ABSTRACT

This document is the United States/Canada edition of the information bulletin for the Test of English as a Foreign Language (TOEFL) and the Test of Spoken English (TSE). The bulletin provides information and registration forms necessary for taking the TOEFL or TSE. The purpose of the TOEFL is to evaluate the North American English proficiency of people whose native language is not English. The multiple-choice TOEFL consists of three sections: (1) listening comprehension; (2) structure and written expression; and (3) vocabulary and reading comprehension. At four administrations each year, the Test of Written English (TWE) is included as a direct writing assessment. The TSE evaluates spoken English proficiency, requiring examinees to orally answer questions presented in printed and recorded forms. The TOEFL, the TWE, and the TSE are commonly used by colleges and universities to determine the English proficiency of applicants. In addition to registration information, this bulletin contains practice questions for the TOEFL, the TWE, and the TSE; a score comparison table; and information about score reports. A list of institution codes for obtaining score reports is included, as is an order form for study materials. (SLD)

Educational Testing Service (ETS)<sup>®</sup> administers the tests under the general direction of a policy council that was established by, and is affiliated with, the College Board and the Graduate Record Examinations Board.

The TOEFL, TWE, and TSE programs do not operate, license, endorse, or recommend any schools or study materials that claim to prepare people for the tests in a short time or that promise them high scores on the tests.

## GENERAL INFORMATION

This is the United States/Canada edition of the *Bulletin of Information for TOEFL and TSE*. Use this bulletin to register to take the TOEFL® or TSE® test at a test center in the United States (and areas served by the U.S. postal system) or Canada. If you plan to take the TOEFL or TSE test in a country or area that is not listed on pages 7-9, ask for a specially prepared *Bulletin of Information* from the TOEFL-Princeton office.

### FACTS ABOUT TOEFL

- In 1988-89, 566,000 people registered to take the TOEFL test.
- It is given at more than 1,200 test centers in 170 countries and areas around the world.
- TOEFL scores are required for purposes of admission by more than 2,300 colleges and universities in the USA and Canada.
- TOEFL is also used by institutions in other countries where English is the medium of instruction.
- Many government agencies, scholarship programs, and licensing/certification agencies use TOEFL scores to evaluate English proficiency.
- Every test center is open to every properly registered person regardless of race, color, creed, or national origin.

### OTHER TESTS

- Undergraduate schools may ask you to take the College Board Admissions Tests (Scholastic Aptitude Test and Achievements).
- Graduate schools may require you to take the Graduate Management Admission Test (GMAT) or the Graduate Record Examinations (GRE). If you cannot get information bulletins for these tests, write to Educational Testing Service, Princeton, NJ 08541-0001, USA.

### TOEFL STUDY MATERIALS

- This free *Bulletin* will help you prepare for the TOEFL test. Some practice questions are provided on pages 15-19.
- You may also want to order OFFICIAL study materials. These are:

*TOEFL Sample Test*  
*Understanding TOEFL*  
*Listening to TOEFL*  
*Reading for TOEFL*

See pages 32-33 for further information.

### HOW TO USE THIS BULLETIN

- It is important to read all parts of this *Bulletin*.
- Complete your registration form. Follow the directions on pages 4-6.
- Read what you must do before you go to the test center. See pages 10-12.
- Read what you must take when you go to the test center. See pages 12-13.
- Review pages 22-25 to find out what TOEFL and TSE scores mean.
- Practice for the test. Answer the practice questions on pages 15-21.
- Keep this *Bulletin* so you will know how to send for additional score reports after you take the test. See pages 37 and 39.

### TIPS FOR EXAMINEES

- Take the test as soon as possible to be sure your score reports will be received by the college or university of your choice in time to be considered with your application.
- If you believe you should not be required to take the test, write directly to the institution to which you are applying. DO NOT write to TOEFL/TSE Services.

- The TOEFL/TSE registration form is NOT an application for admission to any institution. You must send separate application papers to each institution.

### THINGS TO REMEMBER!

- Use a medium-soft (#2 or HB) black lead pencil to fill out your registration form and answer sheet.
- Mail your registration form and payment at least four weeks before the deadline date.
- You will receive a receipt for your test payment. Your admission ticket will be your receipt.
- Identification requirements are very strict. Be sure you take the proper identification documents when you go to the test center.
- You will need a recent picture of yourself to attach to the photo file record that is attached to your ticket.
- Score reports are sent to you and to institutions about four weeks after you take the test.
- Scores that are more than two years old cannot be reported to you or to institutions.
- Always use the same form of your name. Do not change the spelling, and do not change the order of your names. The form of your name must be the same as on the official identification document you will use. Use this same form of your name:
  - On your registration form.
  - On your answer sheet or answer tape on the day of the test.
  - If you write to TOEFL/TSE Services.

### TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)

The purpose of the TOEFL test is to evaluate the English proficiency of people whose native language is not English. The test uses a multiple-choice format to measure the ability to understand North American English. The test consists of three sections:

- Listening Comprehension—Measures ability to understand English as spoken in North America.
- Structure and Written Expression—Measures ability to recognize language that is appropriate for standard written English.
- Vocabulary and Reading Comprehension—Measures ability to understand nontechnical reading matter.

#### Test of Written English (TWE)

If you take the TOEFL test at the September, October, March, or May administration, you will also be required to write a short essay. The Test of Written English gives you an opportunity to demonstrate your ability to write in English. This includes the ability to generate and organize ideas, to support those ideas with examples or evidence, and to compose in standard written English.

The TWE test is scored on a 1-6 scale. The test score is printed in a separate box on the TOEFL score report. It is not added to the TOEFL score.

If you wish to obtain a measure of your essay writing ability, or if an institution asks you to do so, be sure to register early for one of the four combined TOEFL/TWE administrations. You cannot register to take TWE only. Both tests must be taken on the same day.

## TEST OF SPOKEN ENGLISH (TSE)

You may also be required to take the Test of Spoken English. The purpose of the TSE test is to evaluate the spoken English proficiency of people whose native language is not English. It requires examinees to verbally answer a variety of questions presented in printed and recorded form. Your spoken answers are recorded on tape. No writing is required. On the test you are asked to:

- answer questions about yourself (Section 1)
- read a printed passage aloud (Section 2)
- complete partial sentences (Section 3)
- tell a story about a series of pictures (Section 4)
- answer questions about a single picture (Section 5)
- answer questions about general topics (Section 6)
- give a short presentation as if you are speaking to a group of students or colleagues (Section 7)

There are two separate registration categories within the TSE program: TSE-A and TSE-P.

**TSE-A** is for teaching and research assistant applicants who have been requested to take the TSE test by the admissions office or department chair of an academic institution. TSE-A is also for other undergraduate or graduate school applicants. The cost of TSE-A is US\$75.

**TSE-P** is for all other individuals, such as those who are taking the TSE test to obtain licensure or certification in a professional or occupational field. Under TSE-P, special handling and mailing procedures are provided to candidates. The cost of TSE-P is US\$100.

The Test of Spoken English will be administered 12 times a year at centers around the world under strict, standardized procedures designed to protect the security of the test. Because the TSE test is given on TOEFL testing dates, you may be able to take both tests on the same day. If you plan to do so, see the lists of TSE and TOEFL test centers on pages 7-9 to make sure that both tests are being administered at the same center on the same date.

**IMPORTANT: TSE is not administered as part of the TOEFL test. It is administered separately.**

## EUROCERT CERTIFICATION

The EUROCERT Certification Program allows you to show that you can communicate effectively in the English language. If you take the TOEFL/TWE and TSE tests and attain sufficiently high scores on all three tests, you are eligible to apply for a EUROCERT English proficiency certificate. The certificate will include your test scores, your photograph, and biographical data, and it will show that you have demonstrated the ability to communicate in the English language, specifically in the areas of listening, reading, writing, and speaking.

There are two levels of certification—Certified and Certified with Honors. The required scores for each level are listed below.

	Certified	Certified with Honors
TOEFL		
Listening Comprehension	53	60
Structure and Written Expression	53	60
Vocabulary and Reading Comprehension	53	60
TWE	4.5	6.0
TSE	220	260

The program was developed jointly by ETS (the TOEFL program) and CITO (the National Institute for Educational Measurement in the Netherlands), and is administered by CITO. For a certificate to be issued, your scores must meet the minimum requirements and CITO must receive your registration form and fee of US\$45 within one year from the date you took the first test.

## HOW TO REGISTER FOR THE TOEFL, TWE, AND TSE TESTS

### COMPLETING YOUR REGISTRATION FORM

Remove the TOEFL/TSE registration form from the envelope in the center of this *Bulletin*. You must use this form to register. You cannot register by cable, telephone, fax, or personal letter.

A sample of the registration form is shown on page 5. Follow these instructions to complete the form.

- Use a medium-soft (#2 or HB) black lead pencil. Do not use a pen or other marker. The ovals you fill in on the form will be read by a photoelectric machine. Fill them in completely so the letter or number inside each oval cannot be seen. Your registration form must be completed correctly.
- Print the information in the boxes.
- Fill in the same ovals as the letters or numbers you have printed.
- If you make changes, be certain to erase completely.
- Sign and date the form. This means that you agree to accept the conditions presented in this *Bulletin* concerning the test administration and the reporting of test results.

### Side 1 of Registration Form

**Item 1. NAME.** Using English letters, first print your family name (surname), then your given name, and then your middle name. Leave a blank box between names. If your name is printed in English letters in your passport or on another required identification document that

you will present at the test center, you must spell your name EXACTLY the same way on your registration form. Use one box for each letter or hyphen. Omit apostrophes. Then fill in the corresponding oval under each letter or hyphen. There are only 21 boxes for your name. Do not be concerned if you cannot print your entire name in the boxes.

This SAME FORM of your name will be printed on your admission ticket. You must also use this form of your name on your answer sheet and if you write to TOEFL/TSE Services or to the institutions that receive your test scores.

**Item 2. DATE OF BIRTH.** Write the month, day, and year of your birth and fill in the corresponding ovals. If you were born before October or before the tenth day of the month, be sure to write in a zero. For example, if your birthday were September 4, 1971, you would write 09/04/71 and then fill in the oval for each number. Remember that this is the American system of writing dates.

**Item 3. SEX.** Fill in the appropriate oval.

**Item 4. NATIVE COUNTRY CODE.** Find the name and code number of your native country or region in List C on page 30. Write the three-digit number. If your country has recently changed its name, look for it under its former name. If your country is not listed, write in 999. Fill in the ovals.

**Item 5. NATIVE LANGUAGE CODE.** Find the name and code number of your native language in List D on page 30. Write in the three-digit number. Remember, there are many languages spoken in the world, and not all of them are included here. If your language is not listed, write 999. Fill in the ovals.

