However, let us focus on this next year. Appoint an award chair?</i>	Matter to be discussed in next meeting.

APRIL 2019 REPORT

1. Shifted events that have been completed and placed them in the recent events section or in the past events archive.
2. Added the previous meeting minutes (AGM draft minutes)
3. Highlighted announcement of Post-Graduate Presentation Day on our site
4. Generated a website entry for the new Engineering New Zealand Electrical Engineering Group Launch and a corresponding e-Notice (courtesy of information from Murray).
5. Helped to respond to R10 request for an NZ IEEE Council website. (Old site was over 10 years old - R10 web administrator to be informed in order to locate it.)
6. IEEE Region 10 AGM Notes from Murray and Donald were edited, and an announcement made on our website with a downloadable pdf version also made available through the site for members.
7. An image of the Small Section Award that was presented at the R10 AGM has been placed on the site for members to view. Committee members can locate it via <http://ewh.ieee.org/r10/nzc/#ItemsOfInterest> on our site.
8. The Upcoming Events section on our site can now be accessed also directly at: <http://ewh.ieee.org/r10/nzc/#UpcomingEvents>. I have placed bookmarks on our site to assist with more rapid access to information, if more are required, I shall be happy to include them, the redesign of the site should make navigation easier in the longer term.
9. Quietly working on a revamped Section website and it will eventually be accessible in its draft form at <http://ewh.ieee.org/r10/nzc/NewSite> however, you will NOT find anything useful at this location presently - only a placeholder of an old webpage from our existing site. I'll make a further announcement to the committee once I have progressed sufficiently for the committee to comment on its new design. Please be patient, this is going to take some time to complete!!!
