COLLECTIVE BARGAINING AGREEMENT

This collective bargaining agreement entered into the 20th day of August, 1973, by and between the BOARD OF EDUCATION OF THE CITY OF GRAND RAPIDS, a school district of the second class hereinafter referred to as the "BOARD", and the FACULTY COUNCIL OF THE GRAND RAPIDS JUNIOR COLLEGE, an unincorporated association hereinafter referred to as the "COUNCIL".

ARTICLE I

PREAMBLE

The Board and the Council recognize their mutual obligations pursuant to Act 379 of the Public Acts of 1965 to bargain collectively with respect to hours, wages, and terms and conditions of employment. Both parties have entered into and conducted extended and good faith negotiations where each party has had the right and opportunity to make demands and proposals with regard to all bargainable subjects. Agreement has been reached between the parties hereto including formal ratification of the terms hereof by the governing body of the Board of Education of the City of Grand Rapids and by the Junior College Faculty represented by the Council.

ARTICLE II

RECOGNITION

- A. The Board recognizes the Council as the exclusive bargaining representative for the Grand Rapids Junior College teaching faculty including day, evening, and summer college including librarians and counselors (hereinafter called the "faculty" or "faculty members"). Personnel in the high school evening program, the apprentice program, the community service and/or continuing education program, the Dean of the College, Assistant Deans, Registrar and Director of Institutional Research, Director of Admissions and Financial Aids, Business Coordinator, Director of Counseling, Director of Student Placement, Director of Library Services, Director of Student Activities, Director of Women's Programs, and any subsequent administrative positions created by the Board are hereby excluded.
- B. The Board agrees not to negotiate with any other labor representative concerning salary, hours, or working conditions for the duration of this Agreement with respect to employees included in the bargaining unit. Nothing contained herein, however, shall be construed to prevent any individual faculty member

from presenting a grievance and having the grievance adjusted without intervention of the Council, if the adjustment is not inconsistent with the terms of this Agreement, and provided that the Council has been given an opportunity to be present at such adjustment.

- C. The Board shall not negotiate with an individual or individuals to change the hours, wages, and/or conditions of employment of the faculty which are incorporated in this Agreement.

ARTICLE III

FACULTY MEMBERS' RIGHTS

- A. Every faculty member shall have the right freely to organize, join, and support the Council for the purpose of engaging in collective bargaining and other lawful activities for mutual aid and protection. The Board will not discriminate against any faculty member or faculty members with respect to hours, wages, or any terms or conditions of employment by reason of their membership in the Council, their participation in any lawful activities of the Council, or their institution of any grievance, complaint, or proceeding under this Agreement with respect to any term or condition of employment.
- B. The Council and faculty shall have the right to use Junior College building facilities at reasonable times and hours for meetings when such buildings are open and operating staff is on duty. Such use shall be arranged through the Assistant Dean of Instruction or the Assistant Dean of Continuing Education. The Council may also use office equipment, but not supplies, located at the Junior College buildings at reasonable times but not to interfere with the Board's use of the Junior College. The Council may post proper Council notices on any bulletin board ordinarily designated for Council use and use the Board's inner-school mail system. The Board will lease to the Faculty Council office space, at a rate agreed to by the Board and the Faculty Council, at such time the Board deems space is available.
- C. The Board agrees to furnish to the Council, in response to reasonable requests, all available information in the form it is maintained by the Board for public use concerning the financial resources of the district, tentative budgetary requirements, and allocations as will assist the Council in developing proposals and in processing any grievance or complaint.
- D. TENURE
 - 1. The parties agree that the Teacher Tenure Act shall be applied in cases of demotion and discharge according to its terms. For faculty members who have tenure according to the terms of the Teacher Tenure Act, but for whom the State Tenure Commission will grant no hearing, demotions and discharge will be handled the same as for other faculty members except for the provision for appeal to the State Tenure Commission. Any faculty member with tenure who is unable to appeal to the State Tenure

Commission shall, as a substitute for such an appeal, be entitled to arbitration as provided by this contract; but the arbitrator shall, to the extent possible, act as if he were sitting on the State Tenure Commission and shall render his decision on the same basis and using the same standards as those applied by the State Tenure Commission. This section shall apply to all Junior College faculty members with tenure as that term is defined under the Teacher Tenure Act and also to those faculty members who are not certified according to the terms of the Act but would have tenure under the Act if they were so certified.

