

AISD Athletics

Vision

To instill a passion for lifelong learning in all student-athletes through the development of the athletic programs at the high school, middle school, and elementary school levels.

Mission

To create an environment that fosters mutual respect, integrity, quality, and a commitment to excellence, through competitive athletics that instill the lifelong values of teamwork, leadership, and sportsmanship in the student-athlete so they may be productive members of society.

Core Values

- Accountability
- Integrity
- Structure
- Discipline

~ Teaching More Than The Game ~

Benefits of Athletics Participation

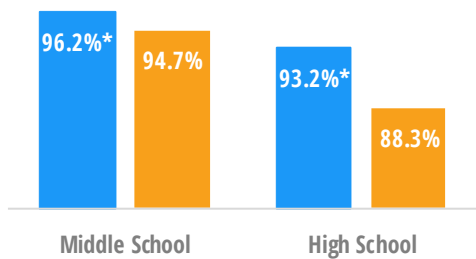

Austin Independent School District

Austin ISD students who participated in athletics experienced positive academic outcomes.

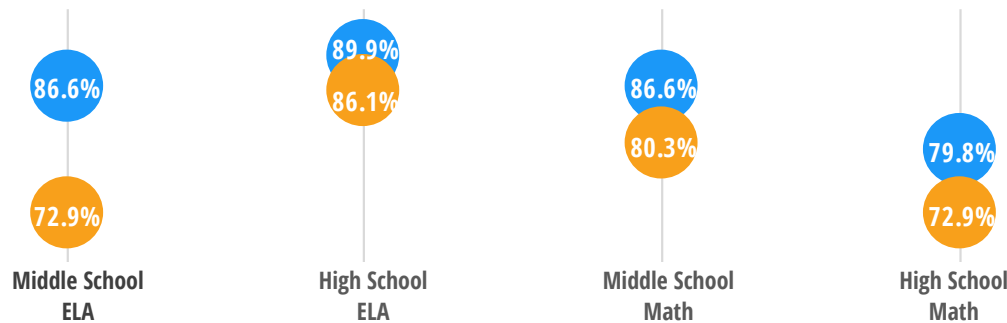

Middle and high school student **athletes** attended school at significantly higher rates than did **non-athletes**.

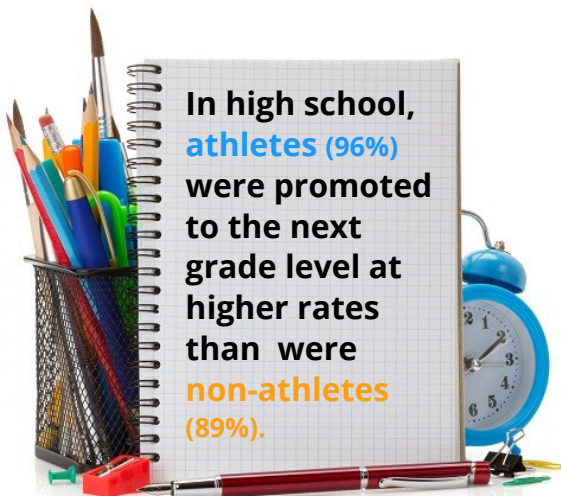

Lower percentages of student **athletes** had disciplinary problems compared with **non-athletes** in both middle and high schools.

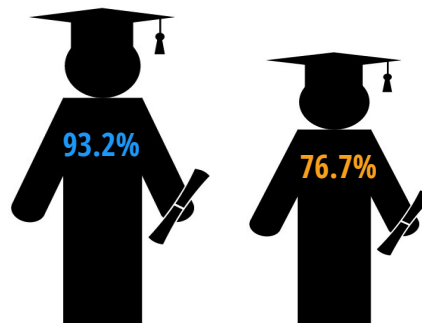

Student **athletes** outperformed their peers who were **not in athletics** on state academic assessments.

Student **athletes** had higher graduation rates than **students not in athletics**.

In high school, **athletes (96%)** were promoted to the next grade level at higher rates than were **non-athletes (89%)**.
