ABSTRACT

This volume lists the unique codes assigned by the Department of Education to all postsecondary institutions (public, private, and proprietary) participating in student aid programs under Title IV of the Higher Education Act. The list is organized by state, and alphabetically by institution within each state. Introductory information explains how students should use the guide to complete a 1999-2000 Free Application for Federal Student Aid (FAFSA), a renewal FAFSA, a FAFSA Express, or a FAFSA application on the Web. Each listing includes the school's official Title IV school name, address, and code. (DB)

WASHINGTON, DC 20202

November 1998

**SUMMARY:** The Federal School Code List of Participating Institutions for the 1999-2000 Award Year.

Dear Colleague:

Enclosed is the 1999-2000 Federal School Code List (formerly called the Title IV School Code List) containing the unique codes assigned by the Department of Education to all institutions participating in the Title IV student aid programs. The list is organized by state, and alphabetically by institutions within each state.

These codes will be used by students applying for financial aid using the 1999-2000 Free Application for Federal Student Aid (FAFSA), 1999-2000 Renewal FAFSA, 1999-2000 FAFSA Express, 1999-2000 FAFSA on the Web, or 1999-2000 Renewal FAFSA on the Web application. The FAFSA instructs students to list the colleges they wish to receive their application information by name and by Federal School Code, and to check with their college financial aid office, the high school counselor's office, or the public library to look up the Federal School Code.

Use of the Federal School Code will significantly improve the student's ability to communicate college identifications accurately, will avoid errors caused by confusion over similar college names, and speed application processing time.

Please make this list available to students. If you would like an additional copy of the Federal School Code List please call 1-800-433-3243 or you can do an on-line search from the Department of Education's Web Page at:

<http://www.ed.gov/offices/OPE>

If you have any question about the list, please contact the Application and Pell Processing Systems Division at (202) 260-9988.

Sincerely,

Diane E. Rogers  
Acting Deputy Assistant Secretary  
Student Financial Assistance Programs

## USING THE FEDERAL SCHOOL CODE LIST

The Federal School Code List that follows is intended as a resource for anyone who is completing a 1999-2000 Free Application for Federal Student Aid (FAFSA), 1999-2000 Renewal FAFSA, 1999-2000 FAFSA Express, 1999-2000 FAFSA on the Web, or 1999-2000 Renewal FAFSA on the Web application. When answering 1999-2000 FAFSA college name and address questions, applicants should use the official Federal school code and name found in this list to ensure fast and accurate processing. You can also access the Federal School Code List on the Department of Education's Web Page at :

<http://www.ed.gov/offices/OPE>

You can use the 1999-2000 FAFSA Express software to apply for financial aid and the FAFSA Express software can be downloaded from the same address. The FAFSA Express software contains the Federal School Code List and you can use it to do a search for a particular school and its code.

All postsecondary schools that are currently eligible for Title IV aid are listed in the Federal School Code List, with each school's official Federal School Code, name, and address. The schools are listed first by state and then alphabetically by name within each state. Procedures for completing the FAFSA college name and address questions are listed below.

For each school that applicants wish to list in question 83, 85, 87, 89, 91, and 93 of the 1999-2000 FAFSA, do the following:

1. Find the correct state of the desired school, using the appropriate state name.
2. Find the **exact** name and address of the desired school within the state listing. **Names of schools may be similar. Please be certain you have found the exact school name and address before proceeding.**
3. On the FAFSA, write the name of the school under "Name of college." The name must exactly match the one you have found in the Federal school code list.
4. Write the six-character Federal School Code in the spaces provided under "Federal school code." **You do not have to include the address.**
5. Indicate housing plans for each school according to the directions on the FAFSA.
6. Repeat procedures 1 - 5 for each desired college, up to a maximum of six.

Please note that if the Federal School Code or name for a desired school is listed incorrectly on your FAFSA, *processing may be delayed.*