2. A faculty member who is transferred to the Junior College faculty from another position in the Grand Rapids School System will be on a trial basis as a Junior College faculty member for two years. During that trial period, the faculty member may be assigned to a non-Junior College faculty position at any time.
- E. On the dates of the Board's regular meetings, a copy of the Agenda with all normal attachments shall be provided for the Council at such meetings. A copy of the approved minutes of Board meetings may be secured by the Council within ten (10) days after the date the minutes were approved. The Council shall be recognized for presentations as a part of the Agenda at all regular Board meetings.
 - F. Members of the bargaining unit who by arrangement between Council and college administration participate during working hours in conferences and meetings with the Board or its representatives which involve or derive from this collective bargaining agreement shall suffer thereby no loss in pay.
 - G. The Board shall not exercise control of the activities of faculty members except within teaching assignments. When the faculty member speaks or writes as a citizen, he shall be free from administrative and institutional censorship and discipline. The faculty member bears a responsibility to clarify the fact that he speaks as an individual and not on behalf of the institution.
 - H. The faculty member is entitled to freedom in the discussion of his subject, but he should not introduce into his teaching controversial matter which has no relation to his subject. The faculty member must also recognize that the student should be free to take reasoned exception to the data or views offered and to reserve judgment about matters of opinion. The presence of any communication device during the meeting of a class shall be subject to the faculty member's permission.

ARTICLE IV

BOARD OF EDUCATION RIGHTS

- A. The Council agrees that the Board is legally responsible for the operation of the entire school system including the Junior College within the boundaries of the School District of the City of Grand Rapids.

- B. The Board hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and/or the United States.
- C. Terms and conditions of employment and other rules and regulations concerning faculty conduct not provided for in this Agreement will be governed by the applicable rules and regulations of the Board presently in effect.
- D. The Board discharges its managerial rights and authority via the Administrative Staff. The Board's responsibilities include, without being limited to, the establishment of education policies; the construction, acquisition, and maintenance of school buildings and equipment; the hiring, transfer, assignment, supervision, discipline, promotion, and termination of teachers. The Board and Administrative Staff shall be free to exercise all of its managerial rights and authority to the extent permitted by law. No actions shall violate any of the express terms of this Agreement. The Board, prior to the effective date of any change in the rules and regulations, which directly affect faculty members, shall give the Council reasonable notice (45 days) of such change.

ARTICLE V

COUNCIL--ADMINISTRATION COMMUNICATION

The parties recognize the valuable assistance to be gained from effective communication between the Council and the Board. Accordingly, it is agreed that the Board's representatives including college administration and the Council will meet periodically to discuss problems of mutual concern to the parties. Such meetings, and agenda therefore, will be called by agreement between the Associate Superintendent of Employee Relations and the Chairman of the Council whenever such a meeting is desired by either party.

4. The faculty member must notify the Board, in writing, of his intention to return from such leave at least ninety (90) days prior to the beginning of the spring semester and/or one hundred and twenty (120) days prior to the fall semester. Failure to comply with this condition indicates that the faculty member is automatically resigning from the employment of the Board.

5. No benefits will accrue for any faculty member while on a leave of absence except as otherwise stated herein. Upon return from such leave, the faculty member's unused sick leave benefit which had been accumulated at the time the leave commenced will be restored to him.

A. PERSONAL ILLNESS

Any faculty member who has been afflicted with extended personal illness will be granted a leave of absence up to one year upon application thereof. Such application must be accompanied by a physician's certificate of recommendation supporting same. Such leave shall be without pay and without increment advancement. This leave shall, upon request, be renewed each year for two (2) additional leaves of one year each. The Board may require at its expense a medical examination as a prerequisite to reinstatement after any such leave.

B. MILITARY

Any faculty member who is inducted or enlists in any branch of the Armed Forces of the United States will be granted a leave without pay. Upon return from such leave, a faculty member shall receive full credit on the salary schedule up to two (2) years provided the faculty member has received an honorable discharge or honorable release of active duty, submits a written request for re-employment within ninety (90) days from the date of discharge and is still qualified and competent to perform teaching duties. It is the responsibility of the faculty member to submit to the Personnel Director the official documents to support the above activity.

