

High-G human-rated centrifuge and hyperbaric chambers tour at Brooks City-Base.

On July 13, 2023, the Lone Star Section / Lone Star Section Life Members Affinity Group and Lone Star Section EMB Chapter held a joint meeting and tour of high-G human-rated centrifuge and hyperbaric chambers at Brooks City-Base.

See photos of the hyperbaric chambers at Brooks City-Base:

- Chamber window site where JFK visited the day before his death.
