Minutes

Item	Discussion	Actions
1	Richard welcomed everyone to the meeting.	
2	Apologies were noted.	
3	Previous minutes (13 September 2011) as circulated were noted. The minutes were confirmed as a true and accurate record of the meeting.	
4	Matters Arising:	
	Donald began organising the FPGA event, which currently has 7 registrants. The registration fees for students were adjusted as previously agreed.	
	The GOLD affinity group has been approved. Richard thanked everyone involved in the formation process.	
5	Chair Report:	
	Richard reported that the newsletter is currently in preparation.	
6	Secretary Report:	
	Pawel had nothing to report.	
7	Finance Report:	
	At the end of September, the sections bank balance is NZD 15,900. This after receiving \$1500 reimbursement from IEEE for Richard's attendance of the Sections congress in San Francisco.	
	Expenses coming up include	
	- covering the costs of the Postgraduate Event (approx. \$500)	
	- covering the costs of Transmission Tomorrow series (approx. \$300)	
	 8 Student membership reimbursements (total of \$320). 	
8	Webmaster Report:	
	Keith noted that he sent out the notice regarding the FPGA event.	

9 Membership Report: Aaron reported that the Section received 9 new members, the majority of which are student members. Currently there are 41 members in arrears. Aaron suggested inviting the 4 female members to the AGM. 10 Student Branch Report: Fahim noted that the application for the formation of the Massey student branch has been submitted. Pawel noted that he has approached a number of VUW PhD students about the formation of a sister branch at Victoria. 11 GOLD Rahul pointed out that it would be beneficial to have a strong link between the GOLD and the two student branches. Once the student branches are formed we should begin this cooperation. 12 General Meetings: A discussion was held regarding potential speaker for the AGM. R10 Director Designate, who was originally suggested, is unfortunately unable to attend. It was suggested that Prof. Kim Jong-Hwan from KAIST be approached to speak at the AGM. 13 Conferences. ICST Sensors conference will be held 29 November – 1 December (with Tutorial on Monday, 28 November).
