STEP 3a

Authors will receive an email outlining their expected article publication charge (APC). If additional funding is needed, a link will be provided to request this.

Thank you for your recent submission to Journal of Diabetes Investigation, an open access journal that levies article publication charges; therefore, I am writing to confirm the article publication charge based on the information you supplied during submission of the following manuscript:

Article Title: CDLS/CEL: Workflow meta-data update
Manuscript ID: JDI-OA-2024-0161

If your manuscript is accepted for publication in Journal of Diabetes Investigation, you will be asked to pay the following:

Article Publication Charge: \$1,990.00
Highest Available Discount: \$1,298.50
Total Payable: \$691.50

*Upon invoicing, tax will be applied where applicable. If you are a tax-exempt individual or institution, you will be asked to provide your relevant tax information at that time. Please see <http://www.wileyopenaccess.com/details/content/120562979e/Authors.html> for more information on publication charges and applicable taxes. You may provide an alternative billing address at the time of payment if an institution or another individual is paying the publication charge for your manuscript.

Please note your institutional affiliation has entitled you to a 15% discount on your open access article processing charge (APC), plus an additional \$1000 subvention paid for by the JCI Libraries. This has already been applied to the total payable above. If you do not have research funds to contribute to the remaining payable APC, please complete the [CDL Open Access Coverage Form](#) to receive full coverage.

If you have questions about the status of your manuscript, please contact the Editorial Office at pl@wiley.com

Thank you for submitting your manuscript to Journal of Diabetes Investigation.

Sincerely,
Wiley Open Access

STEP 3a

For additional funding, the link in the email will direct you to the form. In the form, select 'No' and provide the reason why grant funding is not available to pay the APC. Then, click 'Submit'.

Do you have grant funding to pay for the remainder of your APC?

Yes

No

Please indicate the reason grant funding is not available to pay the remainder of your APC. This information is for aggregate data collection purposes only. Your selection will not impact your funding request.

This work is not funded by a research grant, and I have no other sources of funding available

I did not budget for publication in my grant, and my grant has no discretionary funds that can be used for APCs

My grant is too small to cover this fee

My funding agency does not allow use of grant funds to pay for APCs

STEP 4

If your request is approved, you will receive a confirmation email. Your accepted article is then published open access under a Creative Commons license on Wiley Online Library.

If your request is denied, you will receive an email asking you to pay for your APC. Paid articles are then published open access under a Creative Commons license on Wiley Online Library.

The request may not be approved until it has received editorial acceptance.

*Process shown may differ depending on journal. Follow the instructions that are given during submission to your chosen journal

Publishing post acceptance

STEP 1

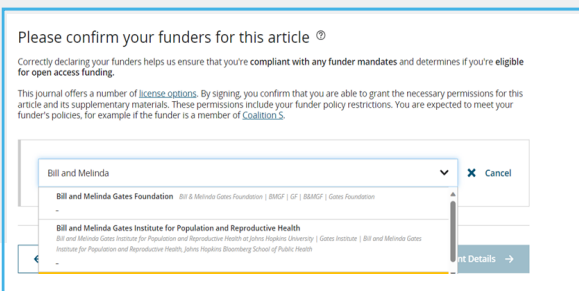

Once your article is accepted, register or log in to Wiley Author Services at www.wileyauthors.com.[^] Under My Articles, look for your article and click Manage Article. Look for a message from your institution or funder and click Select Open Access.

STEP 2

CONFIRM YOUR FUNDER(S)

You may be asked to add or confirm the funder(s) you entered during submission. Select your funder from the dropdown list or click **Add Funder** and start typing to search. You may also tick **"I did not receive funding for this article."** Then, enter any grant details.

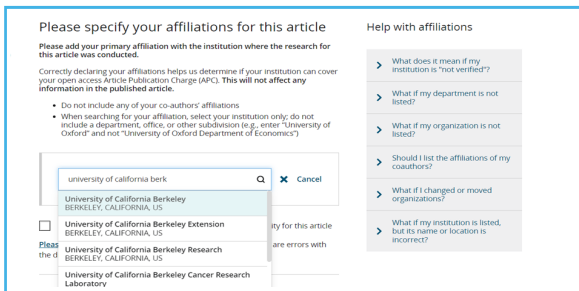

STEP 3

CONFIRM YOUR AFFILIATION(S)

You may be asked to add or confirm the affiliation(s) you entered during submission.

If you entered an eligible institution, you will see an Open Access Discount message:

STEP 4a

OPEN ACCESS COVERAGE

During the pre-acceptance stage, **if you indicated that funding is not required**, you will automatically proceed to signing your license and submitting your article.

However, **if you've made any changes in the previous steps**, you may be prompted to reconfirm whether you have grant funding available to cover the remaining balance of your APC. For details, please refer to Step 4b.

[^] Be sure to register for Author Services with the same email address used when submitting your article.

[†] If you are unwilling or unable to pay for open access, your article will be published on Wiley Online Library as a subscription article.
