

DISTRICT AND SCHOOL PROFILES 2015-2016

Hattie Mae White Educational Support Center
4400 West 18th Street • Houston, Texas 77092-8501

FOREWORD

HISD's District and School Profiles contain important facts and figures about each of our 283 schools, the students who attend them, and the educators who serve them. As the largest school district in Houston, we strive to be as global as the city that surrounds us. That's why we are producing Global Graduates who are ready for the world—ready to be successful in college and career.

While important, the district's facts and figures don't tell the whole story. They don't tell about our community and business partners who work with our students to make sure they become Global Graduates. They don't tell about the college success advisors who keep our seniors on the path to the right college or university. They don't tell about our efforts to improve literacy skills, which begin at home before students ever enroll in an HISD school.

We place a strong emphasis on programs that help all students succeed—and literacy is at the top of that list. Since the launch of Literacy by 3 in May 2014, more than 5,000 teachers have been trained in a high-impact, consistent approach to reading instruction that has revamped the way reading is taught in HISD classrooms. Additionally, classrooms have been filled with books on varying reading levels, and community volunteers are being actively recruited to read to and mentor children.

HISD's School Choice Program opens up endless opportunities for our students. They can attend excellent neighborhood schools, but they also have the option to attend one of our career academies, health and sciences magnets, high-school preparatory academies, international schools, language-immersion schools, and many more.

Making sure that students are bilingual and biliterate is important, and our dual-language programs ensure that they become Global Graduates in the truest sense. They must be able to lead and communicate, think critically, and make decisions; they must be adaptable and productive, and able to understand and succeed in the world around them.

Business and industry partnerships are vital to ensuring students get firsthand, real-world experience in occupations critical to the future of our city. Austin High School, for example, is the first comprehensive high school in the nation to offer students access to a ship-bridge simulator, which re-creates the conditions of a vessel at sea. Students practice on the simulator and then take field trips to the Port of Houston, giving them valuable industry training and experience—and a leg up upon graduation.

Thanks to the 2012 bond, we have active construction underway at about two dozen campuses this summer—more than at any time in HISD history. Six new school buildings are set to open at the start of the new school year. In four years, HISD will have the most modern portfolio of high schools in the nation.

As a district, we stand together, committed to the 215,000 students whose lives our district is shaping and the nearly 29,000 employees who dedicate countless hours to preparing these students for the world. As we move forward into a new year, we will continue to work hard and celebrate our many successes.

Kenneth Huewitt
Interim Superintendent of Schools
2016

OVERVIEW

2015 – 2016 Overview of the Houston Independent School District

HOUSTON INDEPENDENT SCHOOL DISTRICT INITIATIVES AND ACHIEVEMENTS FOR 2015–2016

A GLOBAL DISTRICT IN A GLOBAL CITY

The Global Graduate

HISD truly is a global district in a global city. That's why we work hard to ensure our students graduate ready for the world—possessing the characteristics they need to be successful in college and compete in today's global workforce. With the help of community and business partners, as well as leaders from Houston's largest industries and institutes of higher education, HISD has developed the Global Graduate profile. The profile includes six characteristics or qualities that we want all students to develop during their time in elementary, middle, and high school. The HISD Global Graduate is a leader, a skilled communicator, a responsible decision-maker, a critical thinker, a college-ready learner, and an adaptable and productive member of a global society.

The Global Teacher

HISD's ability to produce Global Graduates is dependent on our ability to develop teachers with the skills they need to be effective. To guide us in our work to support, develop, evaluate, and hire effective teachers, HISD has created a teacher profile similar to the Global Graduate profile. Teachers must provide students access to personalized learning opportunities that allow them to develop the skills needed to succeed. Our teachers should be data-driven, lifelong learners, literacy developers, personalized learning architects, social and emotional learning facilitators, and deeper-learning cultivators.

The Global Leader

In an effort to transform tier-one instruction that will lead to the development of Global Graduates, HISD has created a leader profile as well. HISD is committed to ensuring that our principals have the resources, professional development, and support needed to develop certain competencies. Every school must be led by an effective principal who creates an instructional-learning environment that allows students to develop the skills needed to compete in today's global economy. Leaders should be visionary, data-driven, culture developers, leadership-team managers, instructional planners, able to observe teachers consistently, and able to give feedback that empowers faculty and staff to improve their craft.

Global Programs and Initiatives

HISD students' school options are going global as well. The **Arabic Immersion Magnet School** opened in August 2015 with pre-K and kindergarten classes, and another grade will be added each year. The first of its kind in the nation, the school is closing out a stellar inaugural year and saw its application pool grow for the 2016–2017 school year. The **Mandarin Immersion Magnet School** will begin the 2016–2017 school year in a brand-new building. And this fall, HISD will open the new Mark White Elementary School, which will house the **French Immersion Program**, the first public school program of its kind in Texas.

Dual Language and International Baccalaureate

HISD expanded its successful **dual-language** programs to 21 more campuses this year, bringing the total number of schools offering the program to more than 50. Students take core instruction in both English and the target language, which promotes biculturalism through consistent

exposure to customs, traditions, and unique traits of other nations and people. Another global program offered in HISD schools is the **International Baccalaureate (IB)**, which offers challenging educational programs for students ages 3 to 19 that help develop their intellectual, personal, emotional, and social skills to live, learn, and work in a rapidly globalizing world. The number of HISD schools that offer IB programs has grown to 12 elementary schools, five middle schools, and three high schools.

Arts Access Initiative

HISD provided creative learning experiences to 11 schools through the innovative **Arts Access Initiative**, and that number will grow to 25 in the 2016–2017 school year. In just two years, the arts and cultural coalition has served nearly 17,000 HISD students, providing them with creative learning experiences. To become global learners, students need to develop four basic skills—critical thinking, communication skills, collaboration skills, and creativity.

HISD KEY ACCOMPLISHMENTS AND RECOGNITION

HISD Administrators and Educators Recognized Regionally, Nationally

Angela Lundy-Jackson, principal of North Houston Early College High School, had a stellar year. As HISD Secondary Teacher of the Year, she went on to win Region IV Principal of the Year and was a finalist for Texas High School Principal of the Year. In addition, she was named High School Principal of the Year by the Texas Association of Secondary School Principals. Lundy-Jackson and Bellaire High School teacher Ann Linsley won the H-E-B Excellence in Education Award. HISD Interim Superintendent Kenneth Huewitt won the 2015 Bill Wise Award for Distinguished Service to Urban Education from the Council of Great City Schools. HISD Assistant Superintendent Jorge Arredondo was named Educator of the Year by LULAC Council 402, and teacher Rebecca Ryan at Mickey Leland College Preparatory Academy for Young Men received the 2015 Outstanding Teaching of the Humanities Award from the National Endowment for the Humanities Texas.

HISD Schools Recognized For Excellence Nationally

North Houston Early College High School won the **2015 National Blue Ribbon Award**, and several HISD high schools were featured in the **U.S. News & World Report** Best High School rankings: Carnegie Vanguard High School was ranked the 10th best high school in the nation, and DeBakey High School for Health Professions, Eastwood Academy, and Challenge Early College High School were ranked in the top 100. The *Washington Post*'s 2016 list of America's Most Challenging High Schools featured 37 HISD schools, led by Energized for STEM Academy in the No. 4 slot. **Children at Risk** named DeBakey number one in its annual rankings, and four other HISD schools were in the top 10: Carnegie Vanguard High School, High School for the Performing and Visual Arts, Eastwood Academy, and North Houston Early College High School. T.H. Rogers, which serves students in grades pre-K through 12, has held steady in the top position among middle schools in Houston since 2011 and among elementary schools since 2012. Other HISD schools in the top 20 were Wharton K-8, Pin Oak, Lanier, and Briar Meadow Charter at the middle-school level; and West University, River Oaks, Horn Academy, Bush, Condit, Oak Forest, and Roberts at the elementary level. Garden Oaks Montessori, Lovett Elementary School, and Energy Institute High School received 2016 National Merit awards from **Magnet Schools of America**, the national association for magnet and theme-based schools. The **Texas Education Agency** named South Early College High School one of 23 new T-STEM academies for 2016–2017, and 33 HISD schools earned a spot on the 2015 Texas Honor Roll by the **Educational Results Partnership**.

HISD Students Recognized for Excellence

There was an increase in both **SAT** and **PSAT** scores on the 2015 college-entrance exams. HISD graduating seniors' overall reading and mathematics scores rose more than state and national scores, which showed slight decreases. The increase coincides with an increase in the number of students taking the SAT, which has nearly doubled in the past six years, largely because of the decision in 2011 to allow all high school juniors to take the SAT for free on their home campuses during regular school hours. Students also receive free access to the College Board's online SAT test preparation materials. As a result, more HISD students than ever are scoring at the college-ready level in all three subject areas and across all racial and ethnic groups. The percentage of students who scored at or above the benchmark score of college readiness on the PSAT also has risen.

HISD fourth- and eighth-graders outperformed their peers across the nation in mathematics, according to recently released results from the **National Assessment of Educational Progress (NAEP)**. The mathematics results also show that HISD students in both grades outperformed their national counterparts in all subgroups, which means white, African-American and Hispanic students are doing better than their respective peers across the country. Known as the nation's report card, NAEP analyzes fourth- and eighth-grade student performance in reading and mathematics by testing a representative sample of students. In HISD, about 3,200 students—half from fourth grade and half from eighth grade—from 116 schools took the test in 2015.

