Call for Papers

61st Industrial & Commercial Power Systems (I&CPS) Technical Conference
Montreal, QC, May 11-14, 2025

The IEEE-IAS Industrial & Commercial Power Systems Department invites you to submit papers for presentation at the 2025 61st Annual I&CPS Conference which will be held at the Delta Hotels Montreal, 475 President Kennedy Avenue, Montreal, QC H3A 1J7, Canada. Presentations for this conference will be solely **in-person**; a virtual presentation will not be available.

Subject Matter:

The general scope of the conference is to provide practical information about the planning, design, construction, operation, and analysis of industrial and commercial power systems.

Some examples of the topics annually presented for this conference are:

Power System Engineering		
Power System Design	Forensic	Grounding and Bonding
Power System Analysis	Education and Healthcare Electrical Systems	Electrical System and Equipment Reliability
Emergency & Standby Systems	Maintenance-Operation-Safety	Ports and Harbors
Power System Protection		
Electrical System and Equipment Protection (1000 Volts and below)	Electrical System and Equipment Protection (over 1000 Volts)	Surge Protection
Generator & Ground Fault Protection of Medium Voltage Installations		
Energy Systems		
Distributed Energy Resources	Microgrids	Energy Efficiency
Climate Change and Energy Security		
Codes & Standards		
Arc Flash	Codes & Standards Development	Code Compliance
Data Center Electrical Systems and Applications	Application of Standards	

Please visit the IEEE Xplore website at <http://ieeexplore.ieee.org/Xplore/questhome.jsp> to view topics and authors from previous conferences.

Submission and Contact Information

Prospective authors should prepare a complete manuscript of the final paper draft, with title and names, affiliations, addresses, and email of all co-authors. Paper submissions of your Final Draft shall be uploaded to the IAS Manuscript Central website (visit here for the link: <https://site.ieee.org/ias-icps/call-for-papers-and-industry-presentations/>) and will be due by January 9, 2025. Authors will be notified about the acceptance of their paper by January 30, 2025.

Final papers for Conference record must be submitted to IEEE's ScholarOne Electronic paper system by March 21, 2025. The identified corresponding author will receive instructions on how to submit the paper upon acceptance of the document. One of the authors of each paper must have full registration and present the paper in person at the Conference.

Pursuant to IEEE policy papers must be free of commercial content.
