodology, evaluation.

Since this Clearinghouse is a component of a larger information system, ERIC, it is logical that certain similarities among publications exist. In this regard the format of ARM and AIM is similar to that of Research in Education (RIE)¹, the primary publication of the Educational Resources Information Center (ERIC). RIE

¹Research in Education is published 12 times a year. The first issue was no. 1, November 1966. Subscription: Domestic \$21.00 a year; foreign \$5.25 additional. Single copy: Domestic, \$1.75. Send check or money order (no stamps) to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402

includes abstracts from all ERIC Clearinghouses. The abstracts of materials reported in AIM relate specifically to the educational field of vocational and technical education and constitute a segment of ERIC, the national information system for American education.

In addition to the two quarterly publications, Abstracts of Research and Related Materials in Vocational and Technical Education (ARM), and Abstracts of Instructional Materials in Vocational and Technical Education (AIM), other publications will be issued from time to time. These will typically concern themselves with reviewing and synthesizing information in specific areas of vocational and technical education, e.g., Review and Synthesis of Research in Technical Education; Agricultural Education; Home Economics, etc., and with reviewing and synthesizing information related to topical areas such as the economics of vocational and technical education.

We are indebted to our colleagues within the profession for their cooperation in forwarding materials to the clearinghouse and for their suggestions and comments which have materially assisted in the development of this program. We anticipate further refinement and improved procedures with the continued assistance of our advisory committee.

Robert E. Taylor
Director

INTRODUCTION

Organization of ABSTRACTS OF INSTRUCTIONAL MATERIALS IN VOCATIONAL AND TECHNICAL EDUCATION

Abstracts of Instructional Materials in Vocational and Technical Education (AIM) is organized in two sections -- resumes and indexes -- to serve those seeking specific information. Resumes contain an abstract indicating the content of a document in 200 words or less, as well as various other information about each document as explained in a diagram on page x. Indexes provide specific approaches to documents reported in the resume section.

Beginning with this issue of AIM, both the resume and index sections have undergone several changes in the interest of increased utility for the user. The format of the resume section has been changed to a 2-column page, with resumes arranged in ascending VT (Vocational-Technical) number order throughout the resume section, and no longer separated into topical groupings. Vocational-Technical (VT) numbers are identification numbers assigned to documents as they are processed. Documents which have been pulled from RIE resume tapes appear in uppercase letters only.

The index section now consists of the following three indexes:

Subject and Identifier Index
Personal and Institutional Author Index
Conversion of Document Number Index (VT to ED or MP, ED or MP to VT)

All of the indexes refer to page numbers in this publication to enable the reader to quickly locate any resume of interest.

Availability of AIM

AIM is published quarterly (Fall, Winter, Spring, Summer). The first issue began Fall 1967. At this time the four issues for the period Fall 1967 - Summer 1968 and the AIM-ARM Annual Indexes are available only on microfiche or facsimile copy. Annual subscriptions are available beginning with Fall 1968. Microfiche or facsimile copy for all previous issues may be ordered from ERIC Document Reproduction Service, (EDRS), P.O. Drawer O, Bethesda, Maryland 20014. Please write to EDRS for order forms.

Columbus, Ohio 43210

Availability of Materials Reported in AIM

A basic concept of the ERIC system is to make known the availability of the full text of materials abstracted. Most of the materials processed into the ERIC system with an ERIC Document (ED) number will be available from the ERIC Document Reproduction Service (EDRS) in the form of microfiche or facsimile copy. There is an EDRS availability line with each abstract which indicates if a document may be obtained from EDRS. Microfiche or facsimile copy must be ordered by ED (ERIC Document) number since EDRS is not set up to respond to requests for materials by subject, author, or title. If a document is not available from EDRS, the agency and address from which the document may be obtained is in the resume. AIM and ARM indexes can be used to determine ED numbers which relate to problem areas. Always check the most current issue of RIE in the section, How to Order ERIC Document Reproductions for the latest price schedules and ordering procedure for microfiche (MF) and facsimile copy, called hard copy (HC).

Materials with ED numbers are announced in Research in Education (RIE) as well as AIM or ARM. These are available as individual documents through EDRS or another source. Documents with VT numbers only are not announced in RIE but are included in AIM and ARM. They are not available as individual documents from EDRS but as part of a VT-ERIC set. Microfiche for an individual document in one of these sets is obtainable only through purchase of the set or from agencies that have this set and have the capability of reproducing microfiche. Reports in these sets are identified in the resume by the phrase MF AVAILABLE IN VT-ERIC SET. The documents are grouped in VT number sequence in the microfiche set for each issue of AIM or ARM. Each set is announced in RIE under a single (ED) number. The Fall 1967 - Summer 1968 Microfiche Collections contain documents with VT numbers only and ED documents. Beginning with Fall 1968, the microfiche set contains the documents which have only VT numbers. Thus the microfiche collection for a particular issue of AIM now contains the items in that issue of AIM which have the statement, MF AVAILABLE IN VT-ERIC SET, in the resume. These sets may be ordered from EDRS. Information to be used in ordering the sets for AIM follows:

AIM Microfiche Collections

<u>AIM</u>	<u>ED Number</u>	<u>Microfiche</u>	<u>AIM</u>	<u>ED Number</u>	<u>Microfiche</u>
Fall 1967	ED 013 339	\$17.38	Summer 1969	ED 032 434	\$75.46
Winter 1967	ED 015 349	\$36.08	Fall 1969	ED 034 074	\$62.04
Spring 1968	ED 017 746	\$48.84	Winter 1969	ED 037 585	\$51.26
Summer 1968	ED 020 442	\$47.08	Spring 1970	ED 041 177	\$42.02
Fall 1968	ED 022 971	\$34.10	Summer 1970	ED 042 931	\$46.20
Winter 1968	ED 028 305	\$36.74	Fall 1970	ED 045 856	\$41.80
Spring 1969	ED 030 770	\$49.94	Winter 1970	ED 049 382	\$34.54
			Spring 1971	ED (See Oct. '71 RIE)	\$52.80

The prices quoted above reflect a new price schedule in effect for VT-ERIC microfiche collections as of June 1971.

It should be noted that organizations which have standing orders with EDRS for the total microfiche collections in RIE will automatically receive the ARM and AIM microfiche collections. If an organization wishes to order only the materials abstracted by VT-ERIC which are announced in RIE and are on microfiche, a standing order may be initiated with EDRS for a VT-ERIC package. This package will automatically include the ARM and AIM microfiche collections. Contact EDRS for information about cost of current or retrospective VT-ERIC packages.

Availability Key for Materials Reported in AIM

<u>Accession Number</u>	<u>Availability on Microfiche</u>
ED number supplied	ERIC Document Reproduction Service (EDRS) provided that the information is shown on EDRS price line.
ED appears with reference to an RIE issue (e.g., ED (See Aug. '69 RIE))	If a price is given for microfiche, the fiche is unavailable from EDRS (at time of printing) until an ED number is assigned and published in RIE. The issue of RIE in which the abstract is scheduled to appear follows the ED prefix. After assignment of numbers has been made by Central ERIC, the Conversion of Document Number Index in each succeeding issue of AIM will include numbers for documents listed with an ED and RIE date in the previous issue.
VT number only supplied	Available on microfiche in VT-ERIC set from EDRS as indicated.
Items not available through EDRS or in a VT-ERIC set will usually have a source of availability cited on the availability line in the abstract.	

ERIC Document Reproduction Service (EDRS)

The ERIC Document Reproduction Service (EDRS) is operated by Leasco Information Products, Inc. (LIPCO). Request order forms from:

ERIC Document Reproduction Service (EDRS)
P. O. Drawer O
Bethesda, Maryland 20014

Prices for microfiche and/or hard copy undergo occasional changes which become effective when announced in Research in Education. EDRS prices cited in AIM and ARM reflect the prices in effect at the time of publication. Retrospective use of AIM and ARM requires attention to the most recent price schedules and ordering information which is available in a current issue of RIE.

Scope of the Clearinghouse

The Clearinghouse on Vocational and Technical Education is responsible for acquiring, processing, and disseminating through the ERIC system, research reports, instructional materials, information analysis products and other resource materials related to vocational and technical education. In addition to this general area, coverage includes the specific occupational fields of agricultural education, business and office occupations education, distributive education, health occupations education, home economics education, technical education, trade and industrial education, and new sub-professional fields. The clearinghouse scope also encompasses the related fields of industrial arts education, manpower economics, occupational

psychology, and occupational sociology. The following subject categories when specifically oriented to vocational-technical education and its related fields are included in the scope of the clearinghouse: administration and supervision, curriculum, employment and occupations, evaluation and measurements, facilities and equipment, historical studies, individuals with special needs, instructional materials and devices, philosophy and objectives, research design and development, occupational guidance and other student personnel services, students, teachers, teacher education, teaching and learning.

Acquisitions

The adequacy of information in this publication, as well as other services of this Clearinghouse, is directly related to the extensiveness of the information acquired and processed into the system. This Clearinghouse has assumed the initiative in obtaining as much of the available information as possible. However, it is impossible for any organization to achieve complete and comprehensive coverage of a field as vast as vocational education without the cooperation and assistance of the profession. The growth and ultimate effectiveness of the system require supplemental efforts of its users. Any person in the vocational or technical field is invited to forward to the Clearinghouse two copies of items relating to vocational-technical education for possible inclusion in the system. Questions relating to this endeavor should be directed to the Acquisitions Specialist at the Clearinghouse.

SAMPLE RESUME

Accession Number--an identification number sequentially assigned to reports as they are processed

Author(s)--the individual(s) who prepared the report

EDRS Price--price of the document through the ERIC Document Reproduction Service. "MF" means microfiche; "HC" means hardcopy.

Report Number

If item cited appeared originally in a journal, a journal citation would appear here.

Publication Date

Total number of printed pages in the report, including cover and appendices.

Identifier, if any--acronyms, geographical areas, conferences, organizations, tests (e.g. Binet), etc. Only the major identifiers preceded by an asterisk are printed in the index.