In individual honors, a Bellaire student aced the SAT and ACT; four students from Carnegie Vanguard and one from Lamar aced the ACT; and a student from HSPVA was named Houston's first Youth Poet Laureate. Another Bellaire student was honored as a U.S. Presidential Scholar, while a group of Bellaire students won a national economics competition. Carnegie Vanguard students won the state title at the UIL one-act play competition.

TEACHER RECRUITMENT AND RETENTION

Recruitment and Staffing Strategies Yield Better-Staffed Schools

HISD approved a beginning teacher salary increase from \$49,100 to \$51,500 for the 2015–2016 school year, and an increase to its bilingual stipend from \$1,250 to \$4,000. The district hired 2,147 teachers for the 2015–2016 school year, 400 of which returned to the district; another 400-plus were internal teacher promotions. As of Aug. 31, 2015, HISD had extended offers to 98 percent of job postings to fill teacher vacancies. Close to 63 percent of new teachers were hired in advance of July 1, a slight increase from the previous year's hiring season, when approximately 60 percent of new teachers were hired by that date. HISD had an increase in its campus-instructional retention rate to 85.6 percent for the 2014–2015 school year from 84.0 percent for the 2013–2014 school year.

COLLEGE AND CAREER READINESS

Teach Forward Houston

HISD and the University of Houston joined forces to offer a new teacher-preparation program that aims to bring HISD's brightest students back into the classroom upon college graduation. Through the **Teach Forward Houston** fellowship program, the first cohort of more than 60 seniors from 31 HISD high schools will pursue a degree in education. In exchange for a commitment to teach for four years in HISD after graduation, the district will supplement their financial aid and scholarship packages to ensure that 100 percent of their tuition is paid over all four years. This en-

tures that in the future, many HISD elementary and middle school classrooms will be staffed with talented, highly effective teachers who know the district and are driven to make a positive impact on its students.

EMERGE

The EMERGE program prepares talented HISD students from underserved communities to successfully attend and graduate from the nation's top colleges and universities at no cost to the student or their parents. Those in the program benefit from extensive programming, individualized support, and tailored resources throughout grades 10–12. EMERGE program managers work closely with students and their families to ensure students' success at college. Since its inception in 2011, more than 600 students have pursued higher education. This year, HISD and EMERGE are sending 164 scholars to Ivy League schools and other Tier-One colleges and universities, up 65 students from 2015.

More HISD Students Applying to College and FAFSA

Last year, HISD hired 28 college success advisors and 15 college success managers to advise district seniors regarding applying to colleges and obtaining scholarships. The year ended with great success: a college-application rate of 82 percent compared with 59 percent the previous year, and a FAFSA completion rate of 50 percent compared with 40 percent last year. The college success advisers conduct outreach to exiting seniors to ensure that they successfully make it to their first day of college classes.

Senior Scholarship Offers Continue to Rise

Scholarship offers to graduating seniors continue to rise every year, up to \$314 million this year from \$265 million last year. Five HISD students are among more than 1,000 high school seniors from across the country to be honored as **Gates Millennium Scholars**. The students are from Bellaire High School, Carnegie Vanguard High School, Eastwood Academy, and Jane Long Academy and will receive a scholarship that can be used to pursue a degree at the college of their choosing.

AP Courses, Dual Credit, and Futures Academies Give Students a Jump on College and Career

HISD students are earning significantly more college credit through **Advanced Placement** exams now than they have in the past six years, according to 2014–2015 data released by the College Board. HISD high school students took 25,127 exams, and of those, 8,277 were scored high enough to qualify—a 3 or higher on a 5-point scale—for college credit through the program. That's a 92 percent increase since 2007. An additional 542 middle-school students took AP exams—Spanish, Chinese and World History—during the past school year. Of those students, 87 percent scored high enough to earn college credit.

The number of students enrolled in **dual-credit** classes was up 15 percent, leading to a record number of HISD students graduating with associate degrees. That number has risen steadily since 2010 to a total of 452 graduates this year, 140 more than last year. The first **Futures Academy** class at Jane Long Academy graduated, with seniors earning an associate degree in pharmacy technology from Houston Community College. In other HISD high schools, high-tech equipment and programs such as Milby High School's new VRTEX 360 virtual welder and the Automotive Technician Training program at Sterling High School lead to graduates certified and ready to enter the workforce. **HISD business partners** include Walgreens, Kroger, Vaughn Construction, Baker Hughes, Gap Inc., Chase, CenterPoint Energy, and many more. A new partnership with Lone Star College gives HISD students a leg up in the HVAC field, and Barbara Jordan High School for Careers is taking

applications from rising 10th-graders for its new Regional Career and Technical Education Center. The Rusk School is transitioning into a new biomedical health sciences magnet school similar to the highly successful Baylor College of Medicine at Ryan.

LITERACY

HISD wins Magna Award for Literacy By 3

The district's Literacy By 3 initiative was honored by the **National Association of School Boards** with a Magna Award. Some 180 elementary schools are participating in the program, which is now in its second year. Designed to have every student reading at or above grade level by third grade, the movement was bolstered by an \$8.5 million grant that paid for leveled book rooms at each elementary campus and classroom libraries for every K-3 teacher. Rigorous, ongoing professional development was provided for both teachers and principals, and **Read Houston Read** saw hundreds of caring citizens continue to volunteer to work with first-graders each week.

Literacy in the Middle

HISD is expanding the successful Literacy By 3 program to include middle school students. The **Literacy in the Middle** model includes best practices for read alouds, independent reading, writing, and small-group instruction across all core disciplines for students in grades 6–8. Ultimately, students will be further engaged in their classes while advancing their literacy levels at the same time. Schools will have additional classroom materials and classroom libraries to provide more access to literary resources for students. Middle-school teachers are receiving summer or pre-service training to align strategies and develop proficiencies.

Thousands of HISD Students Benefit From MyON Summer Reading Program

In support of **Literacy By 3** and **Read Houston Read**, HISD elected to extend its partnership with **myON**, a reading website that gives students access to thousands of titles for free. Thousands of HISD students took advantage of this valuable resource last summer, and Apurba Roy, an eighth-grade student at Grady Middle School, was named by myON as one of the top 10 readers in the nation for logging more than 140 hours on that reading website over the summer break.

Reading While Riding Program

HISD school bus attendants joined the literacy movement across the district by reading to students on their way to and from school. Some 150 support personnel currently assigned to special-needs routes in the district are doing their part to ensure student success by focusing on students' literacy and vocabulary development.

TECHNOLOGY

PowerUp and the HUB

The districtwide PowerUp initiative to transform teaching and learning entered its third and final phase during the 2015–2016 school year, with high school students in the last group of 12 high schools receiving their laptops in January for use in the classroom and at home. By the end of January 2016, all 65,000 HISD high school students had been issued a laptop.

As part of PowerUp, HISD launched the HUB, a K-12 online platform that is becoming the center of collaboration, personalization, curriculum, instruction, and communication for all HISD staff and students. The HUB is being used by educators and students to give everyone involved in a child’s education the information, digital tools, and resources they need to learn together—both inside and outside the classroom.

Coding Gains Popularity Among HISD Students

In December 2015, HISD finalized a partnership agreement with **Code.org** to roll out a comprehensive computer science/coding initiative to all HISD campuses over the next three years. Cohort II of this initiative will take place during the 2016–2017 school year, and professional development for all participating campuses began in the spring of 2016. In support of coding, HISD celebrated **Computer Science Education Week** with a **Month of Code** in December, when students of all ages engaged in a variety of coding activities that immersed them in computational thinking.

In November, HISD students in grades 5–12 participated in the 45-minute international **Bebras Computing Challenge**, joining peers from more than 30 countries to tackle a variety of interactive computing challenges designed to get them excited about computing through tasks that do not require prior knowledge of digital technology. Through these challenges, students are exposed to computational thinking as a fundamental way of thinking logically and algorithmically, problem-solving, understanding, and communicating with people and the world around them, all of which have a direct impact on their learning in mathematics, science, reading, and writing. In the process, they develop crucial Global Graduate skills, such as critical thinking, communication, adaptability, decision-making, and leadership.

School Websites Being Updated to New Mobile-Friendly Template

More than half of HISD’s 283 school websites have been updated to a new mobile-friendly template that can be viewed on everything from mobile phones to tablets. When all the websites have been moved to the new template, there will be a consistency that will help parents with children at multiple schools more easily navigate the websites. With larger photographs and a more organized presentation of news, important dates and resources, the websites help portray HISD as a unified team.

Social Media Plays Larger Role in HISD Communications

Since July 2015, the number of district Twitter followers has risen to 60,494 from 38,649, an increase of almost 54 percent. Over the same period, the number of Facebook likes has risen to 19,625 from 11,159, an increase of almost 59 percent. The Communications Department analyzed the websites, Twitter accounts, and Facebook accounts of 275 HISD schools in order to provide principals with feedback and best practices on how to improve all three and/or establish a social media presence to better connect with their communities.