**Item 6.** Fill in the oval that indicates which test(s) you plan to take. To take TOEFL and TSE on different dates, you must complete a separate registration form for each date.

**Item 7. TEST CENTER.** Use the Test Center List on pages 7-9 to select the center where you would like to take the test(s). Be sure the center is scheduled to be open on the date you select (see item 8). Fill in the center's four-digit code number. If there is no room at the center of your choice, TOEFL/TSE Services will automatically try to register you at a nearby center. Sometimes all the centers in an area are filled before the registration deadline date. ONLY if you are willing to take the test(s) in another area should you write in a second choice.

**NOTE:** Not all centers are open on all dates. If you live within 100 miles (160 kilometers) of a center that is open on one or more test dates, you are expected to take the test at the established center on a date it is scheduled to be open. However, if there are extraordinary circumstances that make it impossible for you to test at an established center, write to TOEFL/TSE Services. The October, December, March, and May test dates are the only dates supplementary centers may be opened. Your request to open a supplementary center must be received two months before the test date. Be sure to include your registration form and payment with your request.

**Item 8. TEST DATE.** There are two TOEFL/TSE testing programs, the Friday Testing Program and the Saturday Testing Program. (The format and length of the tests are the same for both programs.) Before you complete item 8, decide whether you would like to take the test(s) at a Friday administration or at a Saturday administration. Then choose a date and fill in the correct oval. Be sure there is enough time for your registration form to be received at TOEFL/TSE Services before the registration deadline date for the test date you select.

Make sure the test(s) is being given at the center you indicated in item 7 on the date you select.

**DO NOT REQUEST MORE THAN ONE TEST DATE ON A SINGLE REGISTRATION FORM.**

**Item 9. NEXT AVAILABLE TEST DATE.** If you are registering to take TOEFL only, or TSE only, skip 9a. Go on to 9b.

**9a. BOTH TOEFL AND TSE:** If you are registering for both TOEFL and TSE for the same test date and space is not available at the same center for both tests, indicate whether you are able to take one of the tests at a later date.

If you mark "Yes," you will be scheduled to take one of the tests on the next test date according to your instructions in 9b.

If you mark "No," you will be scheduled to take both tests according to your instructions in 9b when the center of your choice is scheduled to give both tests on the same date and space is available.

**9b. TRANSFER OR REFUND OPTIONS:** If the center you selected is filled and there is no other center nearby, you have one of four choices:

1. You can take the test(s) on the next available date under either the Friday Testing Program or Saturday Testing Program. To do this, fill in circle #1 next to the words "Next available Friday or Saturday date." If you choose this option, your registration may be transferred to either the Friday or the Saturday test date (also see "Note" following option 4), depending on the availability of testing space at the center of your choice.
2. If you wish to take the test(s) only on the next available Friday date, fill in circle #2 next to the words "Next available Friday date only." If you choose this option, your registration may be transferred to the next Friday date, depending on availability of testing space at the center of your choice.
3. If you wish to take the test(s) only on the next available Saturday date, fill in circle #3 next to the words "Next available Saturday date only." If you choose this option, your registration may be transferred to the next Saturday date, depending on availability of testing space at the center of your choice.
4. If you do not wish to take the test(s) on any other date, fill in circle #4 next to the words "A test payment refund." If you choose this option, we will not transfer your registration to another test date, but you will receive a refund of the total test payment and your registration will be canceled. Allow six weeks to process your refund check. (Study material fees are not refundable.)

If you have requested a test date at which the Test of Written English (TWE) will be given and you choose option 1, 2, or 3, note that the TWE test may NOT be given at the next available administration.

If you do not select any of the above options, you will be registered for the next test date on which the center of your choice is open under the program you originally selected. If you do not test on your assigned test date, you will be eligible for an absentee credit only (see page 9).

**NOTE:** If you choose option 1 and your registration is transferred from a TOEFL Friday administration to a TOEFL Saturday administration, you will receive a credit of US\$8. If your registration is transferred from a TOEFL Saturday administration to a TOEFL Friday administration, you will receive a bill for US\$8. This is an additional payment that must be made upon receipt of the bill.

**Item 10. TIMES TESTED.** The current testing year is July 1, 1990, to June 30, 1991. Fill in the oval that shows how many times you have taken the TOEFL test during this time. Do not include the test date for which you are now registering.

**Item 11. PAYMENT.**

Under the Friday and Saturday Testing Programs the payments for TOEFL are as follows:

	TOEFL Friday Testing Program	TOEFL Saturday Testing Program
Test Fee	US\$10	US\$ 10
Registration Processing Charge	29	21
Total Payment	US\$39	US\$31

Under the TSE program payments are as follows:

	TSE-A	TSE-P
Test Fee	US\$10	US\$ 10
Registration Processing Charge	65	90
Total Payment	US\$75	US\$100

All TOEFL and TSE payments are subject to change without notice.

Fill in the correct oval and write in the correct dollar amount for the tests and TOEFL study materials you are requesting. (Study materials are described on pages 32-33.) Write the total on the line marked "amount due." Then write the amount due and fill in the appropriate ovals.

All payments must be made in full and in US dollars. You may make your payment with a check drawn on a US bank or a money order. Do not send cash. Make your check or money order payable to TOEFL. (Receipts for bank checks or money orders are not acceptable. The actual negotiable check or money order must accompany your registration form.) Payment drawn on a Canadian bank will NOT be accepted.

**NOTE:** If you do not take the test, you may request a partial credit for the test payment. See "Absentee Credit" on page 9.

**Item 12. MAILING ADDRESS.** Print your complete, current mailing address.

## Side 2 of Registration Form

**Item 12. MAILING ADDRESS**

12a. In the boxes, print your mailing or street address (including house or apartment number if applicable) or P.O. box and number. You may abbreviate if necessary. (See page 31 for a list of accepted postal abbreviations.) Print one letter or number in each box and leave a blank box to indicate a space. Fill in the appropriate ovals and diamonds. Then, using the list on page 31, write the appropriate abbreviation for your state or province.

# TOEFL and TSE TEST CENTER LISTS

## CHANGES AND CANCELLATIONS

### TEST CENTER CHANGES

Test center changes will not be made by TOEFL/TSE Services. You should take the test at the center printed on your admission ticket. If you cannot, you may go to another test center on the same date.

If space and test materials are available, you may be permitted to take the test. You must take your admission ticket, the required identification document, and a completed photo file record (see page 12.). There is no guarantee that space or test materials will be available, or that you will be able to take the test.

If you are admitted to the new test center, you must change the test center number that is printed on your admission ticket and your photo file record. The admission ticket must be given to the test center supervisor at the end of the test. Contact TOEFL/TSE Services for the test center address and reporting time. Do not telephone or go to the test center before the day of the test. The center will not have the information necessary to help you.

If you are not admitted to the test center, see "Absentee Credit."

### TEST DATE CHANGES OR REGISTRATION CANCELLATIONS

You may not change your test date or cancel your registration. See "Absentee Credit."

### ABSENTEE CREDIT

You may NOT cancel your registration. If you do not take the test(s) and do not wish to register for a new test, send a request for an absentee credit voucher and your admission ticket to TOEFL/TSE Services. They must be received by TOEFL/TSE Services within 60 days after your test date. If your request arrives before this deadline, you will receive a partial credit of US\$10 about 10 weeks after receipt of your request. The remainder of your payment will be retained by TOEFL/TSE Services to cover expenses for processing your registration, ordering and shipping test materials, and holding space at the test center. Once you have been admitted to the test center, you are NOT eligible for any partial credit. Cash refunds are not available.

If you did not take the test(s) but plan to register for a new test date, send your admission ticket (for which you will receive a credit of US\$10 toward the total test payment), a completed registration form, and the remaining test payment within 60 days after your original test date to TOEFL/TSE Services.

For example, you would calculate your total payment as follows:

TOEFL	TSE-P
US\$31 Saturday test payment	US\$100 test payment
- \$10 less absentee credit	- \$10 less absentee credit
US\$21 + your admission ticket	US\$90 + your admission ticket

# BEFORE THE DAY OF THE TOEFL TEST

The following instructions are for TOEFL only. For TSE see page 11.

## PREPARING FOR THE TOEFL TEST

No single school, textbook, or method is best to help prepare a person for the TOEFL test since it is not based on a specific course of study. The TOEFL test is designed to measure a person's proficiency in English, and language proficiency can only be achieved after a relatively long period of study and practice. An attempt to study English for the first time shortly before taking the test will probably not be very helpful.

To help you become familiar with the TOEFL test, several practice questions for each section of the test are provided on pages 15-19.

The TOEFL study materials described on pages 32-33 may also help you. Be sure to order them early so you have time to use them before the day of the test.

## TOEFL ADMISSION TICKET

TOEFL/TSE Services will mail you an admission ticket. If you have not received your ticket five days before the test date, call TOEFL/TSE Services at 215-750-8050 between 8:30 a.m. and 4:30 p.m. New York time.

**YOU MUST REPORT TO THE TEST CENTER BY: 8:30 AM**  
THIS IS YOUR TEST DATE: 11/17/90

**THE IDENTIFICATION DOCUMENT THAT TOEFL REQUIRES YOU TO TAKE TO THE TEST CENTER IS SPECIFIED IN THIS BULLETIN**

**YOUR TEST CENTER ADDRESS**

OFFICE OF INTERNATIONAL STUDIES

OSAKA 573, JAPAN

**YOSHIMURA AOKI**

**INSTRUCTIONS FOR CORRECTIONS**

If you request a change in the printing of your name, birth date, or sex, the test supervisor must sign the ticket to verify that the corrected information is the same as the information on your identification document. The name and the name in the test supervisor's signature on the day of the test must be the same as the name on your identification document. Corrections to your name, birth date, and sex are subject to TSE approval.

**Supervisor's Signature Required**

Fill in the boxes of this ticket or you may not be admitted to the testing room.

## Front of the TOEFL Ticket

1. **Name.** When you receive your ticket, be sure your name is spelled correctly, and exactly as you printed it on your registration form. Remember, if your name is printed in English letters in your passport or on another required identification document that you will present at the test center (see pages 12-13), your name must be spelled the same way on your admission ticket. Also check the printing of your birth date and sex.

If changes are necessary, follow the directions on the ticket. Corrections must be given to the supervisor on the day of the test. The only changes accepted by TOEFL/TSE Services after the test date will be address changes.

If you correct an error in the printing of your name, birth date, or sex, the test center supervisor must verify the change with the information on your identification document. If the corrected information is accurate, the supervisor will sign the ticket. If the supervisor does not sign your ticket, the change will not be made. All corrections are subject to approval by the TOEFL/TSE office. Changes will not be accepted after the day of the test.

**NOTE: Do NOT return the ticket; you will need it at the test center. The supervisor will collect tickets with corrections after the test.**

2. **Registration Number.** Your registration number will be printed on your ticket.

