## **AESS Web Pages**

Mr. Bill Ballard performs our AESS webmaster functions. His e-mail address is:

[bill.ballard@gtri.gatech.edu](mailto:bill.ballard@gtri.gatech.edu)

*Action items and assistance desired:*

- Create web page for the Integrated Avionics Panel
- Create web page for the System Engineering Panel.

# **AESS E-Mail Distribution List Instructions**

May 2003

Included in this report are the current AESS e-mail distribution lists:

<u>Name of Distribution List</u>	<u>alias</u>
Board of Governors	aes-bog
Officers	aes-off
Publications	aes-pub
Technical Representatives	aes-reptec
Technical Panel Liaisons	aes-pnltec

Your mail to all members of the AESS Board of Governors should be addressed, for example, to **aes-bog@ieee.org**.

You may wish to create your own IEEE e-mail alias (e.g., g.burdell@ieee.org for George Burdell) using directions provided on the IEEE world wide web pages:

<http://mail.ieee.org/elecomm/personal-aliases.html> and

<http://mail.ieee.org/elecomm/reg/register.html>.

Note that, if you choose to create your own alias, you will need to establish an IEEE userID and password. Please tell me what your IEEE e-mail alias is, and I will add it to the appropriate distribution lists. I cannot create your e-mail alias myself any longer. I can, however, request that IEEE HQ establish your IEEE e-mail alias for you if you will provide me with the following information:

- first, middle, and last name
- the e-mail address you want your IEEE e-mail directed to
- your IEEE userID and password

## **Password Protected Board of Governors Web Pages**

We distribute downloadable reports from our AESS Board of Governors web page, plus post information regarding upcoming Board meetings and activities. These password-protected pages are located at <http://www.ewh.ieee.org/soc/aes/BOG/BOGmain.html>.

The userID for this page is "aess,"

The password is "**russ02.**"

Omit the Quote signs; remember that both responses are case-sensitive.
