ABSTRACT

Undertaken as a project in the ethnic studies internship program at Fisk University in 1974, this bibliography identifies materials of potential interest to those studying black religion. Entries are listed under seven categories: (1) black religion, (2) the church and race relations, (3) church and state in relation to black religion, (4) church work, (5) ministers and the ministry, (6) oral history and taped interviews, and (7) audio-tape collections. All items listed are in the Fisk University library.
