

IEEE Graduate Student Chapter at UT

Corporate Packet (Fall 2022 – Spring 2023)

Dear Prospective Corporate Partner,

The IEEE Graduate Student Chapter at [The University of Texas at Austin](#) cordially welcomes you to join us as a corporate partner for the 2022-2023 academic year.

We are a Chapter of the IEEE Technology and Engineering Management Society (TEMS) – a society which spans all disciplines within IEEE – and are locally affiliated to the IEEE Central Texas Section. Our mission is to organize technical, social and networking events with a strong focus on the soft-skills and professional development of our student community. We work in unison with the IEEE Central Texas Section, IEEE Region 5 (Southwestern US), IEEE Young Professionals as well as the IEEE Foundation.

We would be delighted to have you as our corporate partner! We look forward to hosting and working with you towards organizing successful events on UT campus!

Sincerely,

[The IEEE Graduate Student Chapter Team at UT](#)

Email: ieee-graduate-corporate@utlists.utexas.edu

Corporate Liaison: [Rachel S. Rajarathnam](#) (737-615-0150)

Founder/Industry Advisor: [Amritesh Rai](#) (614-530-9557)

Chapter Highlights

- **First-ever graduate student-led chapter of IEEE in the whole of IEEE Region 5**
- **Officially sponsored by the Cockrell School of Engineering at UT**
- **Active inclusion of ECE postdocs and graduate students in volunteering and leadership roles**
- **Focus on technical and professional events geared towards ECE graduate students and postdocs**
- **Active collaboration with the IEEE Undergraduate Student Branch and other ECE student orgs**

“What Starts Here Changes the World”

GRADUATE STUDENT CHAPTER

Event Overview

- **Location:** We can host events in [UT ECE's Engineering Education and Research Center \(EERC\)](#) on main campus as well as the [Microelectronics and Engineering Research Center \(MER\)](#) located at UT's Pickle Research Campus (approximately 9 miles north of main campus)

- **Publicity:** Events will be publicized to more than 600 skilled [UT ECE](#) graduate students and postdocs *via* large posters, digital slideshows, email listservs, as well as social media platforms (Facebook, LinkedIn, Slack, etc.)
- **Academic Tracks:** Graduate students and postdocs at [UT ECE](#), a consistently [Top-10 Ranked Program](#), specialize in diverse academic areas:
 - [Architecture, Computer Systems, and Embedded Systems \(ACSES\)](#)
 - [bioECE](#)
 - [Decision, Information, and Communications Engineering \(DICE\)](#)
 - [Electromagnetics & Acoustics](#)
 - [Energy Systems](#)
 - [Integrated Circuits & Systems](#)
 - [Plasma/Quantum Electronics and Optics](#)
 - [Software Engineering and Systems](#)
 - [Solid-State Electronics](#)

- Notes**
- (1) Reservations for the 2022-2023 academic year are open
 - (2) Events will be staffed by IEEE Graduate Student Chapter Officers
 - (3) Events open to all ECE faculty, staff and students (undergrads, non-ECE included)

For more information and details, please contact us at:
ieee-graduate-corporate@utlists.utexas.edu