**Photo File Record.** Complete your photo file record according to the directions on page 11.

## Back of the TOEFL Ticket

3. **Institution and Department Codes.** An official score report will be sent directly to an institution only if you correctly mark its code number and department number on your answer sheet.\* (You may mark code numbers for up to three institutions.) Therefore, it is very important that you accurately complete area 3 on your admission ticket. Using Lists A and B on pages 27-30, fill out the chart below. When it is complete, copy the information onto your admission ticket. Keep the chart for your records.

**NOTE: You cannot add, delete, or change an institution code on your answer sheet after it has been collected.**

## How to Complete the Chart

NAME OF INSTITUTION	INSTITUTION CODE	DEPT. CODE
1.		
2.		
3.		

### KEEP THIS CHART FOR YOUR RECORDS.

First, look at List A: Institution Codes (pages 27-29). Find the names of the institutions or agencies to which you want your official score reports sent. Then, copy the names and code numbers on the chart. (Code numbers are to the left of the names.) If you are applying to an institution that is not listed, contact the institution and ask it to provide you with its ETS/TOEFL-assigned code number, or you can ask TOEFL/TSE Services in Princeton for the code number. You must have this information before the test date so you can enter the code number on your answer sheet. (You will mark only the code numbers on your answer sheet, not the names.)

Only those institutions or agencies whose code numbers are marked correctly on the answer sheet will be sent official score reports at no additional cost. If you do not have code numbers, you will have to complete a Score Report Request Form and pay the required fee. (See page 37.)

To finish the chart, follow these instructions:

- If you are applying as an **undergraduate student** (that is, you have finished secondary school but have not completed your studies for a bachelor's degree), print 00 in the boxes for department code. Your score report will be sent to the undergraduate admissions office.
- If you are applying for **graduate study** (that is, you have already earned a college or university degree), look at List B: Department Codes (page 30). Find the name of the department in which you plan to study and then write the two-number code on your chart. If your department is not listed, write 99 in the spaces for department code. You must write a department code number so TOEFL/TSE Services can send your score report to the office that the graduate institution has named to receive TOEFL score reports. If you do not write a department code, TOEFL/TSE Services will not send an official score report to the institution.
- For an agency or an institution that is not a college or university, print 00 in the boxes for department code.

After you have completed the chart, complete areas 4, 5, and 6 of the admission ticket.

\*If you are sponsored by an institution or agency and have given your permission to TOEFL/TSE Services, the institution or agency will also receive a copy of your official score report.

## PHOTO FILE RECORD

Before you report to the test center, you must sign the photo file record. Attach a recent photograph of yourself (taken within the last six months) showing only your face and shoulders. It must show you as you will look on the day of the test, for example, with the same hairstyle, with or without a beard. (You may not be wearing a hat or cap that makes it difficult to see your face clearly.) The photograph should be clear enough so there is no doubt about your identity. It must fill the space provided, 2 1/4 inches x 2 1/2 inches. Photocopies are not acceptable.

**IMPORTANT:** If you do not receive an admission ticket(s), but have official authorization from TOEFL/TSE Services to test, you must still take a recent photograph to the test center. The supervisor will give you a photo file record form to complete at the center.

You must give the supervisor a recent photograph, or your answer sheet will not be scored. If you are taking both the TOEFL and TSE tests on the same day, you will need two photographs, one for each photo file record.

**NOTE:** Your photograph will be available to score recipients. It may also be supplied to United States and Canadian law enforcement agencies.

PHOTO FILE RECORD					
You must present this form to the supervisor at the test center. You will not be admitted to the testing center unless you have signed this form and attached a recent photograph of yourself.

## BEFORE THE DAY OF THE TSE TEST

### PREPARING FOR THE TSE TEST

TSE is designed to measure a person's proficiency in spoken English. Since spoken language proficiency can be achieved only after a relatively long period of study and much practice, an attempt to study English for the first time shortly before taking the test will not be very helpful.

To help you become familiar with the TSE test, several practice questions for each section are provided on pages 20-21.

### TSE ADMISSION TICKET

The TOEFL/TSE registration office will mail you an admission ticket. If you have NOT received your ticket five weeks before the test date, call TOEFL/TSE Services at 215-750-8050 between 8:30 a.m. and 4:30 p.m. New York time.

**BEFORE** you go to the test center, you must make any necessary corrections to the admission ticket and complete the attached photo file record, mailing instruction form(s), and score report mailing label(s). Do NOT separate the forms from the ticket. The test center supervisor will collect them. You will NOT be admitted to the center unless they are completed according to the following instructions.

**NAME:** When you receive your ticket, your name will be printed on the front of it. Be sure your name is spelled correctly and exactly as you printed it on your registration form. Remember, if your name is printed in English letters in your passport or on another approved identification document that you will present at the test center (see page 12), your name must be spelled the same way on your admission ticket. Also check to see that your birth date and sex are printed correctly.

If you correct an error in the printing of your name, birth date, or sex, the test center supervisor will compare the change with the information on your identification document. If the corrected information is the same, the supervisor will sign the ticket. If the supervisor does not sign your ticket, the change will not be made. All corrections are subject to approval by TOEFL/TSE Services. Changes will not be accepted after the day of the test.

**ADDRESS:** The address you gave on your registration form will also be printed on your admission ticket. If there is an error, print the correct information in the space below the address. Give your TSE admission ticket with the address change to the test center supervisor on the day of the test. If the address change is made after the test date, mail the change to TOEFL/TSE Services.

**TSE REGISTRATION NUMBER:** In the boxes below, copy the registration number and type (A or P) from your admission ticket. You must have this information if you write to TOEFL/TSE Services.

Up to two TSE score reports may be sent at no additional cost, provided the recipients are listed on these forms.

**MAILING INSTRUCTION FORM:** There are two mailing instruction forms. Fill out one form for EACH institution or agency to which you wish to have your TSE score report mailed.

Look at **List A: Institution Codes** on pages 27-29. Find the name of the institution or agency to which you want your score report sent. Copy the code number in the space provided. Then print the name **IN ENGLISH LETTERS**. If the institution or agency is not in List A, write 1000 in the institution code box and print the name to the right.

Next, look at **List B: Department Codes** on page 30. Read the instructions. Write the two-digit code number in the space provided. Then print the name of the department, office, and/or person. If your department is not listed, write 99 in the space for department code.

Print, in English letters, the mailing address of the score report recipient. Include the city and country where the institution is located.

A copy of the mailing instruction section is provided on page 12. You may wish to complete it so you have this information for your file.

**SCORE REPORT MAILING LABEL:** On the score report mailing label, **PRINT CLEARLY IN ENGLISH LETTERS** the same information you printed on the mailing instruction form: name of institution or agency; name of department, office, and/or person; and mailing address.

Do NOT fill in YOUR address on the mailing label. Your examinee's score record will automatically be mailed about one month after the test date to the address you filled in on your registration form.

## ON THE DAY OF THE TEST

Only properly registered applicants will be admitted to the test center. You cannot register at the test center.

The test will be given on the day and at the time printed on your admission ticket. (Separate tickets will be sent for TOEFL and for TSE. If you have registered for both, check the day and time on the ticket for each test.) The supervisor will not permit schedule changes.

**YOU MUST REPORT TO THE CENTER ON TIME. NO ONE WILL BE ADMITTED AFTER TEST MATERIALS HAVE BEEN DISTRIBUTED.**

**TOEFL and TWE**—TOEFL and TWE are given in a single session of about three and one-half hours. Actual testing time for TOEFL alone or the combined TOEFL and TWE tests is about two and one-half hours. Another hour is needed to admit examinees and to distribute and collect test materials.

**TSE**—The TSE test is given in one session. The actual testing time is approximately 20 minutes, but you should plan to be at the test center for at least 45 minutes. The extra time is required to admit examinees and distribute and collect test materials.

At the end of the test, you must remain in your seat until all test materials have been collected and accounted for. You may NOT leave until you are dismissed by the supervisor.

### WHAT TO TAKE TO THE TEST CENTER

When you go to the test center you must have:

1. **Your admission ticket and your signed photo file record with a recent photo attached, or official authorization from TOEFL/TSE Services and a recent photo.** You may not use a canceled check as proof of registration.  
**NOTE:** If you are taking both the TOEFL and TSE tests, you will need to complete a photo file record with an original photo attached for each test. (Photocopies will not be accepted.)
2. **Official identification.** Read the information under "Identification Requirements" about the photobearing identification you must take to the test center. Your identification will be checked before you are admitted. It will also be checked at the end of the test.
3. **Pencils.** Take at least two sharpened, medium-soft (#2 or HB) black lead pencils and an eraser.
4. **Watch.** You may take a watch. However, watch alarms, including those with flashing lights or alarm sounds, are not permitted.
5. **Lunch.** Luncheon facilities may not always be available at a test center. Therefore, if you are taking both the TOEFL and TSE tests, you may wish to take your lunch. However, you will not be permitted to take gum, candy, food, or beverages into the testing room.

### IDENTIFICATION REQUIREMENTS

There are different identification (ID) requirements for test centers in the United States and Canada. Your identification will be checked before you are admitted to the test. It will be checked again, at the end of the administration. You should note that an official at the test center may take your photograph on the day of the test.

Admission to the test does not imply that your identification is adequate or that your scores will be reported. If you insist on taking the test without the required official identification and a completed photo file record, your answer sheet/tape will not be scored and you will not receive a refund of the test payment. If you do not have the required identification and you do not take the test, you will be eligible for a US\$10 absence credit voucher. (See page 9.)

### FOR TEST CENTERS IN THE UNITED STATES:

**Official identification.** You must take your *valid* passport. Expired or photocopied passports are not acceptable. The passport must contain your signature and a recognizable photograph. (This means that you must look like the picture in your passport.) The photograph must be glued or sealed (not stapled) on the page. The official seal, either embossed or in ink, must overlap the photograph onto the page. If your passport does not meet these requirements, you must also take a letter of identity as described on the next page.

If your passport is lost or is at your embassy for renewal or if it is not available to you for any other reason, you will have to wait to register for the test until the passport is available to you. Only your original passport will be accepted. Photocopies are not acceptable.

