

Vanderbilt University has an Open Access Agreement with IEEE

Now you can benefit from the IEEE open access agreement with Vanderbilt University. This agreement allows authors from **Vanderbilt University** and **Vanderbilt University Medical Center** to publish open access articles in IEEE's industry-leading journals and provides reading access to over five million documents from the IEEE *Xplore* Digital Library. The agreement makes it more convenient for authors to publish open access articles with IEEE as eligible authors pay no access charges as these costs are covered by Vanderbilt University under the agreement.

IEEE Open Access Publishing Options

FULLY OPEN Journals

IEEE offers a growing portfolio of gold fully open access journals spanning a wide range of topical focus areas. Publish faster online and reach a larger potential audience with a rapid, yet thorough, peer-review process.

HYBRID Journals

IEEE hybrid journals are subscription-based journals that provide authors the choice to publish as open access. IEEE offers over 170 hybrid journals that span an array of technology fields. The hybrid publications benefit from IEEE's respected reputation of publishing the leading research in the field.

IEEE Access

IEEE Access is a multidisciplinary, open access journal that features a rapid, yet rigorous peer review process of 4 to 6 weeks. It offers discipline-specific special sections aligned with IEEE technical communities.

Please note: Overlength page charges or color fees are not covered by the agreement and will be incurred by authors.

3 Easy Steps to Submitting an OA Article:

- 1 Once you find a publication to submit your paper to, click "Submit Manuscript" to start the submission process from the journal home page on IEEE Xplore.
- 2 In the Author and Affiliations step, enter the name of your institution in the "Edit Account Information" screen and select from the results that are displayed along with the corresponding RINGGOLD IDs. The results shown will help to match your article to an open access agreement as a primary matching method. Be sure to use your institutional email, which will be used as a secondary option to match your manuscript to an open access agreement.
- 3 If your article is accepted and you publish your article as open access, an open access administrator will receive a funding request for review and approval.

*To ensure accurate processing, please be sure to use your institution's name from the dropdown menu as well as your own institutional email address for all forms and submissions.
