ABSTRACT

These tables summarize degrees conferred in both state and private Oklahoma colleges and universities. They cover a period from 1973-75 and compare this period with previous semesters. Included are associate degrees, certificates, bachelors, first professional, and graduate degrees. Tables list students' sex, division of study, and field of study. One finding was that during the academic year of 1974-75, a total of 21,731 degrees was conferred in Oklahoma colleges and universities. A decrease of 280 total degrees conferred resulted in a 1.3 percent decrease over the 22,011 total degrees conferred in 1973-74. (Author/KE)

SUMMARY OF DEGREES CONFERRED
1974-75

During the academic year of 1974-75, a total of 21,731 degrees were conferred in Oklahoma colleges and universities. A decrease of 280 total degrees conferred resulted in a 1.3% decrease over the 22,011 total degrees conferred in 1973-74. When analyzing this decrease in productivity by level of degree, the following was revealed: Associate degrees conferred increased 6.0% (3,111 to 3,311); First Professional, 28.9% (571 to 736); Master's, 2.4% (3,759 to 3,851); and Doctor's, 5.7% (474 to 501). Bachelor's degrees decreased 5.3% from 14,082 in 1973-74 to 13,332 in 1974-75.

A comparison by level of degree with the degrees conferred ten years ago, 1964-65, reveals the following increases: Associate degrees have increased 234.4% (990 to 3,311); Bachelor's, 72.0% (7,751 to 13,332); First Professional, 100.5% (367 to 736); Master's, 99.7% (1,928 to 3,851); and Doctor's, 95.7% (236 to 501).

For the 1974-75 academic year, the dominant divisions of study by level of degree were: Bachelor's, Education, 3,484.5 (26.1%), Business and Management, 2,503.5 (18.8%), and Social Sciences, 1,270 (9.5%), for a total of 54.4% of the Bachelor's degrees conferred; Master's, Education, 1,845 (47.9%), Business and Management, 338 (8.8%), and Engineering, 241 (6.3%), for a total of 63.0% of the Master's degrees conferred; and Doctor's, Education, 176 (35.1%), Social Sciences, 52 (10.4%), and Engineering, 46 (9.2%), for a total of 54.7% of the Doctor's degrees conferred.

An examination of the degrees conferred ten years ago, 1964-65, reveals that this concentration in a few divisions of study is a prevailing trend in Oklahoma higher education. Of the 7,751 Bachelor's degrees conferred that year, 2,553 (32.9%) were in Education, 1,182 (15.2%) in Business and Management, and 819 (10.6%) in Social Sciences. Likewise, of 1,928 Master's degrees conferred, 934 (48.4%) were in Education, 320 (16.6%) in Engineering and 112 (5.8%) in Business and Management. Of the 256 Doctor's degrees conferred, 70 (27.3%) were in Education, 53 (20.7%) were in Engineering and 31 (12.1%) in Biological Sciences.

The concentration with respect to Bachelor's degrees conferred may be partially explained by a consideration of productivity by type of institution in the Oklahoma State System of Higher Education. For the academic year 1974-75, Oklahoma State University and the University of Oklahoma conferred a total of 5,448 Bachelor's degrees. Of these, 1,007 (18.5%) were in Education, 924 (17.0%) in Business and Management and 576 (10.6%) in Engineering. At the same time, the ten state universities conferred 5,356 Bachelor's degrees with 1,906.0 (35.6%) in Education, 1,177.5 (22.0%) in Business and Management and 534.5 (10.0%) in Social Sciences.

In 1974-75, the most productive institutions by level of degree were: Bachelor's, Oklahoma State University, 2,864 (21.5%); University of Oklahoma, 2,584 (19.4%); Central State University, 1,403 (10.5%); Northeastern Oklahoma State University, 953 (7.1%); and the University of Tulsa, 874 (6.6%); Master's, University of Oklahoma, 1,218 (31.6%); Oklahoma State University, 673 (17.5%); Central State University, 525 (13.6%); Northeastern Oklahoma State University, 348 (9.0%); and Southwestern Oklahoma State University, 289 (7.5%); and Doctor's, University of Oklahoma, 256 (31.1%); Oklahoma State University, 213 (42.5%); and the University of Tulsa, 32 (6.4%).

In the category of technical certificates and other awards, Oklahoma State University School of Technical Training led the way with 1,013 (79.1%); followed by the University of Oklahoma Health Sciences Center, 56 (4.4%) and Southwestern Oklahoma State University, 55 (4.3%). The most associate degrees in the technical area were awarded by Tulsa Junior College, 219 (14.8%) followed by the Oklahoma State University Technical Institute, 195 (13.2%).

The leading technical divisions of study as to certificates were Mechanical and Engineering Technologies, 721 (56.3%) and Business and Commerce Technologies, 337 (26.3%); and for associate degrees, Health Sciences Technologies, 494 (33.3%), Mechanical and Engineering Technologies, 336 (22.7%) and Public Service Related Technologies, 330 (22.3%).

This publication was prepared and distributed on authorization of the State Regents as a regular part of the work of the agency. There were 350 copies printed by Allen's Litho Printing Company at a cost of \$315.30 (90.1¢ per copy).

LIST OF TABLES

1. Associate Degrees and Certificates Conferred at Oklahoma Colleges and Universities, 1973-74 and 1974-75, by Sex.
2. Bachelor's and First Professional Degrees Conferred at Oklahoma Colleges and Universities, 1974-75 as Compared with Degrees Conferred in 1973-74, by Sex.
3. Graduate Degrees Conferred at Oklahoma Colleges and Universities, 1974-75 as Compared With Degrees Conferred in 1973-74, by Sex.
4. Bachelor's and First Professional Degrees Conferred at Oklahoma Colleges and Universities, 1974-75 as Compared by Division of Study with 1973-74, by Sex.
5. Graduate Degrees Conferred at Oklahoma Colleges and Universities, 1974-75 as Compared by Division of Study with 1973-74, by Sex.
6. Bachelor's and Higher Degrees Conferred at Oklahoma Colleges and Universities, 1974-75 as Compared by Division of Study with 1964-65.
7. Certificates and Other Awards Conferred at Oklahoma Colleges and Universities, 1974-75, by Field of Study.
8. Associate Degrees Conferred at Oklahoma Colleges and Universities, 1974-75, by Field of Study.
9. Bachelor's Degrees Conferred at Oklahoma Colleges and Universities, 1974-75, by Field of Study.
10. First Professional, Master's and Doctor's Degrees Conferred at Oklahoma Colleges and Universities, 1974-75, by Field of Study.

ASSOCIATE DEGREES AND CERTIFICATES CONFERRED AT OKLAHOMA COLLEGES AND UNIVERSITIES, 1973-74 and 1974-75