**Exceptions to the passport requirement for centers in the UNITED STATES apply only to those listed below.**

- A. If you are a citizen of the United States, you must show the test center supervisor proof of your citizenship, such as your birth certificate. In addition, you must take a letter verifying your identity from an official of the school you attend or most recently attended. (The letter must meet all the requirements given in the example shown at the bottom of page 13.)  
**NOTE:** If you are taking both tests, you will need to show the letter to both the TOEFL and TSE test center supervisors.
- B. If you are a naturalized United States citizen, you may use your Certificate of Naturalization as proof of your identity and citizenship. If there is no photograph on your certificate, you must also show a photobearing letter as described in "A" above.
- C. If you are a United States immigrant, you may use your alien card issued by the U.S. Immigration Office. However, if it does not contain a photograph that is both recognizable and taken after age 14, you must also take with you a letter as described in "A" above, except that, in area (3), the letter must state that you are a United States immigrant.
- D. If you are a member of the United States armed forces, you may use your photobearing military ID card.
- E. If you are a refugee, you must show evidence that you are a refugee and must also show a photobearing letter as described in "A" above, except that the letter should be issued by your sponsoring agency and should be on official letterhead of the agency. In area (4), the letter must state that you are a refugee (and must state the name of the country). In area (5), the letter must state that you are sponsored by an agency (the name of the agency must be included), and, in area (7), the seal of your sponsoring agency must overlap your photograph. All other areas of the letter must be completed as described in "A."

F. If you are an applicant for legalization, you may use your temporary resident card issued by the U.S. Immigration Office.

**NO OTHER FORMS OF IDENTIFICATION WILL BE ACCEPTED. A DRIVER'S LICENSE OR STUDENT ID WILL NOT BE ACCEPTED.**

FOR TEST CENTERS IN CANADA:

**Official identification.** You must take your *valid* passport. Expired or photocopied passports are not acceptable. The passport must contain your signature and a recognizable photograph. (This means that you must look like the picture in your passport.) The photograph must be glued or sealed (not stapled) on the page. The official seal, either embossed or in ink, must overlap the photograph onto the page. If your passport does not meet these requirements, you must *also* take an Oath of Identity letter as shown on the right.

If your passport is lost or is at your embassy for renewal or is not available to you for any other reason, you will have to wait to register for the test until the passport is available. Only your original passport will be accepted; photocopies are not acceptable.

Exceptions to the passport requirement for centers in CANADA apply only to those listed below.

A. If you are a citizen of Canada, you may use a Canadian citizenship card issued after 1977 with a recognizable photograph.

B. If you do not have a passport or Canadian citizenship card, you may use:

A photobearing Certificate of Identity issued by the Department of External Affairs, Canada  
or

A Canadian immigration identification record and a photobearing Oath of Identity letter sworn and sealed before a Commissioner of Oaths in Canada or a lawyer who is also a notary public, verifying your identity and stating your status as a non-passport-holding immigrant. This oath must have the signature and the seal of the Commissioner of Oaths or the lawyer's notary seal over the photograph, which must be glued (not stapled) to the oath. This must be on the original letterhead of the Commissioner or lawyer with the name and address of the Commissioner or lawyer clearly stated. An example of an acceptable Oath of Identity letter appears in the next column.

**NO OTHER FORMS OF IDENTIFICATION WILL BE ACCEPTED. A DRIVER'S LICENSE OR STUDENT ID WILL NOT BE ACCEPTED.**

**LETTER OF IDENTITY**

If you present a letter as an identification document, as per A, B, C, or E on page 12 or an addition to your passport, it must be an original letter, not a photocopy of a letter, and it must contain the following:

- (1) Official letterhead of your school or sponsoring agency (school for U.S. citizens, sponsoring agency for refugees in the U.S.).
- (2) Your name, as it appears on the proof of status that you must take to the test center.
- (3) Your date of birth.
- (4) Your citizenship or immigrant or refugee status. (The letter must state that you are a citizen of the United States, or an immigrant or a refugee and the name of the country you are from.)
- (5) Your affiliation with the school or sponsoring agency. (The letter must state that you are or were a student at the school or that you are a refugee sponsored by an agency.)
- (6) Your photograph, glued to the letter.
- (7) The seal of your school or sponsoring agency, overlapping your photograph.
- (8) The signature and title of the official who issued the letter, overlapping your photograph.

## TEST CENTER PROCEDURES AND REGULATIONS

The same procedures are followed at all test centers to make sure that everyone has equal testing time and that the operation of the center meets criteria for standardized testing. The success of the test administration depends on your cooperation.

- You will be assigned a seat by the test center staff. You may not select your own seat.
- **TOEFL**—There is no scheduled rest break during the TOEFL test. If you become ill or need to use the rest room, you must give the supervisor your identification document(s) before you leave the room. You will not be permitted to make up the time you lose.
- **TSE**—There is no rest break during the test. If you leave the room for any reason, you will not be allowed to finish the test.

You may be dismissed from the testing room or have your scores canceled if you fail to follow any of the testing regulations and instructions given by the test supervisor.

TOEFL/TSE Services will not score the answer sheet/tape and will not refund the test payment of anyone who:

- Attempts to take a test book, test tape, answer sheet, or answer tape from the testing room. Test materials are the property of Educational Testing Service. Legal action may be taken against a test taker who removes and/or reproduces any test materials.
- Attempts to take the test for someone else. Your signature and photograph may be sent to an institution or agency for verification of your identity.
- Gives or receives assistance during the test.
- Fails to follow instructions given by the test supervisor.
- Reads or works on one section of the test during the time allowed for another or continues to work after time is called.

- Makes any marks or underlines words in the test book or makes notes in the test book or on the answer sheet.\*
- Brings dictionaries, other books, notes, calculators, or recording or photographic devices into the testing room.
- Brings tobacco, gum, candy, food, or beverages into the testing room.
- Creates a disturbance or behaves inappropriately.
- Makes notes about the test questions or answers or copies them from the test book.
- Cheats in any other way.

The supervisor must report any suspected cheating to TOEFL/TSE Services.

## RESCHEDULING THE TEST DATE

Sometimes a test center may not be able to give the test on a scheduled date. This may happen because of an unforeseen circumstance, such as nonarrival of test materials, a postal strike, a natural disaster, or a political disturbance. **When a center cannot administer the test on a scheduled date, it will be rescheduled for another date as soon as possible.** If you do not wish to take the test on the new date, you may apply to TOEFL/TSE Services within 60 days of the rescheduled test date for a full refund of the test payment. Beyond the refunding of test payments, TOEFL/TSE Services is not liable for any inconvenience, expense, or other personal damages incurred by examinees because of a test date change.

**NOTE:** When a TOEFL test must be rescheduled, the TWE test may or may not be given on the new test date.

\*Test supervisors will collect the test books in which examinees have made marks or underlined words and return the books to TOEFL/TSE Services after the test. On TOEFL test dates when examinees are permitted to have their test books (see page 34), examinees who make notes in their test books will not be permitted to have those books or any other test books.

## TAKING THE TOEFL TEST

### HOW TO COMPLETE SIDE 1 OF YOUR ANSWER SHEET

After the test materials are distributed, you will be given instructions for filling out side 1 of the answer sheet. You must fill out your answer sheet carefully. The information you give on it will be printed exactly the same way on all official score reports. **You must use the EXACT form of your name as it appears on your identification document. This must be the same name printed on your admission ticket or as corrected and approved by the test center supervisor.**

### SAMPLE ANSWER SHEET

Look at the sample of side 1 of the answer sheet and read the information below.

1. In area 1 (NAME), Patricia Miller-Lampugnani copied her name in the boxes as it was printed on her admission ticket. She first printed her family name (Miller-Lampugnani); then she left a space blank and printed her given name. Because there were only 21 spaces for her entire name, she left out the remaining letters of her given name. **Under each box she filled in the oval corresponding to the letter she printed in the box.**
2. In area 2 (REGISTRATION NUMBER), she copied her registration number from her ticket and then filled in the correct oval beneath each number.
3. In area 3 (INSTITUTION AND DEPARTMENT CODES), she copied from her ticket the institution and department codes of the three institutions to which she wants her official score reports sent and then filled in the correct oval beneath each number. Note that she chose 5007 (American U.), 4832 (U. of Arizona), and 1666 (Roosevelt U.). For department (Mathematics), she filled in 72 in each case.
4. Follow the instructions given on the answer sheet for completing areas 4-9.

### SIDE 2 OF YOUR ANSWER SHEET

You will mark your answers to the test questions in the ovals on side 2 of your answer sheet. Each row of four ovals corresponds to the four answer choices for each question. The marks you make will be read by a scoring machine.

**NOTE:** The machine-scoring process is subject to frequent, careful quality controls, including scoring a sample of the answer sheets by hand. **You are responsible for marking your answer sheet properly.** To ensure accurate scoring, follow these instructions:

- Use a medium-soft (#2 or HB) black lead pencil.
- Be careful to mark the oval that matches each answer you choose and the number of the question you are answering. You will not be permitted to make any corrections after time is called.
- Mark only one answer to each question.
- Carefully fill each oval so you cannot see the letter inside the oval. Light or incomplete marks may not be read properly by the scoring machine.
- Completely erase any unnecessary marks.

There are two versions of the answer sheet—horizontal and vertical. On the day of the test, you will receive only one version of the answer sheet. The examples on page 15 show you how to mark each version. Be sure to fill in the ovals the correct way so your answer sheet will be scored properly.

The answer key is on page 36, but do not look at it until you have tried to answer all the questions. The chart on page 36 lists the percentages of examinees who answered the practice questions correctly.

**NOTE:** The answer sheets on page 26 are for your practice only. Do NOT send them to TOEFL/TSE Services. If you do, they will NOT be scored or returned to you.

## Section 1—Listening Comprehension

The questions in Section 1 of the test are on a recording.

In this section of the test, you will have an opportunity to demonstrate your ability to understand spoken English. There are three parts to this section, with special directions for each part.

### Part A

**Directions:** For each question in Part A, you will hear a short sentence. Each sentence will be spoken just one time. The sentences you hear will not be written out for you. Therefore, you must listen carefully to understand what the speaker says.

After you hear a sentence, read the four choices in your test book, marked (A), (B), (C), and (D), and decide which *one* is closest in meaning to the sentence you heard. Then, on your answer sheet, find the number of the question and fill in the space that matches the letter of the answer you have chosen. Fill in the space so that the letter inside the oval cannot be seen.

#### Example

#### Sample Answer\*

**You will hear:** *Mary swam out to the island with her friends.* (A) (B) (C) (D)

**You will read:** (A) Mary outswam the others.

(B) No one else was allowed to sketch.  
(C) Susan drew only one sketch.  
(D) Susan draws only what she likes.

\*Answers for the examples have been printed only in the horizontal format.

### Part B

**Directions:** In Part B you will hear short conversations between two speakers. At the end of each conversation, a third person will ask a question about what was said. You will hear each conversation and question about it just one time. The sentences you hear will not be written out for you. Therefore, you must listen carefully to understand what each speaker says. After you hear a conversation and the question about it, read the four possible answers in your test book and decide which *one* is the best answer to the question you heard. Then, on your answer sheet, find the number of the question and fill in the space that corresponds to the letter of the answer you have chosen.