STUDENT WELLNESS

HISD Dietitian Named 2016 Outstanding Nutrition Educator

Jennifer (Griffin) Lengyel, one of four dietitians in HISD Nutrition Services, was named the 2016 Outstanding Nutrition Educator by the Houston Academy of Nutrition and Dietetics. The nominating committee recognized Lengyel’s inspiring leadership in nutrition education by teaching students healthy eating habits. Lengyel attended more than 100 events this past school year and reached nearly 10,000 students with her nutrition classes, taste testings, and health fairs.

Nutrition Services Wins Perfect Peach Award From Texas Department of Agriculture

HISD Nutrition Services was recognized with the Texas Department of Agriculture’s Perfect Peach Award for offering locally sourced vegetables, fruits, milk, and fresh breads. Nutrition Services is committed to using locally grown products on its menus to familiarize students with Texas’ agricultural diversity.

Yoga-style Classes Reduce Stress for About 25,000 HISD Students

HISD, in cooperation with the Sonima Foundation, expanded a yoga-based health and wellness program to students at 26 HISD schools in April 2016. Breath control and yoga lessons are supplemented with group discussions and character education that help students focus, stay calm, and reduce stress.

CONSTRUCTION UPDATES**Delmar-Tusa Fieldhouse Nears Completion**

Despite setbacks due to severe weather, construction of the new Delmar-Tusa Athletic Complex continued to take shape. The three-story, \$35.2 million complex, which replaces the 55-year-old complex that was demolished in March 2014, features a volleyball and basketball arena, modern locker and training rooms, and ample storage, thanks to 2012 bond funding. Delmar-Tusa is scheduled to be open in time to host fall 2016 events.

Bond Construction Continues

HISD is rebuilding or renovating 40 schools, including 29 high schools, as part of the district’s voter-approved 2012 bond program. Construction is underway at two dozen campuses and six new school buildings, including \$100 million in technology upgrades, \$44.7 million to replace or improve athletics facilities, \$35 million in middle-school restroom renovations, and \$17.3 million for safety and security improvements.

FAMILY AND COMMUNITY ENGAGEMENT**HIPPY Program Continues to Expand**

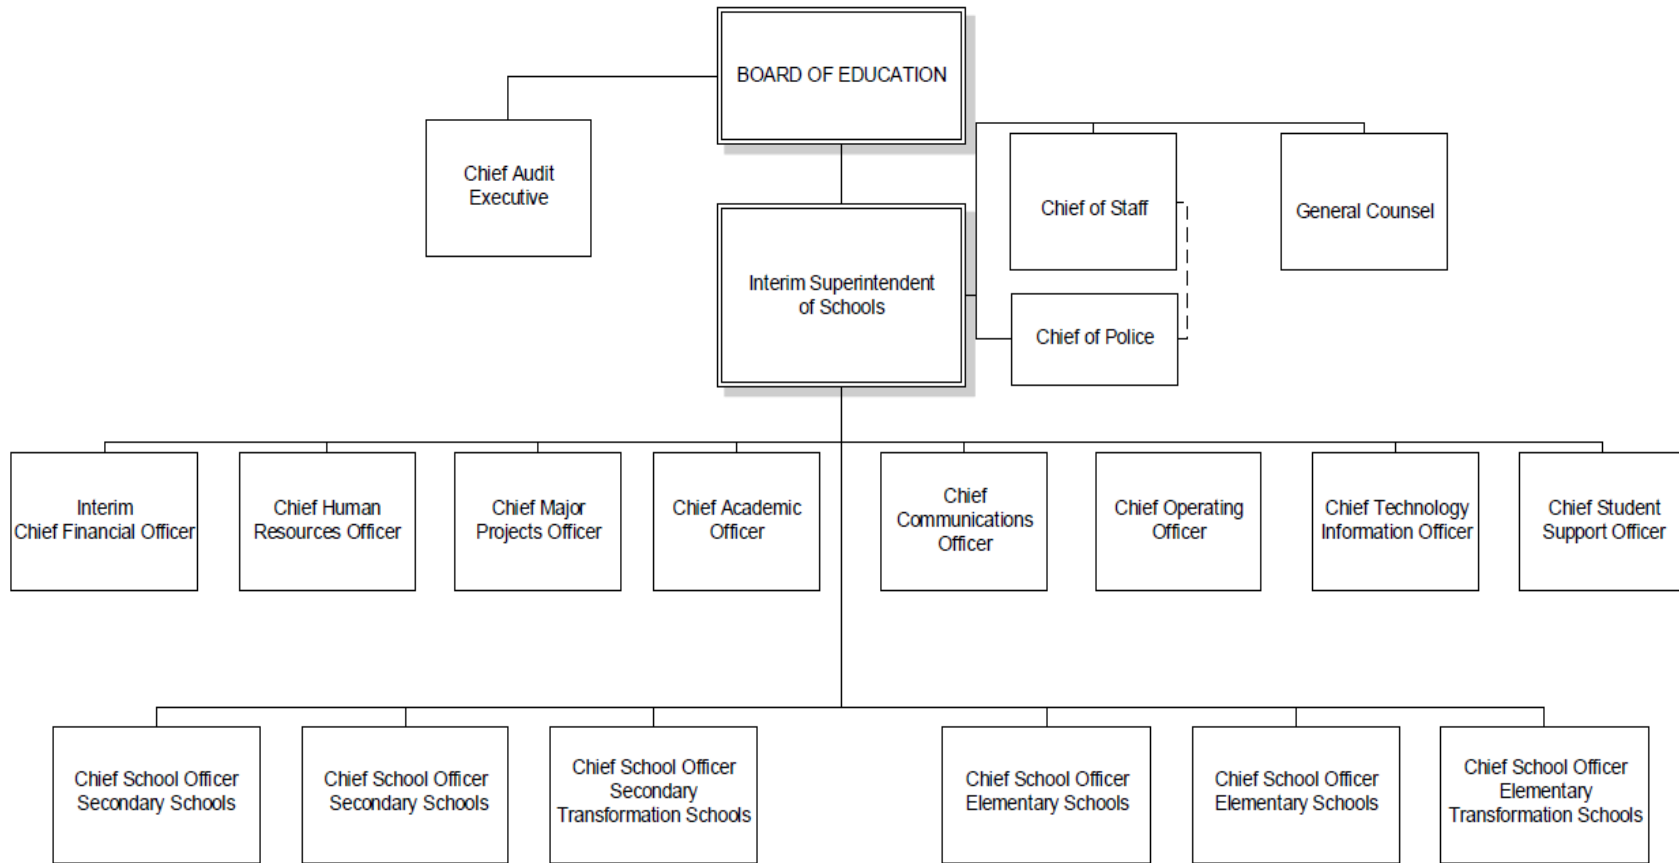

Nearly 600 families participated in the free Home Instruction for Parents of Preschool Youngsters (HIPPY) program during the 2015–2016 school year. This was the first year of the program under the five-year, \$5.8 million Texas Home Visiting Program grant, which will help to expand HIPPY into the Sunnyside, Third Ward, South Park, and Hiram Clarke communities.

More Than Two Dozen HISD Schools Earn “Family Friendly” Certification

As part of a newly established certification program adopted by the HISD Family and Community Engagement department, 26 HISD schools earned gold, silver or bronze “Family Friendly” certification in the first year of the program. The certification, which was founded to assist schools in building relationships, linking family events with student learning, and supporting parental advocacy, was created to ensure parents feel welcomed and valued at their child’s school.

HOUSTON INDEPENDENT SCHOOL DISTRICT

MARCH 2016

MANAGEMENT DIVISIONS 2015–2016

(Interim) Superintendent of Schools

The Superintendent of Schools of the Houston Independent School District is responsible for coordination of the overall administration of the school district and being a liaison with the Board of Education. Directly reporting to this office are the Chief of Staff, General Counsel, Chief of Police, Interim Chief Financial Officer, Chief Human Resources Officer, Chief Major Projects Officer, Chief Academic Officer, Chief Communications Officer, Chief Operating Officer, Chief Technology Information Officer, Chief Student Support Officer, Chief School Officer Elementary Schools (2), Chief School Officer Secondary Schools (2), Chief School Officer Elementary Transformation Schools, and Chief School Officer Secondary Transformation Schools.

Chief Audit Executive

The Office of the Chief Audit Executive is responsible for conducting a broad, comprehensive program of financial, compliance, operational, activity fund, campus, construction, information systems, and property tax audits within the district. It issues fact-filled reports based on professional audit, investigative, and inspection standards. Standards comply with those promulgated by appropriate professional oversight organizations, such as the American Institute of Certified Public Accountants, the Institute of Internal Auditors, Association of Certified Fraud Examiners, and other such professional oversight organizations.

Chief of Staff

The Office of the Chief of Staff facilitates coordination and communication among the direct reports of the Superintendent of Schools so that the Superintendent is informed about current issues and areas of need within the district and that the Superintendent's instructions to staff are carried out. The Chief of Staff facilitates staff communication with members of the HISD Board of Education and participates in the development of districtwide communications and activities that inform the public and promote positive community relations. Additionally, the Chief of Staff monitors the implementation of major initiatives and ensures alignment with the district's purpose and goals. The department of Media Relations reports directly to the Chief of Staff.

