ABSTRACT

An annotated bibliography of reference sources dealing with psychology and cognate subjects which are part of the reference collection at the State University of New York at Albany University Libraries is presented. Included are: (1) Biographies; (2) Dictionaries and Glossaries; (3) Encyclopedias; and (4) Indexes, Abstracts, and Bibliographies. Call numbers are provided to indicate location in the University Libraries. (AP)

* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *

Biography

- REF American Psychological Association. *Biographical Directory*. Washington, D.C.,
BF The Association, 1973.
11 Directory includes names, addresses, professional position and area of specialty
A67 for American psychologists.
- REF *American Men and Women of Science*. 12th ed. New York, Bowker, 1971.
Q Sec. 2 *Social and Behavioral Sciences*. A biographical directory for all areas
141 of the social sciences for individuals who have received recognition through
A47 achievement, or research, or attained a position of substantial responsibility.
A *Discipline Index* is in preparation.

Dictionaries and Glossaries

- REF American Psychiatric Association. Committee on Public Information.
RC *A Psychiatric Glossary*. 4th ed. Washington, D.C., The Association, 1975.
437 Provides clear and concise definitions of terms most frequently used in psychiatry.
A5
1969
- REF American Psychological Association. *Thesaurus of Psychological Index Terms*.
BF Washington, D.C., The Association, 1974.
32 A list of terms related to psychological concepts. Divided into alphabetical,
A54x relationship and hierarchical sections, it aids research and retrieval operations
1974 in *Psychological Abstracts*.
- REF Baldwin, James M. *Dictionary of Philosophy and Psychology*. 3 Vols. in 4.
B New York, P.S. Smith, 1901.
41 Authoritative for the period written and still useful. Helps in understanding
B3 the meaning of terms and interprets the movements and developments of thought.
1901 There are concise definitions, longer articles and some biographies.

- REF English, Horace Bidwell. *A Comprehensive Dictionary of Psychological and Psychoanalytical Terms*. New York, Longmans, 1958.
BP
31 A good basic dictionary for nomenclature in psychology as well as relevant terms
E5 from mathematics, medicine and other related fields. Good cross-references.
- REF Warren, Howard Crosby. *Dictionary of Psychology*. Boston, Houghton Mifflin, 1934.
BP A distinguished group completed the *Dictionary* after the author's death. Contains
31 concise definitions with frequent cross-references. German and French equivalents
W3 and glossaries help to make this a valuable tool in spite of its publication date.
- REF Wolman, Benjamin B. *Dictionary of Behavioral Sciences*. New York, Van Nostrand
BP Reinhold, 1973.
31 *Dictionary* covers all areas of psychology. Includes appendices for classification
W64 of mental disorders and ethical standards of psychology.

Encyclopedias

- REF *Encyclopedia of Educational Research*. 4th ed. New York, MacMillan, 1969.
LB Long-valued in the field of education this one-volume encyclopedia arranged by
15 subject also has many long articles on psychological topics. Some articles have
E48 bibliographies.
- REF *Encyclopedia of Mental Health*. 6 Vols. New York, F. Watts, 1963.
RA Designed to meet growing needs for sound information in simple terms. Each
790 of the 170 articles, by authors of reputation, is presented in a question and
E56 answer format. There are name and subject indexes and a glossary. Library also
has a one-volume edition in mini-print.
- REF *Encyclopedia of Psychology*. New York, Citadel Press, 1946.
BP Edited by Philip L. Harriman and written by many contributors this still useful one-
31 volume encyclopedia has lengthy articles on selected subjects with emphasis on trends
E55 in psychology. Includes some bibliographies.
- REF *Encyclopedia of Psychology*. 3 Vols. London, Search Press, 1972.
BP This encyclopedia is arranged alphabetically by subject and is international in
31 scope. Contains brief definitions as well as long signed articles with biblio-
E52 graphies.
- REF *Encyclopedia of Sexual Behavior*. 2 Vols. New York, Hawthorn, 1961.
HQ Prepared by two psychotherapists, Albert Ellis and Albert Abarbanel, with the aid
9 of contributors from various fields. A well-rounded treatment with both con-
E4 servative and liberal points of view represented.
- REF *International Encyclopedia of The Social Sciences*. 17 Vols. New York, MacMillan,
H 1968.
40 Quite comprehensive in coverage and useful as access to basic literature of all
A2 the social sciences including the fields of psychiatry and psychology. Many
I5 articles are biographical. Good bibliographies. An excellent index volume gives
entry to entire set.