#### Example

#### Sample Answer

**You will hear:**

### Part C

**Directions:** In this part of the test, you will hear several short talks and conversations. After each of them, you will be asked some questions. You will hear the talks and conversations and the questions about them just one time. They will not be written out for you. Therefore, you must listen carefully in order to understand what each speaker says.

After you hear a question, read the four possible answers in your test book and decide which *one* is the best answer to the question you heard. Then, on your answer sheet, find the number of the question and fill in the space that corresponds to the letter of the answer you have chosen.

Answer all questions on the basis of what is *stated* or *implied* in the talk or conversation.

Listen to this sample talk.

You will hear:

(first man) *Balloons have been used for about a hundred years. There are two kinds of sport balloons, gas and hot-air. Hot-air balloons are safer than gas balloons, which may catch fire. Hot-air balloons are preferred by most balloonists in the United States because of their safety. They are also cheaper and easier to manage than gas balloons. Despite the ease of operating a balloon, pilots must watch the weather carefully. Sport balloon flights are best early in the morning or late in the afternoon, when the wind is light.*

Now look at the following example.

Sample Answer

You will hear:

(second man) *Why are gas balloons considered dangerous?*

A  B  C  D

You will read: (A) Watch for changes in weather.  
(B) Watch their altitude.  
(C) Check for weak spots in their balloons.  
(D) Test the strength of the ropes.

The best answer to the question "According to the speaker, what must balloon pilots be careful to do?" is (A), "Watch for changes in weather." Therefore, you should choose answer (A).

### PRACTICE CONVERSATION AND QUESTIONS

Questions 7-10 refer to the following conversation about New York City.

You will hear:

(woman) *"The Big Apple"? What are you talking about?*

(first man) *"The Big Apple" is the nickname for New York City. You are going to New York with us, aren't you?*

(woman) *Yes, I'm going. I'm especially looking forward to seeing the Museum of Modern Art. There's a special show on twentieth-century American painters there. But, tell me, where did the nickname "The Big Apple" come from?*

(first man) *The jazz musicians of the 1920's are responsible for the name. When they played a concert in a city, they called that city an "apple." Of course, New York was the biggest city in the country and the best place for a jazz concert. So, the musicians called it "The Big Apple."*

### Section 3—Vocabulary and Reading Comprehension

This section tests your comprehension of standard written English. There are two types of questions in this section, with special directions for each type.

**Directions:** In questions 1-4, each sentence has an underlined word or phrase. Below each sentence are four other words or phrases, marked (A), (B), (C), and (D). You are to choose the *one* word or phrase that *best keeps*

*the meaning of* the original sentence if it is substituted for the underlined word or phrase. Then, on your answer sheet, find the number of the question and fill in the space that matches the letter you have chosen. Fill in the space so that the letter inside the oval cannot be seen.

**Example**

Passenger ships and aircraft are often equipped with ship-to-shore or air-to-land radio telephones.

**Sample Answer**  
A   B      D

- (A) highways  
(B) railroads  
(C) planes  
(D) sailboats

The best answer is (C), because "Passenger ships and planes are often equipped with ship-to-shore or air-to-land radio telephones" is closest in meaning to the original sentence. Therefore, you should choose answer (C).

Now begin work on the questions.

### PRACTICE QUESTIONS

- The technological innovations of recent years have changed the nature of many jobs and influenced the careers of many people.

(A) professions  
(B) conveyances  
(C) trading  
(D) marketing

- Gradually, the waves that break on shore wash away the land.

(A) Now and then  
(B) Here and there  
(C) Little by little  
(D) Time after time

- Jan Ernest Matzeliger made the first shoe-lasting machine, which shaped and fastened the leather onto the sole of a shoe.

(A) affixed  
(B) polished  
(C) tanned  
(D) dyed

- When cornered, a bobcat is ferocious.

(A) careful  
(B) fierce  
(C) frustrated  
(D) trapped

**Directions:** In the rest of this section you will read several passages. Each one is followed by several questions about it. For questions 5-10, you are to choose the *one* best answer, (A), (B), (C), or (D), to each question. Then, on your answer sheet, find the number of the question and fill in the space that matches the letter of the answer you have chosen.

Answer all questions following a passage on the basis of what is *stated* or *implied* in the reading passage.

**Example passage and questions**

The rattles with which a rattlesnake warns of its presence are formed by loosely interlocking hollow rings of hard skin, which make a buzzing sound when its tail is shaken. As a baby, the snake begins to form its rattles from the button at the very tip of its tail.

(5) Thereafter, each time it sheds its skin, a new ring is formed. Popular belief holds that a snake's age can be told by counting the rings, but this idea is fallacious. In fact, a snake may lose its old skin as often as four times a year. Also, rattles tend to wear or break off with time.

**Example**

A rattlesnake's rattles are made out of

(A) skin  
(B) bone  
(C) wood  
(D) muscle

**Sample Answer**

  B   C   D

According to the passage, a rattlesnake's rattles are made out of rings of hard skin. Therefore, you should choose answer (A).

**Example**

How often does a rattlesnake shed its skin?

Sample Answer  
Ⓐ Ⓑ ● Ⓓ

- (A) Once every four years
- (B) Once every four months
- (C) Up to four times every year
- (D) Four times more often than other snakes

The passage states that "a snake may lose its old skin as often as four times a year." Therefore, you should choose answer (C).

Now begin work on the questions.

**PRACTICE PASSAGE AND QUESTIONS**

Noting that "an air route without markings is like a highway without signs," Phoebe F. Omlie of the National Advisory Committee for Aeronautics in 1935 conceived a plan to paint town names and directional indicators on the roofs of buildings throughout the United States.

Line (5)

At Eleanor Roosevelt's suggestion, the Bureau of Air Commerce hired women fliers, among them Louise Thaden and Blanche Noyes, to scout sites and get permission for the markers from local officials and building owners. Workers then painted the signs in orange characters, seven to twelve feet high and legible from 3,000 feet. The system soon became the answer to a lost pilot's prayer with 16,000 markers—one every 15 miles—on every air route in the country.

(10)

5. What is the best title for this passage?
  - (A) Eleanor Roosevelt's Political Career
  - (B) Road Markers of the Skies
  - (C) How To Mark Signs
  - (D) Women and Flying
6. Which of the following words would probably NOT appear on one of the markers described in the passage?
  - (A) North
  - (B) Louisville
  - (C) Parking
  - (D) Southeast
7. Who gave permission for the markers to be painted?
  - (A) Louise Thaden
  - (B) Eleanor Roosevelt
  - (C) Local officials
  - (D) Local pilots
8. The function of the markers is most similar to that of
  - (A) street signs
  - (B) bookmarkers
  - (C) traffic lights
  - (D) advertisements
9. The "prayer" referred to in line 11 most probably means
  - (A) a religious service
  - (B) a formal speech
  - (C) a slight chance
  - (D) an earnest wish
10. Where in the passage do we learn who first had the idea for the markers?
  - (A) Lines 1-5
  - (B) Lines 6-9
  - (C) Lines 9-10
  - (D) Lines 10-12

**Additional TOEFL test material is contained in the study materials described on pages 32-33.**

**ABOUT THE TWE TEST**

If you take the TOEFL test in September, October, March, or May, you will also take the Test of Written English (TWE). You will have 30 minutes to write about 200-300 words. You will not need special knowledge of the topic.

You will write your essay on a page attached to your TOEFL answer sheet. When you are told to begin work, read the instructions and the essay topic carefully. You will probably want to spend a few minutes thinking about the kind of essay you will write, and you may wish to make a few brief notes. The test supervisor will tell you where to make your notes for the writing test. Plan to take at least 20 minutes to write your essay after you have read the instructions and made notes.

The sample topics printed below are similar to the topic you will be asked to write about on the actual TWE test.

**Sample Topic A**

Some people say that the best preparation for life is learning to work with others and be cooperative. Others take the opposite view and say that learning to be competitive is the best preparation. Discuss these positions, using concrete examples of both. Tell which one you agree with and explain why.

**Sample Topic B**

Inventions such as eyeglasses and the sewing machine have had important effects on our lives. Choose another invention that you think is important. Give specific reasons for your choice.

**Sample Topic C**

You have interviewed three people for an engineering job in your company. Using information from the chart, select one of the three people for the position. Explain why you have chosen that person.

**CHARACTERISTICS OF THREE PEOPLE INTERVIEWED FOR A JOB**

	Person A	Person B	Person C
Ability to Communicate in Speaking and Writing	*	**	****
General Appearance	****	***	*
Educational Background	**	****	***
Recommendation from a Previous Employer	****	**	***

-------------------	-------------	------------	-----------

**ABOUT THE TSE TEST**

When you take the Test of Spoken English (TSE), you will be given a test book and asked to read a set of general directions before you begin. Each section of the test has special instructions. These instructions are similar to those given for the practice questions that follow. Become familiar with the instructions before you take the test.

The whole test is recorded. A voice on the test tape will ask you various questions. When you answer, you will speak into a microphone and your answers will be recorded on another tape. Do not be nervous. To help you overcome any nervousness, you may wish to practice recording your voice before the day of the test.

The actual testing time is about 20 minutes. The test tape will announce the beginning and the end of each section. Listen carefully to each question and answer it when the voice on the tape tells you to do so. Speak in a clear and natural tone of voice, but loudly enough for the machine to record clearly what you say. Your scores will be based on what is recorded on the tape. Do not stop your tape recorder at any time during the test unless you are told to do so by the test supervisor.

## TSE Practice Questions

The following practice questions and the instructions for each test section are similar to those you will find in the test. To get the most benefit from these practice questions, try to answer them just as you would during the actual test.

### SECTION ONE

In this section of the test, you will be asked to answer some questions about yourself. Be sure to speak clearly after you hear each question. On the actual test, you will be allowed approximately 15 seconds to answer each question. Here are some sample questions:

1. What is your registration number?
2. What is your name?
3. Where do you live?

In the actual test, the questions in Section One will NOT be printed in the test book.

### SECTION TWO

In this section, you will be asked to read a printed paragraph aloud. You will be given one minute to read it silently to yourself. Then you will have one minute to read the paragraph aloud. You will be scored for proper pronunciation and clear speech. Allow yourself one minute now to read the following paragraph silently.

#### Radio Broadcasting

Radio reached its peak as a form of entertainment in the 1930's and 1940's. Every broadcast, no matter how modest, required a large number of talented people to get it on the air, from writers and directors to sound engineers and musicians. The unsung heroes and heroines were the people responsible for sound effects, those wizards who could produce any sound—from a teacup being placed in its saucer to a raging fire. In the early days, few effects were prerecorded so the staff experimented to make the sounds just right. For example, they tried hitting hollow coconut shells on a flat surface to imitate the clip-clop sound of a horse's trot. Sound effects helped listeners to imagine that everything being portrayed was truly happening.