C. SELF IMPROVEMENT THROUGH STUDY

3. If a grievance is to be filed, it must be done at Level One by the aggrieved faculty member or members. If, however, he, she or they desire not to do so, the Council may file that grievance on behalf of such faculty member or members. If any individual grievant desires not to join in signing or processing a grievance, his identity shall not be disclosed during the processing of the grievance under this Article, nor shall the Board be required to take any action, including the payment of back pay, with respect to any such faculty member who declines to sign or file the grievance.
4. Any grievance filed by the Council shall be filed at Level Three within thirty (30) days after any official of the Council has or reasonably should have had knowledge of the occurrence of the event giving rise to the grievance.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. Both parties agree these proceedings shall be kept as informal as may be appropriate at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any faculty member having a grievance as defined in A.2.a. of this Article to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Council provided the adjustment is consistent with the terms of this Agreement.

C. PROCEDURE

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered a maximum and every effort should be made to expedite the process. If appropriate action is not taken by the instructor within the time limits specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. In the event the administrator fails to take appropriate action within the time limits specified, the grievance is eligible for submission by aggrieved to the next level of the grievance procedure. The time limits specified may, however, be extended by mutual agreement between the aggrieved and appropriate Board representative at the particular level involved. The Council and the Board will jointly design the grievance form. A supply of the forms shall be on file with the Council, the Dean, and the Associate Superintendent of Employee Relations.

Grievances shall be processed as follows:

1. Level One
 - a. A faculty member shall within ten (10) working days of having knowledge of a grievance orally discuss the matter with the appropriate

college administrator (such administrator shall be designated by the Dean or his assistant) with the objective of resolving the matter informally. If the aggrieved is not satisfied with the disposition from the oral discussion and he wishes to further pursue the matter, he shall file the grievance in writing to that appropriate administrator named above. The written grievance must be submitted within five (5) working days following date of oral discussion. Copies shall be submitted by the aggrieved to the Dean, the Associate Superintendent of Employee Relations, and the Faculty Council.

- b. The appropriate administrator shall within five (5) working days of the filing date submit a written answer to the aggrieved. That administrator shall submit copies of his answer to the Dean, the Associate Superintendent of Employee Relations, and the Faculty Council.

2. Level Two

- a. If the aggrieved is not satisfied with the written disposition of the grievance at Level One, he may within three (3) working days after receipt of the written answer in Level One file written notice thereof to the Dean or his designee stating the reason for dissatisfaction. The aggrieved shall submit a copy of his written notice to the Associate Superintendent of Employee Relations. At this level, the grievance must be co-signed by the aggrieved and the Council.
- b. Within three (3) working days of receipt of such grievance, the Dean or his designee will meet with the aggrieved to discuss the issue. Council representatives may be present and shall be present at the request of either the Dean or the aggrieved. A written answer shall be given within three (3) working days after such meeting. Copies of this answer shall be submitted to the Council and Associate Superintendent of Employee Relations.

3. Level Three

- a. If a satisfactory settlement cannot be concluded in Level Two, the aggrieved may within five (5) working days after receipt of the written answer in Level Two submit written notice of dissatisfaction to the Associate Superintendent of Employee Relations.
- b. Within ten (10) working days of receipt of the written grievance, the Associate Superintendent of Employee Relations shall meet with the Council representative as soon as practicable in an effort to resolve the grievance. The faculty member or members who filed the grievance shall be present at the request of either the Associate Superintendent of Employee Relations or the Council. A written answer shall be given within fifteen (15) working days after receipt of the written grievance. Copies shall be submitted to the Dean, the aggrieved, and the Council.

4. Level Four

- a. If the grievance is not resolved to the satisfaction of the aggrieved, it may within five (5) working days thereafter be transmitted to the Secretary to the Board with a statement of the reasons why it is being appealed. At its next regular meeting, the Board will consider the grievance and may hold a hearing thereon, may designate one or more of its members to hold the hearing, or otherwise investigate

college administrator (such administrator shall be designated by the Dean or his assistant) with the objective of resolving the matter informally. If the aggrieved is not satisfied with the disposition from the oral discussion and he wishes to further pursue the matter, he shall file the grievance in writing to that appropriate administrator named above. The written grievance must be submitted within five (5) working days following date of oral discussion. Copies shall be submitted by the aggrieved to the Dean, the Associate Superintendent of Employee Relations, and the Faculty Council.