Abstract--a condensation of the report in about 200 words. When applicable, it includes the purpose, means of development, subject-matter content, teacher competency, student requirements, and description of supplementary materials if available.

VT 002 079 ED 017 657

Karnes, James B.

Medical Record Technology, A Course of Study Designed for Cooperative Part-Time Students Employed in Medical Record Libraries.

Missouri State Dept. of Education, Jefferson City. Industrial Education Section
Missouri Univ., Columbia. Dept. of Industrial Education

EDRS PRICE MF-\$0.75 HC NOT AVAILABLE FROM EDRS.

Industrial Education, 103 Industrial Education Building, University of Missouri, Columbia, Missouri 65201 (\$1.50).

Pub Date - Aug64 136p.

Descriptors - *STUDY GUIDES; *HEALTH OCCUPATIONS EDUCATION; GRADE 11; POST SECONDARY EDUCATION; ASSIGNMENTS; *COOPERATIVE EDUCATION; STUDENT RECORDS; *MEDICAL RECORD TECHNICIANS

Abstract - Designed for use by eleventh grade cooperative part-time students employed in medical record libraries, this guide may also be used in area vocational or post-high school settings. It was developed by a consultant committee, teacher educators, and research assistants at the state level and revised after use in the field.....An analysis of medical record technology and progress records to be completed by the employer, teacher, and student are included. The material should be used with related instruction for individual students by a qualified coordinator or competent health occupations teacher. (JK)

If ED is followed by numbers, item has been announced in Research in Education. If ED is not followed by numbers, the issue of RIE in which the abstract is scheduled to appear follows the ED prefix.

Title of report.

Institutional source--the organization responsible for the report.

Sponsoring Agency--would appear here if different than Institutional Source.

Grant Number and Program Area Number would also appear on this line.

Commercial, institutional, and other sources of availability if known at time of printing. Cost is included.

Descriptors--the subject terms assigned by an indexer to characterize the contents of a report. Only the major terms, those preceded by an asterisk, are printed in the index.

Abstractor's Initials.

VT 001 128

Cooperative Occupational Education and
Distributive Education Handbook.

Missouri State Dept. of Education, Jefferson
City, Vocational Education Div.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 9p.

DESCRIPTORS - VOCATIONAL EDUCATION;
*COOPERATIVE EDUCATION; INDUSTRIAL EDUCATION;
*DISTRIBUTIVE EDUCATION; *GUIDELINES;
*PROGRAM PLANNING; PROGRAM DEVELOPMENT;
*PROGRAM EVALUATION; EDUCATIONAL FACILITIES;
YOUTH CLUBS; TEACHER CERTIFICATION

ABSTRACT - This manual should be of interest
to teachers and administrators when
developing vocational programs. Prepared
specifically for cooperative and distributive
education programs, the manual describes (1)
basic program plans, (2) certification
requirements, (3) facilities needed, (4)
youth organizations, and (5) program
reporting and evaluation procedures. (JS)

VT 002 004

An Experimental Resource Unit in Plastics for
Industrial Arts.

New York State Education Dept., Albany.
Bureau of Secondary Curriculum Development.
MF AVAILABLE IN VT-ERIC SET.

The Publications Distribution Unit, State
Education Department, Albany, New York 12224
(single copies available).

PUB DATE - 66 218p.

DESCRIPTORS - *RESOURCE UNITS; *INDUSTRIAL
ARTS; SECONDARY GRADES; *PLASTICS;
BIBLIOGRAPHIES; *CURRICULUM GUIDES; *TEACHING
GUIDES; LESSON PLANS; SUPPLIES; DIRECTORIES;
CURRICULUM DEVELOPMENT

ABSTRACT - Developed by the Bureau of
Secondary Curriculum Development for the New
York State Education Department, this
resource unit is for use in modifying
industrial arts instruction in the secondary
grades to provide for plastic instruction.
These materials were developed with two
purposes in mind: (1) To provide a guide for
content and development of locally designed
courses of study, and (2) To provide the most
enriched and complete outside resource
materials which could be identified. The
contents have been arranged in 12 major
units: (1) Orientation, (2) Molding and
Forming, (3) Moldmaking, (4) Bonding, (5)
Laminates, (6) Encapsulation, (7) Forms, (8)
Coating, (9) Vinyl Dispersion-Thermofusion,
(10) Decorating, (11) Materials, and (12)
Guidance. Supply lists and sources of
supplies are contained in the appendix. The
bibliography is divided into three sections:
(1) Basic Library References, (2)
Supplemental Reference List, and (3) Free or
Inexpensive References. (GER)

VT 002 018

1 Teaching Suggestions for Stimulating
Learning in Business Education.

New York State Education Dept., Albany.
Bureau of Secondary Curriculum Development.
MF AVAILABLE IN VT-ERIC SET.

The Publications Distribution Unit, State
Education Department, Albany, New York 12224
(single copies available).

PUB DATE - 65 55p.

DESCRIPTORS - *BUSINESS EDUCATION; *TEACHING
TECHNIQUES; TEACHING METHODS; *STENOGRAPHY;
OFFICE PRACTICE; *BOOKKEEPING; *TYPEWRITING;
ECONOMICS; BUSINESS CORRESPONDENCE; RESOURCE
MATERIALS

ABSTRACT - This document contains teaching
techniques gathered from experienced teachers
in many of the registered private business
schools of the State of New York. All are
techniques which have been used successfully
and which may prove useful to other business
educators. Teaching techniques are included
for: (1) Typewriting, (2) Shorthand, (3)
Transcription, (4) Secretarial Practice, (5)
English for Business, (6) Economic
Understanding, (7) Business Mathematics, and
(8) Bookkeeping and Accounting. (JS)

VT 003 408

Curriculum Guide for Family Relations, Grade
Twelve.

Kansas City Public Schools, Mo.
MF AVAILABLE IN VT-ERIC SET.

Secondary-Curr-Bull-153

Kansas City Public Schools, Room 601B, 1211
McGee Street, Kansas City, Missouri 64106
(\$2.50).

PUB DATE - Jun65 152p.

DESCRIPTORS - *CURRICULUM GUIDES; *TEACHING
GUIDES; *HOMEMAKING EDUCATION; *FAMILY LIFE
EDUCATION; SECONDARY GRADES

ABSTRACT - Curriculum materials for teacher
use in planning a 1-year high school Family
Relations Course were developed by local home
economics teachers and supervisors. The
course is organized on a sequential basis,
with each unit proceeding from the concepts,
generalizations and understandings developed
in earlier units. An introductory section
discusses teaching methods. Each of the
eleven units contains an overview, basic
understandings, suggested experiences and
activities, summary, evaluation and
references. Subject matter covers:
contemporary families, relationship with
parents, maturation, marriage, problem
solving, family finance, children, the
elderly, community, and the projected family.
Forms, charts, questionnaires, graphs, and a
bibliography of professional resources and
periodicals are included in the appendix.
(FP)

VT 005 246

Bernstrom, Hal, And Others
Introductory Business for Everyday Living.
What Business Does and Can Do for You.
Learning Activity Package No. 1.

Hughson Union High School, Calif.
MF AVAILABLE IN VT-ERIC SET.

AIM/FALL 71

PUB DATE - Jul67 33p.

DESCRIPTORS - *BUSINESS EDUCATION; SECONDARY EDUCATION; *CONSUMER ECONOMICS; STUDENT EVALUATION; *INDIVIDUALIZED INSTRUCTION; SELF EVALUATION; *MANUALS; EDUCATIONAL OBJECTIVES; WRITING EXERCISES; *TEACHER DEVELOPED MATERIALS; INSTRUCTIONAL MATERIALS; PROGRAMED MATERIALS; RESOURCE MATERIALS
IDENTIFIERS - *LEARNING ACTIVITY PACKAGES; LAPS

ABSTRACT - Three high school instructors prepared this learning activity package to help students understand basic business terms and ideas as they apply to consumers and producers. Useful for individualized instruction, these materials include: (1) a student evaluation chart, (2) a pretest, (3) instructional objectives, and (4) student activities. Also included in this color-coded material are several illustrations and the answers to the pretest. (JS)

VT 005 291
Plastics Education Guide.

Society of the Plastics Industry, Inc., New York, N.Y. Committee on Plastics Education. Plastics Education Foundation, Greenwich, Conn.

MF AVAILABLE IN VT-ERIC SET.
PUB DATE - 70 51p. 1970 Revision.

DESCRIPTORS - *VOCATIONAL EDUCATION; *RESOURCE MATERIALS; *BIBLIOGRAPHIC CITATIONS; *PLASTICS; *CURRICULUM GUIDES; SECONDARY EDUCATION; COLLEGES; EQUIPMENT; INSTRUCTIONAL AIDS

ABSTRACT - This guide was prepared by the Committee on Plastics Education of the Society of the Plastics Industry to assist and encourage educational institutions on all levels and firms in the plastics industry in preparing and presenting planned programs of study on plastics. Contents are: (1) Educational Levels and Course Outlines, (2) Reference Sources, (3) Trade and Professional Associations, and (4) Equipment and Supplies. The reference sources section presents a listing of numerous books, trade publications, and industry literature. (GB)

VT 006 162
Mitchell, E.F.
Teacher's Handbook, Distributive Education.

Mississippi State Dept. of Education,
Jackson. Div. of Vocational and Technical Education.

MF AVAILABLE IN VT-ERIC SET.
PUB DATE - ND 47p.

