¹Includes graphics and applied arts, industrial, technical and television.

²The decrease in the number of general education programs is due to the restructuring of Basic Skills Education (BSE), described in Administrative Bulletin (AB) 91-2, dated December 16, 1991. The Goal Oriented Adult Learning (GOAL) program (formerly 30-850-3) is no longer included in this instructional area. The general education instructional area includes only the college parallel program offered at three colleges and the occupational music program offered at one college.

³As of December, 1998. These counts include programs in suspension status as well as shared programs.
