

Nanotechnology Conference
Eagle Crest Conference Center, Ypsilanti
Wednesday, Nov. 18, 2009 11am – 8pm
IEEE Southeastern Michigan Section

Call for Poster Abstracts

Authors are invited to submit a poster title and abstract (less than 150 words) by October 18, 2009. Poster session topics include: Nanofabrication, Nano System Integration, MEMS and Robots, Nano Learning Modules, and other relevant Nanotechnology topics. Authors of the selected abstracts must have a poster available for viewing from noon until 6:00 pm on the day of the conference. The suggested poster size is 4 feet by 3 feet, and should contain large text to be read from a distance.

A Best Poster Award will be given to the top presented poster, as judged by the review committee. The award will be based on originality, content, and poster quality.

Please submit poster abstracts to: lora.schulwitz@gd-ais.com no later than 10/18/09.
