ORIGINAL ARTICLES

- Sports injuries in adolescent boarding school boys J. H. D. BRISCOE 67
- Rugby football injuries, 1980-1983 J. P. SPARKS 71
- Relationship of ergometer-specific VO_2 max and muscle enzymes to blood lactate during submaximal exercise
I. JACOBS and B. SJODIN 77
- A laboratory running test: metabolic responses of sprint and endurance trained athletes Mary E. CHEETHAM,
C. WILLIAMS and H. K. A. LAKOMY 81
- Reliability of VO_2 max from submaximal cycle ergometer and bench stepping tests M. A. FITCHETT 85
- Mouthguards, an evaluation of two types for Rugby players N. UPSON 89
- Orofacial injuries and mouthguards: a study of the 1984 Wallabies P. J. CHAPMAN 93
- Age, height and weight of female Olympic finalists T. KHOSLA and V. C. McBROOM 96
- Australian Rules Football: An anthropometric study of participants Louise M. BURKE, R. S. D. READ and
R. A. GOLLAN 100
- Outcome of sports injuries treated in a casualty department J. SANDELIN, O. KIVILUOTO, S. SANTAVIRTA and
R. HONKANEN 103
- Does exercise alter anaerobic threshold in coronary artery disease during beta blockage? S. N. KOYAL, R. J.
STUART, R. LUNDSTROM, V. KRAEMER and M. H. ELLESTAD 107
- Serum lipids: interactions between age and moderate intensity exercise Kay VAN DER EEMS and A. H. ISMAIL 112
- Temazepam and the perceptual-motor performance of professional footballers J. GOLBY and M. A. HUTSON 115

CASE REPORT

- Avulsion fracture involving the body of the patella A. W. HUGHES 119

CORRESPONDENCE

- Marathon runner and muscle fasciculation A. M. PORTER 99

OBITUARY

- Henry Noel Cummings Bleasdale, MBE, MB, ChB
H. ROBSON 90

BOOK REVIEWS

- J. C. Pickett and E. L. Radin "Chondromalacia of the
patella" D. TUNSTALL PEDOE 75
