AESS E-Mail Distribution List Instructions

October 2002

Included in this report are the current AESS e-mail distribution lists:

<u>Name of Distribution List</u>	<u>alias</u>
Board of Governors	aes-bog
Officers	aes-off
Publications	aes-pub
Technical Representatives	aes-reptec
Technical Panel Liaisons	aes-pnltec

Your mail to all members of the AESS Board of Governors should be addressed, for example, to **aes-bog@ieee.org**.

You may wish to create your own IEEE e-mail alias (e.g., g.burdell@ieee.org for George Burdell) using directions provided on the IEEE world wide web pages:

<http://mail.ieee.org/elecomm/personal-aliases.html> and

<http://mail.ieee.org/elecomm/reg/register.html>.

Note that, if you choose to create your own alias, you will need to establish an IEEE userID and password. Please tell me what your IEEE e-mail alias is, and I will add it to the appropriate distribution lists. I cannot create your e-mail alias myself any longer. I can, however, request that IEEE HQ establish your IEEE e-mail alias for you if you will provide me with the following information:

- first, middle, and last name
- the e-mail address you want your IEEE e-mail directed to
- your IEEE userID and password

Password Protected Board of Governors Web Pages

We distribute downloadable reports from our AESS Board of Governors web page, plus post information regarding upcoming Board meetings and activities. These password protected pages are located at <http://aess.gatech.edu/BOG/BOGmain.html>.

The userID for this page is "aess,"
The password is "russ02."

Omit the Quote signs; remember that both responses are case-sensitive.
