

Appendix 1

Table 3: showing additional details about the departments who took part in the study. Figures accessed through SitRep data from NHS England. Note: as Leeds St James' and Leeds General Infirmary are in the same trust, it is not possible to distinguish SitRep data, therefore the figures included represent both departments

NHS England. A&E Attendances and Emergency Admissions 2013-14. Available from: <https://www.england.nhs.uk/statistics/statistical-work-areas/ae-waiting-times-and-activity/weekly-ae-sitreps-2013-14/> [accessed 8th August 2017]

		Type of hospital/ED	Total Number of ED attendances 17-23/03/14	Admissions via type 1 ED 17-23/03/14	Performance against 4-hour target 17-23/03/14
Department	Taunton, Musgrove Park	District General Hospital	1144	320	94.5%
	Leeds, St. James	Teaching Hospital	4148	1488	96.3%