DESCRIPTORS - *DISTRIBUTIVE EDUCATION; *PROGRAM GUIDES; COOPERATIVE EDUCATION; *PROGRAM PLANNING; INSTRUCTOR COORDINATORS; ADULT EDUCATION; SECONDARY EDUCATION; *TEACHER ROLE; ADVISORY COMMITTEES; YOUTH CLUBS; PROGRAM EVALUATION; *MANUALS; INSTRUCTION; EDUCATIONAL OBJECTIVES; INTERNATIONAL PHILOSOPHY

ABSTRACT - Developed as a reference manual for both instructor coordinators and administrators, this handbook presents ideas regarding the aims, policies, organization, and operation of local programs in distributive education (DE). Among the 12 sections of this handbook are the following: (1) Types and Operation of DE Programs, (2) Methods in Selection of Student-Learner, (3) Advantages and Values of The Cooperative Part-time Program, (4) Duties and Functions of a DE Coordinator, (5) The Local Advisory Committee, (6) Criteria for Evaluating a Distributive Education Program, and (7) Distributive Education Forms. This handbook should be of interest to those planning and evaluating DE programs as well as to those operating existing programs. (JS)

ELECTRICITY; INSTRUCTIONAL MATERIALS;
TEACHING GUIDES; VOCATIONAL EDUCATION;
ELECTRIC CIRCUITS; TESTS

ABSTRACT - Developed by the Trade and Industrial Education Division of the District of Columbia public school system in cooperation with curriculum committees, this curriculum guide was developed for instructor use in providing a 3-year (1,620 hours) training program for radio and television technicians at the high school level. Specific objectives include teaching students to read and interpret electronic circuit diagrams, to operate and calibrate test instruments used in electronics, and to perform the skills required of electronic technicians efficiently. Suggested organization, management, and teaching techniques are presented, along with sample instruction sheets and tests. Subject matter blocks, accompanied by a time allotment for each unit outline are: (1) Basic Electronics, (2) Radio Servicing, (3) General Television Servicing, and (4) Television Bench Servicing. Practices in Animal Sanitation. Service Bulletin Number Seven.

Arizona Univ., Tucson. Dept. of Agricultural Education.

MF AVAILABLE IN VT-ERIC SET.
PUB DATE - JUL 66 19p.

DESCRIPTORS - *REFERENCE MATERIALS;
*VOCATIONAL AGRICULTURE; *LIVESTOCK;
*SANITATION; *DISEASE CONTROL; AGRICULTURAL
PRODUCTION; ANIMAL SCIENCE

ABSTRACT - Written by a graduate assistant in agricultural education, this bulletin is

intended to serve as a reference for vocational agriculture teachers and students studying units on livestock sanitation and disease. Section I covers such general sanitation practices as: (1) Sanitation in Housing Facilities, (2) Methods of Disinfection and Sterilization, (3) Chemical Disinfectant Chart, (4) Control of Disease Transport through Application of Sanitation, (5) Isolation as Part of the Sanitation Program, (6) Carcass Disposal, and (7) Care of Animals Immediately Before and After Birth. The second section is concerned with specific practices for specific kinds of animals, including swine, beef, sheep, dairy cattle, horses, and dogs and cats. Information on wounds and their treatment is also given. The bulletin also provides a glossary and a list of selected references. Three related documents are available as VT 001 012 and VT 001 013 (both in AIM Winter 1968) and VT 010 397 (also in this issue). (AW)

VT 010 397
Introduction to Plant Diseases.

Arizona Univ., Tucson. Dept. of Agricultural Education.
Arizona State Dept. of Vocational Education, Phoenix.
MF AVAILABLE IN VT-ERIC SET.
Service Bulletin Number Three
PUB DATE - Aug69 54p.

DESCRIPTORS - *SUPPLEMENTARY TEXTBOOKS;
*VOCATIONAL AGRICULTURE; *PLANT SCIENCE;
*PLANT PATHOLOGY; *RESOURCE MATERIALS

ABSTRACT - One of a series of service bulletins prepared to aid vocational agriculture teachers in presenting introductory material on specific areas of agricultural science, this booklet provides basic instruction on plant diseases. The unit is recommended for use in the second year of vocational agriculture, with major emphasis upon helping students to develop an understanding of basic principles and terminology related to plant pathology. Contents include: (1) Importance of Plant Diseases, (2) The Nature and Classification of Plant Diseases, (3) Growth and Reproduction of Plant Pathogens, (4) Dissemination of Plant Pathogens, (5) Infection by Plant Pathogens, and (6) Principles of Plant Pathology in Exercises and Experiments. A section giving descriptions and information on specific plant diseases, including various photographs and charts, is also provided, as well as a glossary, selected references for teachers and students, teaching aids and materials, films and slides, and suggested resource people. Other bulletins in the series are available as VT 001 012 and VT 001 013 (AIM Winter 1968) and VT 010 369, also in this issue. An instructor's guide for teaching this unit may be obtained from the Department of Agricultural Education, University of Arizona, Tucson. (AW)

New York State Education Dept., Albany.
Bureau of Continuing Education Curriculum Services.
MF AVAILABLE IN VT-ERIC SET.
The Publications Distribution Unit, State Education Department, Albany, New York 12224.
PUB DATE - 70 74p.

DESCRIPTORS - *TEACHING GUIDES; *ADULT EDUCATION PROGRAMS;
*CLOTHING INSTRUCTION; *INSTRUCTIONAL MATERIALS;
*OCCUPATIONAL HOME ECONOMICS; *NEEDLE TRADES; *SEAMSTRESSES;
*PROGRAM GUIDES

ABSTRACT - Designed to aid adult education directors and instructors in developing and implementing courses in clothing construction, this guide provides instructional techniques and methods for preparing trainees to become competent garment fitters, tailor's helpers, seamstresses, women's garment finishers, and garment rippers. Contents are divided into three sections, the first of which is concerned with administrative considerations, including utilization of the advisory committee, selection of instructor and trainees, facilities, and organizing and

promoting the course. Section II presents a suggested state course of study, broken down into six units or major areas of learning, including: (1) Use and Care of Fabrics, (2) Selection, Use, and Care of Sewing Equipment, (3) Techniques of Sewing, (4) Elements and Principles of Design, (5) Preparation for Employment, and (6) Management of a Garment Alterations Business. Units provide required job competencies, motivating procedures, suggested learning experiences, and instructional materials and references. Ways to adapt the state course to local situations are presented in Section III. Samples of instructional aids are appended and a bibliography is also included. (AW)

Distributive Education in the Secondary Schools: A Tentative Program.

Chicago Board of Education, Ill.
EDRS PRICE MF-\$1.65 HC NOT AVAILABLE FROM EDRS
Chicago Board of Education, 228 North La Salle Street, Chicago, Illinois 60601 (\$4.00).
PUB DATE - 64 327p.

DESCRIPTORS - *DISTRIBUTIVE EDUCATION; *PROGRAM GUIDES; *INSTRUCTIONAL MATERIALS; CURRICULUM GUIDES; SECONDARY SCHOOLS; *TEACHER ROLE; PROGRAM PLANNING; *COOPERATIVE EDUCATION

ABSTRACT - This program guide for distributive education was developed as a

cooperative effort of the Chicago Public Schools and the business community to help the teacher-coordinator establish a cooperative program and organize related activities and classroom instruction. Information is provided on the role of the teacher-coordinator, program activities such as the daily report of training station activities, public relations activities, and further opportunities for study in distributive education. Included in the program guide are nine basic or group instruction units, among which are units on (1) selling and buying, (2) stock control, (3) advertising and merchandising, (4) store organization and management, and (5) economics of distribution. Individualized instruction is incorporated into the program through the use of training plans for 26 types of training stations, while group instruction is used for teaching the basic understandings, concepts, and skills required for employment. Much use is made of sample forms, illustrations, and charts. (JS)

Modular Instruction. Automobile Mechanics Vocational Training.

United States Reformatory, Petersburg, Va.
NOT AVAILABLE IN VT-ERIC SET.
U.S. Bureau of Prisons, Education and Training Division, 101 Indiana Avenue, N.W., Washington, D.C. 20537 (no charge).
PUB DATE - ND 130p.

DESCRIPTORS - *STUDY GUIDES; *TEACHING GUIDES; *TRADE AND INDUSTRIAL EDUCATION; *AUTO MECHANICS; *AUTO MECHANICS (OCCUPATION); BEHAVIOR; VOCATIONAL EDUCATION; CORRECTIONAL REHABILITATION; CORRECTIONAL EDUCATION; SCHEDULE MODULES; INSTITUTIONAL SCHOOLS

ABSTRACT - This modular instructional guide was developed for use in the automobile mechanics vocational training program at the United States Reformatory in Petersburg, Virginia. The contents are arranged in modular order so that revisions can be made without interrupting the entire procedure and students can work at individual rates. Major units are: (1) Introduction, (2) Tools, (3) Fuel System, (4) Electrical System, (5) Engine, (6) Cooling System, (7) Brake System, (8) Power Flow, (9) Chassis, (10) Servicing, and (11) Trouble Shooting and Tuneup. Specific performance objectives, references, conditions, and behavior expectancies are presented for each unit. Students are expected to select pertinent information materials to aid them in the course. A training progress report chart is appended. (Not recommended for hard copy reproduction due to marginal legibility of original document.) (GEB)

PLANNING

ABSTRACT - Prepared by members of the Wyoming
State Industrial Arts Curriculum Committee,
this guide is intended to aid Wyoming
industrial arts teachers in planning and
conducting improved programs on both the
elementary and secondary levels. Following
brief information on the philosophy of the
program, goals, organizational plans, safety,
personnel and shop management, and policy
regarding special students, nine content
areas are outlined, including: (1) drafting,
(2) woodworking, (3) metalworking, (4)
plastics, (5) basic electricity, (6) power
mechanics and transportation, (7) home
maintenance, (8) graphic arts, and (9)
crafts, such as ceramics, leathercraft, and
art metals. Program evaluation guidelines and
an appendix containing eye safety
legislation, safety color coding, and a
content area bibliography are also included.

REPORTS; *TECHNOLOGY; *METAL INDUSTRY; METAL
WORKING OCCUPATIONS; *TECHNICAL EDUCATION;
PATENTS; METALLURGY

ABSTRACT - This publication of the Small
Business Administration (SBA) presents a
number of innovative processes and devices
selected and intended to be of interest and
use to small businesses concerned with
metalworking technology. Developed through
government space, nuclear energy, and defense
programs, the material is presented in the
form of brief digests from three major
sources: NASA/AEC Tech Briefs, government-
owned patents, and reports from the
Clearinghouse for Federal Scientific and
Technical Information. Brief general
information is given on the Technology
Utilization program of the SBA, as well as
procedures for obtaining the full reports
from which the digests are taken, followed by
more than 125 digests covering: (1) forming,
(2) heat treating and cleaning, (3)
instrumentation, (4) joining, (5) machining,
(6) metals, (7) new products, and (8) seals,
coatings, and lubricants. Order forms for all
three categories of sources are also
provided. (AW)

Safety in Industrial Arts Laboratories.
Bulletin 76H-1.

