

**Question:** *What are the performance results for AISD former ELL students on TAKS Reading, Mathematics, Writing, Science, and Social Studies in Spring 2006 compared with all AISD students? Part 1*

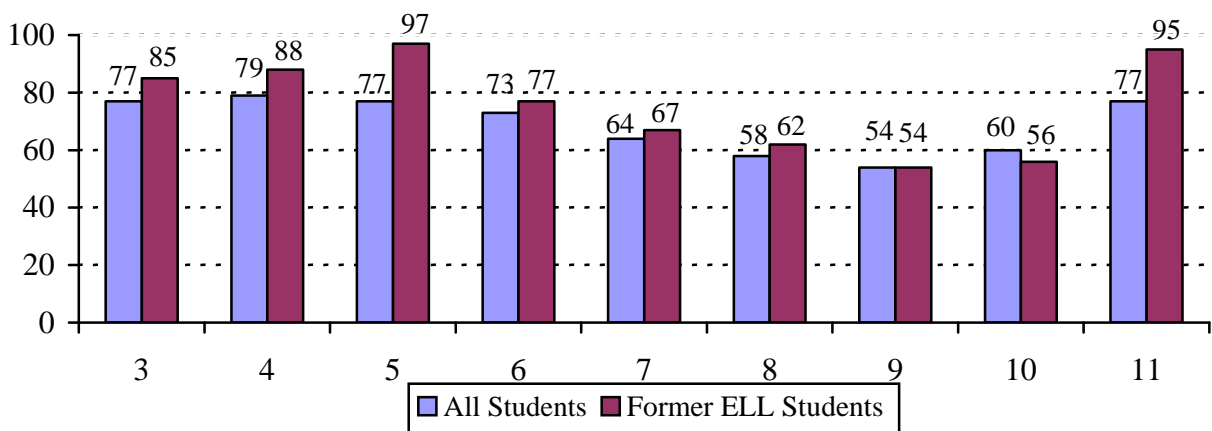

**Response:** Staff from the Office of Bilingual Education and the Department of Program Evaluation collaborated to summarize the 2006 TAKS performance of AISD former ELL students as compared with all AISD students. Figures 1-5 present Spring 2006 data for all AISD students and AISD former English language learners (ELL) students by subject and grade. Former ELL students surpassed the TAKS percentages passing of AISD students in all grades tested on TAKS Reading/ELA and TAKS Writing, and in most grades on TAKS Mathematics, Science, and Social Studies.