Now read the paragraph again, but this time read it aloud with expression. Allow yourself exactly one minute to read the paragraph aloud.

### SECTION THREE

In this section, you will see partial sentences and will be asked to make complete sentences using these parts. Look at the example:

*Example.* (You will read) When the library opens. . .

There are a number of possible completions for this sentence. You could say, for example:

When the library opens, I will return the book.

OR

When the library opens, the students will go there to study.

OR

When the library opens, Mary will look for a new novel.

These are only samples. There are many other possibilities. Try to make the completed sentence meaningful and grammatically correct.

Now, complete each of the three partial sentences. During the actual test, you will hear only the number of each question. You will be allowed 10 seconds to complete each sentence. Speak when you hear the number, and be sure to say the complete sentence.

1. Whenever John comes home. . .
2. Before we left for class. . .
3. Because the restaurant is closed. . .

### SECTION FOUR

In this section, you will see a series of pictures that tell a continuous story. You will be asked to tell the story that the pictures show.

During the actual test, you will be told how to begin your story. You will have one minute to tell the story. Speak as accurately and in as much detail as you can.

Now study pictures 1-6 for exactly one minute and then tell the story in exactly one minute.

### SECTION FIVE

In this section, you will be asked four questions about a picture. There are many different ways each question can be answered correctly. You will have one minute to study the picture silently before you hear the questions.

First, study the picture on page 21 silently for one minute. Then, answer each of the following questions. Be sure to say as much as you can in the time allowed for each question. You will be given approximately 12 seconds to answer each question.

1. Where is this scene taking place?
2. What has just happened?
3. What will the boy probably do after this?
4. How could this situation have been avoided?

In the actual test, the questions in Section Five will NOT be printed in the test book.

### SECTION SIX

In this section, you will be asked to describe certain objects and to give your opinions on topics of international interest. Be sure to say as much as you can in responding to each question. Remember, this is simply a test of spoken English. When it is scored, the graders will be interested in how you express your ideas, not the actual ideas. You will be given approximately 45 seconds to answer each question.

1. Describe the things that make a perfect day.
2. Describe a telephone in detail.
3. What is your opinion of the problem of automobile pollution?

In the actual test, the questions in Section Six will NOT be printed in the test book.

### SECTION SEVEN

In this section of the test, you will see a schedule or a notice describing activities of a class, club, conference, etc. For example, the class schedule below describes the class activities. You will be asked to explain the schedule or notice. Be sure to include all important details in your description.

For the sample below, imagine that you are the teacher, meeting your class for the first time. First, study the schedule silently; allow yourself only one minute.

Remember to include all important details in your description of the schedule to your class. In your presentation, do not just read the information printed, but present it as if you were talking to a group of people. Now, begin your description of the class schedule. Allow yourself exactly one minute.

# TOEFL TEST RESULTS AND SCORE RECORDS

The TOEFL test payment entitles you to up to four copies of your test results. One copy will be sent to you as an examinee's score record, and official score reports will be sent directly to as many as three institutions or agencies if you mark the correct code numbers on your TOEFL answer sheet.\* (See "TOEFL Score Reporting Services" on page 23.)

Test results will be sent to you and to institutions about one month after you take the test. **UNDER NO CIRCUMSTANCES CAN TEST RESULTS BE GIVEN BY TELEPHONE OR BE SENT ANY EARLIER.** Test results will be sent two or three weeks later to examinees whose answer sheets are not completed properly or whose answer sheets arrive late at TOEFL/TSE Services. All test results will be mailed by the final deadline—12 weeks after the test.

## YOUR TOEFL SCORE RECORD

TOEFL test scores include three section scores and a total score. Each correct answer counts equally toward the score for that section. There is no penalty for wrong answers. The total number of correct answers is called the "raw score." (NOTE: Some of the questions in the test may not count toward the section or total scores.)

The raw score for each section is converted by statistical means to a number on a scale called the TOEFL test scale. The scaled scores are given on the score reports. TOEFL section scores are scaled scores that can range from 20 to 68. TOEFL total scores can range from 200 to 677. The scaled score for each section is simply an indication of your performance on that section. It is neither the number nor the percentage of questions you answered correctly.

The process that is used to convert your raw scores to scaled scores is called score equating. Score equating ensures that test scores are equal for persons of equal proficiency regardless of the difficulty level of the particular test taken. TOEFL scaled scores are equated by methods based on item response theory. (Further information about item response theory may be obtained by reading "An Introduction to Item Response Theory," by R. L. McKinley, in the journal *Measurement and Evaluation in Counseling and Development* [Vol. 22, No. 1, pages 37-57, April 1989], or *Application of Item Response Theory to Practical Testing Problems*, a textbook by Frederic M. Lord, Lawrence Erlbaum Associates, Hillsdale, NJ, 07642, USA.)

To obtain the total score for TOEFL, add the scaled scores for each section and multiply by ten thirds. The example shows how the three scaled section scores are used to obtain the total score.

$$\begin{array}{r} \text{Section 1} \quad \text{Section 2} \quad \text{Section 3} \\ \text{Example:} \quad 46 \quad + \quad 54 \quad + \quad 50 \quad = 150 \\ (150 \times 10) \div 3 = 500 \end{array}$$

Test scores cannot be perfectly precise. A person's score can vary just by chance from one test administration to another, even when there is no change in the person's true proficiency. The standard error of measurement is the index that describes the degree of precision in a measurement. In the case of the TOEFL test, the standard error of measurement of the total score is approximately 14 scaled score points. This means that if an examinee's "true" proficiency score—the score the person would earn if the test could measure his or her ability with perfect precision—is, for example, 560, the chances are about two out of three that the person's observed score will be somewhere between 546 and 574 (560 plus or minus 14).

\*If an institution or agency makes your payment and if you have given your permission to TOEFL/TSE Services, that institution or agency will also receive a copy of your official score report.

## SCORES OBTAINED ON DIFFERENT EDITIONS OF THE TOEFL TEST

Slight differences in difficulty from one test to another do occur. However, the method of scoring the test takes these minor differences into account. As an example, a total score of 550 on one edition of the test represents the same level of English proficiency as a score of 550 on another edition.

## ACCEPTABLE SCORES

Each institution that requires TOEFL scores decides for itself what scores, or ranges of scores, are acceptable. These requirements vary from institution to institution, depending on such factors as your field of study, your level of study (graduate or undergraduate), whether you will be a teaching assistant, and whether the institution offers special courses in English as a foreign or second language. In general, institutions consider a total score of 600 or above to be excellent and a score below 400 as weak. However, an acceptable TOEFL score depends entirely on the requirements of each institution. There is no specific passing or failing score.

If you have questions about how your scores have been used or interpreted, contact the institutions directly.

## INTERPRETING YOUR TOEFL SCORES

The TOEFL Score Comparison Table will help you interpret your scores.

To illustrate the use of the table, let us assume that your total score is 500. Your section scores are 46 on Section 1 (listening comprehension), 54 on Section 2 (structure and written expression), and 50 on Section 3 (vocabulary and reading comprehension).

TOEFL SCORE COMPARISON TABLE (based on the scores of 875,897 examinees who took the test from July 1987 through June 1989)							
TOTAL SCORE		SECTION SCORES					
		Section 1		Section 2		Section 3	
Your Score	% Lower Than You	Your Score	% Lower Than You	Your Score	% Lower Than You	Your Score	% Lower Than You
660	99	66	98	66	97	66	99
640	97	64	95	64	94	64	96
620	93	62	91	62	91	62	92
600	88	60	86	60	85	60	87
580	81	58	79	58	77	58	80
560	73	56	72	56	70	56	71
540	62	54	62	54	59	54	60
520	51	52	52	52	49	52	50
500	39	50	42	50	39	50	39
480	29	48	31	48	30	48	30
460	20	46	22	46	23	46	22
440	13	44	14	44	16	44	16
420	8	42	8	42	11	42	11
400	5	40	4	40	7	40	7
380	2	38	2	38	4	38	4
360	1	36	1	36	2	36	3
340		34	1	34	1	34	2
320		32		32	1	32	1
300		30		30		30	

First, look at the area in the table labeled "Total Score." Then, in the column under "Your Score," find the score 500. In the "% Lower Than You" column, opposite the 500, you will see the number 39. This number means that you achieved a higher score on the total test than 39 percent of all people who took it from July 1987 through June 1989.

Now, look at the area labeled "Section Scores." For Section 1, look for 46 under "Your Score." The next column, "% Lower Than You," means that you achieved a higher score on Section 1 than 22 percent of all who took the test. For Section 2, find the score of 54 under "Your Score." By reading across, you can see that you achieved a higher score than 59 percent of the examinees on Section 2. For Section 3, the table shows you that, with a score of 50, you achieved a higher score on vocabulary and reading comprehension than 39 percent of all those who took the test.

## SCORE RESULTS FOR THE TEST OF WRITTEN ENGLISH

The essays written for the TWE test are scored by composition specialists. The readers are teachers of English as a second language or English composition.

The TWE score is reported on a scale of 1 to 6. The TWE score will not affect your total TOEFL test score.

Scores	Explanations of TWE Scores
6	Clearly demonstrates competence in writing on both the rhetorical and syntactic levels, though the essay may have occasional errors.
5	Demonstrates competence in writing on both the rhetorical and syntactic levels, though the essay will have occasional errors.
4	Demonstrates minimal competence in writing on both the rhetorical and syntactic levels.
3	Demonstrates some developing competence in writing, but the essay remains flawed on either the rhetorical or syntactic level, or both.
2	Suggests incompetence in writing.
1	Demonstrates incompetence in writing.
1NR	Did not write an essay.
OFF	Did not write on assigned topic.

A TWE score is measurement information and is subject to all restrictions on release of information indicated in this *Bulletin*. It is not the property of the examinee.

## INTERPRETING YOUR TWE SCORE

Use the TWE Score Comparison Table to help you interpret your score. Assume that your TWE score is 4.5. Under "Your Score" in the table, find the score 4.5. In the "% Lower Than You" column, opposite 4.5, is the number 76. This number means that you achieved a higher score on the TWE than 76 percent of all people who took the test from November 1987 through May 1989.

TWE SCORE COMPARISON TABLE (based on the scores of 314,854 examinees who took the test from November 1987 through May 1989)			
TWE SCORE			
Your Score	% Lower Than You	Your Score	% Lower Than You
6.0	97	3.0	13
5.5	94	2.5	6
5.0	86	2.0	2
4.5	76	1.5	1
4.0	50	1.0	0
3.5	34		

## TWE TEST SCORE DATA

Since language proficiency can change considerably in a relatively short period, TOEFL/TSE Services will not report TWE scores that are more than two years old. Individually identifiable TWE scores are retained for only two years. After two years, all information that could be used to identify an individual is removed and the data are retained indefinitely. If you took the TWE test more than two years ago, you will have to take it again to have the scores sent to an institution or agency. TWE score data that may be used at any time for research or statistical purposes are not individually identifiable.