Florida State Dept. of Education,
Tallahassee.
MF AVAILABLE IN VT-ERIC SET.
PUB DATE - May69 86p.

DESCRIPTORS - *INDUSTRIAL ARTS; SAFETY
EDUCATION; *LABORATORY SAFETY; ACCIDENT
PREVENTION; SAFETY EQUIPMENT; SAFETY;
*INSTRUCTIONAL MATERIALS

ABSTRACT - A really effective safety program
is practiced regularly and naturally as part
of the daily work. This manual was developed
by industrial arts consultants to help the
teacher develop within each student an
awareness of safety that will carry through
school and into postschool work and
recreation. The purpose of safety education
is: (1) to protect the student from injury
while in the school shop or laboratory, and
(2) to develop habits, attitudes, and
perceptions which will help insure his safety
throughout his lifetime. Major topics
include: (1) Safety and Liability, (2) Causes
of Accidents, (3) Providing for Safety, and
(4) Safety Rules, covering all areas of
industrial arts. Appended materials include a
national standard safety inspection
checklist, accident form, a selected
bibliography, and listings of posters,
charts, films and filmstrips, and catalogs
and directories. A selected bibliography is
appended. (GR)

ABSTRACT - One of a continuing series of annual reports prepared by the Super Market Institute's Information Service, cataloging selected articles about super market operations and the food service industry, this index serves super market operators and suppliers as a guide to recently published articles about the super market industry. Contents include over 650 single articles and series of articles published in 1969 in 27 periodicals, including food retailing, general business and marketing, and the Super Market Institute's own publications. Articles are grouped under 73 major subject categories and are arranged within each category in reverse chronological order, with the most recently published articles mentioned first. References provide title of the article, source publication, publication date, page number, authors and their affiliates if indicated, and some brief annotations. An extensive cross reference index is also included. An earlier report in the series is available as VT 009 991 (AIM Summer 1970). (AW)

*STENOGRAPHERS; *TYPISTS; OFFICE OCCUPATIONS;
VOCATIONAL EDUCATION

ABSTRACT - Intended to aid in preparing students for entry and advancement in office occupations, this program provides detailed outlines for the four major office occupations of receptionist, file clerk, clerk-typist, and stenographer. Contents give general information on the program, including a flow chart of student progression through all phases of the program, followed by the course outlines, which are broken down into separate instructional units giving course description, course objectives, suggested hours, and teaching aids and suggestions. The course is designed to provide terminal points within the total program in order to provide students with some saleable skills regardless of whether or not the entire program is completed. (AW)

Curriculum Guide for Health Occupations.
Short-Term Course for Cooks in Long-Term Care
Facilities.

Chicago Board of Education, Ill.
MF AVAILABLE IN VT-ERIC SET.
Board of Education, 228 North LaSalle Street,
Chicago, Illinois 60601 (\$1.25).
PUB DATE - 69 59p.

DESCRIPTORS - *HEALTH OCCUPATIONS EDUCATION;
*TEACHING GUIDES; *COOKS; FOOD SERVICE
WORKERS; NUTRITION INSTRUCTION; FOODS
INSTRUCTION; *NURSING HOMES; PRETESTING;
*STAFF IMPROVEMENT

ABSTRACT - This 16-week course was developed by the Chicago Board of Education and the Joint Board for Long-Term Care to aid teachers in upgrading cooks in nursing homes and other long-term care facilities. Students are selected by the cooperating agency and must have been employed in a nursing home for

at least 6 months. Pretests are given to determine a student's reading and ability level and his knowledge of cooking skills, followed by instruction in these units: (1) Introduction, (2) Fundamentals of Nutrition, (3) Principles of Food Preparation and Service, (4) Therapeutic Diets, (5) Environmental Control, and (6) Techniques of Ordering and Inventory Control. Objectives, concepts, content, and activities are included with each unit, and instructional and resource materials are appended. (SB)

DESCRIPTORS - *FAMILY LIFE EDUCATION; *SEX
EDUCATION; *CURRICULUM GUIDES; ELEMENTARY
GRADES; INTERMEDIATE GRADES; BEHAVIORAL
OBJECTIVES; EDUCATIONAL OBJECTIVES; LEARNING
ACTIVITIES; RESOURCE MATERIALS; TEACHER
WORKSHOPS; SECONDARY GRADES

ABSTRACT - Developed during elementary and
secondary teacher workshops and reviewed by a
State coordinating committee, this curriculum
guide contains suggested long-range behavior
goals and content for the primary,
intermediate, junior high, and senior high
grade levels. An introductory section covers
philosophy, need, suggestions for teachers,
implementation, handling controversial
issues, preservice and inservice education,
and assessing the program. Generalizations,
learning experiences, resources, and
evaluation techniques for each grade level
accompanying these goals: (1) Acquire a
maturing self-image, (2) Understand the
nature, purpose and roles of the family and
its members, (3) Demonstrate a pattern of
relationships based upon responsibilities to
oneself and others, (4) Understand the
influences of political, philosophical,
religious, and cultural ideologies on
sexuality, (5) Develop and employ a personal
code of ethics, (6) Accept personal
responsibility for positive and constructive
influences on society's concerns for family
living and sexuality, (7) Employ suitable and
effective communication about human
sexuality, and (8) Understand anatomical,
physiological, psychological, and
sociological maturation as related to human
sexuality. Printed and audio-visual resources
and sources for informational materials are
included. (SB)

ABSTRACT - This course of study has been designed to promote the use of citizens' advisory councils at local educational levels and to improve both the quality and quantity of citizen participation in these educational programs. Designed for use in educational and non-educational settings, this course of study will assist the teacher in determining what is to be taught as well as presenting ideas as to teaching and evaluating techniques, audio-visual aids, and recommended resources. The material has been arranged into teaching units on: (1) The Nature of Citizens' Advisory Councils, (2) Formation Procedures, (3) Internal Operations, (4) Activities and Operations, and (5) Special Citizens' Advisory Councils. Provided for each unit are objectives, suggested teaching techniques, a teaching outline, and resource materials. (Author/JS)

CITATIONS; INSTRUCTIONAL AIDS

ABSTRACT - Focusing upon the knowledges and skills needed by employees in moving the product from supplier to the agricultural firm, this teaching source unit was developed by high school and junior college agriculture teachers in a course at the University of Illinois. The materials are divided into seven teaching source units containing 34 problem areas. Units are: (1) Understanding the Purchasing Function of an Agricultural Firm, (2) Determining the Kind, Quantity, and Quality of Products to Buy, (3) Identifying Potential Suppliers, (4) Understanding Methods Used by an Agricultural Firm in Making Buying Contracts, (5) Identifying Methods of Transporting and Routing Products, (6) Understanding Procedures for Receiving Products, and (7) Identifying Ways of Measuring and Reporting Purchasing Performance. Each problem area includes anticipated problems, questions and concerns, suggested teacher and class activities, and a listing of various teaching aids. A selected

bibliography is appended. (GB)

STUDIES; LESSON PLANS; TESTS; *ECONOMIC
OPPORTUNITIES

ABSTRACT - Developed primarily for teachers
in business education, this guide is intended
to provide a reference in presenting the
organization, structure, and role of
cooperative enterprises. The guide sets out
(1) a suggested lesson plan which includes
the teaching objectives in regard to
cooperative enterprise, (2) text references
and related available material, and (3)
related questions and topics for classroom
discussion about cooperative enterprises. The
material is presented in nine lesson plans
which include (1) What Is A Cooperative? (2)
History of Cooperation, (3) Cooperative
Principles and Practices, (4) Cooperatives in
the United States--Marketing, and (5)
Cooperatives in the United States--Supply.
Certain of these lesson plans are also
recommended for use in social studies,
economics, civics, history and geography
classes. In addition to several useful charts
and a project outline, the guide contains a
set of examinations and answers. (JS)

ABSTRACT - Prepared by the American
Association for Vocational Instructional
Materials, this illustrated manual is for
student use in learning the principles of
maintaining a lighting and wiring system. The
material is designed for persons interested
in learning how to do home electrical
maintenance. The first part of the manual
consists of four units on repairing service
cords, and the last portion consists of nine
units on maintaining the permanent wiring
system. Numerous diagrams augment the textual

material. (GEB)

PUB DATE - 70 58p.

