By registering in CMI2021, the author agrees to the following terms and conditions:

1. The registering author (registrant) will present the paper in the conference venue in stipulated schedule through the virtual mode, to be communicated by the organizers. Failing to remain present will result in discarding the paper being sent to IEEEExplore Digital Library.
2. As per IEEE publication policy, all presented papers in the conference venue will undergo post-conference quality check, to which the organizers do not have either any access, or control. Papers failing to qualify such quality check may be debarred to be uploaded to IEEEExplore Digital Library. The organizers will not be responsible for any such issue, if arises, in future.
3. The camera-ready version of all registered papers provided by the authors will be available in the CD Proceedings of the conference with ISBN and proper pagination. However, post conference, for the IEEEExplore compliant version, if the manuscript template deviates from the IEEE conference template, the authors will be individually contacted for correction of template.
4. The registration amount is non-refundable.
5. The authors will submit the presentation file in proper format within the stipulated date. No spot change of presentation file will be allowed.
6. No change of timing of presentation will be entertained by the organizers.
7. All correspondence from organizers will be through the Microsoft CMT portal. It is the responsibility of the authors to enroll the email IDs of all (at least the registrant) author for proper receipt of communication. The organizers will not be responsible for missing of important notification by a co-author.

_____ : I agree to the terms and conditions

(Full signature of the registrant author with date)
