ABSTRACT

This 12-item annotated bibliography presents U.S. government documents suitable for use in preparation for a high school debate on the resolution that the United States should substantially change its foreign policy toward Russia. Items in the annotated bibliography address American-Ukrainian nuclear relations; economic policy and trade practices; the history, politics, sociology, and national security systems of countries in the former Soviet Union; nuclear coexistence; revelations from the Russian archives; and United States' participation in the United Nations. The bibliography also provides the stock number, price and extensive ordering information for each publication. Items in the bibliography were published between 1994 and 1998. (RS)

HIGH SCHOOL DEBATE TOPIC, 1998-1999 RESOLVED: *That the United States should substantially change its foreign policy toward Russia.*

American-Ukrainian Nuclear Relations. BOOK. 1996. Examines the early history of United States-Ukraine relations over the nuclear weapons issue. Presents both the history of a 2-year period, 1992-1994, and posits a number of explanations as to why things developed the way they did. Establishes a framework of this important period from which scholars can further proceed. 91 p.