DESCRIPTORS - *HEALTH OCCUPATIONS EDUCATION; *PROGRAM GUIDES; *PRACTICAL NURSES; *PROGRAM PLANNING; *PROGRAM EVALUATION; NURSING HOMES; EDUCATIONAL FINANCE; ADVISORY COMMITTEES; ADMISSION CRITERIA; RESIDENTIAL CARE; FACILITY REQUIREMENTS; BIBLIOGRAPHIES; CURRICULUM GUIDES; LEARNING ACTIVITIES; BEHAVIORAL OBJECTIVES; STANDARDS; GUIDELINES

ABSTRACT - Developed during a University of Maryland School of Nursing project, reviewed by 10 practical nursing educators, and field tested in four schools, this program guide contains suggestions for planning a course to prepare licensed practical nurses for charge nurse responsibilities in nursing homes, extended care, and related facilities. Part I describes planning, implementing, and evaluating activities, including the role of the teacher and resource committee, scope of the program, funding, criteria for trainee selection, facilities requirements, brief description of the curriculum and standards, policies, and expectations. Part II contains materials and resources to be used in conducting the course, including guidelines and criteria for continuing education programs, charge nurse functions, sample application and evaluation forms, directory of publishers in the health care field, a bibliography, and guidelines to assess nurse manpower and health care facilities. The guide is designed to be used with the student text, which is available as VT 012 605 also in this issue. (SB)

DESCRIPTORS - *HEALTH OCCUPATIONS EDUCATION; *PRACTICAL NURSES; BIBLIOGRAPHIES; NURSING HOMES; RESIDENTIAL CARE; STUDY GUIDES; *TEXTBOOKS; JOB SKILLS; LEARNING ACTIVITIES

ABSTRACT - Developed during a University of Maryland School of Nursing project, reviewed by 10 practical nurse educators, and field tested in four schools, this trainee text contains information designed to prepare students for charge nurse responsibilities in nursing homes, extended care, and related facilities. Part I, The Licensed Practical Nurse (LPN) and Long-Term Care, contains background information about: (1) The LPN Today, (2) Medicare and Medicaid, (3) Patients, and (4) Settings for Long-Term Care. Part II, The LPN as a Charge Nurse, discusses the nurse's role in these chapters: (1) Introduction, (2) Planning Patient Care, (3) Coordinating Staff Activities, (4) Implementing Patient Care, and (5) Evaluating Patient Care. Part III, Educational Resources, lists related books, articles, and audiovisual aids. Each illustrated chapter contains two sections, one offering basic information about the topic and the other study activities. The instructor's manual is available as VT 012 604 also in this issue. ABSTRACT - This unit outline, which was
prepared by the Alabama State Department of
Education for eighth grade students, covers
the work opportunities and requirements in
elementary agribusiness science and industry.
The 23 units, presented for each month of the
school year, provide for laboratory
experiences in occupational arts and crafts,
including the identification, use, and care
of hand tools, hardware, woods, leather,
metals and other materials. Each unit
consists of a content outline, suggested
activities, and references. Appended are
audio-visual aids, a bibliography, and an
occupational kit. (FM)

ABSTRACT - Prepared for an orientation of 9th
grade students interested in agribusiness,
this course outline was developed by the

Agriculture Education Service of a State Department of Education. The outline contains units of instruction keyed to each month of the school year, and each unit includes an introduction, reference list, suggested learning activities, and a provision for additional teacher comments. The units are also keyed to occupational objectives in agribusiness and basic trades. (LM)

Electricity--Electronics. Syllabus in Technical Subjects, (Tentative).

New York State Education Dept., Albany.
Bureau of Secondary Curriculum Development.
MF AVAILABLE IN VT-ERIC SET.
PUB DATE - 69 66p.

DESCRIPTORS - *CURRICULUM GUIDES; *TRADE AND INDUSTRIAL EDUCATION; *ELECTRICITY; *ELECTRONICS; *ELECTRONIC TECHNICIANS; TEACHING GUIDES; DRAFTING; ELECTRIC CIRCUITS; VOCATIONAL EDUCATION; TECHNICAL OCCUPATIONS; BIBLIOGRAPHIES

ABSTRACT - Developed by the Bureau of Secondary Curriculum Development of the New York State Education Department in cooperation with an advisory committee, this tentative curriculum guide is for instructor use in teaching technical electricity and electronics over a 2 or 3-year period. Topics are: (1) Electricity, which consists of 20 units, including circuits, measurements, conductors, magnetism, DC motors and generators, transformers, batteries, and relays, (2) electronics, which consists of 11 units, including electron theory and devices, communications, and circuiting, (3) Electrical Construction, which consists of four units, and (4) Electrical-Electronic Drafting, which consists of 13 units, including lettering, schematic layout procedures, and block diagram. Each unit is outlined with suggestions for teacher presentations. A bibliography is included, and an introductory section provides objectives, suggestions for the teacher, course descriptions, scheduling suggestions, and diploma requirements. (GEB)

The Use of Behavioral Objectives in the Pre-
Employment Laboratory Curriculum of
Distributive Education. Distributive
Education Monograph Series for Improving
Teaching Effectiveness.

Texas Univ., Austin. Distributive Education
Instructional Materials Lab.
DOCUMENT NOT AVAILABLE FROM EDRS.
Instructional Materials Laboratory,
Distributive Education Department, Division
of Extension, The University of Texas,
Austin, Texas 78712 (\$3.00).
PUB DATE - Dec70 44p.

DESCRIPTORS - *DISTRIBUTIVE EDUCATION;
*BEHAVIORAL OBJECTIVES; *MANUALS; EDUCATIONAL
OBJECTIVES; RESOURCE MATERIALS; *CURRICULUM
DEVELOPMENT; *INSTRUCTIONAL IMPROVEMENT;
STUDENT EVALUATION; LEARNING LABORATORIES

ABSTRACT - The use of behavioral objectives improves the quality of instruction and the effectiveness of the curriculum. Unless the instructor knows specifically what he wants his students to learn, he cannot be prepared to teach. Unless the student knows what he is supposed to learn, he cannot be expected to attain the objectives of the curriculum. Thus, this manual was prepared to assist DE teachers in establishing learning objectives in regard to the Pre-Employment Laboratory (PEL) Curriculum--a project-oriented curriculum. Included in the manual is information concerning (1) Definitions of Terminology, (2) The Need for Better Instruction, (3) How To Use Behavioral Objectives in Teaching, (4) Application of Behavioral Objectives to the PEL Basic Curriculum, and (5) Application of Behavioral Objectives to Projects. DESCRIPTORS - *CURRICULUM GUIDES; *TRADE AND INDUSTRIAL EDUCATION; *POWER MECHANICS; *TRANSPORTATION; *AUTO MECHANICS; INDUSTRIAL ARTS; TEACHING GUIDES; SECONDARY GRADES; COURSE ORGANIZATION; AUTO MECHANICS (OCCUPATION); SKILLED OCCUPATIONS; BIBLIOGRAPHIES

ABSTRACT - Developed by the Division of Curriculum and Instruction of the Milwaukee Public Schools, this curriculum guide is for instructor use in teaching the vocational aspects of power and transportation and in presenting the principles of automotive engine repair in the secondary schools. The

material is designed to cover a period of four school years and is broken into four basic parts. The first part is an introduction to power and transportation, the second is a more in-depth study, the third includes the theory and testing of systems, and the fourth part places emphasis on actual diagnosing and solving automobile engine problems with the use of test instruments. A 5-column format is used to present the material to best advantage. Objectives include the teaching of skills in the use of tools and equipment, development of an awareness of the industry, and acquaintance with products in the power and transportation field. An extensive list of supplementary aids, and a bibliography are included. (GEB)

DESCRIPTORS - *MANUALS; VOCATIONAL EDUCATION;
*INSTRUCTIONAL MATERIALS; MILITARY PERSONNEL;
*MILITARY TRAINING; RESOURCE MATERIALS;
*AVIATION TECHNOLOGY; TECHNICAL EDUCATION;
*TRADE AND INDUSTRIAL EDUCATION; FLIGHT
TRAINING; JOB TRAINING

ABSTRACT - Prepared by the Navy Training
Publications Center, this manual is to be
used by enlisted naval personnel studying for
advancement in the Air Controlman rating.
Chapters are: (1) Air Controlman Rating, (2)
Flight Planning, (3) Facility Operation, (4)
Terminal Instrument Procedures, (5) Air
Traffic Control, (6) Emergency Procedures,
(7) CVA/ CVS Procedures, and (8)
Administration. Other information found in
this manual are definitions, abbreviations,
numerous illustrations, and a list of
suggested readings. A related document is
available as VT 012 768, also in this issue.

TRAINING

ABSTRACT - Prepared by the Navy Training
Publications Center, this manual is to be
used by enlisted Naval personnel studying for
advancements in the Aircrew Survival
Equipmentman (PR) rating. Arranged in 20
chapters, this information includes sections
on: (1) Parachute Familiarization, (2)
Automatic Parachute Actuators, (3) Fasteners,
(4) Standard Liferrafts and Equipment, (5)
Oxygen, and (6) NES-8A and NES-8B Personnel
Parachute Assembly. Numerous illustrations, a
reading list, and an index are included. (JS)

MECHANICS; *MECHANICS (PROCESS)

ABSTRACT - Issued by the Instructional
Materials Laboratory of the Department of
Practical Arts and Vocational-Technical
Education of the University of Missouri in
cooperation with the Vocational Education
Division of the State of Missouri, this
teaching guide is for instructor and student
use in vocational agriculture classes. The
material is designed for use over one
semester (90 days), and is the basic course
for a later series dealing with tractors and
machinery. The contents are divided into 15
units, with each unit containing several
problem sheets. Most sheets contain the
stated problem area, the specific problem,
the job title, study questions, a summary of
the information, teaching suggestions, and
references. A list of suggested prime
references, a list of supplemental
references, a tool list, and addresses of
several companies are included. (GER)

OBJECTIVES

ABSTRACT - Designed as a 1-semester course in
aviation science, this teaching guide was
developed by educators and aviation personnel
as a means of teaching practical physical
science to high school students. A secondary
purpose of the course is to inform students
of career opportunities available in this
field. Arranged in 14 chapters, the guide
outlines information on: (1) Power Plant, (2)
Aerodynamics, (3) Basic Flight Instruments,
(4) Airports, (5) Instrument Flying, (6)
Flight Planning, and (7) Careers and
Vocational Opportunities. Objectives and
suggested teaching methods are listed for
each chapter. A glossary, sources of teaching
aids, and list of flight line operators in
Montana are appended. (JS)

INSTRUCTIONAL AIDS; LEARNING ACTIVITIES;
MONEY MANAGEMENT; PURCHASING; DECISION MAKING

ABSTRACT - Prepared by the Home Economics Instructional Materials Center at Texas Tech University after a literature review and interviews with persons teaching low-income adults, and tested with groups of disadvantaged adults, this guide is for teacher use in providing disadvantaged adults with consumer education information. Section I describes the procedures used in the development of the materials in the guide, suggestions for their use, and background information on poverty and working with poverty groups. Section II provides behavioral objectives, vocabulary terms, suggestions for content and learning experiences, key ideas, directions for audiovisual aids and suggestions for simulation games, case studies, skits, and stories for the following units, which are designed for persons with fourth to sixth grade educational levels: (1) Decision-Making, (2) Planning, (3) Buying, (4) Banking, (5) Borrowing, (6) Saving, (7) Insuring, (8) Sharing, (9) Earning, and (10) Protecting. Section III contains suggestions for the teacher working with homemakers or families on a one-to-one basis. Included are guidelines for person-to-person instruction, problem areas of low-income families, suggestions for visuals and handouts, and a list of free and inexpensive references and materials. ABSTRACT - Prepared by the Navy Training Publications Center for the Bureau of Naval Personnel, this study guide is designed for use by all personnel of the Regular Navy and Naval Reserve who are studying for advancement in the Aviation Maintenance Administrationman rating. Professional qualifications for advancement to the rates of AZ1 and AZC provide a base for the content. This manual is divided into seven chapters: (1) Aviation maintenance administration rating, (2) Maintenance management organization, (3) Supervision and Administration, (4) Maintenance control, (5) Data services and maintenance data analysis, (6) Quality assurance, and (7) Material control. A film list and a reading list are included. (GB)

Food and Nutrition--Supplemental Lessons for Training Extension Aides. Food Needs of Family Members.

