Status

IEEE Pikes Peak Section - Dr John Santiago

- Using OU Analytics to understand composition of section
 - Total IEEE members -669
 - Life Members – 112
 - Regular Members - 403
 - Student Members - 19
 - \$32 to be student member
 - Maybe 1/2 cost now
- Using Denver Section as model for web layout
- site.ieee.org/pikespeak/
- Go visit site it has been updated
- Entrepreneurial Mindset tab has a lot of new information including a Playlist of 200 IEEE videos from Spectrum, Leadership info for Students, and more...
- Use vTools to schedule and document meetings to get greater tie into Pikes Peak Section.
 - For instance, if you are a Pikes Peak Section IEEE Chair and are setting up a meeting use vTools and you will get an announcement showing at the Pikes Peak Section website.
-

Computer Society Coordination Regions 5 and 6 - David Bondurant

- Working with James Gowans, from Denver Section, getting region 5 going and also looking at region 6. James will be area coordinator to region 5. He has Region 5 Computer society website, sharing webinars or other activities, David will show his website next week.
- **Update:** David has received the database of Computer Society members in Region 5 and 6.

Computer Society Pikes Peak Section - Gene Freeman

- **Update:** Gene has received the database of Pikes Peak Computer Society Members from David and has generated an address list. There are 96 members.
- Gene to email Dr. Gerschevske, last Chapter chair to send background files on the Society while he held the position.

Life Member Affinity Group - David Bondurant

- 3 Webinars have been presented to North and West Region 5 LMs. Attendance in the 30 to 50 range.
- Had 6 regional LMAG meetings

Joint Solid State and Electronic Devices Society - T.S. Kalkur

- Dr. Kalkur had two talks planned for this year so far. The first was held at UCCS on March 2, 2020. It was Accelerating Commercialization of SiC Power Electronics by Victor Veliadis, IEEE Distinguished speaker and Fellow, Executive Director and CTO of Power America.
- The second talk was to have been in May by Prof. Stephen Bayne of Texas Tech University but was cancelled do to the COVID epidemic.

Magnetics Society – Dmytro Bozhko

- Dmytro used OU Analytics to get chapter demographics and determined that the Chapter lost 15% of members this year.
- There are now 6 people in the Chapter
- 1 Student Member, 2 Life Members, 1 Senior Member, 2 Regular Members
- They had two talks this year had planned 4 more.
- A prime purpose of talks and conferences is to get people to help with collaboration. Virtual meetings fall short of fulfilling this need.
- Awaiting to see what is happening next academic year.

Power Engineering Society – Russ Bogaardus/ Rich Painter

- Russ has a connection with John Romero, CS Utilities and will try to get in touch to see if we can restart the Power Engineering Society

Student Branches

- Air Force Academy- John Santiago will look for a contact
- UCCS- Darshika Perera- is a contact
- CSU Pueblo- Jude DePalma – No update
- CTU- John Santiago to investigate if someone took over the IEEE Student Branch

Financial Status – John Reinert

- There is funding for member event when that becomes applicable given the COVID situation

Next Meeting:

- **Social Media - All**
 - Facebook