General Counsel

The Office of Legal Services serves as in-house legal counsel to the Superintendent of Schools and staff on various issues in school law relating to local, state, and federal laws, rules, and regulations as well as district policy and administrative procedures. The Office of Legal Services represents the school district in judicial and administrative proceedings and monitors the legal services contracted from outside law firms. The Office assists in grievance and employee disciplinary matters including termination and nonrenewal hearings. It also coordinates the school district's responses to investigations by the Texas Education Agency, Office of Civil Rights of the U.S. Department of Education, and other state and federal agencies. The Office of Legal Services conducts professional development training for staff and provides legal assistance in drafting and revisions of district policies and procedures.

Chief of Police

The Police Department is responsible for providing a safe learning and working environment for students, teachers, and administrators. The Police Department Operations Bureau is responsible for ensuring that a police officer is assigned to every secondary campus in the district daily and without exception. The HISD Police Department has dedicated itself to protecting students, personnel, and property of the school district 24 hours a day.

(Interim) Chief Financial Officer

The Office of the Chief Financial Officer is responsible for the direction, management, and supervision of all aspects of the finance functions of the district, including the receipt, disbursement, reimbursement, investment, control, planning for allocation, and reporting of the financial resources of the district. The Office is also responsible for oversight and development of the district's external business activities, whereby the district provides services and products to outside organizations in order to enhance the district's revenue and gain exposure for the district as the foremost source of information and assistance in public education. The departments within the Office are: Controller's Office, Budgeting and Financial Planning, Benefits, Medicaid Finance, Procurement, Government Relations, and Tax and Financial Management Attorney.

Chief Human Resources Officer

The Human Resources Department provides strategic leadership to a full-service Human Resources division including Talent Acquisition, Compensation, Human Capital Accountability, Human Capital Management, Leadership Development, and School Leadership.

Chief Major Projects Officer

The Office of Chief of Major Projects is responsible for the leadership and management of key district initiatives through the use of sound project management practices, cross-functional teams, effective communications strategies, leveraged resources and human capital, and change and risk management strategies to build capacity and optimize impact and long-term sustainability. The Office is also responsible for ensuring the use of research, and evidenced-based practices as a foundation within key initiatives and for working collaboratively internally and with external stakeholders to foster strong partnerships for success and development and replication of best practices.

Chief Academic Officer

The Academic Services Division provides quality, consistency, innovation and rigor through a comprehensive and aligned 21st century curriculum, personalized services to support students with diverse needs, and a systemic program of assessment and evaluation that informs the work of the district. The offices and departments reporting to the Chief Academic Officer include Elementary Curriculum and Development, Secondary Curriculum and Development, Innovative Curriculum and Development, Special Education, Personalization, Multilingual Services, Student Assessment, Research and Accountability, and Instructional Resources.

Chief Communications Officer

The Office of Chief Communications Officer exists to inform and engage stakeholders; support schools and departments; and build partnerships to increase transparency, support, and confidence in HISD. This is accomplished through responsiveness, engagement, and effective communications practices.

Chief Operating Officer

The Chief Operating Officer acts for the Superintendent by providing broad business-oriented perspectives in developing strategies that enhance the effectiveness and efficiency of non-instructional service delivery to schools and departments. The position provides leadership, oversight, coordination, assistance, coaching, and support to the heads of the Business Assistance, Nutrition Services, Facility Services, Construction Services, Transportation, and Police departments.

Chief Technology Information Officer

The Information Technology department exists to provide timely information, process, productivity, and technology expertise accomplished through IT's strategic goals to provide a leadership role in HISD's digital transformation and establish a robust IT infrastructure.

Chief Student Support Officer

The Office of Student Support assists the Superintendent of Schools in ensuring that the district has an effective teacher in every classroom, an effective principal in every school, and data-driven accountability and compliance. Student Support oversees the implementation of support services and compliance functions for all schools in the district. The Office of Student Support also aligns resources and supports for principals and teachers and verifies that the district is providing equitable and quality educational opportunities for its students. The office consists of the following departments: Athletics/UII, Student Records, Drop Out Prevention, Federal and State Compliance, Parent/Community Assistance, State Compensatory Education, Health and Medical Services, Psychological Services, After School Programs, Counseling and Guidance Services, JJAEP/Charter/Safe Schools, and School Choice.

Chief School Officer Secondary Schools

The Office of School Support assists the Superintendent of Schools in ensuring that the district has an effective teacher in every classroom, an effective principal in every school and applies data-driven accountability systems. The Office of School Support for secondary schools oversees the implementation of all education programs, support services, and compliance functions for middle and high schools in the district. This Office also aligns resources and supports for principals and teachers to confirm that the district is providing equitable and quality educational opportunities for its secondary students. For secondary schools, the office consists of two chief school officers (CSOs) who report directly to the Superintendent of Schools and have a director to help them manage daily operations.

Chief School Officer Secondary Transformation Schools

The Chief School Officer Secondary Transformation Schools is a "transformation" officer, tasked exclusively with supporting struggling middle and high schools. The CSO reports directly to the Superintendent of Schools and has a director to help manage daily operations. To ensure a small school-to-SSO ratio, a corps of school support officers (SSOs) includes eight SSOs dedicated to serving the transformation officer.

Chief School Officer Elementary Schools

The Office of School Support assists the Superintendent of Schools in ensuring that the district has an effective teacher in every classroom, an effective principal in every school and applies data-driven accountability systems. The Office of School Support for elementary schools oversees the implementation of all education programs, support services, and compliance functions for elementary schools in the district. This Office also aligns resources and supports for principals and teachers to confirm that the district is providing equitable and quality educational opportunities for its elementary students.

Chief School Officer Elementary Transformation Schools

The Chief School Officer Elementary Transformation Schools is a “transformation” officer, tasked exclusively with supporting struggling elementary schools. The CSO reports directly to the Superintendent of Schools and has a director to help manage daily operations. To ensure a small school-to-SSO ratio, a corps of school support officers (SSOs) includes seven SSOs dedicated to serving the transformation officer.

STUDENT PROFILE • 2015 – 2016

	Number	Percent		Number	Percent
Total Enrollment	215,627		Student Enrollment by Program*		
Membership[†]	214,891		Bilingual Education	44,722	20.8%

Major Language Groups of Limited English Proficient Students

HISD offers Bilingual and English as a Second Language instructional programs for non-English speaking students who require intensive English-language instruction.

- In 2015–2016, HISD identified 65,216 Limited English Proficient (LEP) students and 85 home languages.

Asian Languages: 2.2%
e.g., Mandarin, Vietnamese

Other Languages: 5.9%
e.g., Arabic, Swahili, Urdu

Student Dropout and Graduation in HISD

4-Year Graduation Rates, Grades 9–12

Annual Dropout Rates, Grades 7–8

4-Year Dropout Rates, Grades 9–12

Note:

Beginning with 2010–2011, the annual dropout rates for grades 7 and 8 and the four-year graduation and dropout rates were calculated with mandated exclusions as specified by Texas Education Code 39.053. The annual and four-year rates for 2010–2011 and later are not comparable to rates reported for 2009–2010 and earlier.

Matthew Dogan Elementary School

Telephone: (713) 671-4140

Principal: Tarriek Rideaux

Board Member: Rhonda Skillern-Jones

Campus Number: 140

Address: 4202 LIBERTY RD 77026

School Office: Elementary Tran

Chief School Officer: Grenita Lathan

Grades Served: EE-05

No Achievement Data for This School

GLOSSARY

GLOSSARY

DEFINITION OF TERMS AND DATA SOURCES

Bracketed items indicate sections in the school-level pages

ACCOUNTABILITY SYSTEM - TEXAS EDUCATION AGENCY (TEA):

State accountability ratings are based on a framework of four indexes that are used to evaluate the performance of each public campus and district in the state. The framework includes a range of indicators to calculate a score for each index and enables a thorough assessment of campus and district effectiveness. Accountability ratings are based on achieving a target established for each performance index.

Index 1: Student Achievement provides a snapshot of performance across subjects tested on STAAR.

Index 2: Student Progress measures year-to-year student progress by subject and student group.

Index 3: Closing Performance Gaps tracks academic achievement of economically disadvantaged students and the lowest performing racial/ethnic student groups.

Index 4: Postsecondary Readiness measures graduation rates, diploma plans, and other postsecondary readiness indicators to emphasize the importance of earning a high school diploma that provides students with the foundation necessary for success in college, the workforce, job training programs, or the military.

Three labels are used to rate the overall performance of districts and campuses – Met Standard, Met Alternative Standard, or Improvement Required – as determined by the four indexes. In addition to evaluating performance for all students, the performance of the following individual groups of students is evaluated in the performance index framework - All Students, African American, American Indian, Asian, Hispanic, Pacific Islander, White, Two or More Races, Students served by Special Education, Economically Disadvantaged, and English Language Learners (ELLs).

ACT [COLLEGE BOUND]:

The ACT is a national college-admission exam. It assesses both the general educational level of high school students and their readiness for college-level work. The ACT consists of four tests: English, mathematics, reading, and science reasoning. The percentage of 12th-graders taking the test and the percentage of all students at or above the ACT criterion, 24, are displayed. The percentage taking the exam is the number of examinees divided by the number of 12th graders enrolled as of the October PEIMS Snapshot, which may result in percentages exceeding 100. The percentage of students meeting or exceeding the ACT criterion is calculated by dividing the number of examinees who scored at or above the criterion by the total number of examinees.