Department of Agriculture, Washington, D.C. Extension Service.
MF AVAILABLE IN VT-ERIC SET.
Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402 (A43.16/2:F73/3, \$.55).
PUB DATE - Nov70 54p.

DESCRIPTORS - *HOME ECONOMICS EDUCATION; *TEACHING GUIDES; *FOODS INSTRUCTION; *NUTRITION INSTRUCTION; ON THE JOB TRAINING; EXTENSION AGENTS; *EXTENSION EDUCATION; ADULT VOCATIONAL EDUCATION; FAMILY MANAGEMENT; BIBLIOGRAPHIES; SERVICE WORKERS

ABSTRACT - This booklet is one in a series of booklets of supplemental lessons in food and nutrition prepared by the Extension Service of the U.S. Department of Agriculture and is designed for use by trainer agents in on-the-job training of Extension aides to provide them with information about food needs of family members and with teaching methods to use in helping families. Lessons are: (1) Cultural Food Patterns, (2) Combating Food Misinformation, (3) Sizes of Servings, (4) Digestion and Absorption of Food, (5) Special Diets and How to Handle Them, (6) Weight Control, and (7) Food Needs of Infants, the Preschool Child, School Children, Teenagers, Pregnant and Lactating Women, and the Elderly. Purposes, presentation suggestions, learning activities, references, and audiovisual materials accompany each lesson. An introductory section provides additional suggestions for the trainer agent and lists recommended references. Related booklets are available as VT 012 841-VT 012 843, all in this issue. (SB)

Woodward, Robert L.; Myers, Norman L. Industrial Arts Power Mechanics. Applying Scientific Principles to Power, Energy, and Force.

California State Dept. of Education, Sacramento.

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 70 145p.

DESCRIPTORS - *STATE CURRICULUM GUIDES; *INDUSTRIAL ARTS; *POWER MECHANICS; *SCIENTIFIC PRINCIPLES; *CURRICULUM DEVELOPMENT; SECONDARY GRADES; PUBLIC SCHOOLS; COURSE CONTENT; TRADE AND INDUSTRIAL EDUCATION; JUNIOR HIGH SCHOOLS

ABSTRACT - This curriculum guide was developed by an NDEA Industrial Arts-Science Curriculum Committee and an NDEA Industrial Arts-Science Editorial Committee during workshops conducted in California and it is designed for instructor use in preparing or revising power mechanics courses in junior or senior high school industrial arts. The material complies with the objectives of the industrial arts programs in California schools, and the content applies the principles relating to power, energy, and force. Sections are: (1) Natural Power, (2) Mechanical Power, (3) Steam Power, (4) Thermal Power, (5) Electrical Power, (6) Hydraulic Power, and (7) Pneumatic Power. Course outlines for power and automotive mechanics, battery terminology, and assignment sheets are appended, and selected references are included. (GEB)

ABSTRACT - Developed by electronics teachers
 in Camden County vocational and technical
 schools of New Jersey in cooperation with the
 Vocational-Technical Laboratory of Rutgers
 University, this is the first of two guides
 designed for teacher and student use in
 introducing the basic principles of
 electricity and electronics. Units, each
 consisting of three or more lessons, cover
 the following topics: (1) Safety, (2) Tools,
 (3) Atoms, Electrons, and Electricity, (4)
 Current and Conductors, (5) Voltage and
 Potential, (6) The Battery, (7) Resistance
 and Resistors, (8) The Metric System and
 Units of Ten, (9) Reading Scales, (10) The
 Ohm's Law, (11) Ohm's Law, and (12) Reading
 Meters. The lessons contain explanatory

information, assignments, questions,
 illustrations, and diagrams. Achievement
 tests are included. A continuation of this
 course is included in a related document,
 available as VT 012 903, also in this issue.

 *TEACHING GUIDES; *EDUCABLE MENTALLY
 HANDICAPPED; JOB TRAINING; JOB SKILLS;
 OCCUPATIONAL INFORMATION; *SPECIAL EDUCATION;
 JUNIOR HIGH SCHOOLS; SENIOR HIGH SCHOOLS
 IDENTIFIERS - VOCATIONAL INFORMATION FOR
 EDUCATION AND WORK; VIEW

ABSTRACT - Compiled by special education
 teachers, this guide and accompanying index

is for teacher use in providing a program of prevocational orientation, cross-occupational skill training, and job-specific information to educable mentally handicapped (EMH) students in junior and senior high school special education programs. Part I, Prevocational Orientation, contains purposes, concepts, and learning activities for 10 sections covering general job information such as wages and working conditions. Part II provides (1) task analysis of cleaning, moving, and proper use of tools and equipment, with activities directed toward specific task training, and (2) a skill p. file for stocking, sorting, packaging, tying, care of tools and equipment, serving, driving and operating, tending, and assembling and collating, with activities directed toward development of each skill. The guide is designed to be used with a deck of Vocational Information for Education and Work (VIEW) scripts describing 50 job titles which are appropriate for EMH and generally available in Indiana. An alphabetical listing and vocabulary lists for the VIEW scripts along with "Dictionary of Occupational Titles" numbers are appended. The accompanying index describes the 50 job titles. (SB)

Training Aid 38-A
PUB DATE - Jul70 134p.

DESCRIPTORS - *TEACHING GUIDES; VOCATIONAL EDUCATION; *CASEWORKERS; *SOCIAL SERVICES; WELFARE SERVICES; JOB TRAINING;

*SUBPROFESSIONALS; OCCUPATIONAL INFORMATION; JOB SKILLS; ANNOTATED BIBLIOGRAPHIES

ABSTRACT - This 2-part training guide was prepared for teachers by the Training Bureau of the Human Relations Agency, California State Department of Welfare, and outlines major areas of content necessary to adequately prepare case aides to perform job duties. The 88-hour training program consists of a 1-week orientation period (40 hours) of planned group instruction and observational experiences, which is followed by a 1 to 3-month induction training period (48 hours) of planned group instruction in combination with supervised on-the-job training. Part I provides a series of 17 orientation training sessions and accompanying lesson plans, references, and suggested content and teaching methods, and Part II provides 23 induction training sessions organized in a similar manner. Both parts are preceded by an outline of the sessions and a brief description of the content in each session. An annotated bibliography and an exercise in team training are appended. A related workbook is available as VT 012 918 also in this issue. (SB)

DESCRIPTORS - *VOCATIONAL EDUCATION; *TECHNICAL EDUCATION; *PROGRAM GUIDES; *COURSE CONTENT; INSTRUMENTATION; ELECTRICITY; *FLUID POWER EDUCATION; GRADE 11; GRADE 12; CURRICULUM DEVELOPMENT

ABSTRACT - Prepared by the Department of Education in Ottawa, Canada, this publication is a program guide for Industrial Physics in Grades 11 and 12. The material is based upon 10 periods per week, a total of 150 periods, or minus 20 percent. Specific objectives to: (1) convey clearly some fundamental principles of physics, (2) encourage creative

expression within the medium of science and technology, (3) achieve a basic competence in certain technical areas of employment, and (4) acquaint the student with the sociological implications and effects of technology. The contents are organized into four divisions: (1) Mechanics and Materials, (2) Fluids, (3) Instrumentation, and (4) Electricity, with each division sub-divided into separate units. A curriculum guide will be published at a later date. (GEB)

Mechanical Trade Drafting Syllabus.

New York State Education Dept., Albany. Bureau of Secondary Curriculum Development.

MF AVAILABLE IN VT-ERIC SET.

The Publications Distribution Unit, State Education Department, Albany, New York 12224 (single copies available).

PUB DATE - 71 43p.

DESCRIPTORS - *TEACHING GUIDES; *CURRICULUM GUIDES; *TRADE AND INDUSTRIAL EDUCATION; *DRAFTING; DRAFTSMEN; BIBLIOGRAPHIES; SUPPLIES; RESOURCE MATERIALS; INDUSTRIAL ARTS; METALS; POWER MECHANICS; ENGINEERING DRAWING; ORTHOGONAL PROJECTION

ABSTRACT - Developed by the Bureau of Secondary Curriculum Development of the New York State Education Department, this teaching guide is for teacher use in building a course of study in drafting. The material is designed for use over a 2-year period, each consisting of 175 teaching days of 135 minutes per day. Objectives include the development of skills and techniques, acquaintance with systems and procedures related to draftsman's functions, and the development of habits of independent and methodical procedure in the production of drawings. The course is divided into two major units, with each unit divided into 14 sections. Each section contains objectives, a suggested time, and suggested topics. A bibliography, supplies and equipment list, visual source directory, and a visuals list are included. (GEB)

Occupational Orientation: An Introduction to the World of Work. Teachers Handbook. Preliminary Draft.

Mississippi State Univ., State College, Curriculum Coordinating Unit for Vocational-Technical Education.

