IEEE Embedded System Workshop

October 13, 2012, 8:30 a.m. to 5 p.m. (Saturday)
Dodge Hall – Room 201
Oakland University
Rochester, Michigan 48309

IEEE South East Michigan Computer Chapter and Oakland University are offering a one-day (**free**) workshop on Embedded Systems. This is a **free** workshop open to all engineers, students and applications. The aim of this workshop is to disseminate knowledge, benefit the IEEE members and indirectly **improve the technology and Michigan economy**. Speakers and experts from the embedded systems industry will be making presentations, and will also be available for discussions and networking throughout the day (see page two for a tentative agenda). Please be sure to publicize this event in your organization for maximum participation in this workshop.

Limited seating is available. Please confirm your participation with Prof. Ganesan by **registering on the web: http://ewh.ieee.org/r4/se_michigan/cs/ or https://meetings.vtools.ieee.org/meeting_registration/register/13491** and if there is problem via email: ganesan@oakland.edu. When responding, please indicate **your lunch preference: turkey, chicken or cheese sandwich**. For Technical questions, contact: Prof. Subra Ganesan at: ganesan@oakland.edu or by phone: 248 370 2206.

Register and attend for a chance to win multiple door prizes.

Certificate of Attendance will be available for participants who do preregistration and attend the full event. (Must be present to win)
