**ABSTRACT**

Fiscal year 1981 and 1982 data on state support of private higher education are presented. Information is provided on programs in operation or approved for state support of private higher education in the 50 states and the District of Columbia. The following types of support are identified for each state: contract, direct institutional aid, disadvantaged/minorities, facilities assistance/authorities, medical/dental/nursing, and student assistance. Funding amounts are indicated, along with distribution of the award and restrictions. (SW)

# HIGHER EDUCATION IN THE STATES

Published by the Education Commission of the States

Volume 8, Number 4

1982

Pages 207-248

### In This Issue:

This issue of *Higher Education in the States* contains the 10th and 11th annual tabular survey of programs in operation or approved for state support of private higher education in the 50 states and the District of Columbia as of January 1, 1981 and 1982. As the survey was not published in 1981, we have included the information on programs and funding for both fiscal years 1981 and 1982. The table begins on page 208.

### ECS PUBLICATIONS: A NEW LOOK

#### *State education Leader*

In 1982 the Education Commission of the States began a new flagship publication replacing *COMPACT* magazine, titled *State education Leader*. The *Leader's* new format is an easy-to-read 12- or 16-page tabloid geared for busy state education leaders but of equal interest to others involved in education policy. The tabloid contains decision-making information, how-to-do-it policy alternatives, and stories on state and national education programs. Published quarterly, the *State education Leader* is \$15 per year.

#### *State Education Review*

Beginning in January 1983 a new four-page publication, *State Education Review*, will replace *Legislative Review* published by ECS for many years. The *Review* complements the *State education Leader* with short, pithy coverage of state legislative activity, state studies, state and federal actions that affect education, and newsworthy items. The *Review* will be published 16 times a year and the subscription price is \$15 per year.

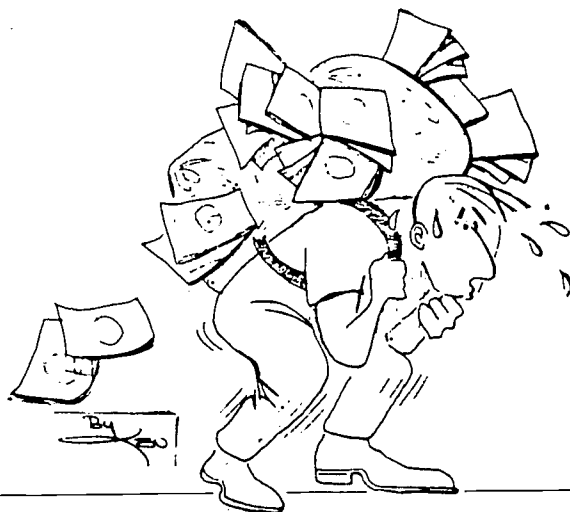

#### *Issuegrams*

These 4- to 6-page summaries of 50 major education issues are written especially for state political and education leaders. They include background and analysis of differing views, lists of resources and references. A list of the *Issuegrams* is available from the ECS Distribution Center. At \$2 per copy, 20 *Issuegrams* have been published as of January 1983, including such topics as collective bargain-

ing, adult learning, school improvement, achievement in mathematics and science, energy education and tuition tax credits.

A 1983 publication plan for postsecondary education is currently being developed, including a new format for *Higher Education in the States*, a new booklet on trends in postsecondary education, and the 1983 editions of the *Directory of Professional Personnel*, and the *State Postsecondary Education Profiles Handbook*.

A special subscription package has been developed that includes 4 issues of the *State education Leader*, 16 issues of *State Education Review*, 5 *Issuegrams* of your choice, plus 2 ECS reports of your choice. For further information, contact the ECS Distribution Center: Education Commission of the States, 1860 Lincoln Street, Suite 300, Denver, Colorado 80295.

NEW YORK

(a) See Column 3 (disadvantaged)

(b) See Column 5 (medical)

(a) Grants to independent colleges and universities. **Funding:** 1980-81, \$85 million; 1981-82, \$93 million. **Distribution:** Based on number of degrees awarded: \$1,200 for bachelor's; \$900 for master's; \$450 for associate (2-year schools only); \$4,500 for doctorate, including medical and dental.

(b) See Column 5 (medical)

(a) Higher Education Opportunity Program. Funds allocated to independent colleges to assist them in providing special educational opportunity for financially and educationally disadvantaged students. **Funding:** 1980-81, \$8,488,000; 1981-82, \$11,083,000 for private college students. **Distribution:** Average funding \$1,847/student. **Restrictions:** State residency.

(a) Dormitory Authority for construction. **Purpose:** Provides tax-exempt bonds for residential and academic facilities construction at private institutions.

(b) Deferred major maintenance loans for private institutions. **Purpose:** Remodeling, restoration or modernization of educational buildings.

(a) Competitive scholarships for 448 medical, dental and osteopathic students. **Funding:** 1980-81, \$1.1 million; 1981-82, \$876,000. **Distribution:** \$350 to \$4,000 per year based on financial need. **Restrictions:** Up to 75 of medical awards reserved for students agreeing to serve in physician-shortage areas. Stipends are up to \$4,000 per year, based on financial need.

(b) Medical/Dental Capitation Grants for independent institutions. **Funding:** 1980-81, \$14.1 million; 1981-82, \$14.5 million. **Distribution:** \$7,000 per student regardless of student's level. A bonus of \$8,500 additional is paid for each state resident who is also a COTRANS or Fifth Pathway student.

(c) Contracts with out-of-state public and independent medical and dental schools for enrollment of New York residents. **Funding:** 1980-81, \$1.5 million; 1981-82, \$1.7 million.

(a) Regents Scholarship and Fellowship Programs. Competitive and noncompetitive scholarships for use at in-state public or private institutions. **Funding:** 1980-81 and 1981-82, \$19.8 million each year (includes under column 5 (a)).

(b) Tuition Assistance Program (TAP) based on need, for student grants for use in the state. (Noncompetitive). **Funding:** 1980-81, \$246.9 million; 1981-82, \$285.8 million. **Distribution:** Grants for up to \$2,300 per student, not to exceed tuition; graduate students, \$800 maximum.

(c) See Column 3 (disadvantaged)

(d) Guaranteed Loan Program. Student may borrow up to \$7,500. In 1981-82, estimated distribution: 470,000 loans totaling \$1.1 billion.

(e) Postsecondary aid for native Americans. **Funding:** 1980-81, \$400,000; 1981-82, \$350,000. **Restrictions:** An enrolled member of a tribe, or child of a member, indigenous to New York State; state resident.

(a) 10 endowed chairs in science and humanities at 6 private and 4 public institutions. **Funding:** 1980-81 and 1981-82, \$1 million per year. **Distribution:** \$100,000 per chair.

(b) Independent institutions are authorized to make purchases through state contracts.