Indexes, Abstracts and Bibliographies

- REF Abstracts and Reviews in Behavioral Biology. Library has V.3-(1972)-. New York, National and Educational Consultants.
- 301 Monthly abstracts of experiments with both animals and humans in behavioral biology as well as topics in psychiatry and psychology. Has monthly and cumulative indexes. Until 1972 issued as *Communications in Behavioral Biology*.
- REF American Behavioral Scientist. ABS Guide to Recent Publications in the Social and Behavioral Sciences. Library has: 1965-. New York, ABS.
- 7161 A highly selective interdisciplinary bibliography which includes both books and periodicals with brief author annotations. Author and title index provided.
- REF Catalog of Selected Documents in Psychology. Library has V.1-(1971)-. Washington, American Psychological Association.
- 1 Contains abstracts of documents not available in existing journals. Copies of manuscripts may be ordered through Journal Supplement Abstract Service of the American Psychological Association.
- C33
- REF Child Development Abstracts and Bibliography. Library has V.1-(1927)-. Washington, D.C., National Research Council.
- HQ Published 3 times a year by Society for Research in Child Development. Abstracts 750 journals in biology, psychology, sociology and related topics. Also includes AI selected book reviews and a list of current books received. Author and subject C47 indexes.
- REF Columbia University. Libraries. Psychology Library. Author Index to Psychological Index 1894-1935 and Psychological Abstracts 1927-1958. Boston, G. K. Hall, 1960.
- BF The basic index of 5 volumes, (3 supplements bring it up to 1971) was done at 31.5 Columbia University by clipping each citation in *Psychological Index and Psychological Abstracts*. Later supplements compiled by publisher. See also entries under C6 *Psychological Index and Psychological Abstracts* on p. 4.
- REF *Communications in Behavioral Biology*. Library has V.3-8 (1969-1971). New York, Academic Press.
- QH Continued as *Abstracts and Reviews in Behavioral Biology*.
- 301
- C6x
- REF Harvard University. *The Harvard List of Books in Psychology*. 4th ed. Cambridge, Harvard University Press, 1971.
- Z Compiled and annotated by psychologists at Harvard University. A selective 7201 bibliography of works in the main areas of psychology judged to be the best at H28 the time of publication. Contains an author index.
- 1971
- REF Indiana. University. Institute for Sex Research. Library. *Catalog of the Social and Behavioral Sciences Monograph Section of the Library*. Boston, G. K. Hall, 7164 1975.
- S42 A dictionary catalog of over 36,000 monographs consisting primarily of historical I53x materials and contemporary research relating to sexual behavior and marriage. Also contains material on abortion, psychiatry, psychology, religion, and women's rights.

Integrated Personnel Services Index. Library has V.2-(1970)-. Ann Arbor, Michigan. ERIC Counseling and Personnel Services Information Center. Gives information about resources currently available in all fields of student services including school counseling, school psychology, and college student personnel work. Divided into four parts: resumes, dissertations, journals, and books. Has subject and author indexes. Published semi-annually.

Mental Health Book Review Index. Library has V.1-(1956)-. New York. An annual list of books selected and reviewed by specialists. For each book reviewed there are three or more citations from English language journals in the behavioral sciences and mental health field. A cumulative author-title index is available for 1956-1967.

Mental Retardation Abstracts. Library has V.1-9 (1964-1972). Bethesda, Maryland. U.S. Department of Health, Education and Welfare, Public Health Service. Annotated abstracts on mental retardation and related handicaps. Categories range from broad to very specific. Author and subject indexes.

Psychological Abstracts. Library has V.1-(1927)-. Washington, D.C., American Psychological Association. Monthly abstracts provide summaries of the world's scientific literature in psychology and related disciplines. Material is divided into 17 major categories. Each issue contains author and brief subject indexes which are cumulated twice a year. Abstracts published since 1967 are now available on machine readable tape and provide basis for automated search and retrieval services. Succeeds *Psychological Index*.

Psychological Abstracts Cumulated Subject Index to Psychological Abstracts. Library has 1927/60-1968. Washington, D. C., American Psychological Association. Title varies. Volumes for 1961/65-1966/68 are called supplements to the 1927/60 cumulation. Subjects are alphabetical by broad topics. Each citation is listed alphabetically by title arranged by keyword or phrase. Biographical material is under "Biographies", book reviews are under "Books".

Psychological Index. Library has V.1-42 (1894-1935). Princeton, New Jersey, Psychological Review Company. Provides extensive coverage of all the literature of psychology and cognate subjects. Lists books, articles, and translations in a classified arrangement with author index at end of each volume. Succeeded by *Psychological Abstracts*.

Psychopharmacology Abstracts. Library has V.3-(1963)-. Philadelphia Medical Literature, Inc. A publication of the National Clearing House for Mental Health Information of the National Institute of Mental Health. Emphasis is on new developments in research into the nature and cause of mental health disorders and methods of treatment and prevention. Cumulative author-subject index based on keywords in title.

- REF *Quarterly Check-list of Psychology*. Library has V.1-(1961)-. Darien, Connecticut.
American Bibliographic Service.
- 7161 An international index of current books, monographs, and brochures published
763x by the American Bibliographic Service. Gives bibliographic descriptions and
prices but no annotations.
- REF *Social Sciences Citation Index*. Library has V.1-(1973)-. Philadelphia,
Institute for Scientific Information.
- 7161 A computer produced inter-disciplinary index to the literature of the social
763x sciences. Published quarterly with an annual cumulation in three sections:
Citation index, Corporate and Source index, and Permuterm subject index.
Citations are arranged by cited author and then chronologically by author
with the original journal citation. Permuterm index arranged by significant
words in the title of the article enables the user to search for the most
specific subject. International in scope.
- REF Tompkins, Margaret. *Checklist of Serials in Psychology and Allied Fields*.
E Troy, New York, Whitson, 1969.
- 7203 Prepared at Russell Sage College this annotated list gives all vital bibliographical
765 information, the subject matter fields covered, and the source of indexing for
approximately 450 serial publications. Contains only English language serials
and those foreign publications which contain an abstract summary or table of contents
in English.