ADEQUATE YEARLY PROGRESS (AYP):

The No Child Left Behind Act of 2001 (NCLB) (P.L. 107-110), reauthorized and amended federal programs established under the Elementary and Secondary Education Act of 1965 (ESEA). Under NCLB, accountability provisions that formerly applied only to districts and campuses receiving Title I, Part A funds were expanded to all districts and campuses. All public school districts, campuses, and the state were evaluated annually for AYP from the 2002–2003 through the 2011–2012 school years. On February 28, 2013, the Texas Education Agency (TEA) requested that the U.S. Department of Education waive specific provisions of the ESEA. The U.S. Secretary of Education approved the Texas waiver request on September 30, 2013, which waived the 2012–2013 AYP calculations and allowed the state’s existing systems of interventions to guide the support and improvement of schools. As a result of the approved ESEA Flexibility Waiver, the state accountability System Safeguard information was used to meet federal accountability requirements to identify Priority and Focus Schools that are eligible for additional federal funding while subject to a series of federally-prescribed interventions.

The disaggregated performance results of the state accountability system serve as the basis of safeguards for the accountability rating system to ensure that poor performance in one area or one student group is not masked in the performance index. The state accountability system safeguard data are released in conjunction with the state accountability ratings. The disaggregated performance measures and safeguard targets are calculated for performance rates, participation rates, and graduation rates of eleven student groups: All Students and seven racial/ethnic groups: African American, American Indian, Asian, Hispanic, Pacific Islander, White, and Two or More Races; Economically Disadvantaged; Students with Disabilities; and English language learners (ELLs). Beginning in 2014, the ELL student group included ELL students identified as limited English proficient (LEP) plus additional ELL students who had met the criteria for exiting bilingual or English as a Second Language (ESL) programs. These students were no longer classified as LEP for Public Education Information Management System (PEIMS) reporting and were in the first or second year of monitoring as required by state statute.

Performance rates calculated for the safeguard system are the disaggregated performance rates used for Index 1. A single target that corresponds to the student achievement target for Index 1 is used. Targets for participation rates, graduation rates, and limits on the use of alternate assessments are aligned to federal requirements. District and campus level system safeguard results are reported for any group that meets accountability minimum size criteria.

ADVANCED ACADEMICS [SCHOOL BASED PROGRAMS]:

Programs designed to meet the needs of the gifted/talented and high achieving students in their schools. The following programs are developed around TEA/HISD Gifted and Talented standards and policies, yet can be tailored to meet the specific needs of each campus as long as the program meets all requirements as specified in the Texas State Plan:

- **K-5:** Vanguard Neighborhood (VN), Vanguard Magnet (VM), or International Baccalaureate Middle Years Program (IBMYP).

- **Grades 6–8:** International Baccalaureate Middle Years Program (IBMYP), Pre-Advanced Placement, Advanced Placement, Vanguard Neighborhood (VN), and Vanguard Magnet (VM).
- **Grades 9–12:** Pre-Advanced Placement, Advanced Placement, International Baccalaureate Middle Years Program (IBMYP) or International Baccalaureate (IB), Vanguard Neighborhood (VN), and Vanguard Magnet (VM), and Dual Credit.

ADVANCED DEGREES [TEACHER AND STAFF PROFILE]:

Percentages of teachers at the school whose highest degree earned is a master's or doctoral degree.

ADVANCED PLACEMENT (AP) AND PRE-AP (SECONDARY) [SCHOOL BASED PROGRAMS]:

The College Board's AP Program provides students with the opportunity to take college-level coursework and exams while in high school. Students may earn college credit or advanced placement in college courses via the AP Program. Each AP course concludes with a college-level exam. AP teachers are dedicated and passionate about the content they teach and are required to submit a syllabus for approval to the College Board. Pre-AP coursework in middle and/or early high school classes prepares students for the rigor of AP courses. AP and Pre-AP courses help students develop strong study skills, habits of mind, and critical thinking skills needed for college.

ALTERNATIVE PLACEMENT [STUDENT OUTCOMES]:

A disciplinary action in which a student has been placed in an alternative educational program that is in a setting other than the student's regular classroom. Placement occurs in accordance with Section 37.008 of the Texas Education Code.

ANNUAL DROPOUT RATE (GR. 7–8) [STUDENT OUTCOMES]:

The annual student dropout rate is calculated as the number of dropouts in grades 7 and 8, divided by the number of students enrolled in grades 7 and 8. This calculation is based on a cumulative count of student enrollment. The dropout rate is the previous year's rate reported by the Texas Education Agency.

AP/PRE-AP; IB/PRE-IB [STUDENT PROFILE]:

Percentage of students enrolled in courses identified as honors in the special explanation code in the District Master Catalog, including advanced placement (AP), pre-advanced placement (Pre-AP), international baccalaureate middle years program (Pre-IB), international baccalaureate (IB) high school program, dual credit, and Career and Technical Education (CTE) courses that earn an honors grade point.

APRENDA: LA PRUEBA DE LOGROS EN ESPAÑOL [STUDENT ACHIEVEMENT]:

From 1996 to 2014, HISD used the Aprenda 3 Test Series to evaluate the academic progress of Spanish-speaking students. Modeled after its companion, the Stanford 10, and developed by Hispanic educators, Aprenda 3 is the most culturally inclusive Spanish language assessment of academic standards. It is based on the latest national norms (2004) and expanded beyond the scope of previous editions to include environment/science and social science. As a non-biased, norm-referenced measure, the Aprenda 3 provides a culturally fair method of determining the relative standing of HISD Spanish-speaking students' academic performance when compared to that of Spanish-speaking students from a nationally representative sample. The construction of the Aprenda 3 was aligned with the content measured by the Stanford Achievement Test Series (specifically, the Stanford 10), and the Aprenda 3 was manufactured to meet the needs of the students receiving most of their instruction in Spanish at all grade levels, K–12. Although parallel in content to the Stanford 10, Aprenda 3 is not a translation. Subtests in the following academic areas were included in the Aprenda in order to provide a complete assessment of educational achievement – reading, language, mathematics, listening, environment/science, and social science. For all subtests, except Calculos Matematicos (Mathematics Computation), test items were developed entirely in Spanish in order to ensure a non-biased test construction process. The Calculos Matematicos subtest, which contains only numerals, was taken directly from the Stanford Achievement Test Series in order to provide a statistical link between the two batteries. Only reading, mathematics, language, environment/science, and social science results are

reported. An asterisk (*) located in the Aprenda subsection of the Student Achievement section indicates that fewer than five students in a grade level at a school were tested. The percentages of students scoring at or above the 50th percentile are reported for all students to make comparisons from year to year and across grade levels. Results are only reported for grades 1–5.

ATTENDANCE RATE [STUDENT OUTCOMES]:

The ratio of students' days present to total days in membership for the respective school year. Students in all grades are included in the calculation.

ATTENDANCE RATE [TEACHER AND STAFF PROFILE]:

The ratio of the total number of teacher hours present divided by the total number of teacher hours present plus hours absent (both compliance and requested) for the respective school year. N/A indicates that the attendance rate data were not reported. An asterisk (*) indicates there were fewer than five teachers with attendance data.

AT-RISK [STUDENT PROFILE]:

The at-risk rate is based on enrollment from pre-kindergarten through twelfth grade. This rate includes at-risk categories identified by the state. For example, elementary students in pre-kindergarten through third grade have been designated as “at-risk” of dropping out of school if they did not perform satisfactorily on the HISD pre-kindergarten language arts and mathematics assessments, the mCLASS CIRCLE assessment or the Texas Primary Reading Inventory (TPRI)/Tejas Lee. Secondary students have been identified as “at-risk” if they failed two or more foundation courses during a semester in the preceding or current school year or are not maintaining such an average in the current semester. Elementary and secondary school students are designated as “at-risk” of dropping out of school if they are Limited English Proficient (LEP), failed any section of TAKS, STAAR, or STAAR EOC on the most recent attempt, or were not advanced from one grade level to the next for one or more school years. Additional criteria include students who are pregnant and/or a parent, are homeless, have been previ-

ously reported as a dropout, reside in a residential placement facility, are in the custody or care of the Department of Protective and Regulatory Services, attend a disciplinary alternative education program, are on conditional release through the judicial courts, or have been expelled during the preceding or current school year.

BILINGUAL [STUDENT PROFILE]:

Percentage of students identified as LEP and provided bilingual education service, including basic curriculum skills in their native language and language skill development in English.

CAREER AND TECHNICAL EDUCATION [SCHOOL BASED PROGRAMS]:

Educational programs developed around a variety of career pathways, which include both rigorous academic and career courses leading to industry certification/licensures, an associate degree, and/or a baccalaureate degree. A variety of educational programs can be selected from one of the clusters listed below:

- Agriculture, Food, and Natural Resources
- Architecture and Construction
- Arts, A/V Technology, and Communications
- Business Management and Administration
- Education and Training
- Finance
- Government and Public Administration
- Health Science
- Hospitality and Tourism
- Human Services
- Information Technology
- Law, Public Safety, Corrections, and Security
- Manufacturing
- Marketing
- Science, Technology, Engineering, and Mathematics
- Transportation, Distribution, and Logistics

CHANCERY STUDENT MANAGEMENT SYSTEM (SMS) :

Chancery was implemented during the 2005–2006 year. This student-

information system enables teachers and principals to generate reports and record absences, tardies, and course and conduct grades online. It also provides student data to any system that needs data from HISD’s student information system, such as Transportation Services, Food Services, Federal and State Compliance, the textbook warehouse, the *Connect-ED* phone-message system, and the Parent Portal team.

