The Colorado Teacher of the Year program is our state's oldest and most prestigious program recognizing teaching excellence. The program highlights the contributions of outstanding teachers every year, and in doing so, acknowledges what every Coloradan knows: *the single critical factor in an excellent education is an excellent teacher.*

Once selected, the Colorado Teacher of the Year automatically becomes our state's nominee for the National Teacher of the Year competition, sponsored by the Council of Chief State School Officers and Scholastic Inc. Beyond this, the Colorado Teacher of the Year acts as an education ambassador to the education, business, and other communities of Colorado.

The Teacher of the Year 2000 will be named at an honors banquet in December 1999. The Colorado Department of Education salutes this remarkable individual.
