ABSTRACT

This 25-item annotated bibliography is composed of materials for teaching German in the content areas at the elementary and secondary levels. For each of the entries, the following information is indicated: target language, educational level, material type, content area, title, date of publication, author/developer, publisher and availability information, and an abstract/description of the material. Included are lists of publishers of German materials for teaching in the content areas (science, math, and social studies), program descriptions, curriculum guides, and suggested teaching methods for bilingual education, immersion, and foreign language in the elementary schools (FLES) programs.
