

Overall Results

- In 2013, the average score of eighth-grade students in Los Angeles was 264. This was lower than the average score of 276 for public school students in large cities.
- The average score for students in Los Angeles in 2013 (264) was not significantly different from their average score in 2011 (261) and was higher than their average score in 2003 (245).
- The score gap between higher performing students in Los Angeles (those at the 75th percentile) and lower performing students (those at the 25th percentile) was 51 points in 2013. This performance gap was not significantly different from that in 2003 (50 points).
- The percentage of students in Los Angeles who performed at or above the NAEP *Proficient* level was 18 percent in 2013. This percentage was not significantly different from that in 2011 (16 percent) and was greater than that in 2003 (7 percent).
- The percentage of students in Los Angeles who performed at or above the NAEP *Basic* level was 54 percent in 2013. This percentage was greater than that in 2011 (49 percent) and in 2003 (32 percent).

Achievement-Level Percentages and Average Score Results

* Significantly different ($p < .05$) from district's results in 2013. Significance tests were performed using unrounded numbers.

NOTE: Detail may not sum to totals because of rounding. Large city (public) includes public schools located in the urbanized areas of cities with populations of 250,000 or more including the participating districts.

Scores at Selected Percentiles

* Significantly different ($p < .05$) from 2013. Significance tests were performed using unrounded numbers.

Average Scores for District and Large Cities

* Significantly different ($p < .05$) from 2013. Significance tests were performed using unrounded numbers.

NOTE: Large city (public) includes public schools located in the urbanized areas of cities with populations of 250,000 or more including the participating districts.

Results for Student Groups in 2013

Reporting Groups	Percent of students	Avg. score	Percentages at or above		Percent at Advanced
			Basic	Proficient	
Race/Ethnicity					
White	10	293	80	49	13
Black	8	256	44	9	1