Mississippi State Dept. of Education, Jackson. Div. of Vocational and Technical Education

EDRS PRICE MF-\$0.65 HC-\$9.87

PUB DATE - Aug69 226p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *CAREER PLANNING; *TEACHING GUIDES; *OCCUPATIONAL INFORMATION; INSTRUCTIONAL MATERIALS; RESOURCE MATERIALS; TEACHING TECHNIQUES; EDUCATIONAL OBJECTIVES; SECONDARY EDUCATION; TESTING; COURSE ORGANIZATION; STUDENT ENROLLMENT IDENTIFIERS - *OCCUPATIONAL EXPLORATION

ABSTRACT - Developed by curriculum coordinating unit staff, this teacher's handbook was prepared for use in planning and implementing a course in career orientation. Material for the course is divided into eight instructional units which correspond to Roe's eight categories, namely: (1) Service, (2) Business Contact, (3) Organization, (4) Technology, (5) Outdoor, (6) Science, (7) General Culture, and (8) Arts and Entertainment. The course is recommended for the ninth grade level with an enrollment of from 10 to 20 students per class. The instructional procedure includes an overview phase, a transition phase, an exploration phase, and a projection phase. This final phase is expected to develop the student's ability to project an educational program designed to yield successful occupational entry and advancement. Also included in this handbook is information on testing, student objectives, teacher objectives, and suggested activities. (Author/JS)

Law Enforcement Officer Training, Basic Course. The Ohio Law Enforcement Officers' Training Program. Learner's Manual.

Ohio State Dept. of Education, Columbus.
Trade and Industrial Education Service.
MF AVAILABLE IN VT-ERIC SET.
Ohio Trade and Industrial Education Service,
Instructional Materials Laboratory, The Ohio
State University, 1885 Neil Avenue, Columbus,
Ohio 43210.
PUB DATE - 68 241p.

DESCRIPTORS - *TRADE AND INDUSTRIAL EDUCATION; *STUDY GUIDES; *POLICE; *LAW ENFORCEMENT; JOB TRAINING; ADULT VOCATIONAL EDUCATION; COURSE CONTENT; BIBLIOGRAPHIES

ABSTRACT - This learner's manual was prepared by the Division of Vocational Education of the Ohio State Department of Education, in cooperation with various persons and organizations, for use in the Ohio Law Enforcement Officers' Training Program. The program is designed to adequately meet the needs and improve the competencies and skills of local law enforcement personnel. Included in the 25 training procedures are: (1) Uniform, Acquiring and Maintaining, (2) Felonies, Handling, (3) Testifying in Court, (4) Fire Scenes, (5) Traffic Congestion, Handling, and (6) Emergency Care--First Aid. The appendixes consist of 45 sections, including: (1) Bill of Rights, U.S. Constitution, (2) Business Security Survey Report, (3) Field Sketch Sheet, (4) Commercial Restraint Devices, and (5) Report of Death. A bibliography is provided, and the manual is illustrated with line drawings, diagrams, and photographs. Related documents are available as ED 016 025 and ED 016 027 (VT 000 689 and VT 000 692, respectively, both in AIM Spring 1968). (GB)

DESCRIPTORS - *AGRICULTURAL EDUCATION; *CURRICULUM GUIDES; *ORNAMENTAL HORTICULTURE; HIGH SCHOOLS; *POST SECONDARY EDUCATION; LANDSCAPING; NURSERIES (HORTICULTURE); TURF MANAGEMENT; *TECHNICAL EDUCATION

ABSTRACT - Intended to suggest subject matter content of courses or programs in ornamental horticulture for high school and postsecondary vocational-technical programs, this curriculum guide was prepared by staff members of the Agricultural Education Department at the Pennsylvania State University, and tested in a workshop with vocational agriculture teachers. Contents are: (1) Outlines of Courses in Ornamental Horticulture, (2) Ornamental Horticulture Programs for Grades 10, 11, and 12, (3) Nursery Production, (4) Greenhouse Crop Production, (5) Landscape Contracting, (6) Retail Flower Shop Operation and Management, (7) Turfgrass Maintenance and Establishment, (8) Retail Garden Store Operations, (9) Arboriculture, and (10) Horticultural Mechanics. The content is presented in outline form under each topic, and is applicable to the United States and lower Canada. (GB)

DESCRIPTORS - *TRADE AND INDUSTRIAL EDUCATION; INDUSTRIAL ARTS; *AUTO MECHANICS; *STUDY GUIDES; WORKBOOKS; MECHANICS (PROCESS); *TRAFFIC REGULATIONS; DRIVER EDUCATION; TRAFFIC SAFETY IDENTIFIERS - *MANPOWER DEVELOPMENT AND TRAINING ACT PROGRAMS; MDTA PROGRAMS

ABSTRACT - This combination study guide and workbook for a basic auto mechanics course on driving regulations, Part II was developed under the Manpower Development and Training Act of 1962. Contents are presented in a very simple programmed format providing questions and answers for students. Illustrations, diagrams, a pre-test, and a post-test are included. This document is one in a series of related documents available in this issue as VT 013 123-VT 013 146, and part of a series of programmed remedial materials developed by Basic Systems, Inc. (GB)

Carraway, Byrle M.; Spitler, William L. Smith and Wesson TDS Computer (Time--Distance--Speed). Operating Instructions and Trial Guide.

Stephenson, Red Bank, N.J. Smith and Wesson Law Enforcement Group.
MF AVAILABLE IN VT-ERIC SET.

PUB DATE - ND 76p.

DESCRIPTORS - *ELECTRONIC EQUIPMENT; *LAW ENFORCEMENT; *MANUALS; *JOB TRAINING; *TRAFFIC CONTROL; TRAFFIC REGULATIONS; INSTRUCTIONAL MATERIALS; COMPUTERS; MOTOR VEHICLES; POLICE

ABSTRACT - Intended for the law enforcement officer involved in traffic control, this training manual describes the theory and operation of the Time-Distance-Speed (TDS) Computer used to calculate the speed of motor vehicles. Operating procedures are detailed, including methods of clocking speeders from various moving and parked positions. Initial calibration and subsequent checks are explained. A trial guide is included to prepare the TDS operator for cross-examination in court. (BH)

An Instructors Manual for a Three Week Course in Administration and Supervision of a Periodic Motor Vehicle Inspection.

Northwestern Univ., Evanston. Traffic Inst. American Association of Motor Vehicle Administrators, Washington, D.C. Automotive Safety Foundation, Washington, D.C.

Highway Users Federation for Safety and Mobility

MF AVAILABLE IN VT-ERIC SET.

PUB DATE - 70 416p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *TEACHING GUIDES; *MANUALS; EDUCATIONAL OBJECTIVES; INSTRUCTIONAL MATERIALS; RESOURCE MATERIALS; ANNOTATED BIBLIOGRAPHIES; TEACHING TECHNIQUES; *MOTOR VEHICLES; *INSPECTION; SUPERVISORS

ABSTRACT - Prepared by the Traffic Institute at Northwestern University, this instructor's manual should be useful in a training program in Periodic Motor Vehicle Inspection (PMVI). As times change and PMVI programs develop, there will be need for updating the information in the manual. Therefore, instructors who use the manual should be constantly on the alert for supplementary material to improve this basic work. To adequately treat the 15 units in this source it is recommended that three weeks or 85 hours of instruction time be set aside. Covered by the 15 units are such topics as (1) Federal Programs, (2) Selection and Training of Supervisors, (3) Field Supervision and Enforcement, (4) Records and Information, (5) Planning--A Function of Management, and (6) Budgeting--A Function of Management. This loose-leaf notebook is arranged in outline format and provides: (1) objectives for each unit, (2) suggested teaching time, (3) suggested teaching techniques, (4) references, (5) exhibits and illustrations, and (6) an annotated bibliography. (Author/JS)

Structural-Ser-1

PUB DATE - 66 255p.

DESCRIPTORS - *TRADE AND INDUSTRIAL EDUCATION; *CONSTRUCTION PROGRAMS; *SUPERVISION; *INSPECTION; *STRUCTURAL BUILDING SYSTEMS; VOCATIONAL EDUCATION; CONTRACTS; CIVIL ENGINEERING; BUILDING MATERIALS; PRESTRESSED CONCRETE; GRAPHS; CHARTS; REFERENCE MATERIALS; TEACHING GUIDES; STUDY GUIDES

ABSTRACT - This teaching guide, developed by the Bureau of Industrial Education in cooperation with the Education Advisory Committee of the California Council of Construction Inspectors Association, is intended for one semester's instruction of persons who will be engaged in the supervision and construction of buildings under construction. The material is divided into five major units, and each unit contains several sections. The five units are: (1) Construction Contract Documents and Plan Reading, (2) Site Layout, (3) Basic Principles of Structural Engineering and Mechanics of Materials, (4) Soil Fundamentals, and (5) Concrete Construction. Specific objectives and other pertinent information are given for each unit. This document is illustrated with diagrams, graphs, charts, and pictures, and contains an extensive reference list. This document is in draft form and will be refined after it has been tested. A related document is available as VT 013 299 (also in this issue). (GEB)

ABSTRACT - The California State Department of
Education prepared this testbook for
instructor use with the workbook for teaching
operating engineer apprentices. The major
units of study include: (1) Hydraulics, (2)
Fundamentals of Rigging, (3) Industrial
Applications of Rigging, (4) Electric Power,
(5) Storage Batteries, and (6) Pneumatics.
Twenty-five multiple-choice questions are
provided for each unit except for the one on
Electric Power which contains 50 multiple-
choice questions. The workbook on which these
tests are based is available as VT 011 258
(AIM Spring 1971). (GEB)

ABSTRACT - The California State Department of
Education prepared this two-part testbook for
instructor use with workbooks in teaching
operating engineer apprentices. This
document, part one, includes four major study
units: (1) Background of Apprenticeship, (2)
Safety and First Aid, (3) Orientation to
Heavy Equipment, and (4) Plan Reading and
Grade Setting. The first and third units
contain 50 multiple-choice questions each,
and the second and fourth units contain 25
multiple-choice questions each. The workbooks
on which these tests are based is available
as VT 011 242 (AIM Spring 1971). (GEB)

PUB DATE - 1Jul66 4p.

