Subject: Candidates for President and Executive Vice President

At this BoG meeting we will be electing the President and Executive Vice President. Russ Lefevre and Paul Gartz are the individuals presently serving in these positions and are eligible and willing to serve second terms. On behalf of the nominations committee it is my pleasure to place their names in nomination.

Nominations can also be made from the floor. If you are planning on nominating a candidate from the floor please have copies of their resume/cv.