- b. The appropriate administrator shall within five (5) working days of the filing date submit a written answer to the aggrieved. That administrator shall submit copies of his answer to the Dean, the Associate Superintendent of Employee Relations, and the Faculty Council.

2. Level Two

- a. If the aggrieved is not satisfied with the written disposition of the grievance at Level One, he may within three (3) working days after receipt of the written answer in Level One file written notice thereof to the Dean or his designee stating the reason for dissatisfaction. The aggrieved shall submit a copy of his written notice to the Associate Superintendent of Employee Relations. At this level, the grievance must be co-signed by the aggrieved and the Council.
- b. Within three (3) working days of receipt of such grievance, the Dean or his designee will meet with the aggrieved to discuss the issue. Council representatives may be present and shall be present at the request of either the Dean or the aggrieved. A written answer shall be given within three (3) working days after such meeting. Copies of this answer shall be submitted to the Council and Associate Superintendent of Employee Relations.

3. Level Three

- a. If a satisfactory settlement cannot be concluded in Level Two, the aggrieved may within five (5) working days after receipt of the written answer in Level Two submit written notice of dissatisfaction to the Associate Superintendent of Employee Relations.
- b. Within ten (10) working days of receipt of the written grievance, the Associate Superintendent of Employee Relations shall meet with the Council representative as soon as practicable in an effort to resolve the grievance. The faculty member or members who filed the grievance shall be present at the request of either the Associate Superintendent of Employee Relations or the Council. A written answer shall be given within fifteen (15) working days after receipt of the written grievance. Copies shall be submitted to the Dean, the aggrieved, and the Council.

4. Level Four

- a. If the grievance is not resolved to the satisfaction of the aggrieved, it may within five (5) working days thereafter be transmitted to the Secretary to the Board with a statement of the reasons why it is being appealed. At its next regular meeting, the Board will consider the grievance and may hold a hearing thereon, may designate one or more of its members to hold the hearing, or otherwise investigate

the grievance or prescribe such procedure as it may deem appropriate for consideration of the grievance. The Board or a committee thereof shall make a final decision thereon within fifteen (15) days after that regular meeting.

5. Level Five

- a. If the decision of the Board is not satisfactory to the aggrieved and the matter is a grievance as defined in A.2.b., above, the grievance may be submitted to arbitration by written notice given by the Council within fifteen (15) days after receipt of the Board's decision. An impartial arbitrator shall be promptly selected by the parties to decide the matter. If they cannot agree as to the arbitrator, he shall be selected in accordance with the rules and procedures of the American Arbitration Association or the Michigan Employment Relations Commission.
- b. The power of the arbitrator shall be limited to the interpretation or application of the express terms of this Agreement, and he shall have no power to alter, add to or subtract from the terms of this Agreement as written. The decision of the arbitrator shall be final and binding on all parties.
- c. The fees and expenses of the arbitrator shall be shared equally by the Board and the Council.

D. No grievance or claim shall be processed unless initiated and carried to the next step within the time provided herein or as extended by mutual agreement.

E. The following matters shall not be the basis of any grievance or claim filed under the procedure outlined in this Article:

1. The termination of services or of failure to re-employ any probationary teacher;
2. The placing of a non-tenure teacher on a third year of probation;
3. The Preamble

ARTICLE XI

NO STRIKE CLAUSE

A. During the term of this Agreement neither the Council nor any persons acting in its behalf nor any individual faculty member will cause, authorize or support, or take part in any strike (i.e., the concerted failure to report for duty, or the concerted absence of faculty members from their positions, or concerted stoppage of work or abstinence in whole or in part from the full, faithful, and proper performance of the faculty members' duties of employment).

- B. Willful violation of this Article by any teacher or group of teachers will constitute just cause for discharge and/or the imposition of discipline or penalties. Nothing contained herein shall restrict the Board in the exercise of any rights granted to it by law in connection with the violation of any of the provisions of the Article.
- C. Violation of any terms, sections, or provisions of this Agreement by any faculty member or members shall constitute just cause for disciplinary action up to and including discharge.

