

**Plenary 4: Brave New Brain-Tech: IEEE Neuroethics Program Development of Guidelines for Use of Neurotechnologies in Practice, Saturday 16 November 2019**

**Mark A. Vasquez, IEEE TechEthics**

Mark A. Vasquez (moderator) is a Certified Association Executive (CAE) with over 25 years of experience in association management at IEEE. He currently serves as the program manager for IEEE TechEthics, a program that drives conversations about the ethical and societal impacts of technology. In this capacity, he works to develop relationships with others in the technology ethics community, produces events, convenes thought leaders, and more. Mark is an engineering graduate of The Cooper Union.
