ABSTRACT

This is a statistical report for the fiscal year 1993 for Texas public and independent institutions of higher education. Listed first are all institutions of higher education in the state including universities, health-related institutions, community colleges, senior colleges, and junior colleges. A section on enrollment offers data on 5-year trends including enrollment by classification, ethnic origin, and gender, first-time freshmen; retention of freshmen and transfer students by ethnic origin and gender; as well as enrollment figures by residence status. A section on credit hours includes figures on credit hours by level, program, and semester. A section on degrees awarded lists degrees awarded by level, ethnicity, gender, and program at public universities, public community and technical colleges, and public health related institutions. A section on faculty includes data on rank, ethnicity, gender, and tenure status as well as salaries, and student-faculty ratios. A section on governing board members and non-faculty personnel provides data by ethnicity and gender. A section on facilities covers investment in physical plant and net assignable facilities space. Data on appropriations covers all funds and general revenue. A section on student financial aid includes data on recipients by ethnicity and gender, on the Hinson-Hazlewood loan program, on loan forgiveness and repayment, on grants, and on student scholarship and employment programs. A final section contains profiles of the 35 public universities. (JB)

¹Data is computed. Each ratio represents fall semester full-time student equivalents divided by the number of full-time faculty equivalents computed from the institutions' CBM008. For purposes of these computations, institutional fall semester totals of student credit hours divided by 15 were used as the measure of full-time equivalents.

²Due to the partnership between the University of Texas at Brownsville and Texas Southmost College, reporting anomalies have occurred.

The License Plate Insignia Scholarship Program is funded through the sale of special car license plates which show the insignia of the participating institution. Only those institutions committing to sell at least 1,500 special plates may participate. Funds for public universities are directly deposited in school accounts at the State Treasury by the Department of Public Safety. Scholarship awards are then made on campus. License plate proceeds for independent institutions and public community colleges are deposited at the State Treasury in a Coordinating Board account. The Coordinating Board then forwards public community college funds to the schools to award on campus. Applications from independent institutions are administered by the Board.
