## ABSTRACT

This report explains that the General Fund budget: provides \$1,232.6 million for the FY 2003-05 biennium; slashes student financial aid funding by 8.6 percent; includes a reduction of 3 percent for Early Retirement Incentive Plan salary savings; represents a budget that is 16.5 percent below requested current services funding, \$15.8 million below the Governor's recommendation for FY 2004 and \$20.3 million below the Appropriations Committee's recommendation; and reverses the Governor's proposed transfer of the Connecticut State University (CSU) and Community-Technical College System (CTC) central offices into the Department of Higher Education (DHE) to form a Board of Regents but maintains the requirement for most of the estimated consolidation savings of \$2.8 million in FY 2004 and \$5.8 million in FY 2005. The final budget for the DHE reverses the transfer of one-half of the CSU and CTC central office positions along with the additional savings of 25 percent in FY 2004 and 50 percent in FY 2005. Funding for the University of Connecticut and UConn Health Center is slightly lower than previous legislation recommendations, while funding for the CTC is slightly higher than previously proposed. The budget for Charter Oak State College eliminated the restoration of the collective bargaining funding with the settlement of the contract and the \$200,000 of growth funding for the Connecticut Distance Learning Consortium. **Highlights**  
**FY 2003-05 Biennial Operating Budget for Higher Education**

- The General Fund budget:
- provides \$1,132.6 million for the FY 2003-05 biennium, including \$564.8 million in FY 2004 (2.2 percent decrease) and \$567.8 million in FY 2005.\*
  - slashes **student financial aid** funding by \$1.5 million, or 8.6 percent, from the Connecticut Aid to Public College Students (CAPCS) program and by \$821,372, or 5 percent, from the Connecticut Independent College Student Grant (CICSG) program. This will mean no grants to about 1,150 students and comes on top of 13.5 percent reductions made in FY 2003 funding levels.
  - includes a reduction of \$17.9 million, or three percent, for **Early Retirement Incentive Plan (ERIP)** salary savings as follows:
- |                                    |               |
|------------------------------------|---------------|
| University of Connecticut          | \$6.9 million |
| UConn Health Center                | \$1.1 million |
| Connecticut State University       | \$4.8 million |
| Community-Technical College System | \$5.1 million |
| Department of Higher Education     | \$68,527      |
- represents a budget that is 16.5 percent below requested **current services** funding, \$15.8 million below the Governor's recommendation for FY 2004 and \$20.3 million below the Appropriations Committee's recommendation. For 2005, the budget is 21.3 percent below requested funding, \$17.8 million lower than the Governor's recommended funding level and \$25.3 million below the Appropriations Committee's recommendation.
  - reverses the Governor's proposed transfer of the CSU and CTC Central Offices into DHE to form a **Board of Regents** but maintains the requirement for most of the estimated consolidation savings of \$2.8 million in FY 2004 and \$5.8 million in FY 2005.
- The final budget for the **Department of Higher Education** reverses the transfer of one-half of the CSU and CTC Central Office positions along with the additional savings of 25 percent in FY 2004 and 50 percent in FY 2005. The budget funds the Germany Initiative (\$70,000) with an internal transfer and includes \$400,000 under Education and Health Initiatives for workforce shortages in nursing, teaching and paraprofessionals. No funding is available for participation in NEBHE.
- Funding for the **University of Connecticut** and **UConn Health Center** is slightly lower than previous legislation recommendations, while funding for the **Community-Technical College System** is slightly higher than previously proposed. **Connecticut State University** funding is slightly higher in FY 2004 and reduced in FY 2005. Both the CTCs and CSU are still expected to absorb reduction of \$1.2 million and \$1.5 million, respectively, in FY 2004 and \$2.5 million and \$3.3 million in FY 2005.
- The budget for **Charter Oak State College** eliminated the restoration of the collective bargaining funding with the settlement of the contract and the \$200,000 of growth funding for the Connecticut Distance Learning Consortium.

\* Including early retirement savings allotment reduction.

## **Additional Budget Implementation Provisions**

- Reinstutes administrative expenditure caps for system offices and systemwide administration and requires the Commissioner of Higher Education to monitor compliance.
- Allows the constituent units to retain 50 percent of the savings associated with the ERIP and refill 100 percent of faculty vacancies, provided that at least 10 percent of the faculty vacancies are reallocated to critical workforce fields including, but not limited to teacher shortage areas and nursing.
- Requires that \$100,000 of the Minority Advancement appropriation be used for the Saturday Academy at Trinity College in each year of the biennium.
- Directs the University of Connecticut to use \$50,000 of its block grant for the Veterinary Diagnostic Laboratory.
- Eliminates state-supported health care coverage for graduate assistants.

\* The FY 2003 Matching Grant is funded through a bond authorization of \$10.5 million.

\*\* Excluding the Central Office transfers, funding for DHE in 2004 is reduced by 9.7% from 2003 and increases 0.1% from 2004 to 2005.

\*\*\* Equipment for 2004 and 2005 is funded through the OPM Capital Equipment Fund at \$28,300 and \$29,300, respectively.

\*\*\*\* As of May 14, 2003, \$250,000 of the FY 2003 NEBHE dues have been paid out of surplus appropriation and, as a result, Connecticut continues in good standing in the compact.

\*\*\*\*\* The FY 2005 budget has been adjusted to include the FY 2004 ERIP reduction as an estimate of the potential impact.
