ABSTRACT

This report provides data and reference information on Alabama's public institutions of higher education and private universities and colleges. After an institutional data summary (public four-year institutions, public two-year institutions, and private institutions), the first section examines current enrollment data (e.g., general characteristics, all Alabama higher education institutions, all public higher education institutions, all private higher education institutions, and student origins). The second section presents data on finance (revenues and expenditures). The third section examines tuition and required fees (e.g., public four-year median undergraduate, public four-year median graduate, and public two-year institutions). The third section examines average faculty salaries (e.g., five-year summary, public four-year institutions, and public two-year institutions). The fourth section highlights degrees conferred (e.g., number of completions conferred by public and private institutions, completions conferred by level and gender, and percentage completions awarded to women by level). The fifth section discusses facilities (e.g., gross square footage by category, net assignable space by use, and Alabama public colleges and universities, land inventory). The sixth section examines the network of Alabama academic libraries (e.g., library expenditures, personnel information, and library income). (SM)

SOURCE: Alabama Commission on Higher Education's Fall Credit Hour Production Reports; and The Alabama College System Enrollment Summary Fall 1999.

- NOTES: 1. FTE (full-time equivalent) = Fall Undergraduate hours divided by 15, graduate-1 (master's level) hours divided by 12, and graduate-2 (doctoral level) hours divided by 9. The divisors 15, 12 and 9 are considered the standard credit course load taken by a full-time student at the under-graduate, master's and doctoral level respectively. Each first professional student is counted as one FTE. Includes health sciences and first professional students. Includes all students enrolled on campus and off-campus.
- Two year institutions converted from quarter to semester system Fall 1998, except Southern Union CC which operates on a quarter system until Fall 2000.
 - Historical numbers are changed to reflect mergers. See explanation in Appendix i (1).
 - Walker College merged from a private institution with UAB in 1994-97; is included in Bevill State CC.
 - Alabama Aviation & Technical College merged with Wallace CC-Dothan in 1998.

SOURCE: Annual Statistical Reports filed by the institutions with the Network of Alabama Academic Libraries for the year October 1, 1998 - September 30, 1999.

NOTES:

(1) Historical numbers have been adjusted to reflect mergers. For comparison purposes mergers are reflected back for the entire history even when they occurred later. For example: Alabama Aviation and Technical College merged with G. C. Wallace Dothan in 1997, but the merger is reflected in all historical numbers back to 1988. A breakout of historical numbers prior to mergers can be furnished upon request. This is the reason that historical numbers change from year to year in this publication.
