

Systems Community Night

Please Join Us!
Monday - June 3, 2013

Innovate 2013: *The IBM Technical Summit* provides the insights you need to *stay ahead*. IBM Rational continues to lead the way by offering you **THREE** special ways to participate*

**(These three opportunities are at no additional cost. Registration required, parking fee not included)*

Defense Industry Forum:

moderated by

Richard Soley and Bruce Douglass

CEO

OMG

Chief Evangelist

IBM Rational

Energy Industry Forum:

moderated by

Buck Martinez

Senior Director of Clean Energy

Florida Power & Light

These **Two Forums** will run in parallel and will begin at 4:15 PM on Monday, June 3, 2013 at the **Swan and Dolphin** hotel in Orlando: <http://www.swandolphin.com/>

Evening at the Solution Center:

Following these sessions, please enjoy our engineering network reception in the Solutions Center.

- See the latest technology from IBM Rational
- Network with key engineering organizations like: SAE International, OMG, INCOSE, Citizens for Clean Energy, IEEE Computer Society, FIRST Robotics

After networking at the solution center, join us at 8PM for an evening presentation:

Test and Evaluation: The Systems Engineering Role / Us vs Them Testing

David P. Grow, President, Central Florida Chapter
International Test and Evaluation Association (ITEA-CF)
