Multiple Campuses or Sites

If this license is to cover multiple campuses or sites, please list them below. Please be aware that the Licensee is generally understood to be a single institution, which may consist of multiple campuses or sites (such medical or other professional schools). JSTOR reserves the right at its discretion to assess additional fees or require separate Institutional Participation Agreements for certain campuses or sites or for distance education programs. In the case of a statewide university system consisting of multiple universities, each university typically would be considered a separate licensing institution.
