ABSTRACT

This report lists postsecondary schools with official student loan default rates of 25.0 percent or greater for fiscal years (FY) 1994, 1995, and 1996. The listed schools may therefore be excluded for the first time from participation in the Federal Family Education Loan Program and/or the Federal Direct Student Loan Program due to their high default rates, and this exclusion may be extended for an additional year due to their FY 1996 official cohort default rates. A listed school's participation in these programs will end 30 days after receiving notification, unless the school submits an appeal. Schools are listed alphabetically by state. Provided for each listing are an identification number, school name and address, program length/type/region/district, year/s for which cohort default rates have been calculated, number of borrowers in default, number of borrowers in repayment, default rate, and default rate per program. It is noted that historically black colleges and universities, tribally controlled community colleges and Navaho community colleges are exempt from these provisions by federal statute and regulation. **SCHOOLS SUBJECT TO LOSS OF ELIGIBILITY TO PARTICIPATE IN THE FEDERAL FAMILY EDUCATION LOAN PROGRAM (FFELP) AND/OR FEDERAL DIRECT STUDENT LOAN PROGRAM (FDSL) DUE TO FY 1994, FY 1995, AND FY 1996 COHORT DEFAULT RATES OF 25.0% OR GREATER (PEPS304)**

The attached report provides official cohort default rates for all school with 30 or more borrowers or official average cohort default rates for schools with under 30 borrowers. All schools listed in this report have Fiscal Year (FY) 1994, FY 1995, and FY 1996 official cohort default rates of 25.0 percent or greater.

The report lists schools whose participation in the FFELP and/or FDSL may end for the first time due to their FY 1994, FY 1995, and FY 1996 official FFELP cohort default rates.

In accordance with Section 435(a)(2) of the Higher Education Act of 1965, as amended (HEA), federal regulations at 34 C.F.R. Section 668.17, and Section 512 of the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Appropriations Act), the following consequences apply to schools that have official cohort default rates of 25.0 percent or higher for FY 1994, FY 1995, and FY 1996 and whose participation in the FFELP and/or FDSL may end for the first time.

- The school's participation in the FFELP and/or FDSL will end 30 calendar days after the date the school receives notification of these rates, unless the school submits a timely, accurate, and complete appeal.
- Schools have the opportunity to appeal the end of their loan program participation based on pertinent criteria. See FY 1996 Official Cohort Default Rate Guide for details on appeal procedures.

**REPORT FORMAT**

Schools are listed by OPEID in state order. The types of loan programs the schools are currently participating in are indicated in the far-left column with one of the following codes:

F = FFEL Program  
D = Direct Loan Program  
B = FFEL and Direct Loan programs

The listing also includes the following information about each school:

- a) Office of Postsecondary Identification Number (OPE ID) - This is a special number assigned by the Department to identify each school. A school's cohort default rate reflects the borrowers attending the school's main campus and any additional locations. The Department does not calculate separate cohort default rates for these additional locations.

- b) School Name and Address
- c) Program Length/Type/Region/District
- d) Year - The fiscal years for which cohort default rates have been calculated.
- e) Borrowers in Default - The number of borrowers who entered repayment in the applicable fiscal year (October 1 through September 30) and defaulted on their loans during either that fiscal year or the subsequent fiscal year.
- f) Borrowers in Repayment - The number of borrowers who entered repayment status during the applicable fiscal year.
- g) Default rate - This is calculated by dividing the number of borrowers who entered repayment in a given fiscal year (denominator) into the number of borrowers who entered repayment and defaulted during the corresponding cohort period (numerator).
- h) Rate type - Cohort default rates calculated by the Department are coded as follows:
- A = Actual
  - = Average
- i) Program Rate - The type of rate calculated for a particular year as indicated by the following codes:

FL = FFEL  
DL = Direct Loan  
DU = Dual (FFEL and Direct Loan)

**NOTE: Historically Black Colleges and Universities, Tribally-Controlled Community Colleges and Navaho Community Colleges are exempt from these provisions by federal statute and regulation**
