

The mission of *Excelencia* in Education is to accelerate Latino student success in higher education. A critical set of institutions enrolling Latino students is Hispanic-Serving Institutions (HSIs).

Summary of the 2018-19 Emerging HSI List

HSIs are defined in federal law as accredited and degree-granting public or private nonprofit institutions of higher education with 25 percent or more total undergraduate Hispanic full-time equivalent (FTE) student enrollment.¹ *Excelencia* developed the Emerging HSI category—institutions with undergraduate FTE Hispanic enrollment of 15-24.9%—to track the growth of potential HSIs.

There were 352 Emerging HSIs in 2018-19.

While Emerging HSIs do not have the Latino student enrollment required to meet the definition of an HSI, these institutions may soon meet the criteria as their enrollment grows and Latino representation increases. The following list of Emerging HSIs was created using data from the Integrated Postsecondary Education Data System (IPEDS).²

¹ Summary of Title V of the Higher Education Act, as amended in 2008. To be eligible for the “Developing HSIs Program,” the law further requires that an HSI have a high enrollment of needy students and low core expenditures.

² IPEDS is a system of surveys designed to collect from all primary providers of postsecondary education institution-level data and is maintained by the National Center for Education Statistics (NCES), U.S. Department of Education.