## TOEFL SCORE REPORTING SERVICES

### Examinee's Score Record

About one month after the test, an examinee's score record will be sent to the address you marked on the registration form or that you provided on a corrected admission ticket or letter notifying TOEFL/TSE Services of a new address. If the postal service returns your score record as being undeliverable, TOEFL/TSE Services will retain it only if there is a new address on file. Therefore, if your address changes after you take the test, please contact TOEFL/TSE Services.

You may order additional copies of your score record by completing the **Score Report Request Form** on page 37.

Additional score reports may be ordered only from TOEFL/TSE Services.

### How to Order Official Score Reports

If you need additional official score reports, use the **Score Report Request Form** on page 37. A copy of the form is also sent to you with your examinee's score record. Use this form if you want TOEFL/TSE Services to send official score reports to institutions other than those whose codes you marked on your answer sheet or if you want another score record sent to you. You cannot delete or change a designated institution after you have mailed a request.

You **MUST** complete a **Score Report Request Form** to request additional copies. Scores more than two years old cannot be reported. Requests made by telephone, fax, or cable will not be accepted.

You may send your examinee's score record directly to an institution. However, institutions are advised to request official verification of any test sent to them by examinees. If there is a difference between the official scores recorded at Educational Testing Service (ETS) and those on the score record you send, the institution will be requested to send ETS a copy of the score record. At the written request of an official of the institution, ETS will report to it the official scores, as well as any previous scores recorded for you within the last two years. ETS will also provide information about your scores at the request of an institution that has a copy of your examinee's score record.

**NOTE:** Information contained in TOEFL test files about your native country, native language, and the institutions to which your official score reports have been sent, as well as your actual scores, is the same as the information printed on your examinee's score record.

A TOEFL score is measurement information and is subject to all restrictions on release of information indicated in this *Bulletin*. It is not the property of the examinee.

## TOEFL TEST SCORE DATA

Since language proficiency can change considerably in a relatively short period, TOEFL/TSE Services will not report scores that are more than two years old. Individually identifiable TOEFL test scores are retained on a data base for only two years. After two years, all information that could be used to identify an individual is removed. The data are then retained indefinitely.

TOEFL test score data that may be used at any time for research or statistical purposes are not individually identifiable.

## SCORE CANCELLATION BY ETS

TOEFL/TSE Services, on behalf of ETS, is obligated to report accurate scores. For this reason, ETS maintains test administration and test security standards designed to assure that all examinees are given the same opportunity to demonstrate their abilities and to prevent some examinees from gaining an unfair advantage over others because of testing irregularities or misconduct. ETS routinely reviews irregularities and test scores believed to be earned under unusual or nonstandard circumstances.

ETS reserves the right to cancel any test score if the examinee engages in misconduct, if there is a testing irregularity, or if ETS believes there is reason to question the score's validity. Before test scores are canceled for misconduct, the examinee is notified and given an opportunity to provide additional information.

When the validity of a test score is questioned because it may have been obtained unfairly, ETS notifies the test taker of the reasons for questioning the score and gives him or her an opportunity to provide additional information, to confirm the questioned score by taking the test again, or to authorize ETS to cancel the score and refund all test fees.

In addition, the test taker can request third-party review of the matter by asking any recipient to review the information and make its own decision about accepting a score that may be invalid or by asking that a member of the American Arbitration Association arbitrate ETS's action in accordance with ETS procedures established for this purpose. Special exceptions and additional details of the procedures for questioning scores and for third-party reviews are available upon request.

Special exceptions that may warrant modification of the above procedures should be noted. ETS reserves the right not to score answer sheets and to summarily cancel test scores where there is an apparent discrepancy in photo identification.

Reviews of questionable scores by ETS are confidential. If ETS cancels a score that has already been reported, score users are notified that the score is canceled, but the reasons for ETS's actions are not disclosed.

When test scores are canceled because of irregularities, such as improper timing or defective materials, the examinee is given an opportunity to take the test again at no additional fee.

## TSE TEST RESULTS AND SCORE RECORDS

The TSE test payment entitles you to a total of three copies of your test results: an examinee's score record for you and two official score reports for institutions and agencies that you specify on the mailing instruction form, attached to your admission ticket. Test results will be mailed about one month after you take the test.

Score reports may be delayed three weeks or even longer if your answer tape arrives late or if it is not properly recorded. If your answer tape cannot be scored because of mechanical problems, you will be offered a makeup test free of charge.

All TSE answer tapes are independently scored by two people. This means that neither person knows the scores assigned by the other. The scorers are specialists in the fields of English, English as a second language, or linguistics. If the two scorers do not agree on your score for one or more of the diagnostic areas or for overall comprehensibility, a third person will score the answer tape. The reported scores will be based on a resolution of the differences among the three scorers.

### YOUR TSE SCORE RECORD

Your score record will contain four different scores: for overall comprehensibility, pronunciation, grammar, and fluency. All the ratings are averaged separately. The score for overall comprehensibility is not an arithmetical average of the other scores but a separate score. The score for overall comprehensibility will be reported on a scale that ranges from 0 to 300 rounded to the nearest 10. Scores for pronunciation, grammar, and fluency will be reported on a scale from 0 to 3 rounded to the nearest tenth. Descriptions of the performance indicated by each score range follow.

#### Overall Comprehensibility

- 0-90 Overall comprehensibility too low in even the simplest type of speech.
- 100-140 Generally not comprehensible due to frequent pauses and/or rephrasing, pronunciation errors, limited grasp of vocabulary, and lack of grammatical control.
- 150-190 Generally comprehensible but with frequent errors in pronunciation, grammar, choice of vocabulary items, and with some pauses or rephrasing.
- 200-240 Generally comprehensible with some errors in pronunciation, grammar, choice of vocabulary items, or with pauses or occasional rephrasing.
- 250-300 Completely comprehensible in normal speech, with occasional grammatical or pronunciation errors in very colloquial phrases.

#### Pronunciation

- 0.0-0.4 Frequent phonemic errors and foreign stress and intonation patterns that cause the speaker to be unintelligible.
- 0.5-1.4 Frequent phonemic errors and foreign stress and intonation patterns that cause the speaker to be occasionally unintelligible.
- 1.5-2.4 Some consistent phonemic errors and foreign stress and intonation patterns, but speaker is intelligible.
- 2.5-3.0 Occasional nonnative pronunciation errors, but speaker is always intelligible.

#### Grammar

- 0.0-0.4 Virtually no grammatical or syntactical control except in simple stock phrases.
- 0.5-1.4 Some control of basic grammatical constructions but with major and/or repeated errors that interfere with intelligibility.
- 1.5-2.4 Generally good control in all constructions, with grammatical errors that do not interfere with overall intelligibility.
- 2.5-3.0 Sporadic minor grammatical errors that could be made inadvertently by native speakers.

#### Fluency

- 0.0-0.4 Speech is so halting and fragmentary or has such a nonnative flow that intelligibility is virtually impossible.
- 0.5-1.4 Numerous nonnative pauses and/or a nonnative flow that interferes with intelligibility.
- 1.5-2.4 Some nonnative pauses but with a more nearly native flow so that the pauses do not interfere with intelligibility.
- 2.5-3.0 Speech is smooth and effortless, closely approximating that of a native speaker.

**NOTE:** Information contained in the TSE test files about your native country, native language, and your scores is the same as the information printed on your examinee's score record. TOEFL/TSE Services will not release your scores or other information about you without your written consent. Your scores will be sent only to the institutions you mark on your admission ticket or on a TSE Score Report Request Form (see page 39) you send to TOEFL/TSE Services.

A TSE score is measurement information and is subject to all restrictions on release of information indicated in this *Bulletin*. It is not the property of the examinee.

## ADDITIONAL TSE SCORE REPORTS

To have your test results sent to more than two institutions, you must use the Score Report Request Form on page 39. Telephone, cable, fax or telex requests will not be accepted.

## TSE TEST SCORE DATA

Since language proficiency can change considerably in a relatively short period, TOEFL/TSE Services will not report scores that are more than two years old. Individually identifiable test scores are retained for only two years. After two years, all information that could be used to identify an individual is removed and the data are retained indefinitely. If you took the TSE test more than two years ago, you will have to take it again to have scores sent to an institution or agency.

TSE test score data that may be used at any time for research or statistical purposes are not individually identifiable.

## PASSING SCORES

There are no passing or failing scores, as such, on the TSE test. Each institution determines for itself what scores are acceptable. To learn how scores are interpreted, contact the institutions that have received your test results.

## SCORE CANCELLATION

See "Score Cancellation by ETS" on page 24.

## INTERPRETING YOUR TSE SCORES

The TSE Score Comparison Table will help you interpret your scores.

To illustrate the use of this table, let us assume that your overall comprehensibility score is 210. Your diagnostic scores are 2.0 in pronunciation, 2.7 in grammar, and 2.1 in fluency.

First, look at the area in the table labeled "Overall Comprehensibility Score." Then, in the column under "Your Score," find the score 210. In the "% Lower Than You" column, opposite the 210, you will see the number 44. This number means that you achieved a higher score in overall comprehensibility than 44 percent of all people who took the test from July 1987 through June 1989.

Now, look at the area labeled "Diagnostic Scores." For pronunciation, look for 2.0 under "Your Score." The next column, "% Lower Than

You," means that you achieved a higher score on pronunciation than 37 percent of all who took the test. For grammar, find the score of 2.7 under "Your Score." By reading across, you can see that you achieved a higher grammar score than 74 percent of the examinees. For fluency, the table shows you that, with a score of 2.1, you achieved a higher score than 46 percent of all those who took the test.

## SPECIFIC REQUESTS

### CANCELING YOUR SCORES

If you believe you did not perform well on the TOEFL or TSE test, you may cancel your scores. Do one of the following:

**TOEFL** — Complete the score cancellation section of your TOEFL answer sheet.

**TSE** — Complete the score cancellation section on your TSE answer tape.

— OR —

Immediately after the test, cable, fax, telex, or call TOEFL/TSE Services at 215-750-8050 or send a telegram to EDUCTESTSVC, Princeton, NJ 08541, USA. "Attention: TOEFL/TSE Score Cancellations." You must also follow up your communication with a written and signed request to TOEFL/TSE Score Cancellations, P.O. Box 6151, Princeton, NJ 08541-6151, USA.

Your request to cancel your scores must be received by TOEFL/TSE Services no later than seven days after the test date printed on your admission ticket. You may not wait until after you have received your examinee's score record to cancel your scores.

