ABSTRACT

Because education itself is a business, starting an independent school is much like starting a private business. This guide, designed to provide a sound basis for planning, implementing, and evaluating an independent school, focuses on various objectives, tasks, and other operational concerns that are essential in the initial planning process. Specifically, various strategies, as well as space for a time table and the names of the persons responsible for completing the tasks, are included within this document for the areas of governance, personnel, facilities, recruitment, finance, course of study, evaluation, parents, and accreditation. An assessment of the use of this guide in the development of the V.V. Reid Elementary School, the only independent African-American elementary school in South Carolina, showed that this instrument was a very successful tool. (KM)

## INTRODUCTION

**Education is a business. Thus, starting an independent school is much like starting a private business. "Management by Objectives: A Guide for Starting An Independent School," was designed to provide a sound basis for planning, implementing and evaluating an independent school.**

**The Management by Objectives Plan of Action focuses on various objectives, tasks, and other operational concerns that are essential in the initial planning process. Additionally, the plan includes strategies, time tables, and persons responsible for completing the tasks. The MBO Plan of Action will enable you to do the following: (a) define where you are; (b) describe where you are going; (c) help you to manage your resources more effectively and (d) alert you to impending trouble within a defined time period.**

**An assessment of this MBO Plan of Action used in the development of V. V. Reid Elementary School showed that it was a very successful instrument. V. V. Reid Elementary School is the only independent African-American Elementary School in South Carolina. The school is sponsored by Reid Chapel African Methodist Episcopal Church. The district officials are: (a) The Retired Reverend Frederick C. James, Presiding Bishop; (b) The Reverend Dr. Willie J. Jefferson, Presiding Elder; and (c) The Reverend James R. Glover, Pastor. V. V. Reid Elementary School is located in Columbia, South Carolina.**