COMPENSATORY EDUCATION [TEACHER AND STAFF PROFILE]:

Programs and instructional services designed for at-risk students. These programs and services are funded with State Compensatory Education funds.

DISCIPLINARY ACTIONS [STUDENT OUTCOMES]:

Actions recorded in accordance with Chapter 37 (Discipline, Law and Order) of the Texas Education Code. Disciplinary codes reported include in-school suspensions, out-of-school suspensions, expulsions, and alternative placements. The total number of reported disciplinary actions is also included.

DISTINGUISHED OR RECOMMENDED GRADUATES [STUDENT OUTCOMES]:

Number of students meeting the diploma requirements for the Recommended High School Plan (RHSP), Distinguished Achievement Plan (DAP), Foundation High School Plan with Endorsement (FHSP-E), or Foundation High School Plan with Distinguished Level of Achievement (FHSP-DLA) programs. Students earning these diplomas must complete prescribed and rigorous sets of courses and assignments, and meet other criteria specified for each high school degree program.

DROPOUT RATE (4-YEAR) [STUDENT OUTCOMES]:

Percentage of students in a cohort who dropped out and did not return to school before completing four years of high school.

ECONOMIC DISADVANTAGE [STUDENT PROFILE]:

Percentage of students approved for free or reduced price lunch or identified for other public assistance at the school.

ENGLISH AS A SECOND LANGUAGE (ESL) [STUDENT PROFILE]:

Percentage of limited English proficient (LEP) students participating in an English language development program including intensive English instruction in all subjects, focusing on the language arts through the use of English as a Second Language methodology.

ENGLISH LANGUAGE LEARNER (ELL) [STUDENT PROFILE]:

The percentage of students whose primary language is other than English and who are in the process of acquiring English. Not all students identified as ELLs receive bilingual or English as a second language instruction.

ENROLLMENT [STUDENT PROFILE]:

Number of students enrolled at the school on the last Friday in October for each of the years reported. It includes the number of students who were served at least two hours per day.

EXPULSIONS [STUDENT OUTCOMES]:

Disciplinary removal from a school. Weapons violations result in expulsion in accordance with the district's Zero Tolerance Policy. Expulsion requires a formal hearing with school administrators.

GIFTED/TALENTED [STUDENT PROFILE]:

Number of students who participated in a Gifted/Talented program, which offers a challenging, differentiated, and extended curriculum to develop higher-order thinking skills and encourage independence and decision-making.

GRADES SERVED:

Grade levels taught at the school during the respective year. Pre-kindergarten students include those eligible for free services and those supported by tuition.

GRADUATE COUNT [STUDENT OUTCOMES]:

Number of graduates reported for each graduate cycle.

GRADUATION RATE (4-YEAR) [STUDENT OUTCOMES]:

The percentage of students in a cohort of first-time ninth grade students who graduated after completing four years of high school. Rates are not calculated for campuses that do not meet the TEA criteria for calculating them, but graduates from these campuses are included in district level rates.

IN-SCHOOL SUSPENSIONS [STUDENT OUTCOMES]:

Disciplinary reassignment to another classroom or campus-based Disciplinary Alternative Education Program (DAEP) where instruction is provided. In-school suspension is used as an alternative to out-of-school suspension to support maximum academic engagement.

INTERNATIONAL BACCALAUREATE (IB) PRIMARY YEARS PROGRAMME (PYP) [SCHOOL BASED PROGRAMS]:

The IB Primary Years Program (PYP) prepares students to become active, caring, lifelong learners who demonstrate respect for themselves and others and have the capacity to participate in the world around them. It focuses on the development of the whole child. Each IB World School is regularly evaluated to ensure that the standards and practices of its IB programme(s) are being maintained. Evaluation takes place at least once every five years. As part of the process, the school engages in a self-study that is a key element in the school's continual improvement.

INTERNATIONAL BACCALAUREATE (IB) MIDDLE YEARS PROGRAMME (MYP) [SCHOOL BASED PROGRAMS]:

The IB Middle Years Programme (MYP) is designed for students between the ages of 11 and 16 (grades 6–10). Traditional subject areas are enhanced by interdisciplinary study with a focus on history, culture, language, and expression. MYP provides a challenging framework that encourages students to make practical connections between their studies and the real world. MYP is inclusive by design; students of all interests and academic abilities benefit from their participation.

THE INTERNATIONAL BACCALAUREATE DEGREE PROGRAMME (IB), 11TH–12TH GRADES [SCHOOL BASED PROGRAMS]:

The **IB diploma programme (DP)** aims to develop students who have an excellent breadth and depth of knowledge – students who flourish physically, intellectually, emotionally and ethically. The **IB career-related programme (CP)** is a framework of international education addressing the needs of students engaged in career-related education. It leads to further/higher education apprenticeships or employment. Each IB World School is regularly evaluated to ensure that the standards and practices of its IB programme(s) are being maintained. Evaluation takes place at least once every five years. As part of the process, the school engages in a self-study that is a key element in the school’s continual improvement.

IOWA ASSESSMENTS (IOWA) [STUDENT ACHIEVEMENT]:

The only districtwide administration of the Iowa Assessments (Iowa) occurred during the 2014–2015 school year. During the 2014–2015 school year, the Iowa Assessments replaced the Stanford Achievement Test Tenth Version (Stanford 10). The Iowa Assessments, developed by the University of Iowa, are a comprehensive set of measures that assess students from kindergarten to Grade 12. The tests are designed to provide a thorough assessment of a student’s progress in skills and standards that are essential to successful learning. Similar to the Stanford 10, the four core subjects are tested in the Iowa: Reading/Language Arts, Mathematics, Science, and Social Studies. The exception is kindergarten, which does not include Science or Social Studies. The tests assess both foundational skills and higher-order thinking skills, and provide national and local comparisons. The percentages of students scoring at or above the 50th national percentile by grade and subject are presented for all students tested on the Iowa. Results are reported for Grades 1–8. An asterisk (*) indicates fewer than five students were tested and results are not reported. The “†” indicates no tests were completed.

LIMITED ENGLISH PROFICIENT (LEP) [STUDENT PROFILE]:

Please see English Language Learner (ELL).

LOGRAMOS TERCERA EDICIÓN [STUDENT ACHIEVEMENT]:

The only districtwide administration of the Logramos TERCERA EDICIÓN (Logramos 3rd edition, herein referred to as Logramos) occurred during the 2014–2015 school year. During the 2014–2015 school year, the Logramos replaced the Aprenda. As the newest and most comprehensive group-administered achievement test for Spanish-speaking students, Logramos features 2014 norms and parallels the scope and sequence of the Iowa Assessments. Logramos measures Spanish-speaking student performance in the subject areas of Reading, Language, and Mathematics in kindergarten through grade 8 and Science and Social Studies in grades 1–8. The percentages of students scoring at or above the 50th percentile are reported for all students. Results are reported for Grades 1–8. An asterisk (*) indicates fewer than five students were tested and results are not reported. The “†” indicates no tests were completed.

MAGNET ENROLLMENT [STUDENT PROFILE]:

Number of students enrolled in a magnet program.

MAGNET PROGRAMS [SCHOOL BASED PROGRAMS]:

As part of the Houston Independent School District, magnet programs exist to strengthen the social and economic foundation of Houston by assuring its youth the highest-quality elementary and secondary education available anywhere. It is a system of educational choices developed to serve students with specialized interests, talents, and needs. Historically, the magnet programs have received support from the public, and it is essential to the continued success of the magnet schools system that all HISD magnet programs function efficiently and that all magnet students are successful. Magnet programs are distinguished by their ability to focus on a single area and use that focus to engage and motivate students. No one focus is considered superior to another, each is just different. This means that a school will provide a curriculum that goes into greater depth and complexity within its focused area than is offered by the district’s regular curriculum. As a result, magnet programs can offer a wide variety of school choices that appeal to the diverse interests and needs of our student population.

Magnet Program—Program Designs:

- **School-Wide Programs (SWP)**—School-Wide Programs are established at existing schools that have a specific attendance zone and are designed to serve all qualified students attending the school. All *qualified* students who live within the attendance zone and attend the school will automatically participate in the magnet program; there is no need to apply. In addition, students from throughout HISD may apply to the program. Pre-K students do not qualify for magnet except at the Montessori, magnet dual language, and language immersion programs.

The number of students that any school building can accommodate is its building capacity. The enrollment goal for each SWP is building capacity. To determine how many spaces may be offered to students from outside the school’s zone, five percent of the building capacity spaces are set aside and reserved for any new students who move into the zone during the school year. The remaining number of available spaces is the number of magnet students a school may accept for the year. SWP’s are found at all levels serving grades K-12.

