

## Migration Checklist

Below is our checklist for what you can do to prepare for our platform migration on 8 November 2022.

We know that publisher migrations add to the workload of our already busy librarian customers, and we appreciate the time you put into making this a smooth transition.

	Action	Link to FAQs
IP address	If there are any changes, you can update them in your account settings.	<a href="https://intellectdiscover.com/librarians-faq#ip-address">https://intellectdiscover.com/librarians-faq#ip-address</a>
Shibboleth and Open Athens	If there are any changes, please email <a href="mailto:contact@intellectdiscover.com">contact@intellectdiscover.com</a> so we may update your account settings.	<a href="https://intellectdiscover.com/librarians-faq#shibboleth">https://intellectdiscover.com/librarians-faq#shibboleth</a> <a href="https://intellectdiscover.com/librarians-faq#open-athens">https://intellectdiscover.com/librarians-faq#open-athens</a>
Link Resolvers and OpenURL	If your library does not use an aggregator (e.g. EBSCO, Ex Libris, Informit,...) or uses non-DOI based linking, please have your vendor contact <a href="mailto:contact@intellectdiscover.com">contact@intellectdiscover.com</a> and we will try to include them.	<a href="https://intellectdiscover.com/librarians-faq#openurl">https://intellectdiscover.com/librarians-faq#openurl</a>
SUSHI request URL	Take note of your customer/requestor ID and SUSHI URL under Usage reporting on the Account Administrator's page.	<a href="https://www.intellectbooks.com/migration#sushi">https://www.intellectbooks.com/migration#sushi</a>
MARC Records	Update non-DOI links in local catalog or download global update records from OCLC/Serials Solutions.	<a href="https://intellectdiscover.com/librarians-faq#marc">https://intellectdiscover.com/librarians-faq#marc</a>
Proxy Servers	Configure for SSL and update proxy stanza	<a href="https://intellectdiscover.com/librarians-faq#ezproxy">https://intellectdiscover.com/librarians-faq#ezproxy</a>
Bookmarks	Redirects will work, but you should update to the new link on any LibGuides or other pages.	<a href="https://intellectdiscover.com/librarians-faq#urls">https://intellectdiscover.com/librarians-faq#urls</a>
