

ERIC Assessments and Surveys Identifiers

January 2025

A Publication of Institute of Education Sciences

The ERIC Identifiers are lists of standardized proper nouns representing locations, assessments and surveys, and laws, policies, and programs. Like Descriptors from the ERIC Thesaurus, they are assigned to ERIC records to describe the subject content of a document. Assessments and Surveys Identifiers include assessments, tests, surveys, and measures.

Assessment and Surveys Identifiers can be used to filter your search results or in an advanced search by using the assessment or assessmentx tags.