- **School-within a School (SWAS)**—School-within-a-school programs are established at existing schools that have a specific attendance zone. They are designed to serve only a subset of the school’s population. Students from throughout HISD (even students zoned to the school) must apply to be considered for the program. Students must qualify, be invited, sign the entrance agreement, and enroll. The program is designed to serve only the students in the magnet program.
- **Separate and Unique Schools (SUS)**—These magnet programs are established on campuses that do not have an attendance zone. Students from throughout HISD may apply to the program. Students must qualify, be invited, return the entrance agreement, and enroll. The program is designed to serve all the students in the school.

Programs:

- **Career Academies** provide courses in diverse career concentrations to prepare students for a vast range of professional and occupational workforce opportunities. A number of programs prepare students for vocational certifications, while others offer dual credit courses that provide a chance to earn college credit while in high school. Career academy themes include law, communications, business administration, culinary arts, medical, and others.
- **Early College High Schools** offer students an opportunity to earn a high school diploma and an associate’s degree or up to two years of college credit towards a bachelor’s degree — tuition free. The Early College model provides a personalized environment that blends high school and college in a rigorous yet supportive environment that provides academic and social support services to ensure student success.
- **Fine Arts and/or Performing and Visual Arts** build on academics to give students opportunities for creative expression. Young artists work together to produce high-quality performances, publications, and exhibitions that reflect their understanding of the arts, develop critical-thinking and problem solving skills, and enhance their self-esteem. Excellence in the arts is considered an integrated, natural extension of the academic program.
- **Futures Academy** students have the option to earn an associate’s degree and receive career training in high-demand technical fields. The degree and “stackable” industry credentials are aimed at providing students a variety of career opportunities after high school. Students may begin rewarding careers in high-growth, high-wage technical fields, or transfer earned college credits to institutions of higher education and continue their college education.
- **International Baccalaureate (IB)** program is an advanced academic curriculum that focuses on problem-solving and independent critical-thinking skills, which better prepare students for college and a lifetime of learning.

- **International Studies** program allows students to learn about varied cultures, learn to speak different languages, and learn to use technologies important in our global society. Students learn the communication skills necessary to succeed in our rapidly-changing world.
 - **Language** programs offer students an opportunity to learn one or multiple languages in an instructional setting that integrates subject content presented in English and another language. Models vary depending on the language and school level. These programs provide a continuum of learning experiences that lead to the development of advanced linguistic skills.
 - **Magnet Vanguard** is a program that serves students who have been identified as potentially gifted and/or talented in intellectual ability or creativity. A Magnet Vanguard offers a differentiated curriculum that is both accelerated and enriched. Admission to the Magnet Vanguard program requires testing and the use of the Vanguard application.
 - **Montessori** is a system of education that is both a philosophy of child development and a methodology of guiding each child's development to its full potential. In a Montessori School, children grow in an environment of mutual respect to become responsible world citizens. Every classroom is equipped with Montessori materials. Children experience a spiraling, connected curriculum founded on Montessori principles.
 - **Science, Technology, Engineering, and Mathematics (STEM)** schools offer a variety of programs at different grade levels. Elementary and middle school STEM programs offer a broad spectrum of STEM activities such as robotics, environmental science, health science, and engineering which lay the foundation for more specialized STEM studies in high school. The STEM high school portfolio provides an array of industry-specific disciplines that prepare students to enter a pipeline of talent for the medical, energy, technology, science, and engineering professions.
 - **Science, Technology, Engineering, Arts and Mathematics (STEAM)** programs add arts to STEM curriculum by drawing on design principles and encouraging creative solutions. These programs aim to teach students to think critically and have an engineering or design approach towards real-world problems while building on their mathematics and science base.
 - **Single-Gender College Preparatory** programs focus on single-gender college preparatory academics and leadership development through community service. These programs aim to develop the full potential of every student by fostering an educational environment that encourages critical thinking, inspires student confidence, and nurtures both the intellectual and social development necessary to graduate from college and become successful leaders in the global community.
- MIGRANT EDUCATION PROGRAM [SCHOOL BASED PROGRAMS]:**
 A migratory child (ages 3–21) is a child who is, or whose parent, spouse, or guardian is, a migratory agricultural worker, including a migratory dairy worker or a migratory fisher, and who, in the preceding 36 months, in order to obtain, or accompany such parent, spouse, or guardian who seeks to obtain, temporary or seasonal employment in agricultural or fishing work because of economic necessity, has moved from one school district to another. Federal funding for the Migrant Education Program (MEP) was authorized in 1967 and is funded through Title I, Part C of the No Child Left Behind Act. The purpose of the program is to assist states in providing educational programs to reduce the effect of educational disruptions, to ensure that migratory children are provided with appropriate educational services that address their special needs, and to support them in meeting the same challenging state academic content and achievement standards that all children are expected to meet. The MEP implements an individualized approach to supplemental, instructional, and support services for migrant students.
- MULTILINGUAL PROGRAMS [SCHOOL BASED PROGRAMS]:**
 Students identified as limited English proficient (LEP) are provided

instruction according to program placement recommendations made by the campus-based Language Proficiency Assessment Committee (LPAC). Students identified as LEP are served in one of the following programs: Transitional Bilingual, Dual Language, Bilingual Cultural Heritage, or English as a Second Language program.

- **TRANSITIONAL BILINGUAL PROGRAM (TBP):**
The TBP is a bilingual program model whereby LEP students receive primary language instruction for concept development while acquiring English. English instruction increases annually from one grade level to the next. Starting in grade 3, students who meet set program indicators progress into the pre-exit phase of the program, which emphasizes English instruction while maintaining introduction or reinforcement of concepts in the primary language. Students who meet program exit requirements anytime between grades 1–5 are reclassified as non-LEP and must be mainstreamed into the all English curriculum.
- **DUAL LANGUAGE PROGRAM (DL):**
The DL is a bilingual program model whereby LEP students are allowed to fully develop and maintain their primary language while learning English. It is the only language program for English language learners (ELLs) in schools that choose to implement the program, with schools adopting either the 80/20 or 50/50 program model. A Two-Way model is a full bilingualism and biliteracy program that integrates students proficient in English and students identified as limited English proficient. Instruction is provided to both groups of students in an instructional setting where language learning is integrated with content instruction. All efforts are made to serve an equal number of native English speakers and LEP students in Dual Language schools. Students who meet program exit requirements anytime between grades 1–5 are reclassified as non-LEP but remain in the program.
- **BILINGUAL CULTURAL HERITAGE PROGRAM (BCHP):**
The BCHP serves LEP students who are speakers of Vietnamese in grades PK–5. The program consists of primary language support for

concept development and cultural enrichment activities for heritage maintenance. The BCHP is imbedded within an intensive program of English language development using English as a Second Language methodology. Certified Vietnamese bilingual teachers provide native language support to students as needed.

- **ENGLISH AS A SECOND LANGUAGE (ESL):**
English as a Second Language programs are offered for non-Spanish speaking elementary students identified as limited English proficient (LEP). This program is also offered for all secondary students identified as LEP. The content-based program provides instruction in all subjects by an ESL certified teacher, whereas students served via a pull-out model only receive instruction by an ESL certified teacher in Language Arts. The domains of listening, speaking, reading, and writing are addressed in ESL classrooms through the use of language acquisition/development methodology.
- **SUMMER LIMITED ENGLISH PROFICIENCY (LEP) LANGUAGE PROGRAM:**
The Summer LEP Language Program is designed to provide students who are classified as limited English proficient and who will be entering kindergarten or first grade in the fall with the opportunity to further develop their oral and literacy language skills and help prepare them for the development of initial literacy in school. This tuition-free program offers a minimum of 120 hours of bilingual or ESL instruction. Participation is on a voluntary basis.

NUMBER [TEACHER PROFILE]:

Number of teachers employed by HISD as of the last Friday in October for each of the years reported. Other professional staff (e.g., nurses and counselors) are not included.

OUT-OF-SCHOOL SUSPENSION [STUDENT OUTCOMES]:

Disciplinary removal from school for a student who engages in conduct identified in the Student Code of Conduct adopted under TEC Section 37.001 as conduct for which a student may be suspended. An out-of-school suspension is limited to three days.

PROMOTION RATE [STUDENT OUTCOMES]:

Percentage of students promoted to the next grade at the conclusion of each school year. Students with multiple impairments have been excluded from the calculation. For the calculation, students' grade levels at the end of the previous school year were compared with their grade levels during the following school year. This calculation is based on the number of students identified in the PEIMS summer attendance record of the end of the previous school year and also in the PEIMS Fall record during the following school year. Promotion rates are calculated for grades 1–8. N/A indicates that the data were not available.

PSAT [COLLEGE BOUND]:

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a national examination administered in October each year by the College Board. The PSAT was redesigned in October 2015 to have two sections: Evidenced-Based Reading & Writing (EBRW) and Mathematics. Each section is scored between 160 and 760 with a Total Score between 320 and 1520. The PSAT/NMSQT serves as preparation for the SAT. Students receive a customized report that assesses their performance on the PSAT with suggestions to improve their skills. For juniors only, the PSAT/NMSQT also serves as a qualifying examination for numerous scholarship programs that are sponsored by corporations, colleges and universities, and other organizations, including the National Merit scholarships. PSAT/NMSQT participation and performance is reported. The percentage tested is the number of examinees divided by the number of 10th and 11th grade students enrolled as of the October PEIMS Snapshot, which may result in a percentage exceeding 100. The percentage of students meeting the standard is the number of students who met the criterion divided by the number tested.

