ABSTRACT

These unit planning grids for grade 4 music education in Delaware public schools outline nine standards for students to attain in music. Standards cited in the grids are: (1) students will sing, independently and with others, a varied repertoire of music; (2) students will perform on instruments, independently, and with others, a varied repertoire of music; (3) students will improvise melodies, variations, and accompaniments; (4) students will compose and arrange music within specific guidelines; (5) students will read and notate music; (6) students will listen to, describe, and analyze music and music performances; (7) students will evaluate music and music performances; (8) students make connections between music, the other arts, and other curricular areas; and (9) students will understand music in relation to diverse cultures, times, and places. Each standard presents specific goals for students to attain and lists performance indicators. (BT)
