ABSTRACT

This report is a compilation of 1999-2000 student data at Red Deer College (Canada). It also includes data from 1997/98 through 1999/2000 for the purpose of three-year comparisons. Programs offered at Red Deer College include university transfer, career certificates, diploma, high school equivalency (academic upgrading), job readiness training, trade/vocational (pre-employment, trade related upgrading) and apprenticeship. Report highlights include: (1) total university transfer program headcount for 1999-2000 was 3,546; (2) about 65% (1114/1710) of the students in the university transfer program in fall 1999 were females, but only 1% (5/485) of students in the apprenticeship program were; (3) total diplomas awarded in 1999-2000 was 330, 78 of which were in business administration; (4) most students were age 18 or 19 in fall 1999; (5) in winter 2000, the average grade point average was 2.7; and (6) statistics between the three years did not often vary significantly. Information is provided for full- and part-time student headcounts, full load equivalent enrollments, visa students, graduates and program completers by gender, gender distribution by immigration status, marital status, program type, age distribution, geographic source of students, educational source of new students, and grade distribution. Terms and Definitions

Students

Academic Term – The academic year is divided into four standard academic terms: Summer, Fall, Winter and Spring.

Continuing – A student who was registered during at least one academic term in the previous academic year.

F.L.E. – Full load equivalent enrollments are calculated for each student using the following equation:

$$\frac{\text{Number of Course Credits/Hours a Student has Earned}}{\text{Full Credit/Hour Load for a Student's Program}}$$

Full load equivalents for each program are then calculated by adding together the full load equivalents for each student enrolled in that particular program.

Fall – September to December academic term.

Full-time – A full-time student is registered in courses equivalent to .300 FLE or greater.

Graduate Type – Career Certificate, Diploma, University Transfer Studies Diploma or Apprenticeship Program Completer.

Graduate – Indicates that a student has completed the requirements of a program and has received a parchment from Red Deer College.

Headcount – A student registered in a program, in a term is one headcount. A headcount can be either full or part-time.

Major – Refers to the specializations for the program in which the student is registered.

New – A student for whom there is no record of previous registration.

Part-time – A part-time student is registered in courses equivalent to .001 - .299 FLE.

Program Completer – Indicates that a student has completed the requirements of a program, but did not receive a parchment from Red Deer College.

Program Type – Based on traditional Statistics Canada categories. Types of programs offered at Red Deer College are: University Transfer, Career Certificate, Diploma, High School Equivalency (Academic Upgrading), Job Readiness Training, Trade/Vocational (Pre-Employment, Trade Related Upgrading) and Apprenticeship.

Returning – A student who was registered in the past but, not during the previous academic year.

Spring – May to June academic term.

Summer – July to August academic term.

Type of Student – indicates whether a student has attended program(s) at Red Deer College and, if so, if there was a period of absence. The three types are: Continuing, New and Returning.

Visa Student – An individual who is in Canada as a Student Visa or Other Visa holder.

Winter – January to April academic term.

Grade Distributions

Grades – As of July 1, 1990 Red Deer College implemented a letter grading system that is converted to grade point using the following scale.

Letter Grade	Grade Points	Description
A	4.0	Excellent Performance
A-	3.7	
B+	3.3	
B	3.0	Good Performance
B-	2.7	
C+	2.3	
C	2.0	Satisfactory Performance
C-	1.7	
D+	1.3	
D	1.0	Pass
F	0.0	Fail

Audit (AU) – The student takes part in course activities, but is not evaluated in any way.

Credit (CR) – The student has completed the course requirements.

Continuing (CS) – The student is in good standing, but not all course requirements have been met.

Deferred (DEF) – The student is given permission to write the final exam at a later date.

Grade Point Average (GPA) – Grade point averages are calculated by converting the letter grades to grade points, then multiplying the grade points for each course by the credit weighting for that course, and then dividing the total grade points by the total possible credits.

Incomplete (IN) – The student has not met all of the course requirements by the end of the academic term.

In Progress (IP) – The course is not officially over at the time that the transcript is prepared.

No Credit (NCR) – The student has not met the course requirements and is denied credit for the course.

Withdrawal (WD) – Withdrawal from an individual course.