ARTICLE XII

LAYOFF --- NEW POSITIONS

A. LAYOFF

When for reasons of over staffing, the Board may cause the necessary number of faculty members to be laid off without pay and without benefits under the following procedure:

1. The Board may request and consider voluntary layoffs first.
2. Part-time faculty members shall be the first mandatory layoffs.
3. Mandatory layoffs for full-time faculty members, in addition to the above, shall take place in inverse order of faculty appointments within each subject matter discipline or a divisional plan which is accepted by both the faculty council and the Board.
4. Recall shall be in subject matter discipline but in inverse order of the faculty placed on the mandatory layoff list (full-time faculty) and followed by recalling those faculty members who were placed on the part-time and/or voluntary layoff lists or by implementing a divisional plan which is accepted by both the faculty council and the Board.
5. Such recall shall reinstate all credit and benefits to the faculty member pursuant to the Agreement in effect at such time of recall.
6. No new employee shall be appointed while there are available faculty members on the layoff list who are qualified to fill the vacancy and provided that the recalled faculty member reports to his assignment within fifteen (15) days from the date of recall notification or unless otherwise mutually agreed to by the parties involved.

Summer and Evening School is excluded from the above procedure for faculty layoffs.

B. NEW POSITIONS

The following procedure will be in effect when new position(s) within the bargaining unit are established during the duration of this Agreement:

1. The Board will develop a job description and wage rate for the new position.
2. The job description and wage rate, as developed by the Board, will be explained to the Council representative with the object of obtaining agreement on wages and working conditions. The rate may be installed without agreement subject to adjustment as provided below.
3. When a wage rate for a new position is installed, the faculty member affected may, at any time within ninety (90) days from receipt of the job description and rate, file a Type A grievance alleging that the classification is improperly described and/or that such new rate does not bear a fair wage relationship to the wage rate structure in the same school system. Such grievance shall be adjusted under the grievance procedure of this Agreement. If such grievance is settled at any step of the grievance procedure, the settlement shall be effective as of the date when the employee or employees were assigned to the new position.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

- A. Copies of this Agreement shall, at the expense of the Board, be presented to all faculty members.
- B. If any provisions of this Agreement or any application of this Agreement is found to be contrary to law, such provisions or applications shall not be deemed valid and subsisting except to the extent permitted by law; but all other provisions or applications shall continue in full force and effect.
- C. The Junior College program shall have first priority in the use of facilities normally assigned to Junior College.

ARTICLE XIV

NEGOTIATIONS PROCEDURE

- A. Re-negotiation of this Agreement for the subsequent years shall be commenced no later than June 15, 1974. Such negotiations shall include, but not be limited to, the subjects covered by this Agreement and any other matters mutually agreed to be negotiable by the parties. Any agreement shall be reduced to writing and signed by the Board and the Council.
- B. If the negotiations described in this section (A above) have reached an impasse, the procedure described in Act 379 and its amendments of the Michigan Public Acts of 1965 will be followed.

- C. This Agreement incorporates the agreement reached by the parties on all agreed issues which were subjects of negotiation. During the term of this Agreement, neither party will be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- D. Neither the Board nor the Council shall have any control over the selection of the bargaining representatives of the other.

ARTICLE XV

DURATION OF CONTRACT

This Agreement shall be effective as of August 20, 1973, and shall continue in effect until August 19, 1974. The calendar for the 1974-75 school year as set out in Appendix A-1 shall not be subject to further negotiation except by mutual agreement by the parties.

Expenses incurred for each faculty member who has received an official leave to attend professional meetings or conferences during these contract years shall have \$150 for the two year period (1973-74 and 1974-75) except that divisional chairman will be credited with \$200 for the two year period. The faculty member will be paid actual travel expenses incurred or an amount totaling 12¢ per mile driven to and from his destination. For a conference necessitating a faculty member being away over night, the faculty member would receive a per diem allotment up to \$22. This would cover lodging, meals, and miscellaneous expenses. Claims for such reimbursement shall be made within 30 days from the time of expenditure. Reimbursement is on the basis of invoices or receipts for room and meals. For a conference leave granted for one day, a per diem allotment would be up to \$8.00. In addition to the above, if there is an "official banquet" which is at the conference, the faculty member would receive reimbursement for this banquet in excess of the \$22 or \$8 allotted above. Registration fees for a conference would also be granted provided this fee does not include the cost of meals, lodging or other expenses covered above.