PUBLIC EDUCATION INFORMATION MANAGEMENT SYSTEM (PEIMS):

PEIMS is a statewide data collection and reporting system operated by the Texas Education Agency. It includes extensive information on students, staffing, and school budget/finances, and serves as the fundamental database for many statewide reports on public education, such

as the Texas Academic Performance Report. The Fall PEIMS data submission date is the last Friday in October for each of the years reported. Except where otherwise noted, student and staff information is taken from this PEIMS database.

RACE/ETHNICITY [STUDENT PROFILE]:

Percentages of ethnic/racial composition of the student population enrolled at the school as of the last Friday in October for each of the years reported.

Beginning with 2009–2010, the categories were changed to comply with the new requirements issued by the United States Department of Education. The categories are:

- African American
- American Indian or Alaskan Native
- Asian
- Hispanic
- Native Hawaiian-Pacific Islander (combined with Asian)
- White
- Two or More Races

SAT [COLLEGE BOUND]:

The SAT Reasoning Test (SAT) is a college-entrance exam developed by the College Board. The SAT provides a standard by which the skills of students applying for colleges and universities can be compared nationally. Standardized tests are designed to allow college admissions officers to judge all students by a common measuring stick. Standardized test scores compensate for the uncertainty surrounding high school grades, school-to-school differences, grade inflation, and teaching quality, for example. The SAT was redesigned for 2005, and a writing section was included. The average scale scores for critical reading, mathematics, and writing are reported for each school for the graduating class for each of the years reported. Also reported are the percentage of seniors who took the SAT and the percentage of seniors taking the SAT who met or exceeded the College and Career Readiness composite benchmark of 1550.

SPECIAL EDUCATION [STUDENT PROFILE]:

Percentage of students at the school who are identified as eligible for special education services.

SPECIAL EDUCATION PROGRAMS AND SERVICES [SCHOOL BASED PROGRAMS]:

Each student aged 3–21 years who is eligible for special education and related services receives programs and services outlined in the individualized education program (IEP). The IEP is developed by the Admission, Review, and Dismissal (ARD)/IEP committee. Students who meet the eligibility criteria for one or more of the following disability categories and need special education to receive an appropriate education are served by the district:

Disability Categories

Auditory Impairment (AI)	Non-Categorical Early
Autism (AU)	Childhood (NCEC)
Deaf-Blindness (DB)	Other Health Impairment (OHI)
Emotional Disturbance (ED)	Specific Learning Disability (LD)
Intellectual Disability (ID)	Speech or Language Impairment (SI)
Multiple Disabilities (MD)	
Orthopedic Impairment (OI)	Traumatic Brain Injury (TBI)
	Visual Impairment (VI)

HISD provides programs and services for students with disabilities in the least restrictive, inclusive environment. A continuum of program options from least to most restrictive is available in our schools and includes:

Special Education Programs and Services

Mainstream	Itinerant Teacher Services
In-Class Facilitation	Preschoolers Acquiring Learning Skills (PALS)
Co-Teaching	
Content Mastery or Study Lab Resource	Skills for Learning and Living (SLL)

Special Education Programs and Services (continued)

Preparing Students for Independence (PSI)	Programs for the Visually Impaired
Behavior Support Class (BSC)	Programs for the Deaf and Hard of Hearing
Structured Learning Class (SLC)	Community-Based Vocational Instruction (CBVI)

The following related services are provided to eligible students:

- Assistive Technology
- Speech/Language Therapy
- Physical Therapy
- Occupational Therapy
- Counseling
- Music Therapy
- Adapted Physical Education

STAAR and STAAR EOC [STUDENT ACHIEVEMENT]:

In 2012, the State of Texas Assessments of Academic Readiness (STAAR) replaced the Texas Assessment of Knowledge and Skills (TAKS). The STAAR program assessed students in grades 3–8. The same grades and subjects were tested on TAKS. The STAAR English reading and mathematics subtests are administered to grades 3–8. The STAAR Spanish reading and mathematics subtests are administered to grades 3–5. The writing subtest is administered to grades 4 and 7 in English and to grade 4 in Spanish; science is administered to grades 5 and 8 in English and grade 5 in Spanish; and social studies is administered in English to grade 8. Students enrolled in high school courses take the following STAAR End-of-Course (EOC) assessments to be eligible for high school graduation: English I (combined reading and writing), English II (combined reading and writing), Algebra I, Biology, and U.S. History. Results for grades 3–8 and EOC assessments presented are the percentage of students who met the satisfactory performance standards. An asterisk (*) indicates fewer than five students were tested and results are not reported.

STAFF [TEACHER AND STAFF PROFILE]:

Number of positions funded include the following categories:

- Teachers
- Principals
- Assistant Principals
- Counselors
- Educational Aides: includes educational and interpreter aides.
- Other Professional Staff: includes Librarians, Registrars, Therapists, Social Workers, Athletic Trainers Educational Diagnosticians, School Nurses, and other professional staff (unless otherwise listed).

STANFORD ACHIEVEMENT TEST (STANFORD) [STUDENT ACHIEVEMENT]:

From 1996 to 2014, HISD used the Stanford Achievement Test Series to evaluate the progress of student achievement and to make comparisons to a national reference group. The Stanford 10 was designed to assess student achievement in reading, mathematics, language, environment/ science, social science, spelling, study skills, thinking skills, and listening. Only reading, mathematics, language, environment/ science, and social science NCEs are reported for years in which the test was administered. The districtwide administration of the Stanford 10 only included grades 1–8. The percentages of students scoring at or above the 50th percentile by grade and subject are presented for all students tested on the Stanford. An asterisk (*) indicates fewer than five students were tested and results are not reported.

TEACHERS BY PROGRAM [TEACHER PROFILE]:

Numbers of teachers include both teachers and long-term substitutes. Numbers of teachers are reported by position funding source. Funding sources include regular education, bilingual/ESL, compensatory education, gifted/talented education, special education, and other. Percentages are expressed as a percent of total number of teachers.

TEXAS ACADEMIC PERFORMANCE REPORT (TAPR):

An information management system (that replaced the Academic Excellence Indicator System or AEIS in 2012–2013) produced by the Texas Education Agency for the public schools of Texas that uses a

standard collection of performance and profile data. Performance data are comprised of TAPR performance indicators: STAAR; TAKS; student attendance; dropout rate; advanced courses; and school completion information. The profile section contains information on student and staff demographics, school programs, and class size.

TITLE I [STUDENT PROFILE]:

Percentage of students receiving instructional and/or support services through the federally-funded Title I program. Supplemental instruction includes reading, language arts, mathematics, and bilingual/ESL.

VANGUARD MAGNET [SCHOOL BASED PROGRAMS]:

The Vanguard Magnet program is a Vanguard program which operates in pre-selected Magnet schools in accordance with the district Vanguard standards as well as the district Magnet standards, which are centered on the principle of parent choice. With few exceptions, schools with Vanguard Magnet programs also offer classes/services for other non-Gifted/Talented (G/T) students such as regular, English Language Learners, and special education. However, the G/T services at these campuses are one and the same for all G/T eligible students, regardless of whether they are zoned or non-zoned/transfer students. The entire Vanguard program at Vanguard Magnet schools is designated as Vanguard Magnet, eliminating the duality of Vanguard programs which may have existed on some campuses. Eliminating the duality of programs requires mixing zoned and non-zoned G/T identified students when assigning them to classes. All Vanguard Magnet schools (with the exception of schools that operate under the “Separate and Unique School” – (SUS) Magnet program) operate a “School Within A School” (SWAS) type of Magnet program. The Magnet specialty in Vanguard Magnet schools is the Vanguard focus. As a SWAS, all interested zoned students must apply for the Vanguard Magnet program and proceed with the necessary assessment as needed. All qualified zoned students are served in the Vanguard Magnet program and are not part of the transfer enrollment goal for that campus. Should zoned qualified students move out of the zoned school, they are required to attend their new HISD zoned school, where they will receive G/T services.

Non-zoned students must also apply and proceed with the necessary assessment as needed. Those who qualify as G/T may be admitted as long as there is space available. Only non-zoned/transfer students will participate in the Vanguard Magnet admissions lotteries when there are more qualified applicants than spaces. Enrollment goals for Vanguard Magnet schools are in accordance with the Magnet program standards as they relate to School Within A School (SWAS). Vanguard magnet programs are Board-approved programs only.

VANGUARD NEIGHBORHOOD K-12 (VN) [SCHOOL BASED PROGRAMS]:

The Vanguard Neighborhood program is a Vanguard program which operates in all schools. It is designed to provide G/T services on a campus for all G/T students who are zoned to that campus and for any non-zoned G/T student on a valid transfer (other than Vanguard magnet transfers). There are no enrollment quotas or qualification distinctions (tiers) in the admission process. All G/T students on the campus are served in G/T classes with appropriately trained and qualified teachers. Vanguard Neighborhood schools often operate other magnet programs with such specialties as Fine Arts, Mathematics and Science, and so on, but not with a Vanguard specialty.

YEARS OF EXPERIENCE [TEACHER AND STAFF PROFILE]:

The total number of years of experience including experience both inside and outside of the district.
