CONFERENCE TOPICS

THE TOPICS OF INTEREST INCLUDE, BUT ARE NOT LIMITED TO FAULT DIAGNOSTICS, PROGNOSTICS, FAULT TOLERANCE, DEGRADATION, AGEING, PREDICTIVE MAINTENANCE AND RELIABILITY, FOCUSING ON:

1.	ELECTRICAL MACHINES
2.	POWER ELECTRONICS
3.	ADJUSTABLE SPEED DRIVES
4.	MATERIALS FOR ELECTRICAL MACHINES AND POWER ELECTRONICS
5.	TESTS, SENSORS AND INSTRUMENTATION
6.	SIGNAL PROCESSING, DATA ANALYTICS, AI AND MACHINE LEARNING METHODS

Conference Committees

General Chair

K. N. Gyftakis (Greece)

Honorary Chair

G. A. Capolino (France)

Technical Program co-Chairs

A. J. M. Cardoso (Portugal)

T. Wolbank (Austria)

J. A. Antonino-Daviu (Spain)

Special Session co-Chairs

P. Maussion (France)

E. Strangas (USA)

L. Frosini (Italy)

Awards Chair

A. Bellini (Italy)

Tutorials co-Chairs

M. Orkisz (Poland)

B. Akin (USA)

M. Riera-Guasp (Spain)

Publication co-Chairs

A. Luque (Spain)

S. B. Lee (S. Korea)

L. Zarri (Italy)

Treasurer

E. Sergaki (Greece)

Publicity co-Chairs

T. Sobczyk (Poland)

C. Platero (Spain)

P. Zhang (China)

T. Vaimann (Estonia)

Local Organising Committee

A. Kladas (Greece)

E. Tatakis (Greece)

F. Kanellos (Greece)

E. Koutroulis (Greece)

G. Stavrakakis (Greece)

I. Karnavas (Greece)

A. Karlis (Greece)

E. Mitronikas (Greece)

What does Chania have to offer?

- One of the most sought tourist destinations in the Mediterranean.
- Has airport.
- Manageable city size.
- Tons of attractions and things to do outside the conference.
- Amazing seaside.
- Great gastronomy.
- Cretan culture and hospitality.

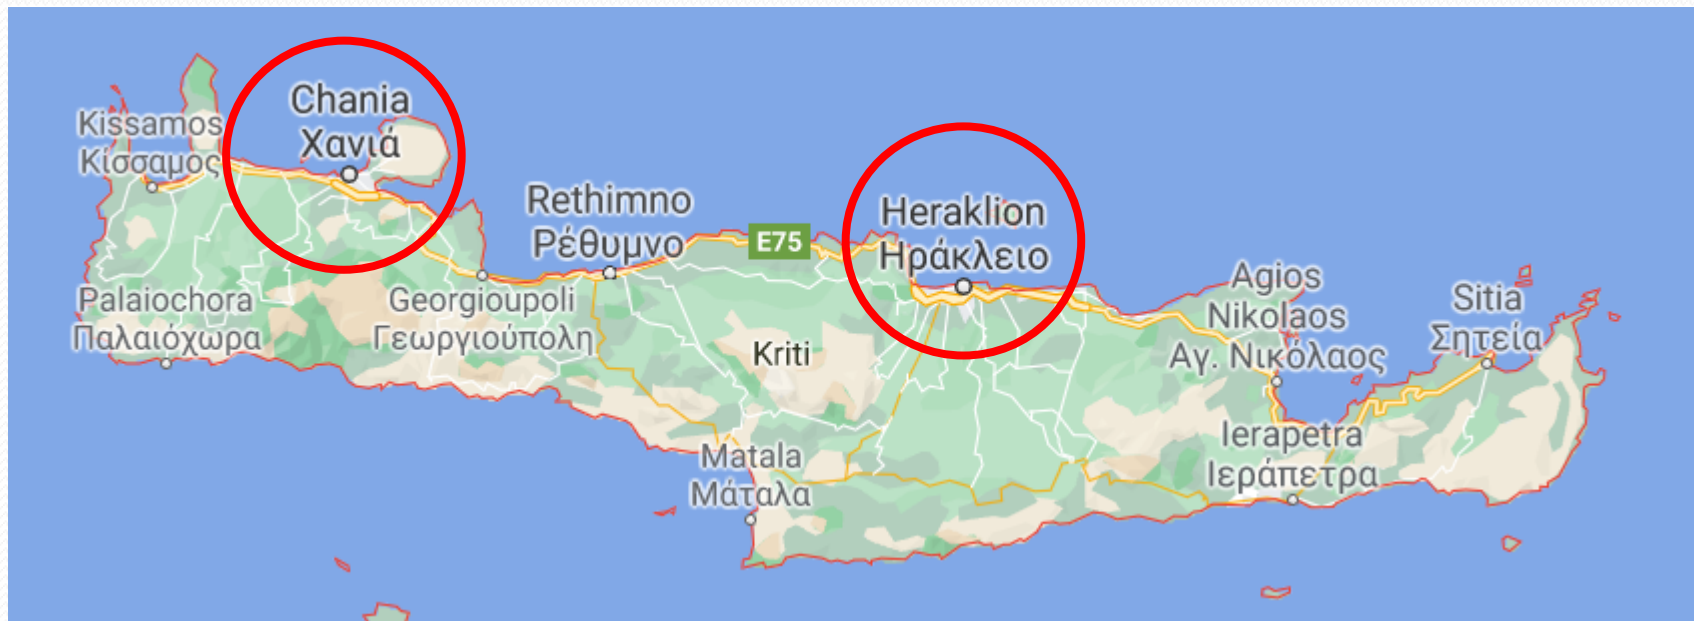

Venue: Leptos Panorama Hotel (5*) <https://panorama-hotel.gr/>

Access to the Chania from overseas

- Chania International Airport (bus to the city centre – approximately 15 min)
- Heraklion International Airport ➡ Chania [bus (3hrs) / car (2hrs)]