**NOTE:** You cannot cancel your score for one section of the test and have the scores for the remaining sections reported. Your TSE score will be canceled only if you are canceling your TOEFL scores.

If your scores are canceled within seven days of the test date, they will not be reported to you or to any institution and you will not receive a refund of your test payment. Once a score is canceled and deleted from your permanent record, it cannot be reinstated and reported at a later date. If you wish to take the test again, you must complete a new registration form and mail it to TOEFL/TSE Services with another test payment.

## HANDICAPPED INDIVIDUALS

Handicapped individuals should take the test(s) under the same conditions as all other examinees. Scores obtained under different, nonstandard testing conditions cannot be compared to scores obtained under regular conditions. Therefore, it is difficult to evaluate the English proficiency of an examinee who takes the test under nonstandard conditions.

If you have a visual, aural, or other physical impairment that you believe makes it impossible for you to test under standard conditions, ask the institutions to which you are applying to consider other ways of evaluating your English language proficiency. If you must take the test(s), send your registration form, payment, and request explaining the special arrangements you require, to TOEFL/TSE Services, at least three months before the test date you prefer. (Nonstandard administrations are held only on regularly scheduled test dates.) TOEFL/TSE Services will send you information about the procedures to arrange a nonstandard administration.

While there may be some variations in individual cases, TOEFL/TSE Services will try to arrange nonstandard administrations, which may also include extended time, as follows:

### TOEFL:

Visual impairment — A reader/amanuensis if necessary.

Aural impairment — Sections 2 and 3 of the test only (no Section 1, listening comprehension). Scores for Sections 2 and 3 only will be reported; no total score will be reported. On some test dates, the examinee will also have to take

TWE. A score for that test will be reported.

Motor impairment — Adjustments to physical arrangements as required; a reader/amanuensis if necessary.

### TSE:

Visual impairment — Only Sections 1 and 6 can be given under standard conditions; Sections 3 and 7 will require a reader. Sections 2, 4, and 5 cannot be administered under nonstandard conditions. (Whenever more than half the questions that contribute to a particular score are missing, no score for that section is reported. Thus, for a visually impaired examinee, no diagnostic score can be given for pronunciation or for fluency.)

Aural impairment — A written script of questions and other instructions will be provided.

Motor impairment — Adjustments to physical arrangements will be made, as required.

Official score reports and the examinee's score record will indicate that the test was taken under nonstandard conditions. Institutions receiving such score reports will be advised that no normative data can be supplied.

Note that every effort is made to accommodate individuals with special needs. However, local conditions may make it impossible to administer the test under nonstandard conditions.

LIST A: Institution Codes

The following list of codes is to be used for completing the chart on page 10. Do not use this list in selecting a test center.

Agencies and institutions listed here do not necessarily require or recommend taking the TOEFL or TSE test. However, they are approved to receive TOEFL and TSE scores. Some approved institutions and agencies are not listed because they receive too few score reports. In that case, contact the institution or agency directly to get its code number.

## STUDY MATERIALS

designed to help students prepare to take the TOEFL test. Ideal for home study!

### TOEFL TEST KITS

Three test kits have been designed to help students understand the specific English language skills the TOEFL test measures. These test kits can be valuable to you in several ways:

- You can become familiar with the kinds of questions that will be given on the day of the test.
- You will have an opportunity to work with a multiple-choice answer sheet.
- You will be able to simulate actual testing conditions and to plan your test-taking strategy.

Understanding TOEFL contains 110 minutes of test material with 150 questions from actual TOEFL tests. The workbook includes descriptions of all three sections of the test and an explanation of each question in every section.

Listening to TOEFL focuses on Section 1, Listening Comprehension, the section that many examinees find the most difficult. This test kit contains three cassettes with 173 minutes of recorded test material used in the actual test. In addition to the listening comprehension material, there are two full-length TOEFL tests.

Reading for TOEFL focuses on Section 3, Vocabulary and Reading Comprehension. The questions in this section measure the ability to understand various kinds of reading materials, as well as the meanings and uses of words. There are 120 practice questions from reading passages and 120 vocabulary questions from actual TOEFL tests. In addition, this test kit contains two full-length TOEFL tests.

**NOTE:** These test kits do not include the Test of Written English (TWE).

## HOW TO ORDER TOEFL STUDY MATERIALS

1. You may order study materials when you register to take the TOEFL test. To order test kits, you must send an additional **US\$11** with your test payment for each kit. It is about half the length of the actual test and contains the same kinds of questions, including listening comprehension. The questions in the *Sample Test* will give you a good idea of what to expect when you take TOEFL at a test center.

**NOTE:** The *Sample Test* does not include the Test of Written English (TWE).

If you wish to receive study materials before the test date, be sure to order them early.

## TOEFL DISCLOSED TEST ADMINISTRATIONS

TOEFL disclosed test administrations have been scheduled for the following test dates:

July 13, 1990  
August 4, 1990  
September 14, 1990  
October 27, 1990  
May 11, 1991

On these five test dates, examinees who complete the test will be permitted to have their test books. The test books used on all other test dates will not be made available to examinees.

On these dates, examinees at test centers in the United States, Canada, and Puerto Rico will be permitted to take their test books with them when they leave the testing room at the end of the test. Examinees at test centers in all other areas must take a 15.3 cm × 22.8 cm self-addressed envelope with sufficient postage to mail the test book, which weighs 1 ¼ ounces (40 grams). Give the envelope to the test center supervisor. The test book will be mailed to you by the supervisor the week after the test.

Examinees who complete the test at disclosed test administrations may also obtain a copy of the TOEFL answer sheet on which they marked their answers, an answer key, and a cassette recording of Section 1. Copies of the Test of Written English (TWE) answer sheets will not be provided to examinees.

The TOEFL answer sheets, answer keys, and cassette recordings are not free and must be requested on a TOEFL Disclosed Test Materials Order Form. The materials may be ordered up to four months after the test date.

# RESCORING REQUESTS

## TOEFL REQUEST FOR RESCORING

You may request that your answer sheet be rescored by hand. The answer sheet will then be scored independently by two different people.

If hand scoring confirms the accuracy of the scores reported earlier, TOEFL/TSE Services will send you a letter stating that the scores are not changed. If there is a difference between the hand-scored and machine-scored results, the hand-scored results—which may be higher or lower than those originally reported—will be reported to all recipients of the earlier scores with an explanation of why the scores changed.

If you want your answer sheet hand scored, complete the form below and send it, with the required fee of US\$20, to:

TOEFL/TSE Services  
P.O. Box 6151  
Princeton, NJ 08541-6151  
USA

Payment **MUST** be enclosed with a signed request form or the form will be returned to you. A request for hand scoring must be received within six months of the test date. Requests received later will not be honored.

The results of the hand scoring will be available about three weeks after the receipt at TOEFL/TSE Services of your Rescoring Request Form and fee.

**NOTE:** The TWE test cannot be rescored.

## TSE REQUEST FOR RESCORING

You may have your answer tape rescored by an additional independent rater; that is, your answer tape will be scored by a rater who had not scored the tape previously. If your TSE scores increase or decrease, you will receive a revised examinee's score record and revised official score reports will be sent to the institutions that received your scores. These revised scores will become your official TSE scores. If the rescoring confirms your original TSE scores, you will be so notified by letter from TOEFL/TSE Services.

To request that your answer tape be rescored, complete the form below and send it, with the required fee of US\$40, to:

TOEFL/TSE Services  
P.O. Box 6157  
Princeton, NJ 08541-6157  
USA

Payment **MUST** be enclosed with a signed request form or the form will be returned to you. A request for rescoring must be received within six months of the test date. Requests received later will not be honored.

The results of the rescoring will be available about three weeks after the receipt of your Rescoring Request Form and fee.

# TOEFL SCORE REPORT REQUEST FORM

## SCORE REPORT REQUESTS

Use the form below to request TOEFL official score reports for institutions you did NOT list on your answer sheet on the day of the test. Remember that scores more than two years old cannot be reported.

The form will be returned to you if you do not give complete information or if you do not enclose the correct fee.

Do not send a letter with this form. It will cause delay. Be sure to mail it to the correct address; there are separate addresses for the regular and rush services.

Score reports will be mailed after the score report mailing date (see front cover) to the institutions you have listed. **UNDER NO CIRCUMSTANCES CAN SCORE REPORTS BE SENT ANY EARLIER.**

Score reports will be mailed according to the service you select:

**Regular Service**—Scores will be mailed within three weeks after TOEFL/TSE Services receives your request.

**Rush Service**—Scores will be mailed within two working days after TOEFL/TSE Services receives your request.

An acknowledgment form confirming that your official score reports have been mailed will be sent to you.

institution name and the complete mailing address, leaving the institution code area blank.

To finish completing the form, follow these instructions:

If you plan to study at the undergraduate level, or if the institution is not a college or university, leave the space for department name blank and write 00 in the boxes for department code.

If you are applying for graduate study (that is, you have already earned a college or university degree), look at **List B: Department Codes** (page 30). Find the name of the department in which you plan to study and then copy the name and two-number code. If your department is not listed, write 99 in the spaces for department code. You must write a department code number so the TOEFL office can send your score report to the office that the graduate institution has named to receive TOEFL score reports. If you do not write a department code, the TOEFL office will not send an official score report to the institution.

**NOTE:** You cannot delete or change designated institutions once your completed form has been submitted. List no more than four recipients on this form. If you wish to order more than four reports, you must use another form.

Language specialists prepare TOEFL, TWE, and TSE test questions. These specialists follow careful, standardized procedures developed to ensure that all test materials are of consistently high quality. Each question is reviewed by several members of the ETS staff. The Committee of Examiners, an independent group of professionals in the fields of linguistics and language training who report to the TOEFL Policy Council, is responsible for the test content.

After test questions have been reviewed and revised as appropriate, they are selectively administered in trial situations and then assembled into test forms. The test forms are then reviewed according to established ETS and TOEFL/TSE program procedures to ensure that the forms are free of cultural bias. Statistical analyses of individual questions, as well as of the complete tests, ensure that all items provide appropriate measurement information.

Although ETS employs extensive quality control checks throughout the development of test questions and the preparation of final tests, typographical errors or flaws in questions are encountered on rare occasions. If you suspect a problem and want to question a test item for any reason, please write to the following address immediately after taking the test:

School and Higher Education Test Development  
Educational Testing Service  
P.O. Box 6636  
Princeton, NJ 08541-6636, USA

Please include the name of the test, the test date, the center where the test was taken, and, if possible, the number of the test item being questioned.

If you have a complaint about the testing facilities or the supervisor, write to the TOEFL/TSE program office within three days after the test date. Be sure to give the date of the test and the city and country in which you tested. Write to TOEFL/TSE Program Office, P.O. Box 6155, Princeton, NJ 08541-6155, USA.