DESCRIPTORS - *LAW ENFORCEMENT; *VOCATIONAL
EDUCATION; *CURRICULUM GUIDES; COURSE
OBJECTIVES; EDUCATIONAL RESOURCES;
BIBLIOGRAPHIES

ABSTRACT - Prepared by the Occupational
Education Division of the North Carolina
State Department of Education, this course is
designed to familiarize the student with the
philosophy and history of law enforcement.
Included in the publication are course
objectives, course hours per week, credit
hours, bibliography, and a topical outline
stressing the legal limitations, duties and
responsibilities of law enforcement agencies,
processes of justice, current position of law
enforcement, and orientation to law
enforcement as a career. (SB)

CONSTRUCTION; BUILDING MATERIALS; VOCATIONAL
EDUCATION; *TRANSPORTATION; EQUIPMENT;
MASONRY; STRUCTURAL BUILDING SYSTEMS

ABSTRACT - Developed by the Vocational-
Technical Division of the North Carolina
State Board of Education, this outline is for
instructor use in planning a course on
construction methods and equipment. Specific
objectives are to: (1) study methods and
equipment for various types of excavations,
and for highways and pavement construction,
(2) study types of piles, and techniques of
erection, and (3) investigate
essential building methods and details. The
material is presented in outline form

consisting of 17 major topics, and is
recommended for use with the text by R.L.
Peurifoy entitled "Construction Planning,
Equipment, and Methods." A list of suggested
references is included. A related document is
available as VT 013 318, also in this issue.

*TRANSPORTATION; POST SECONDARY EDUCATION;
BUILDING MATERIALS; VOCATIONAL EDUCATION

ABSTRACT - Developed by the Vocational-
Technical Division of the North Carolina
State Board of Education, this outline is for
instructor use in planning a course on
construction of roads and pavements. Specific
objectives are to: (1) analyze the effects of
various types of loads on flexible and rigid
pavements, (2) study subgrades, including
types, properties, preparation,
stabilization, and testing, (3) teach the
design of bituminous surfaces and concrete
pavements, and (4) study techniques and
details pertaining to pavements. The material
is designed in outline form with 13 major
topics included, and is recommended for use
with the text by Laurence Hewes and others
entitled "Highway Engineering." Two other
suggested references are listed. A related
document is available as VT 013 317, also in
this issue. (GEB)

REGULATIONS; INSTRUCTIONAL MATERIALS; SKILL
DEVELOPMENT; SKILLS

ABSTRACT - This manual represents a modern
approach to the teaching of driver and
traffic safety education and is designed to
encourage the teacher to place emphasis on
development of positive student attitudes
toward driving. Topics are: (1) Introduction
to Driver and Safety Education, (2)
Orientation to the Automobile, (3)
Operational Skills, (4) The Driver as a

Mechanism, (5) Laws, Regulations, Ordinances, and Their Environment, (6) Physical Factors that Control Driving, (7) Perceptual Skills and Traffic Strategy in the Country, (8) Perceptual Skills and Traffic Strategy in the City, (9) Perceptual Skills and Traffic Strategy on Limited-Access Highways, (10) Social Problems and Driving, (11) Consumer Education, (12) Engineering, (13) Laboratory Instruction, and (14) Emergency Driving Procedures. Each unit is divided into an overview of the topic, unit problem, expected outcomes, content, teaching suggestions, and pupil activities. Two optional sections are appended. (GB)

PUB DATE - Apr70 52p.Revision.

DESCRIPTORS - *VOCATIONAL EDUCATION; *STUDY GUIDES; *ACCIDENTS; *MOTOR VEHICLES; MANUALS; SAFETY; ACCIDENT PREVENTION; INSTRUCTIONAL MATERIALS; INVESTIGATIONS

ABSTRACT - Intended to supplement classroom instruction rather than serve as a complete text, this publication has been prepared as a basic training manual in the field of accident investigation for cadets at the California Highway Patrol Academy. Topics are (1) Vehicle Crashes--The Problem: The Solution, (2) Accident Investigation--A Professional Challenge, (3) Accident Investigation Procedure, and (4) Determination of Speed from Skidmarks. The document is also designed to serve as a ready reference for investigators in the field. (GB)

VT 013 330
Handbook for School Bus Drivers, A Suggested Outline.

New York State Education Dept., Albany. Div. of Educational Management Services.
MF AVAILABLE IN VT-ERIC SET.
PUB DATE - Jan66 25p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *SCHOOL BUSES; *DRIVER EDUCATION; *GUIDES; *MANUALS; INSTRUCTIONAL MATERIALS

ABSTRACT - School bus drivers must be familiar with school district rules and procedures relating to bus routes, maintenance, personnel policy, time schedules, and transportation policy. This can be achieved through a pamphlet given to each driver for ready reference. Developed by the New York State Department of Education, this outline is intended to assist school administrators in the development of such a pamphlet. The outline points up the important areas of information which should be available to the school bus driver. (GB)

Periodic Motor Vehicle Inspection; A Course of Study for Uniform Inspection Procedures.

American Association of Motor Vehicle Administrators, Washington, D.C.

DOCUMENT NOT AVAILABLE FROM EDRS.

American Association of Motor Vehicle Administrators, 1828 L Street, N.W., Washington, D.C. 20036 (\$50.00).

PUB DATE - 70 70p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *MOTOR VEHICLES; *INSPECTION; TRAFFIC SAFETY; *SLIDES; *STUDY GUIDES; EQUIPMENT EVALUATION

ABSTRACT - Developed for the American Association of Motor Vehicle Administrators by a subcommittee in cooperation with other contributors, this study guide is intended for use by states and provinces in periodic motor vehicle inspection programs. The contents include 148 color slides, plus a written narrative annotation for each slide. The intent of the course is to promote uniform vehicle inspection programs, and the material is based on the American National Standards Institute Procedures and the American Manufacturers Association Inspection Handbook. The presentation applies to passenger cars and motorcycles, but not to commercial vehicles and buses. The slides are contained in plastic holders, and the entire document is in loose leaf form. (GEB)

Impellizzeri, Michael T.
Testing the Drinking Driver.

National Safety Council, Chicago, Illinois.
Dept. of Traffic.

MF AVAILABLE IN VT-ERIC SET.

Traffic-Safety-Monog-2

National Safety Council, 425 North Michigan Avenue, Chicago, Illinois 60611.

PUB DATE - 70 58p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *STUDY GUIDES; *ACCIDENT PREVENTION; *ALCOHOL EDUCATION; DRIVER EDUCATION; STANDARDS; SUPPLEMENTARY READING MATERIALS; TRAFFIC SAFETY; TRAFFIC ACCIDENTS; MOTOR VEHICLES; TRAFFIC REGULATIONS; SAFETY EDUCATION; BIBLIOGRAPHIC CITATIONS; *TESTING; TESTING PROGRAMS

IDENTIFIERS - *DRINKING DRIVERS

ABSTRACT - According to special studies,

drinking of alcoholic beverages is believed to be a factor in at least half the fatal motor vehicle accidents. To explore the methods of controlling the driver who abuses alcohol and the components essential for setting up a control program, this publication was prepared by the National Safety Council. Topics are: (1) The Driving Task, (2) What to Do, (3) Testing the Drinking Driver, (4) Recognition, (5) Testing Methods, (6) Blood Alcohol Standards, (7) Testing Procedure, (8) Setting Up Chemical Tests for Alcohol Influence, (9) The Essential Elements, and (10) Test Method. References, various laws and forms, and supplemental information are appended. (GP)

A Guide for Operating Ambulance Fleets.

National Safety Council, Chicago, Ill. Dept. of Motor Transportation.

MF AVAILABLE IN VT-ERIC SET.

National Safety Council, 425 North Michigan Avenue, Chicago, Illinois 60611 (single copies \$2.00, 2-9 copies \$1.50, 10 copies \$1.30 each).

PUB DATE - 65 34p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *STUDY GUIDES; *EMERGENCY SQUAD PERSONNEL; *DRIVER EDUCATION; *SERVICE OCCUPATIONS; EQUIPMENT MAINTENANCE; HEALTH OCCUPATIONS; ATTENDANT TRAINING; JOB TRAINING; BIBLIOGRAPHIC CITATIONS

ABSTRACT - To provide a tool that can be used to increase the safety and efficiency of ambulance fleet drivers and vehicles, this guide was developed by the National Safety Council. The objective is to suggest minimum standards that the ambulance fleet operator can use as guidelines to help in preventing accidents involving his drivers and in establishing sound operating policies for his fleet. Topics are: (1) Establishing Operating Policy, (2) Selection of Drivers, (3) Driver Instruction, (4) Special Requirements of Ambulance Driving, (5) Emergency Vehicle Driving, (6) Vehicle and Equipment Maintenance, and (7) Quick Reminders for Posting and Repetition. References, a model ordinance, and a uniform vehicle code are appended. (GB)

Darmstadter, Neill, Ed.

Truck Fleet Accident Investigation. A Manual for Investigation of Accidents Involving Motor Vehicles of Truck Fleets.

American Trucking Association, Inc., Washington, D.C. Dept. of Safety.

MF AVAILABLE IN VT-ERIC SET.

American Trucking Association, Inc., 1616 P Street, N.W., Washington, D.C. (\$1.00).

PUB DATE - 62 24p.

DESCRIPTORS - *VOCATIONAL EDUCATION; *TRAFFIC ACCIDENTS; *INVESTIGATIONS; *MOTOR VEHICLES; *STUDY GUIDES; MANUALS; INSTRUCTIONAL MATERIALS; BIBLIOGRAPHIC CITATIONS

ABSTRACT - This manual is designed for the guidance of truck fleet safety personnel and other fleet employees who may be given responsibility for investigating accidents involving vehicles operated by the company. Major emphasis is on accident prevention through accident investigation. To this end the manual is designed to enable motor career management and fleet safety personnel to collect and analyze information about each accident so that corrective measures may be taken for more effective training of drivers, revision of operating policies and procedures, correction of deficiencies in the maintenance program, disciplinary action, and cooperation with appropriate authorities to eliminate or reduce hazards at accident sites. Accident report forms, a speed nomography, and a drag factor table are appended. (Author/GB)
