

IEEE PIKES PEAK SECTION HIGHLIGHTS: 2019 - 2022

1. **VIDEO SUMMARY OF ACHIEVEMENTS.** For a short 6-minute video summary of IEEE History and Achievements during the 2019-2022 and given to the IEEE Region 5 on 9 September 2022, please visit: [IEEE Region 5 Achievements Forum, 9 September 2022](#)
2. **UPCOMING AND RECENT PAST EVENTS.** For a listing of upcoming and most recent past events in the each of the society chapters and , please visit this link: [News](#) . For convenience, you can also find upcoming events on the left side panel of the home page at <https://site.ieee.org/pikespeak> when viewed on a desktop (or at the bottom of the home page when viewed on a smart phone)
3. **VISION, MISSION, STRATEGIC GOALS.** For a slide show of IEEE Pikes Peak Section's Vision, Mission and Strategic Goals, and selected events, please visit: [About the Section](#).
4. **DIGITAL FLIPBOOKS/VIDEOS ON SELECTED PRESENTATIONS FROM SECTION CHAPTERS/GROUPS.** Based on the presentations generated from the Pikes Peak Section societies and groups, we also provided digital flipbooks and/or videos to the society and group pages shown below:
 - [Webpage of Digital Flipbooks and Video Links of Speaker Presentations from the Computer Society](#)
 - [Webpage of Digital Flipbooks and/or Videos of Speaker Presentations from the Life Member Affinity Group](#)
5. **SECTION CHAPTERS.** The section added dedicated web pages for the following chapters/society/groups. Click on the hyperlinked text below for more information.
 - [Computer Society](#)
 - [Joint Circuits and Systems/Electronic Devices Society](#)
 - [Life Member Affinity Group](#)
 - [Magnetics Society](#)
 - [Power and Energy Society](#)
6. **PROFESSIONAL DEVELOPMENT.** For a section with web resources on professional development for engineers, please visit [Professional Development](#) . When you visit the web page, tabbed sections include: Licensed Engineer (by current Region 5 Director, Bob Becnel), IEEE Senior Membership, Young Professional Leadership, Managing Change, Past 50 Years on Change, Center for Leadership Excellence (CLE), 2022 IEEE Day, Character: Pyramid of Success, Engineering Management Institute (EMI) Resources

7. **GROWTH MINDSET FOR STUDENTS.** There are web resources section on the Growth Mindset (Including Leadership and Entrepreneurial Mindset) for Students with videos/playlists. The contents contain the following headings
- [Engineering Unleashed](#) : Tabbed Sections include: Mindset for Success, Kern Entrepreneurial Engineering Network (KEEN) framework, Video Series of Engineering Mindset, KEEN'zine, KEEN talks, 2021 KEEN Plenary Talks, Remote Teaching Resources, Student & Faculty Video Testimonials, Industry Validation Videos, and IEEE Links
 - [Skillset And Mindset](#) : Tabbed Sections include: Demystifying Leadership, Passion for Excellence, Character for Excellence, Young Professional Leadership, FE Prep Tips, Leadership Development, 2022 IEEE Day
 - [Student Activities](#) : To help inspire and provide some project ideas for student branches, the tabbed Sections include past activities of students: 2022 UCCS IEEE Day, USAFA Senior Design, Student Projects, Underwater Robotics, What-If Festival, Space Foundation, Disney Theme Parks, Solar Tour and Expo, Engineering Week, Student Made Video & More, Try Engineering
 - [IEEE and Other Videos](#) : Tabbed Sections include: IEEE Spectrum on Robotics, Quadcopter Playlist, Women-In-Engineering Videos, Leadership Series – Young Professionals, Keys to Being a Successful Engineer, Engineering Career Takeaways
8. **PHOTO GALLERIES:** For selected photo galleries of past events, visit [Photo Galleries](#). Tabbed Sections include: May 2019: USAF Academy Senior Design Projects, Feb 2020: MRAM Technology, July 2022: National Museum of WWII Aviation, Aug 2022: EXCOM Meeting, Sep 2022: Power Grid Upgrade in Africa, Oct 2022: IEEE Day at UCCS
9. **ARCHIVE:** For a visual and historical archive of past events, [Archive](#). Tabbed Sections are labelled as [2022], [2021],[2020], [2019], [Pre-2019]
10. **CONTACT US:** For email contact for officer positions with the section, please visit [Contact Us](#).
