## ABSTRACT

This 147-item bibliography of examination study guides is intended for use by undergraduate students who are preparing for examinations for admission to graduate or professional schools as well as for college graduates who are preparing for civil service tests for professional or managerial positions, such as police officer, accountant, and air traffic controller. Study guides for examinations such as the Graduate Record Examination and specific examinations for entrance into medical school or law school are included. Guides to examinations for undergraduate admission, such as the Scholastic Aptitude Test or American College Testing program are excluded, as are study guides for the civil service examinations for clerical or trade positions. Study guides are listed according to the Library of Congress classification. It is important to recognize that these classification numbers are subject to change. (SLD)

# Selective Bibliography of Professional Tests

Richard P. Wilcox

Assistant Librarian

California State University, Long Beach

This bibliography of examination study guides is intended for the use of undergraduate students who are preparing for examinations required for admission to graduate or professional schools as well as for college graduates who are preparing for civil service tests for professional or managerial positions. Excluded from this bibliography are guides to examinations for undergraduate admission, e.g. ACT, SAT. Also excluded are study guides for civil service examinations for clerical or trade positions. For example, guides to examinations for accountant positions are included; guides to bookkeeper/account clerk tests are excluded.

The study guides in this bibliography are listed according to Library of Congress classification. It is important to realize that LC classification numbers are subject to change. For example, study guides for the graduate management admission test (GMAT) are now generally classified in HD30.413; earlier editions were usually classed in HF1118.
